District Goals	
<p>The purpose of the School Plan for Student Achievement is to provide a comprehensive document, including details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District’s Local Control and Accountability Plan and in alignment with the District Goals supporting the expectations that all goals shall have objectives that are measurable, actionable and develop monitoring metrics to assess progress that guides program evaluation and resource allocation.</p>	
Student Goal	Improve academic performance at challenging levels
Student Goal	Expand student-centered and real-world learning experiences
Student Goal	Increase student engagement in their school and community
Staff Goal	Increase recruitment and retention of staff reflecting the diversity of our community
Family Goal	Increase inclusive opportunities for families to engage in their students’ education

Centralized Services - No Centralized Services are utilized at this time.

Consolidated Program Assurances

<p>The School Site Council (SSC) develops and revises the School Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.</p>
<p>The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.</p>
<p>The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.</p>
<p>The school’s SSC, staff and parents participate in a needs assessment to help guide SPSA development.</p>
<p>The members of the SSC, the school’s English Learners’ Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.</p>
<p>School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.</p>
<p>Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent and Family Engagement Policy and the Parent-School Compact.</p>
<p>Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.</p>
<p>The School Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.</p>

Cooper Middle 2023-2024 - SPSA

Goal 1 - STUDENTS: Improve academic performance at challenging levels.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 1 Metrics	Required	Current Target	Actual	As Of	Target
SBAC ELA - Average distance from standard	✓		-26 pts	2021-2022	-10 pts
SBAC ELA - percentage of students met/exceeded standard	✓		36.91 %	2021-2022	46.01 %
SBAC Math - Average distance from standard	✓		-88 pts	2021-2022	75 pts
SBAC Math - percentage of students met/exceeded standard	✓		18.55 %	2021-2022	28.65 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Student participation and engagement on iReady ELA improved from the previous year. ELA iReady scores shows a need for continued and targeted, high quality first instruction across all 6-8 grade levels using effective evidence based strategies, specialized times of alternate instruction like before/after-school intervention, tutorial, advisory and/or Saturday Academies. There is a need for parent engagement opportunities to share discuss the importance of iReady and strategies with parents on how they can help their child at home including current progress and goal setting.

I-Ready Math D2 On Level

Student participation and engagement on iReady Math improved from the previous year. Math iReady scores shows a need for continued and targeted, high quality first instruction across all 6-8 grade levels using effective evidence based strategies, specialized times of alternate instruction like before/after-school intervention, tutorial, advisory and/or Saturday Academies. There is a need for parent engagement opportunities to share discuss the importance of IReady and strategies with parents on how they can help their child at home including current progress and goal setting

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

iReady ELA D2 On Level

Administration and teachers analyze the I-Ready Data from D1 and D2 and other data (academics, attendance, discipline, and social-emotional well-being) to determine students who are at-risk in the areas of Reading/Literacy and Math. According to our most recent data, 2022-2023 school year, the following subgroups have been identified as at-risk. Students with Disabilities, English Learners and African American students.

iReady Math D2 On Level

Administration and teachers analyze the I-Ready Data from D1 and D2 and other data (academics, attendance, discipline, and social-emotional well-being) to determine students who are at-risk in the areas of Math. According to our most recent data, 2022-2023 school year, the following sub-groups have been identified as at-risk. Students with Disabilities, English Learners and African American students.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Student participation and engagement on IreadyReading and Math was much improved this year. Reading and Math I-Ready scores showed a need for continued and targeted, high quality first instruction across all 6-8 grade levels using effective evidence based strategies. There was particular attention paid to EL students and AA students who participated in targeted weekly interventions. Specialized times of alternate instruction like before/after-school intervention, tutorial, advisory and/or Saturday Academies were in place this year and have had a positive impact on iReady. Through monthly Parent Engagement meetings, ParentSquare, Cooper website and Phone calls we were able to provide parent information that would shared the importance of I-Ready and strategies with parents on how they can help their child at home including current progress and goal setting.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

iReady Toolkit to support all students in Math and ELA. Implement Rosetta Stone to support EL students. Provide targeted tutoring for AA students in Math and ELA. Continue SEL supports to support students with Math and ELA goals.

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

Based on the feedback, the SSC Team is in favor of continued funding of existing actions. Add the iReady Toolkit and Rosetta Stone for EL. Add culturally response novels to support AA students and EL students

2 ELAC:

Based on the feedback, the ELAC Team is in favor of continued funding of existing actions. Add the iReady Toolkit and Rosetta Stone for EL students. Add culturally response novels to support EL students

3 Staff:

Based on the feedback, the staff is in favor of continued funding of existing actions. Continue to emphasize the importance of parent involvement in education and student participation. Staff is in favor of continuing SEL support.

