Make it
Massachu

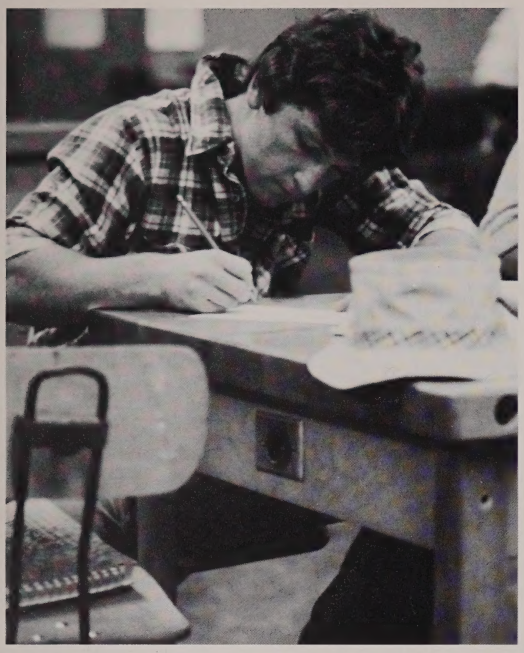

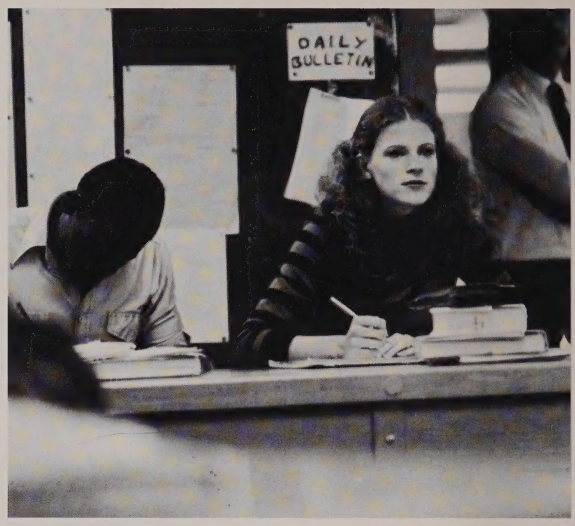

Memories are all that we shall take
Memories of moments we chose to make . . .
There'll be traces of friends, traces of laughter
Of faded dreams of things we were after . . .

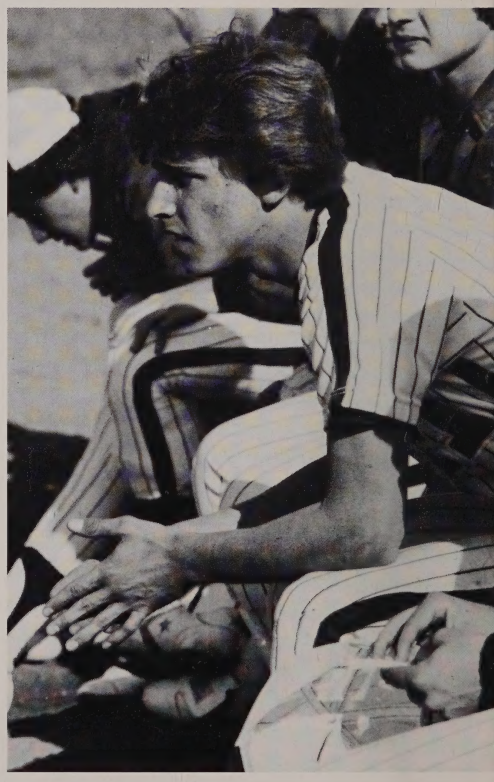

There'll be times we'll remember who we were
And times we'll know we were never sure . . .

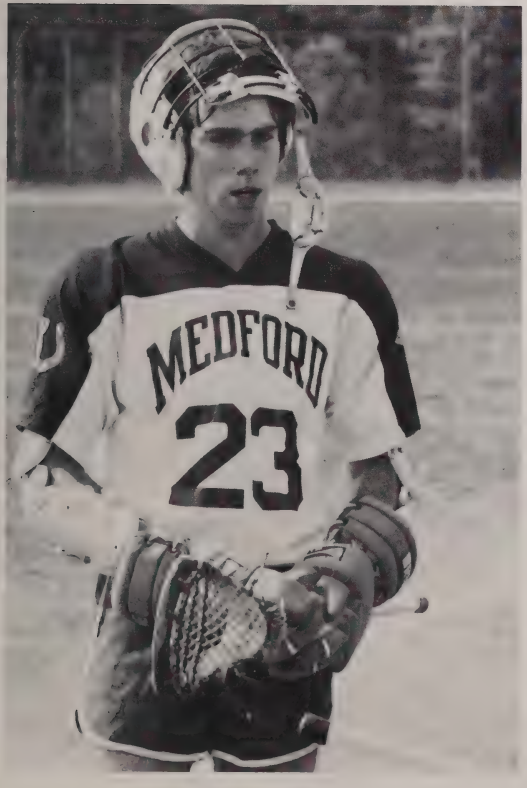

There'll be so many things we meant to do
So many hard times we made it through . . .

