No words can express our years together
The best we'll ever know . . .
The times apart made us each individuals
As well as made our friendships grow . . .

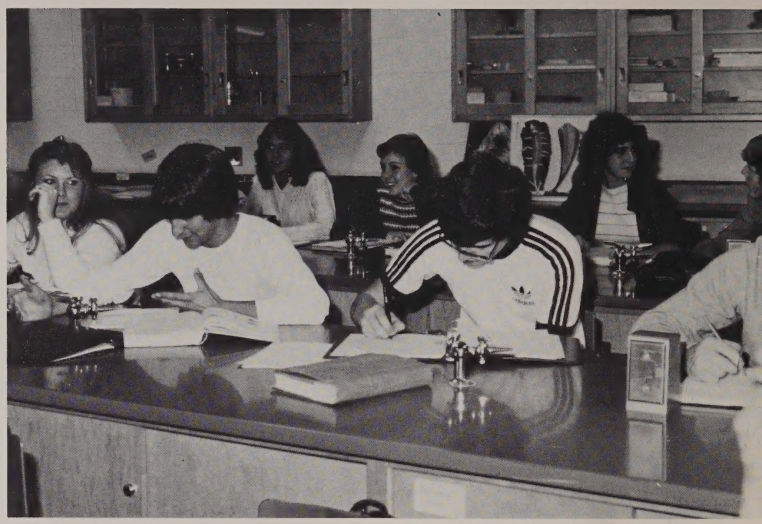

wayShoes

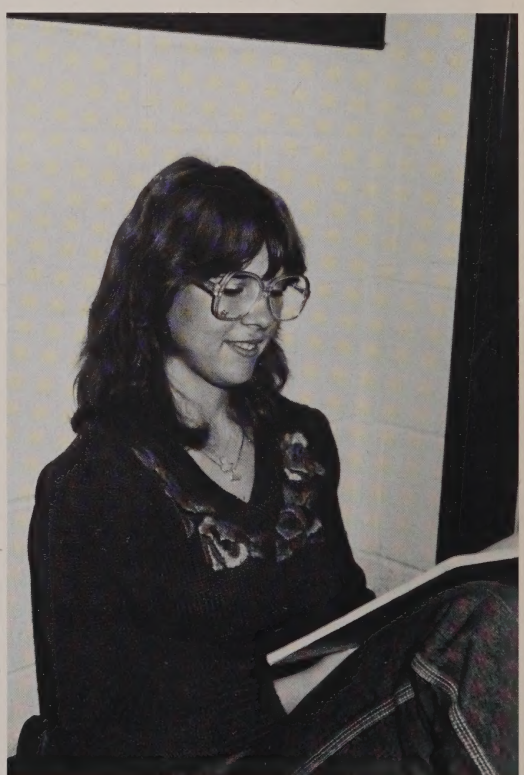

There were quiet times for thought and study
And times of laughter too . . .
These memories will linger forever
No matter what we do . . .

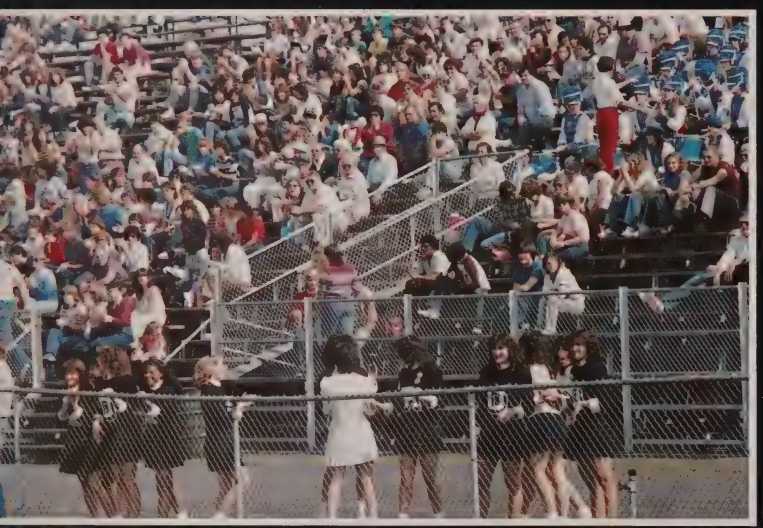

We cheered our Mustangs
on with pride
Through victory and defeat . . .
Our confidence is one thing
That no one will ever beat . . .

The innocence, love, and feelings
Have been important to us all . . .

Familiar scenes and
friendly locations
With smiles we can recall . . .

SPA

Preserve the thoughts of these happy times
For us they were the best . . .