Action 1

Title: Students Meeting or Exceeding Grade-Level Math Standards

Action Details:

Cooper Academy will increase Math proficiency and performance of all students through the implementation of high quality classroom instruction and CCSS aligned curriculum across all subject areas with an emphasis on periodic common formative and summative assessments. Also common instructional practices that promote growth and narrow the achievement gaps for English learners, SPED students, African-American, and Hispanic/Latino subgroups to eliminate barriers to student success.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

For tier 1, PLC's CFA aligned to focus standards. In tier 2, PLC's will collaboratively review data and plan RTI for students. PLC's and Lead Teachers will conduct cycle of continuous improvement once per quarter to monitor student progress and identify instructional needs. For tier 3, systematic intervention groups will be formed based on student needs in relation to content standards. Differentiated instruction based on results of assignments and CFA. Lessons include front loading strategies, re-engagement, re-teaching, and collaborative strategies. Aligned curriculum that vertically articulates and assesses progress uniformly. Culturally inclusive classrooms which foster student engagement and support student-centered learning. Consistent grading practices in departments in alignment with Fresno Unified Board Policy. Student grades will be monitored by teachers, administration, counselors, and support services staff. Technology, incentives, books materials and supplies to support instruction for all students. Tutorials will include but are not limited too: technology based learning programs, after school program, supplemental contracts for content teachers, Saturday academy, and small group instruction within the classroom

Specify enhanced services for EL students:

GLA will work with specific groups of EL students to provide support as well as work with teachers regarding instructional strategies to best support EL's. GLA will work with PLC's to ensure proper implementation of ELD standards. Academic Counselors, School Psychologist, RP counselor and our Re-engagement Center will provide support for our economically disadvantaged and foster students. EL students will be provided with the opportunity to attend content tutorials and/or EL Tutorials. Training and support provided to Principal, VP, GLA and counselor.

Specify enhanced services for low-performing student groups:

GLA will monitor EL students each semester grade/attendance reports to provide targeted interventions to ensure EL/RFEP population is tracked. Admin. will monitor effective teaching and learning strategies are being used during instruction to support ELA/Math teachers to prepare students for iReady, CFA, and SBAC. African American Mentor teacher will continue working with 25 at-risk students who are struggling academically, behaviorally and social-emotionally. Project Access will monitor Foster/Homeless students by connecting monthly tracking attendance, grades and behaviors.

Action 5

Title: Culturally Responsive Classroom Experiences

Action Details:

By June 2023 CA staff will engage in activities that address inclusion, diversity, social justice and bias in order to create conditions for a culturally responsive classroom and school. Through the learning, our staff will be able to diversify their teaching to teach all learners. As a school, we will ensure students and staff feel valued and included.

School Level Dashboard

Goal 2 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture student survey - percent favorable in student-centered/real-world experiences domain	✓	85.67 %	81.51 %	2022-2023	82.61 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Students attended 6th Grade-Wilderness Outdoor Camp for 2022-23. Learning experiences were focused on group and self challenges to improve growth mindset. Student engaged in College visits that provide them experiences that will help inform their college decision making. Some AA students participated in college visits and a Leadership conference focused on building leadership skills among AA students.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Not all AA students were able to participate in the college visits and Leadership conference due to limit space.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Cooper students participated in more college visits and career opportunities than originally planned do to using funds more efficiently.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

Plans for Goal 2 during the 2022-23 school year will be determined based on the structure of the learning. To meet the needs of all students we will continue offer off campus experiences to our student in 2022-23.

Students will participate in College visits

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

SSC expressed appreciation that 6th grade was able to have their 6th grade camp, and look forward to offering field trips in the future.

2 ELAC:

For student centered and real world learning experiences ELAC advocates for in school and out of school learning. High school, college and professional who visit the site to share their experiences is needed. Visits to colleges and workplaces will help students see potential and possibilities

3 Staff:

Staff expressed appreciation for the many opportunities our students have to participate in college visits. They asked that we continue this work for 2022-23.

Action 1

Title: Exposure to Careers

Action Details:

Cooper Academy administrators, teachers and counselors will provide students with multiple opportunities to learn about careers and develop skills such as problem solving, critical thinking and teamwork through career exploration activities. Students will also build self-awareness and begin to develop a plan for reaching future goals. Provide high quality classroom instruction and curriculum that promote college and career readiness with interventions in place to eliminate barriers to student success.