There'll be someone special we'll want to remember
The one that we loved from May to November
There'll be growing up moments held close to our hearts
And treasured moments of high school sweethearts . . .

The magic of Prom night lives on through the years . . .

Along with the athletic heroes and cheers . . .

There'll be so many memories
we'll never forget
So many chances
we'll never regret . . .

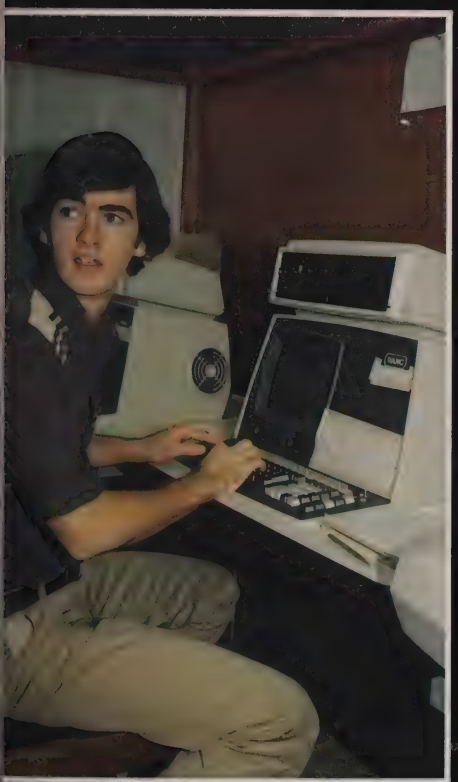

There'll be many tomorrows
to search for with care
So many new dreams
to shape and to share . . .

Our yesterdays will give us
the courage to believe
That it's what we take with us
and not what we leave . . .

That allows us to be
the dreamers we are
To do our best,
to reach for that star . . .

We have what it takes to see our dreams through
We're the young, we're the future, we're the class of "82".

In Memoriam

Phillip Barretto

The Senior Class was profoundly saddened by the news of December 12, 1981, when it heard of the death of Phillip Barretto, a member of the Class of 1982. Phillip, a student in the business education course, entered the high school as a sophomore after one year at the Medford Vocational-Technical High School. Despite the limitations and restrictions placed on him through his extended period of illness, Phil's positive attitude never abated. He maintained his job at the Pilgrim Pantry in Medford, kept up with his wide circle of friends, fulfilled his scholastic responsibilities, and spent many happy moments pursuing his great interest in auto mechancis.

How can anyone accept the shattering paradox of death for one so young? Perhaps the English poet Thomas Gray summed it up best in his lines from "Elegy Written in a Country Churchyard:"

"Here rests his head upon the lap of Earth,
A youth, to fortune and to fame unknown;
Large was his bounty, and his soul sincere,
Heaven did a recompense as largely send:
He gave to misery all he had, a tear,
He gained from heaven, 'twas all he wished,
a friend."

When Michael F. Gaffney retired from the Medford Public School System in October of 1981 after thirty-one years of service at Medford High School — the last twenty-one in which he had served as Head of the Business Education Department — he left with the warmest personal regards and the highest degrees of respect from all those familiar with his work — students, teachers, fellow administrators, and educational leaders in the community. The esteem in which he was held was clearly seen in the unprecedented number of individuals who insisted on attending his "retirement party" on that clear October night in the fall of this school year. No happier occasion was ever more enjoyed, and no more fitting accolades were ever more sincerely expressed.

On January 26, 1982, news reached Medford High School that Mike Gaffney had suddenly passed away. What tragic irony that one who had so long, so untiringly, and so creditably worked for others should have but three short months of enjoyable, well-deserved retirement. There are obviously no easy philosophical answers to the enigmatic ironies of life. The only answer that is sustaining and remotely acceptable is to reflect on the rich legacy left to us by Michael F. Gaffney: wisdom, patience, sincerity, humor, and a strict adherence to the old-fashioned but never obsolete work ethic.

Thanks, Mike.

Michael F. Gaffney

Class Advisors

Our class advisors have guided us through our four years at Medford High School with a dedication and generosity which have been deeply appreciated. Their direction has helped fuse wthin us a cohesiveness and spirit which has been evident in all of our many varied activities. We wish sincerely to thank our advisors for their energetic guidance and patience and for helping to make our four years most enjoyable and memorable.

The Student Council is the student government at Medford High School. It looks into grievances, boosts school spirit, and promotes community projects. This year, members have acted as guides for Parent-Teacher nights, collected for Globe Santa, and established a committee to act on grievances. It has also held several student-related activities. This year, it hopes to have built a solid foundation for the Student Councils yet to come.