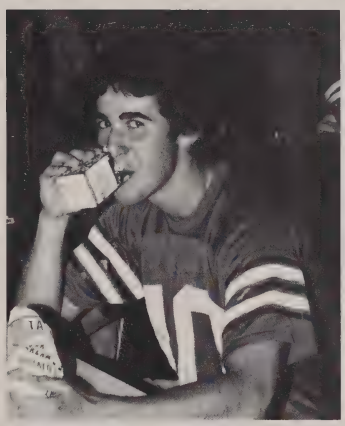

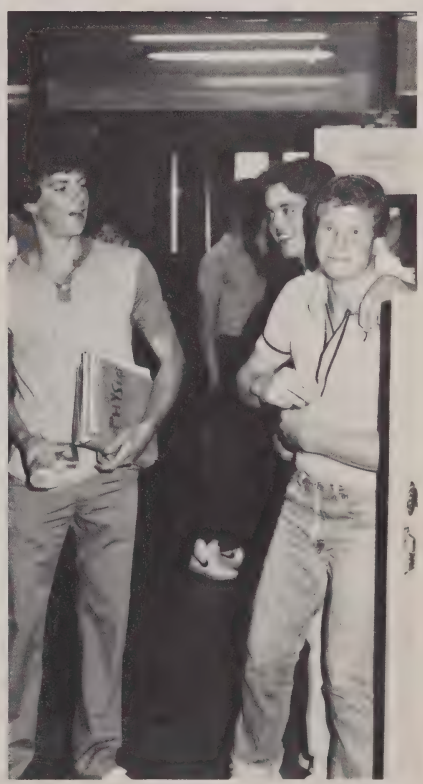

The pictures and the memories
Are all that we have left.

The Student Council is the student government at Medford High School. It looks into grievances, boosts school spirit, and promotes community projects. This year members have acted as guides for Freshman Orientation and Parent-Teacher nights, collected for Globe Santa, sponsored a child from the Philippines, sponsored a Teacher Appreciation Day, and established a committee to act on grievances. It has also held several student-related activities. This year, it hopes to have built a solid foundation for the Student Councils yet to come.

In Memoriam

AnnMarie Parsons

Michael
Vincent
Stokes

In the poem "If There Were No Death In Our World" by Nikolai Berdyaev, we ponder the opening lines:

"Death is the most profound
and significant fact of line:
it lifts the very last of mortals
above the greyness
and banality of life.
And only the fact of death
puts the question of life's meaning
in all its depth."

So simple and profound! Yet do they truly help us in our reflections on the deaths of four members of the Class of 1983? To all of us who knew AnnMarie, John, Michael, and David well and were honored to call them friends, we are acutely aware that each of them made our own lives happier and more meaningful. As we reflect on their presences among us, we are naturally caught up in an emotional paradox: emotions of sorrow, loss, and loneliness existing alongside the happy memories of constant love and lasting enrichment. When the object of love is taken away, sadness and pain are natural consequences; but the love itself will always remain and will continue to be a source of comfort and joy. Rudyard Kipling expresses it far better than we when he writes in "To W.P., II":

"But yet I treasure in my memory
Your gift of charity, and young heart's ease,
And the dear honour of your amity;
For these once mine, my life is rich with these.
And I scarce know which part may greater be,
What I keep of you, or you rob from me."

Class Advisors

As our class advisors, you have helped us to grow close and to share many enjoyable times. In all of our activities, you have led us and aided us in our tasks. Through your willingness to organize homeroom representative meetings, student democracy has prevailed. We were able to hold fundraisers which eventually minimized the cost of prom tickets and we were able to decide on convenient locations, dates, and times for our social events. Your concern and dedication has allowed us to attend social affairs ranging from the freshman spring dance to the senior prom. Finally, you have always helped our class functions exemplify good taste.

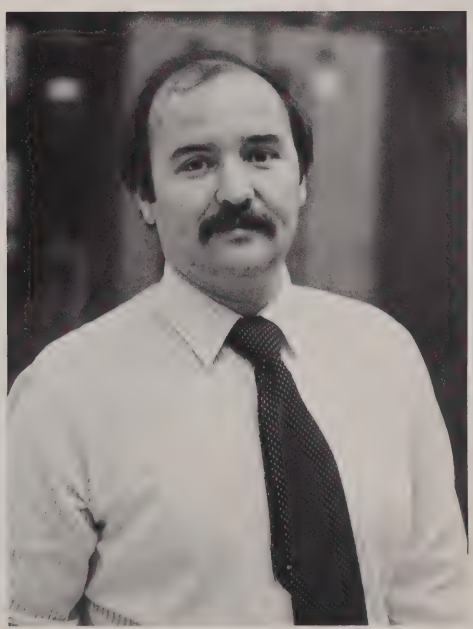

For all that you, Mrs. (Ferrone) Mastromauro, Mr. Colonna, and Mr. Hichey, have done, we thank you sincerely.

Dedication

Mr. Daniel Buckley

Among our most cherished memories at Medford High School has been our association with Mr. Daniel Buckley. A 1952 graduate from Boston College High School, Mr. Buckley received a B.S. degree with a major in physics from Boston College in 1956. He later attended Temple University in Pennsylvania where he attained his M.S. degree. Before starting his career in teaching, Mr. Buckley answered the call from his country; he served in the United States Army from May 1957 to May 1959. The following school year he taught at Westwood High School and then ventured to Eisenhower High School in Yakima, Washington, for one year. In 1961, Mr. Buckley began his service in the Science Department at Medford High School and is thus presently finishing his twentieth year of teaching at M.H.S.