Dedication

Mr. Thomas Clarke

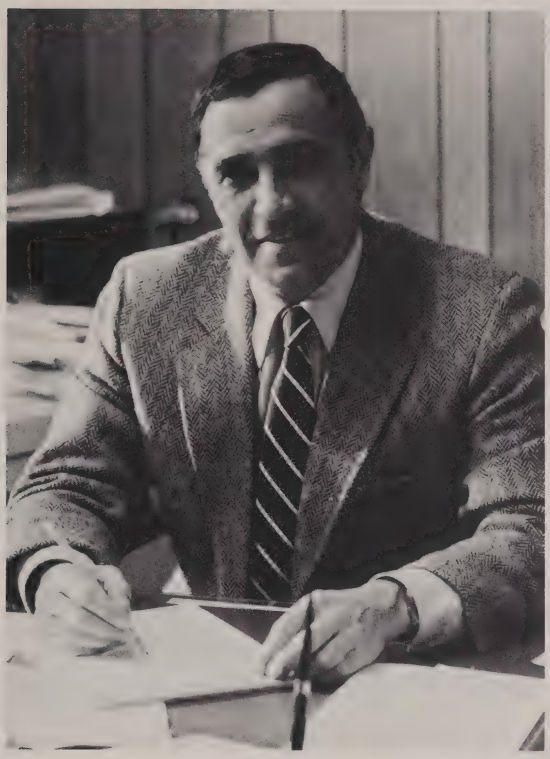

It is with great pride that the Editors of the Blue and White dedicate the 1982 Medford High School yearbook to Mr. Thomas Clarke of the Social Studies Department. For the past sixteen years, Mr. Clarke has demonstrated qualities that characterize the outstanding teacher: patience, understanding, knowledge, and fairness. Epitomizing the truly interested as well as the interesting teacher, he is held in high regard by both students and faculty alike.

A graduate of Mission High School in Boston, where he was an outstanding high school athlete, Mr. Clarke attended Northeastern University, from which he received his B.S. degree in 1958. He returned to his alma mater at Mission in 1958, teaching there until 1962. He then went to Danvers High School in 1962, serving both as a teacher and an assistant varsity football coach. While working on the North Shore, he received his M.Ed. degree from Salem State College in 1966. In the fall of 1966, he joined the M.H.S. faculty as a member of the Social Studies Department as well as a varsity assistant football coach. Working with Head Football Coach James McKinnon — now submaster at M.H.S. — produced some very exciting moments for Medford football fans over the next four seasons, including an undefeated Eastern Mass Championship team in 1967. Mr. Clarke retired from his coaching position in 1969.

The enthusiasm and knowledgeability which Mr. Clarke brings to his teaching are constants which he has never allowed to diminish. His perception of students' needs and his willingness to help are qualities that all students can appreciate. He is sincerely interested in helping all students to reach their full potential.

The Class of 1982 is sincerely proud to dedicate the 1982 Medford High School yearbook to Mr. Thomas Clarke, a truly distinguished and dedicated teacher.

Headmaster's Message

To the Class of 1982:

Each of you have earned the right to be called a Medford High School graduate. During your four years of matriculation you have gleaned an education that will hold you in good stead for whatever your future endeavors may be.

Your cooperation in helping to make Medford High School a better place for those who will follow did not go unnoticed. Your contributions academically, socially, athletically, and extracurricularly have brought a great amount of honor and pride to your Class, to your School, and to your Community.

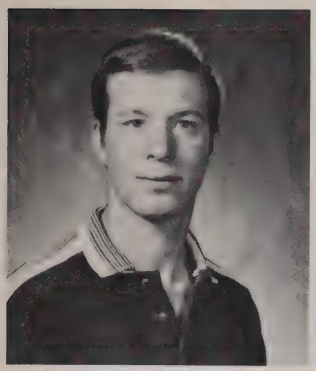

Your positive attitude in dealing with day to day trials and tribulations made the entire educational community sit up and take notice. Your mature understanding of life generated the confidence each of you will need to participate in our ever-changing complex world. Each of you will share the burdens of society along with reaping the joys of a good harvest.

I extend to each of you the challenge to pursue your lifelong goals with unswerving dedication and commitment in order that you will carve a niche in society which will endure for a lifetime. As Headmaster, I have the utmost confidence in your achieving the aforementioned with complete satisfaction.

On behalf of the faculty and underclassmen of Medford High School, may I extend to the Class of 1982 boundless health, happiness, and success in the years that lie ahead.

I should like to leave the Class of 1982 with a thought from Emerson's essay Self-Reliance . . .

"Your genuine action will explain itself and will explain your other genuine actions. Your conformity explains nothing. Act singly, and what you have already done singly will justify you now. Greatness appeals to the future. If I can be firm enough today to do right and scorn eyes, I must have done so much right before as to defend me now. Be it how it will, do right now. Always scorn appearances and you always may. *The force of character is cumulative.*"

Congratulations to Coach Lou Ruggiero and his M.H.S. cross-country harriers who shared the G.B.L. Championship with Peabody and Revere. Jumping off to a sensational season-opening win against Peabody, the team, captained by Jay Lynch, Tim Irving, and Chuck Casella, tasted defeat but once in its G.B.L. season, finishing with six wins in its seven league contests. The team was paced by the running of Chuck Martin (only a sophomore) who was the winner in six of his seven dual meets. The team also received outstanding performances from Girls Capt. Liz Marceau — M.H.S. record-holder by a woman runner. Both of the above were named to the G.B.L. All-Star team along with Irving and Janyce Gately. With only one senior on its team roster, is it any wonder that Coach Ruggerio and his outstanding group of runners are anxiously awaiting the start of the next cross-country season?