Mr. Buckley has always been a very active and prominent member in teachers' activities. He has served a term as President of the Medford Teachers' Association and has been very active in all concerns of the Medford Teachers' Association.

As both a teacher and a friend, Mr. Daniel Buckley is overflowing with understanding and compassion. He is always eager to help his students and fellow teachers. Mr. Buckley is very knowledgeable and more than willing to listen to and answer all questions whether they pertain to physics or to personal matters. Although when Mr. Buckley teaches he is all business, there is never any strain in his classroom. Being a very low-key individual, he completes all material thoroughly at a pace most accommodating to his students.

We, the class of 1983, extend to you, Daniel Buckley, our heart-felt thanks for being part of our four years at Medford High School. Because we earnestly appreciate all that you have contributed to these associations, we most warmly dedicate our 1983 M.H.S. Yearbook to you.

Headmaster's Message

Message to the Class of 1983:

May your many, fine educational and social experiences gleaned at Medford High School during your four years of matriculation be lasting ones. The feeling of satisfaction in achieving your established goals will remain with you for a lifetime.

Each of you has made a contribution in helping to make Medford High School a better place for those who will follow. You have created a positive atmosphere in which sound educational practices were allowed to flourish, and under which young men and women were given an opportunity to reach out and realize a fruitful harvest.

The future is now open to each of you to explore and experience new challenges to help you to attain higher levels of achievement. Life and all its complexities are simply a matter of sorting out priorities and reaching out to attain these goals in a way which will lead to a more productive life. Life as we know it is filled with unknown treasures which need to be tapped and shared with the ones we love and respect. Therefore, it is incumbent upon each of you to seek out these treasures in the spirit of humankind.

As the Class of 1983 looks to the future, society will look to the Class of 1983 for leadership and guidance.

May the Class of 1983 be blessed with many years of health, happiness, and success.

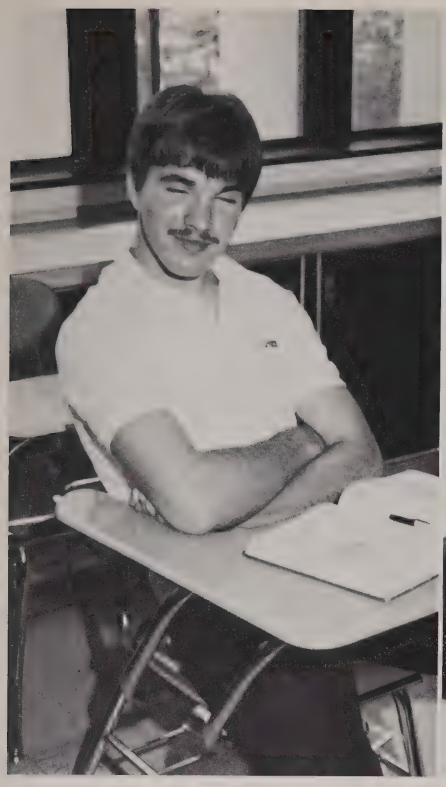

I should like to leave the Class of 1983 with some thoughts from Ralph Waldo Emerson's essay, "Self-Reliance":

"There is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide; that he must take himself for better for worse as his portion; that though the wide universe is full of good, no kernel of nourishing corn can come to him but through his toil bestowed on that plot of ground which is given to him to till. The power which resides in him is new in nature, and none but he knows what that is which he can do, nor does he know until he has tried . . .

Trust thyself: Every heart vibrates to that iron string . . .

Nothing is at last sacred but the integrity of your own mind."

G.B.L.
11 wins 3 losses

Eastern Mass. Tournament
Medford 1 Winchester 2 (4 overtimes)

The M.H.S. soccer squad of Coach Joe Barletta completed its regular season with a league mark of 11-3 and a second-place G.B.L. finish. Led by Tri-Captains Mike Corrado, Sal Schiavone, and Ron Bertolaccini, the Mustangs proved a very formidable, high-scoring unit which, at the same time, could shut down its opponents defensively — as witnessed by goalie Schiavone's eight shut-outs. The lack of experienced defensive personnel was Coach Barletta's biggest pre-season question.

The opening game was indicative of the season to follow: defensively, the Mustangs shut-out its opponent (Revere) and, offensively, the team was led by Ron Bertolaccini's five goals. During the course of the season, Bertolaccini was destined to lead the whole state in scoring with 41 goals and 10 assists; in the process, of course, he shattered the M.H.S. scoring record of 27 goals. This prolific scorer was picked on every All-Scholastic team chosen this past season.

Following an upset loss to Arlington (3-2) in its second game, the Mustangs engaged in three titanic struggles with eventual G.B.L. champion Somerville, each of which was decided by a 1-0 score, with the Mustangs losing twice. Otherwise, as the scores reveal, the team made a shambles of their G.B.L. opponents.