Led by Co-Capts. Paula Chivers and Andrea Damian, The M.H.S. Girls' Swim team completed a successful season with five wins in its eight dual meets; the winning season was achieved by a team which, after losing its first three meets, turned around completely to win its last five contests. The team received record-breaking performances from Jennifer Purdy (100 back and 200 medley), Marybeth Arena (100 butterfly), and Kathy Leahy (200 freestyle). The team also received steady seasonal efforts from its two co-captains, Chivers and Damian, as well as from Nancy Holland, Julie Holland, Andrea Bates, and Kim Martel. Selected to the G.B.L. All-Star team were Purdy, Arena, Bates, and Leahy. Congratulations to Coach Julie Doherty and her swimmers for a gratifying swim season.

Co-Capts. Ann Marie Pino and Stephanie Bromander led the M.H.S. Field Hockey team through a frustrating, luckless season, finishing 1-6-3 in G.B.L. competition. By mid-season, the team, coached by first-year Head Coach Rose Petrosso and Asst. Stefanie Cardillo, pulled itself together. After four consecutive losses to start the season, the Mustangs beat Revere 1-0 on a goal by Michelle Stokes and the superb goal-tending of Ann Marie Gallo. The team lost but twice in its last half-season, earning ties against Malden, Everett, and Revere, two of these opponents having beaten Medford earlier. Offensive stalwarts for the team proved to be Maura Kearney and Stokes while the defense, the strongest element of the team, was keyed by Co-Capts. Pino and Bromander as well as Katie Grealey. Goalie Gallo played consistently good defense all season long. Despite the lack of wins, the 1981 field hockey season proved a valuable, challenging experience for the M.H.S. field hockey team.

Eastern Mass. Division One Tournament

Medford	3	Lynn English

			1

Congratulations to the G.B.L. Champion M.H.S. Mustangs who, under Coach Joe Barletta, captured their third consecutive G.B.L. championship. Captained by Dave Coughlin, Mark Collins, and Roosevelt St. Louis, the team was undefeated, with one tie, through its twelve league games as well as in two non-league wins. Its season-ending tournament loss to Waltham marked the only Mustang loss in a long sixteen game season.

Highlighted by the outstanding goal-tending of Sal Schiavone (who posted nine shutouts in the season), the team, after five wins to start the year, faced its first big test against undefeated co-G.B.L. leader Somerville. After the dust had cleared, the Mustangs stood tall with a convincing 2-0 win on goals by Ron Bertolaccini and John Brooks, the ever-present goal tending of Schiavone, and outstanding defensive efforts by Coughlin, Bill Carr, Steve Cullen, Collins, and Mike Corrado.

The Mustangs simply rolled on from there; most times it was really close, but some times it was an offensive feast. The end result, however, was that only a 2-2 tie with arch-rival Somerville marred the team's otherwise flawless performance. Highlights included the two 1-0 wins over a very stubborn Revere club as well as the two consecutive offensive eruptions against Malden and Everett by 7-0 and 6-1 scores respectively — included in these two outbursts were goals by Bertolaccini (5), Bob Santini (4), Al Thompson (2), Brooks (1), and Ed Insogna (1).

In the Eastern Mass. North Tournament, the Mustangs squared off against Lynn English and survived by winning a seven overtime game, 3-2. Two goals were scored by Bertolaccini (including the game-winner) and one by Cullen. The closeness of the score was in contrast to the fact that the Mustangs outshot their opponent by a 41-9 count over the two-day, 7-overtime contest. Medford was unsuccessful however, as it lost to an excellent Waltham squad in a heart-stopping 1-0 thriller.

G.B.L. All-Star status was bestowed on Ron Bertolaccini (league scoring champ with 21 goals), Sal Schiavone, Mark Collins, Steve Cullen, and Dave Coughlin. Congratulations to Coaches Joe Barletta and John McAdams, the tri-captains, and all the members of this year's G.B.L. Champions — for the third consecutive season.

G.B.L. Championship

Opening the season with a tremendous defensive performance, the Mustangs beat the always tough Woburn Tanners by a 12-7 margin, with the Tanners' only score coming in the last seconds of the contest. The Mustangs allowed the Tanners a total of only 36 years of offense in the game. Despite losing to Newton North the following week by a 15-8 count, the Mustangs outplayed the Tigers both offensively and defensively; both Newton scores came on Mustang errors, a fumble inside the ten-yard line and an intercepted pass returned inside the five-yard line. Starting its G.B.L. slate against Chelsea, the Mustangs won 13-0; the team's second score resulted from a blocked punt by Bill Buldini. In its first three contests, the team held each opponent under the 100 yard rushing mark.