Key roles on the team's success were played by many: the steadily improving defensive corps — headed by Corrado — of Bob Ciavola, Steve Brooks, and Frank Borriello, and the play of promising sophomores Tony Luongo and Mike LoPresti; the consistency in the mid-field play of Mike Santini (injured for much of the season), Ed Insogna, and Tony Puccio; and the aggressive, hustling play of John Brooks, Albie Thompson, Dennis DiLeo, and Scott Somerville. Many of these players were underclassmen and should prove a capable nucleus for maintaining Medford's soccer prestige in seasons to come.

Although losing in the first round of Eastern Mass. Tournament play to Winchester in four overtimes by a 2-1 margin, the Mustangs can look back to the season of 1982 as a season of fulfillment and accomplishment. Congratulations to Coaches Barletta and McAdams, Tri-Captains Corrado, Schiavone, and Bertolaccini, and all the members of M.H.S. soccer squad for a job well-done.

Overall
2 wins 10 losses 2 ties

An undermanned, inexperienced M.H.S. field hockey team finished its G.B.L. season at 2-7-1 and an overall record of 2-10-2. Although the wins were few, the team, captained by Kadie Grealy and Linda Cangiano, proved a gritty and spirited opponent. Its competitiveness was evidenced by its record of giving up fewer than two goals a game. With only 16 players, Coach Rose Petrosso's team opened the season with a 2-1 victory over Revere on goals by Lori Dondero and Karen Mattioli and the fine goal-tending of Chris Smallcomb. The only other win came again against Revere by the same 2-1 score. Along the way were 1-1 ties against Everett and non-league foe Brookline. The team received steady, dependable performances from Co-Capts. Grealy and Cangiano, halfback Karen DeMasi, high scorer Karen Mattioli; the defense of goalie Smallcomb; and the versatility of Kerry Lombard and Michelle Bates. This predominantly young team will undoubtedly prosper next season with the experiences acquired through this season of frustration and lucklessness.

Captained by Liz Marceau, a truly inspirational leader, the M.H.S. Girls' Cross Country team compiled a 6-1 record while finishing as runner-up for the G.B.L. championship. The team produced three G.B.L. All-Star runners: Marceau, who won 5 of the 8 races in which she ran; Kelly Kreatz, only a sophomore, who finished a strong seventh at the League Meet; and junior Charlotte Marean, a consistently high finisher all season. This hard-working team, primarily a very young squad of determined runners, received steady performances all season long from Janyce Gately, Ellen Sartanowicz, and Lynn Sartanowicz.

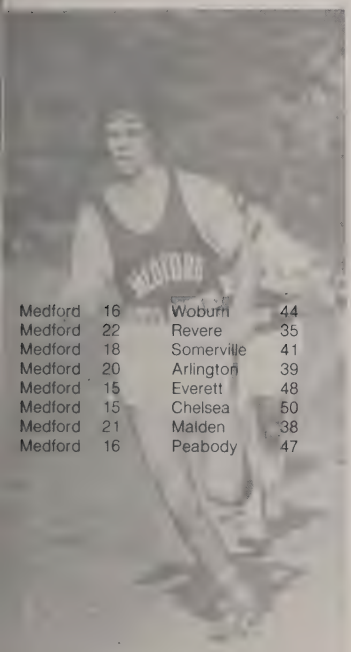

Congratulations to this group of dedicated cross-country runners who compiled a memorable and most commendable record. With so many returning veterans to greet him next fall, Coach Lou Ruggiero is obviously relishing the future of the M.H.S. Cross Country Girls' program.

The M.H.S. Boys' Cross Country team, captained by Tim Irving, Chuck Cassella, and Chuck Martin, captured the G.B.L. Championship by romping undefeated through its league schedule, compiling a perfect 7-0 mark. Facing off against an undefeated Peabody team in its final league meet, the Mustangs simply destroyed the Tanners by a 16-47 score. Not content, the Mustangs then embarrassed the field in the G.B.L. Meet, outdistancing its nearest challenger by 37 points. In addition to its league supremacy, the Mustangs in late September won the Large Schools Division of the prestigious Our Lady of Providence Invitational Meet held at Warwick, Rhode Island.

Individually, the squad was led by the achievements of Martin — undefeated in 8 dual meets, winner of the League Meet, and 5th in the State Coaches Meet (only a junior); Irving, a fine leader and great competitor; Casella, a consistently high scorer and extremely hard-working; Chris Sarno, another consistently high scorer and real competitor; and outstanding freshman runner Tom Lynch. All five runners were selected to the G.B.L. All-Star team.

Hats off to Coach Ruggiero's talented squad for a season of delightful accomplishment.

With "great expectations" in their minds, the highly-touted M.H.S. football squad opened the season against equally touted Middlesex power, the Woburn H.S. Tanners. The Mustangs were shocked at the opening whistle as the Tanners returned the kick-off 92 yds. for the score. In a bitterly fought defensive war, neither team scored again, with the Mustangs falling just short on an incompleted pass from the Woburn 12 late in the game.

In its second game against Suburban League foe Newton North, the Mustangs showed their character by storming back from a 14-6 fourth quarter deficit to win 20-14. A Warren Olson 2 yd. plunge plus a Roger Martorana two-point conversion pass to Matt Sweeney tied the score at 14-14. After the defense had stopped Newton with just 2:16 left in the game, Martorana completed two passes to Mike Barry, one to Tony Centrella, and then a 26 yd. strike to Sweeney, putting the ball on the Newton 16. With just 18 seconds left, Martorana avoided the rush and then hit Barry in the end zone, the latter making a circus catch by outjumping two Newton defenders and just beating the clock.

Medford's offense totalled 311 yds. as the team opened its G.B.L. campaign with a methodical 29-0 win over Chelsea. In a torrential downpour in Somerville, the Mustangs, behind Olson's 210 yds. rushing and two T.D.'s, won a bruising contest from the Highlanders, 14-13. The following game was a disaster for the Mustangs: everything went wrong for the losers and everything went right for the winners as a powerful St. John's Prep team embarrassed the Mustangs by a 42-0 score.

Returning to the heart of its G.B.L. schedule, the Mustangs dominated Revere, 19-0, behind two Olson T.D.'s and a 23 yd. scamper by Joe Klein. Medford's offensive line completely controlled the line of scrimmage. The following week saw a 30-14 romp over Peabody, with the Tanners' only points coming in the last two minutes of the game. An 18-0 whitewash over Everett followed, with the Mustangs being led by Klein's 161 yds. rushing and featuring a 33 yd. T.D. burst by Jim Catanzano. Medford's defensive stalwarts were very impressive in fashioning their third shut-out of the season.

A pivotal victory over Arlington followed but it wasn't easy. Following a Martorana to Sweeney 25 yd. T.D. strike for an early lead, the Mustangs found themselves trailing at halftime, 15-8. Assuming second-half control, the Mustangs tallied on a Klein 48 yd. run and a 5 yd. burst by Catanzano to win 22-15. Medford's defensive corps — Centrella, Mazzola, Center, Hunt, Barry, Dixon, Cangiano, Thistle, Caraviello, Micale, Klein, Martorana, and Olson — completely shut Arlington down in the second half.

And now the Mustangs, captained by Wayne Thistle, Tony Centrella, and Joe Klein, eagerly looked forward to meeting Malden on Thanksgiving morning: each would carry a 6-0 G.B.L. record into this contest for the League championship. In addition, Coach Armand Caraviello's Mustangs were looking for Medford's seventh consecutive holiday win, a figure which would establish a new record for the longest winning streak in the history of this venerable series.

With the offensive spark provided by workhorse Olson's 164 rushing yds. and two T.D.'s — inspired by the complete domination by Medford's offensive line and a tremendous performance by the Mustangs' defensive unit which limited Malden to just 28 offensive plays and a total of but 52 yds. in total offense, Medford simply overwhelmed the Golden Tornado by a 19-0 score. Medford's final score, a 7 yd. scamper, was fittingly registered by veteran quarterback Martorana. Highlighting the Mustangs' defensive heroics were two pass interceptions by linebacker Tom Cangiano.

Think of it: this win marked Medford's fourth G.B.L. Championship in the last five years as well as set an all-time consecutive win streak (7) in a series that is just seven games short of being a century old. Congratulations to the coaches, the tri-captains, and all the members of the 1982 M.H.S. football squad for a memorable and most enjoyable season.

The M.H.S. The swimmers of veteran coach Julie Doherty managed several M.H.S. record-breaking performances during its season: Arena (breaststroke); Kathy Leahy (100 butterfly); Jennifer Purdy (200 I.M. and 100 backstroke); and the 400 free relay team of Andrea Bates, Purdy, Trisha Sweeney, and Leahy. All of the above swimmers were selected on the M.V.C. All-Star team and all qualified for the Sectional Championships as well as for the State Championships. Highlighting the season was a thrilling 89-83 win at Haverhill, a meet in which the Mustangs had been trailing throughout. In the next-to-last event, the 100 breaststroke, Arena and Julie Holland finished 1-2, tying the score. And then, Medford's 400 free relay team, with a very timely contribution by Kim Mantell, sprinted to a meet-clinching victory.

Congratulations to Coach Doherty, Co-Capts. Holland and Arena, and all the swimmers of the M.H.S. Swim team for a fine season of accomplishment.

The M.H.S. wrestling team, tri-captained by Paul Nelson, Al Thompson, and Bill Aliberti, won 3 of its 11 meets this season. A hard-working and determined group, Coach John LoPresti's squad proved a most spirited and competitive foe to all its opponents. Outstanding contributions were registered by the following: Paul Nelson (107) — 10 wins, 2 losses, 2nd in sectionals; Al Thompson (140) — 10 wins, 2 losses, 4th in sectionals; Bill Aliberti (147) — 9 wins, 3 losses, 6th in sectionals; and Rubin Hallett (heavyweight) — 9 wins, 3 losses, 7th in sectionals. Paul Nelson was picked MVP and Bill Aliberti was picked "Most Improved." Commendations to Coach LoPresti and his hardworking squad in their efforts to make MHS a truly competitive force on the interscholastic wrestling scene.