After erupting offensively for 35 points against Somerville in a 35-20 win, the team showed tremendous character against a very strong St. John's Prep eleven, coming back from a 14-0 halftime deficit to earn a well-deserved 14-14 tie.

Going into the sixth game of the season against the then undefeated G.B.L. leader Revere, the Mustangs, led by Tri-Captains Chuck Veneziano, Mike Todisco, and Bill Buldini, evolved into an unstoppable force. Trailing 7-0 in the fourth period, the Mustangs produced a 25 yd. score by Roger Martorana to close the gap to 7-6. Then, a blocked punt by Chris Caraviello with 1:34 left led to a second Martorana gallop of 12 yards and a 14-7 win. Highlighting the heroic Mustang defense was the outstanding play of tackle Wayne Thistle. Against a formidable Peabody eleven, the Mustangs were paced by two Mike Todisco touchdowns in a 14-0 victory. The first Mustang touchdown was the result of a 98 yard sustained drive featuring outstanding Mustang line blocking. Defensively, the team stopped the Tanners by giving them only 83 yards on the ground and 24 yards in the air. Next, against a strong Everett eleven, the Mustangs exploded on the first play from scrimmage with a Todisco 70 yd. t.d. gallop — the first of this tri-captain's game total of 5 touchdowns, 34 points, and 235 yards rushing. Defensively, the Mustang stalwarts engineered 6 sacks of the Crimson quarterbacks. The following week's clinching of the G.B.L. title was almost anticlimatic with the Mustangs prevailing over Arlington by a 35-6 count. Offensively, the team was paced by Veneziano's 2 T.D.'s and 170 yards rushing.

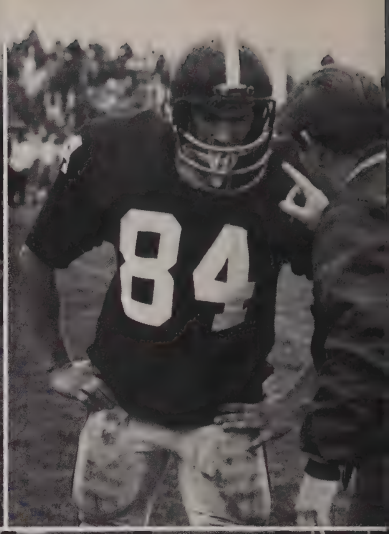

With a third G.B.L. championship in the past four years, the Mustangs were still hungry for more. They eagerly looked forward to their traditional Turkey Day classic with arch-rival Malden and the opportunity to make it a record-breaking six Thanksgiving wins in succession.

Thanksgiving 1981

With an overflow crowd bursting the seams of Tufts University's Ellis Field, the Mustangs faced off against the Golden Tornado on a cold but beautiful and sunny Thanksgiving morning. Through a less than inspirational first-half performance, the team found itself behind at halftime by a 10-0 score. Finding its composure, the Mustangs came out and quickly dominated their opponent in a scintillating display. A Martorana 13 yd. touchdown run followed by a Frank Brincheiro 17 yd. touchdown reception by of a Martorana pass — as well as a 2 point conversion by the same pair. In the fourth quarter the Mustangs' scores were registered by Tony Centrella on an 18 yd. Martorana strike, with a 2 pt. Martorana conversion, and by Chuck Veneziano on a 7 yd. run followed by a Rich Baker conversion. Giving up a last-second meaningless Tornado score, the Mustangs had fulfilled their goal — a 29-18 win, and a sixth consecutive Thanksgiving Day victory.

Congratulations to Coach Carvello and his staff, to Tri-Captains Todisco, Veneziano, and Buldini, and to every member of the outstanding 1981 Medford High School football squad.

In a frustrating season of nomadic existence (no home ice), the M.H.S. hockey squad of Coach Ron Giudice finished a somewhat disappointing winter with only 5 wins in its 18 G.B.L. contests. Led by Tri-Capts. Jamie Candelino, Joe Cronin, and Jay Porazzo, the team's hustling and spirited efforts were not often complemented by fond glances from "Lady Luck."

Starting the season slowly with 3 losses, the Mustangs came up with 3 last-period goals to overcome a 4-3 deficit in defeating Peabody 6-5. In defeating Chelsea by a 7-5 score, the team was led by Chuck Veneziano's 3 goals, 2 by Porazzo, and 1 each by Rob Johansen and Chuck Mattatall. In probably its best overall effort of the season, the Mustangs beat a very strong Malden six by a 2-1 socre. Highlighting the win was the outstanding goal-tending of Soph. Dave Delfino, who stymied the Golden Tornado with 35 saves. In its 6-2 second win over Chelsea, the team received 3 goal performances from both Porazzo and Candelino. The team's last win was a high-scoring 9-6 triumph over Peabody in which Porazzo scored another "hat trick."

Perhaps the most symbolic moment in the team's season of adversity came in its final contest of the year in which a Chelsea team that had not won a G.B.L. contest in 3 years (and had lost twice previously to the Mustangs during this season) persevered in an 8-7 win over the Mustangs.

There were several highlights in the 81-82 M.H.S. hockey play: the 20 goal performance of Tri-Capt. Porazzo (who missed the first 3 games of the season), including 3 separate 3-goal performances in the final 5 games; the consistent, sometimes brilliant goal-tending of Delfino; the predictably consistent play of Tri-Capts. Cronin and Candelino; the hustle and determination of Veneziano; and the timely scoring of Johansen, Paul Leahy, Mattatall, and Steve McAdam.

8 wins 6 losses

Playing a limited 14 game schedule, the M.H.S. hoopsters, under Coach Bud Kelley, compiled 8 wins against 6 losses in its G.B.L. slate. Led by Co-Capts., Mike Murphy and Pete DeStefano, the Mustangs were a formidable foe, going over the 70 point level six times in its 14 game schedule.

In its opening game, a 60-58 loss to Chelsea, the team gave an indication of its explosiveness by coming back from a 15 point deficit after three quarters by scoring 28 last-period points, only to fall short by 2 points. In its first win of the season, a 68-55 margin over Peabody, the balanced scoring (indicative of this year's team) of Dan Doherty (15), DeStefano (15), Murphy (14), and Pete Clayton (12) keyed the victory. Following a 69-45 romp over arch-rival Malden, the Mustangs lost 4 of their next 5 games with only an 89-65 win over Arlington (paced by Doherty's 20) marring the slide.

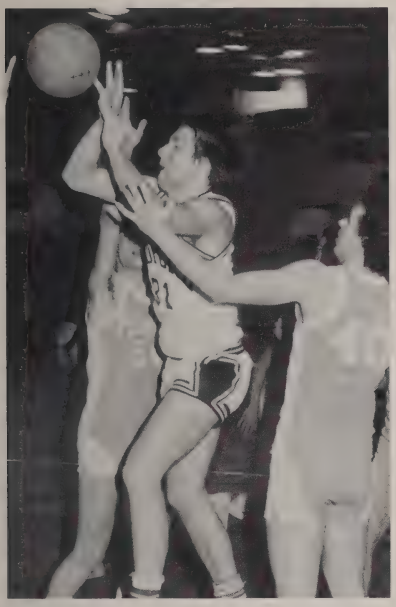

In its last six games, the Mustangs turned things around with only a loss to Everett (63-56) breaking its run. Included among these five wins were a 99 point effort against Peabody (in which all 13 Mustangs scored); a 15 point win — paced by John Fusco's 18 points — over first-time conqueror Revere, 73-58; a second win over the Malden Golden Tornado, 78-66 (keyed by DeStefano's 22 points); a 13 point win over G.B.L. Champ Somerville — the team's biggest win of the season (in which the Mustangs received tremendous board work at both ends by Doherty plus ample scoring from Fusco (19), Jim McCarthy (15), Murphy (10), and Eric Lack (10)); and a season-ending 86-71 win over Arlington (with big point contributions from DeStefano — 19, Doherty — 12, Noel Groves — 10, and McCarthy — 10).

Congratulations to Coach Kelley and his squad for a satisfying season of M.H.S. hoop accomplishments.

(missing — Laura Marquis)

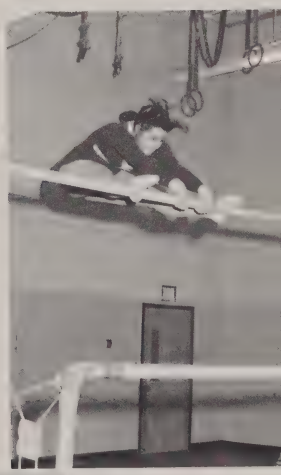

An extremely young, inexperienced group of M.H.S. gymnasts — without the presence of one senior on the squad — managed one win in its five dual meets. First-year Coach AnnMarie Rose described her team as "despite its youth and lack of experience, was very determined, hardworking, with great potential." Showing very high promise for future gymnastic success were Lori Marino (Frosh) and Laura Marquis (Soph.) — both all around; and Annette Ventresca (Jr.) — bars.

This year's team is obviously anticipating eagerly next year's M.H.S. gymnastic competition.

The 1980-81 M.H.S. Wrestling team struggled through a season of 16 meets with only 2 wins to its credit. This young wrestling team contained only 2 seniors on its 15 member squad. Coached by former M.H.S. wrestler Tim Sweet, the squad suffered from lack of experience, lack of numbers, and lack of any "feeder system" to compete effectively against most of the wrestling programs of its competitors.