TRI-CAPTS. — Maria Ventresca, Erica Martin, Annette Ventresca

The MHS Girls' gymnastics team is working its way back to championship form. The Mustangs' 100 pt. meet average this year represents a strong foundation for state championship qualification next year.

Captained by Erika Martin, Annette Ventresca, and Maria Ventresca, the Mustangs earned a respectable 4-4 record. The gymnasts' goal was to break a 100 point meet; they did this in three meets this season.

The word is out and many heads have been turned. The MHS gymnasts have finished the 1983 season in respectable position and, in the words of Coach Josie Lemmi, "are expected to work their way into state contention next season."

Impressive contributions to the team's success were registered by the following: divers Mike Blauvelt (lost through injury at mid-season), Jon Salem, Dave Spiro, Mike Wyche, and Jim Yarasitis; Al DeLeo — freestyle and butterfly; Damon Goldstein — backstroke and relay; Paul Marquis — distance freestyles; and the most impressive performances of Brian McIver (freshman) — broke 2 MHS records in the 100 butterfly (59.9) and 200 IM (2:12.9). With a nucleus of underclass swimmers, Coach Lennon is obviously both relishing this past season and anxiously awaiting the start of next season.

The MHS boys' basketball team of Coach Bud Kelley finished in third place in the GBL with 10 wins in 14 league contests, 10-6 overall, and just missed qualifying for the Eastern Mass. Tournament. Captained by Jim McCarthy and Peter Clayton, the team opened its season with two non-league losses to Waltham.

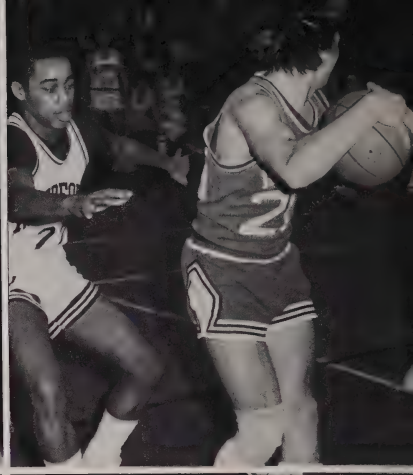

The team started its GBL campaign with five successive wins. The first, a 55-53 squeaker over Peabody, was accomplished by a 19-14 last quarter comeback and featured 25 pts. and 13 rebounds from McCarthy and 9 points and 7 rebounds from Darren Smith. Despite the scoring of McCarthy (16) and Clayton (12), the Mustangs met their first GBL loss to Somerville by a 56-44 margin. The next contest saw the Mustangs score a 54-52 overtime win over eventual GBL Champ Everett. In addition to 23 points by Clayton, 17 points by McCarthy, the outstanding board work of Noel Groves and Bill Galluccio, and the steady floor game of Steve Centrella, it took an 18 foot Smith jumper with two seconds left to send the game into overtime. In the overtime, foulshot accuracy by Clayton and Centrella gave the Mustangs its win over the Crimson Tide.

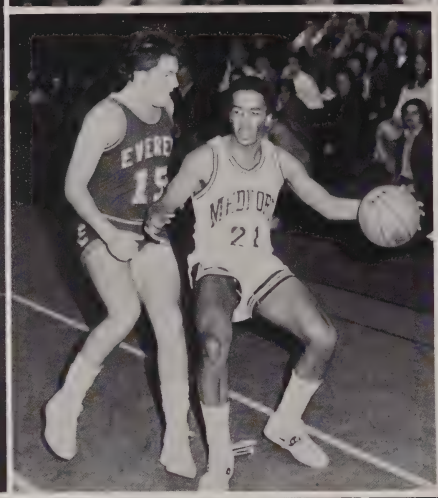

A phenomenally hot-shooting Peabody club, which shot 73% from the floor, upset the Mustangs in their next game despite Clayton's season-high 36 points. Four successive wins followed and set the stage for the Mustangs' second meeting with Somerville, a contest which would make or break the team's chances to qualify for tournament participation. In an epic, double-overtime thriller, the Mustangs lost, 79-77. The contest featured the scoring of Clayton (29), McCarthy (20), and Galluccio (11), the determined rebounding of Groves, and the all-around play of Centrella and Smith. The season ended in a decisive loss to Everett, 90-69.

Although disappointed in its efforts to secure a tournament berth, the Mustangs could look back on their season with considerable pride. In addition, the Mustangs could boast of the GBL's highest scorer in the person of Jim McCarthy (18.9) as well as the league's third-highest scorer in Peter Clayton (15.4). Congratulations to Coach Kelley and Assistant Coach Jack O'Brien and all the members of the MHS hoop squad for a season of considerable achievement.