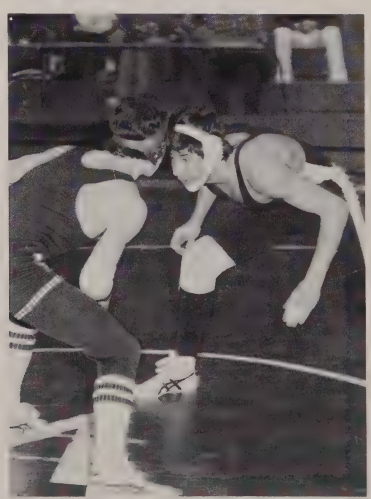

Undaunted, the young Mustang grapplers presented a disciplined, motivated group which gave as willing and determined an effort against its more formidable opponents as it could muster. Highlighting the Mustangs' efforts were the following: Paul Nelson with 12 wins in 16 matches; quickest fall — Pat Morton in 28 sec. versus Cambridge Rindge and Latin; greatest number of pins — 6 — by Nelson; and greatest number of decisions — 5 each — by Al Thompson and Rich Silkes. Outstanding contributions to the program were registered by 3 freshmen; Morton (100 lbs.), Steve Ciaburri (114 lbs.), and Mike Shapiro (121 lbs.).

Hats off to the young M.H.S. wrestling squad for their up-hill, gallant struggle to take Mustang wrestling fortunes to a more formidable level of accomplishment.

Overall
5 wins 3 losses

Captained by Dan Mullen and Charlie Ryan, the M.H.S. Boys' swim team finished its G.B.L. efforts with a 2-1 record and its overall season mark with 5 wins in 8 dual meets. The swimmers of Coach Dick Lennon were led by the achievements of Co-Capt. Mullen, who ended his M.H.S. swim career with *seven* M.H.S. records, including 100 free (52:9), 200 free (1:56.0), 500 free (5:11.0), 100 breast (107:2), and individual medley (2:16.3). In addition to the heroics of Mullen, the team received very strong contributions from Al DeLeo (medley, butterfly), Brad Purdy (50 and 100 free), Ryan (50 free and 100 back), Mike Blauvelt (diving), and the record-setting relay team (Mullen, Ryan, DeLeo, and Purdy). Congratulations to the M.H.S. swimmers on another winning season.

State Indoor Meet
5th Place

The M.H.S. indoor runners finished a successful G.B.L. season with 6 wins in 7 dual meets, good for second-place G.B.L. finish. Under the direction of first-year coach Jack Dempsey, the Mustangs, captained by Neil Osborne and Jay Lynch, capped their season with a fifth place finish in the State Indoor Meet. Highlighting the team's performance in the championship meet, as they had all season, were: Osborne — 2nd place in 600; Randy King (only a soph.) — 2nd place in 300; and the mile relay team of Osborne, Lynch, King, and Paul Haley — 2nd place. Prominent contributors to the team's successful season in addition to the above mentioned included: Joe Joyce — 45 hurdles; Duncan Allien — 300; Mike Todisco — dash and shotput; Mike Fihser — hurdles; Chuck Martin and Tom Irving — mile; and Chuck Casealla — 1000. Congratulations to the M.H.S. track squad for a very fine indoor season.

0 wins 6 losses

Although it came up short in its quest for victory in its 6 dual meets, the M.H.S. Girls' Indoor Track squad proved its competitiveness by its performance in the State Meet, where it finished a very creditable 17th in a field of 62 in the Large Schools bracket. Outstanding performances were provided by Liz Marceau — M.H.S. record-holder in the 1000 (2:44); Cheryl Hayes — M.H.S. record-holder in the 300 (38.5); Janyce Gately — M.H.S. record-holder in 600 (1:29); the undefeated relay team (dual competition) of Julie Murnane, Mary Ann Hayes, Monica McManus, and Mary Lynch; and the relay team of Marceau, Hayes, Gately, and Lynn Sartanowicz — which finished in 7th place in the State Meet with a new M.H.S. relay record of 4:14.

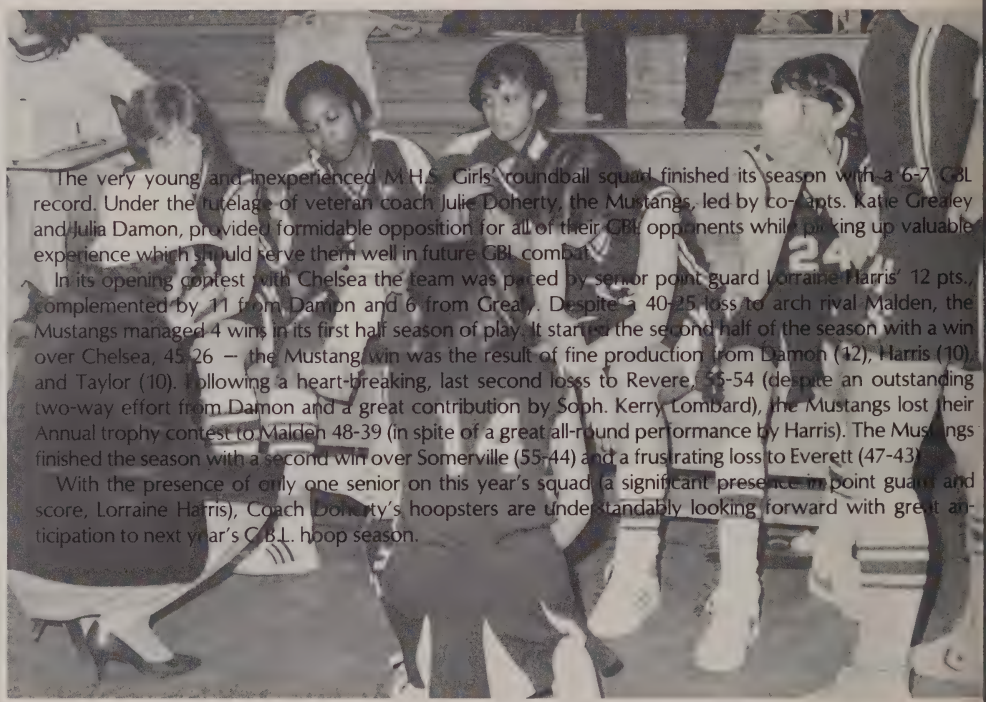

L. to R.: M. Matorana, A. Salvato, L. Harris, J. Papagno, K. Mattioli, J. Damon (co-capt.), K. Lombard, M. Brawley, K. Grealu (co-capt.), V. Taylor, M. Hulme, L. Cozza.

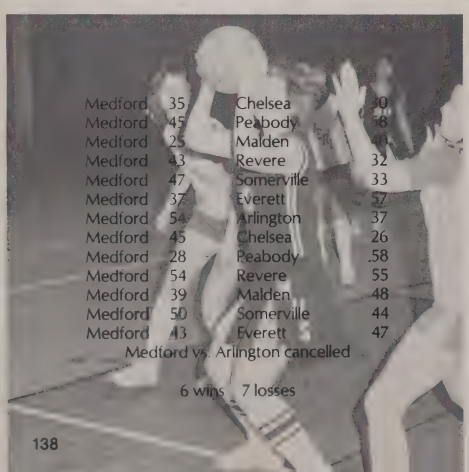

The very young and inexperienced M.H.S. Girls' roundball squad finished its season with a 6-7 GBL record. Under the tutelage of veteran coach Julie Doherty, the Mustangs, led by co-capts. Katie Grealey and Julia Damon, provided formidable opposition for all of their GBL opponents while picking up valuable experience which should serve them well in future GBL combat.

In its opening contest with Chelsea the team was paced by senior point guard Lorraine Harris' 12 pts., complemented by 11 from Damon and 6 from Grealy. Despite a 40-25 loss to arch rival Malden, the Mustangs managed 4 wins in its first half season of play. It started the second half of the season with a win over Chelsea, 45-26 — the Mustang win was the result of fine production from Damon (12), Harris (10), and Taylor (10). Following a heart-breaking, last second losss to Revere, 55-54 (despite an outstanding two-way effort from Damon and a great contribution by Soph. Kerry Lombard), the Mustangs lost their Annual trophy contest to Malden 48-39 (in spite of a great all-round performance by Harris). The Mustangs finished the season with a second win over Somerville (55-44) and a frustrating loss to Everett (47-43).

With the presence of only one senior on this year's squad (a significant presence in point guard and score, Lorraine Harris), Coach Doherty's hoopsters are understandably looking forward with great anticipation to next year's G.B.L. hoop season.

A singluar achievement is to be one of the fourteen g1rls who represent M.H.S. as cheerleaders. In the spring prior to their senior year, they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them the next year. Enjoyable, exciting, truly demanding — the senior year for a M.H.S. cheerleader.

The Pom-Pom Girls are a second cheering squad who lend the spirit and enthusiasm in the stands at football and hockey games as well as at cross country meets. They practice at least three days a week plus every Saturday morning during football season to perfect their halftime performances. It certainly is an accomplishment and a demanding task to be one of these fourteen girls.

The Medford High School Key Club is a community service organization for high school students. One of the main functions of the club is its Saturday Morning Program in which the members organize recreational games for the retarded children in the community. This year we also helped the Senior Class in their canned food drive for the Pine Street Inn along with holding a volleyball marathon to raise money. We hope to plan more community service projects by the end of this school year.

The *Mustang News,* the quarterly student publication of MHS (and Malcolm, the newspaper's mascot), celebrates its twentieth anniversary in 1982. This year also marks a first for the newspaper — a 10,000 press run, which is up from 3,000. The *Mustang News* is now a supplement to the *Medford Daily Mercury,* distributed citywide and featuring spot color.

Activities for the *News* staff have included workshops at the *Boston Globe* and WBZ, and *Mustang* News Editors have led a panel discussion at Boston University. Contests sponsored by Columbia and Suffolk University are two competitions that the newspaper has participated in this year. Representatives also attended an Awards Dinner at Suffolk in March.

The *Mustang News* is totally self sufficient and funds necessary to publish the paper and award the annual *Carol Ann Baxter Journalism Fund* are realized only by advertising, which is the central part of operating the newspaper.