The MHS hockey team, under Coach Ron Guidice, proved a formidable GBL force this winter by finishing with an overall GBL record of 9-6-2. Led by Tri-Captains Dave Cali, John Citrano, and Steve MacAdams, the Mustangs were tied by potent Somerville in their opening contest, 5-5. Following wins over Revere and Peabody, the Mustangs were embarrassed by eventual league champ Arlington by a 10-3 margin. A 4-3 loss to Everett was followed by an 8-4 win over Chelsea and a 3-2 win over Malden (on 2 goals by Len Silvestri, 1 by MacAdams, and outstanding goaltending by Dave Delfino).

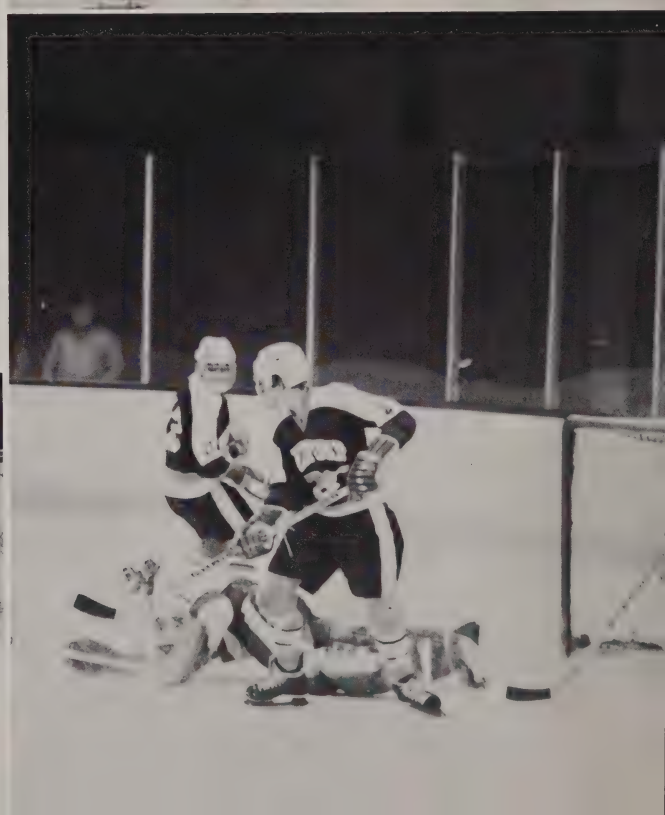

After a 6-3 loss to Somerville, the team played its most solid hockey of the campaign. Wins over Revere (8-4) and Peabody (4-2, with 3 goals by MacAdams and 24 saves by Delfino) were followed by the season's highlight, a 2-0 shutout over Arlington at Arlington. This win had many features: the 37 saves by Delfino; the first-period goal by Silvestri on assists from Steve Brennan and Mark Steriti; the clinching open-net goal by Steriti at 14:29; the superb penalty-killing by MacAdams, Silvestri, Robbie Walsh, and Brennan; and the outstanding blue-line work of Cali and Dom Veneziano.

Next came a last-minute 4-3 win over Everett; the winning goal was scored by Bob Doherty at 14:10 of the third period. A 10-0 romp over Chelsea, featuring the goaltending of Ed Laffin, was followed by a 4-4 tie against Malden (highlighted by 2 quick goals by Dave Doyle bringing the Mustangs back from a 3-1 deficit. A 4-3 last-minute loss to Somerville was followed by an unexpected 5-2 loss to Revere, a result which crushed the Mustangs' hopes for tournament participation. An anti-climactic 6-3 loss to Arlington ended the Mustangs' season.

The season proved a successful one for the Mustangs' hockey squad. GBL All-Star honors were won by Cali, MacAdams, and Delfino with Silvestri winning honorable mention. Team scoring honors were shared by MacAdams and Doherty — both with 15 goals and 18 assists for 33 points. Although it was a season of peaks and valleys, the Mustangs will long remember the thrill of that 2-0 victory on a cold Saturday afternoon in Arlington.

The boys' indoor runners, captained by Chuck Martin, Chuck Casella, and Tim Irving, finished its dual meets with a 4-3 record. The team's primary stength was undeniably in the running events. The outstanding individual accomplishment of the season was by Randy King (Jr.), who won championships in the 300 at the Northern Area Championships, The State Coaches Meet, and the State Meet. Outstanding contributions to the team's success were made by Martin (3rd in mile at State Meet), Casella (600), Irving (mile), Bob McGinley and John Huckins — both 1000, Chris Sarno (2 miles), and the outstanding relay team of King, Casella, Irving, and Martin.

Congratulations to Coach Dempsey and his tracksters for a season of commendable accomplishments.

The M.H.S. girls' track team came within four points of finishing undefeated; however, a 45-41 loss to GBL Champs Peabody resulted in a second-place GBL finish with 5 wins in their 6 dual meets. Captained by Liz Marceau, Janyce Gately, and Lynn Sartanowicz, the girls experienced much success during the year. A come-from-behind win to catch Arlington (45-41) was featured by three firsts by both Marceau (1000, shotput, relay) and Gately (300, highjump, relay). In the State Meet, Marceau finished 5th in the 1000 (2:46) and Soph. Marie Fitzgerald finished 4th in the 300 (39:2). The girls finished in a tie with Beverly as Co-Champs at the Class A Relays Meet — gaining this title on the strength of a 1600 relay win in the MHS recordtime of 4:10.4 (Gately, Marceau, Fitzgerald, and Stacy Walsh) and a 2nd place in the sprint medley by the same four runners in the MHS record time of 4:22.0. Other impressive contributors to the seasonal success of the Mustangs were: L. Sartanowicz (1000), Monica McManus (50), Julie O'Sullivan (1000), Ellen Sartanowicz (mile), Chippy Marean (mile), and Kelly Kreatz (2 miles).

Congratulations to all the girls who comprised this year's outstanding MHS Girls' Indoor Track team.

Row 1: Co-Capt. J. Damon, Co-Capt. V. Taylor. Row 2: K. Mattioli, T. Nelson, K. Lombard, K. Grealy, M. Martorana, L. Gozza.

After opening with a split against non-league foe Waltham, the Mustangs embarked on their GBL campaign, finishing with an 8-6 league mark. Led by Co-Capts. Julia Damon and Vanessa Taylor, Coach Julie Doherty's hoopsters lost its opener to eventual GBL Champ Peabody, 56-33; in their second encounter, the Mustangs played very well, being down by only four points with two minutes left, but were unable to catch the formidable Tanners — the team was led in the contest by Damon's 17 Pts. and 10 rebounds along with 16 points from Kerry Lombard.

There were several games and individual performances which highlighted the season: the 54-47 win over Everett, led by Karen Mattioli's 17 pts., Lombard's 14, and Damon's 12; the win against Somerville (55-33) on the strength of Mattioli's 15 pts., Damon's 12 pts. and 20 rebounds, and Grealy's 10 pts.; and the impressive 65-55 win over Arlington, avenging a first-round loss, led by Mattioli (23), Lombard (14), Damon (12), and Michelle Martorana (12). In addition to the scoring of Mattioli, Damon, and Lombard, the team defended heavily on the defensive skills of Taylor, the versatility of Grealy, and the floor leadership of Martorana. Both Damon and Mattioli were named GBL All-Stars while Grealy received honorable mention.

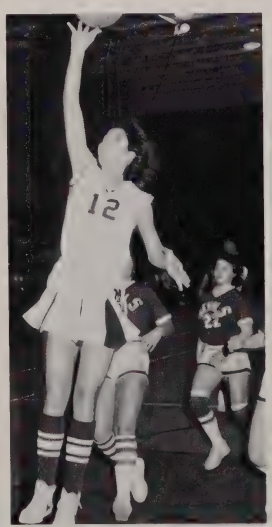

Congratulations to Coach Doherty and her girls' hoop team for constructing another successful MHS Girls' basketball season.

A singular achievement is to be one of the fourteen girls who represent M.H.S. as cheerleaders. In the spring prior to their senior year, they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them the next year. Enjoyable, exciting, truly demanding — the senior year for a M.H.S. cheerleader.

The Pom-Pon Girls are a second cheering squad who lend the spirit and enthusiasm in the stands at football and hockey games as well as at cross country meets. They practice at least three days a week plus every Saturday morning during football season to perfect their halftime performances. It certainly is an accomplishment and a demanding task to be one of these fourteen girls.

This year the National Honor Society has bolstered thirty one members, all of whom were outstanding and hard-working individuals. Despite their challenging and demanding schedule, these students have excelled academically. With the money raised from Fall candy sales, the Society has set up a scholarship fund and provided Thanksgiving Baskets for needy families. The Society established an in-house tutorial program, and held its annual blood drive with expectations for another in the Spring.

This year, the activities of the club included: a field trip to the New England Memorial Hospital, guest speakers, and passing out of Pre-Med T-shirts.

Only seniors who have a background in Biology, Chemistry, and Physiology are eligible for membership. (Special permission is sometimes granted to underclassmen.)

Ski Club

Many anxious skiers can surely recall,
Sitting by the window, hoping snow would fall,
When will the snow come? We wait, and we wait,
And continue to hope it won't come too late.
Our prayers were answered, the snow did arrive,
Let's ski! Let's ski! To the slopes we will drive.
Lake Placid or Sugarloaf, Which will it be?
Perhaps both, as long as we know we can ski.
Which route shall I take? I hope I won't fail,
Should I go down the beginners or expert trail?
All the ski members had so much fun,
For many, the excitement had only begun.
Ski mobiles, parasails, hot tubs and more,
No one could say our trip was a bore.
For many the ski trips were the place to be,
They will always be remembered by the class of "83."