School Level Dashboard

Goal 3 Metrics	Required	Current Target	Actual	As Of	Target
Chronic Absenteeism - Semester 1	✓	27.28 %	23.19 %	2022-2023	22.59 %
Suspension Rate - Semester 1	✓	6.06 %	3.64 %	2022-2023	3.31 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Key factors supporting the current rate can be contributed to the following actions:
 Attendance Clerk: consistently communicating with families regarding attendance expectations. Implementation-Complete and consistent Effectiveness-Very Effective
 Home School Liaison: consistently communicating with families regarding attendance expectations. Implementation-Complete and consistent Effectiveness-Very Effective
 Home visits: Implementation-Partial and inconsistent Effectiveness-Moderately Effective
 Incentives for attendance Implementation-Partial Effectiveness-No Effectiveness
 Goal 2 Field Trips Implementation-Partial and inconsistent Effectiveness-Moderately Effective
 A2A Meetings with Cooper Team Implementation-Partial and inconsistent Effectiveness-Moderately Effective
 COST Meetings- case manager assignment Implementation-Complete and consistent Effectiveness-Very Effective
 School-wide Engagement (see Goal 3) Implementation-Partial and inconsistent Effectiveness-Moderately Effective
 Suspensions - students with 1 or more
 Weekly class meetings school wide Implementation-Complete and consistent Effectiveness-Moderately Effective
 Re-Engagement Strategies utilized by support staff - Re-Entry meetings Implementation-Complete and consistent Effectiveness-Very Effective
 Clubs Implementation-Partial and inconsistent Effectiveness-Very Effective

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Students continued to have challenges with COVID. Many students were diagnosed with COVID which forced them to be out of school for a minimum of 7 days. Our suspension rate was much higher as well due the use of vape pens and students using social media to engage students in unproductive activities

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Our goal is to implement the following actions during the 2023-24 school year.
Supplemental contracts - Site will continue to provide supplemental contracts for before school and after school tutorial with certificated staff.
Technology, books, materials and supplies - Site will continue to provide resources for students to help support in increasing Literacy and Math Skills.
Work alongside with Restorative Practices Communication services and materials to support parent involvement - Site will continue to provide services to inform, collaborate, and support parents in meeting students' needs.
Home School Liaison and School Readiness Facilitator - Site will continue to provide services to inform, collaborate, and support parents, students, and staff in meeting students' needs. Continue the use alternative means of correction such as individual and group counseling.
We also use and implement site Levels of Misbehavior form that tracks student sent out and assesses weekly misbehavior data.
After-School Program provides students the opportunities for students to connect with coaches, and teaching staff in a variety of ways to encourage relationship-building.
Continue to use our COST Team to constantly monitor students who are considered "High Risk." Team consists of Administration, Restorative Counselor, School Social Worker, School Psychologist and Site Nurse, etc.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

Suspension data increased in 2022-23 for all grade levels in suspensions per 100 students. It will improve through our restorative practices and tier 2 and 3 interventions. The site will continue to use our Home School Liaison and School Readiness Facilitator to support increased parent involvement and parent education classes. We will continue to do our behavior chats and Weekly class meetings to support students gain social skills and better manage their behavior. The site will also review our behavior policies to ensure it is equitable. Continue to use our COST Team to support student. Continue with Cooper Reset Center.
We will continue to focus on intentional supports to meet the needs of our AA students due to higher suspension rates than their peers.

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

SSC inquired about supports for low attendance and who is supporting students with chronic absenteeism. SSC acknowledged the need for more SEL support

2 ELAC:

To improve attendance for students who miss school due to absences; parents, students and community members promote attendance recognition through student engagement events/awards. HSL communication and home visits is another valuable school effort supported by ELAC.

3 Staff:

Staff expressed frustration with on-going efforts to promote and encourage attendance with the chronically absent students

Action 1

Title: Student Engagement

[Action Details:](#)

Cooper Academy is committed to aligning our efforts and resources to our District Goal 2: All students will engage in arts, activities, and athletics. - Weekly/lunchtime activities every week for all students to participate
- Rallies
- Student's vs staff events: students have the chance to jump onto a field/court and have some competitive fun against teachers to help build student and staff relations.
- School community service days

- Athlete Tutorial Program: Provide resources to keep students athletically eligible
- Tutorial services
- 8th graders will visit Fresno High the spring before entry to select electives, learn about Goal 2 opportunities, and gain a sense of the culture and climate of Fresno High and how to be IB program will continue.
- WEB monthly activities, both academic and social. Provide supplemental contracts to WEB coordinators and resources for incoming 6th and 7th grade student orientation activities. Students entering Cooper at any point after the beginning of the year will have a WEB buddy identified who will on-board them with Goal 2 opportunities, availability of Tutorial, a campus tour, and textbook check-out.
- Provide transportation (i.e., bus, bus tokens) in some cases as needed to remove a barrier of transportation from students who could not otherwise participate in Goal 2 activities.
- Provide resources for incentives to encourage participation in culture and climate activities (e.g., students who reach a certain level of participation earn a small prize).
- Increase opportunities to solicit student voice in school-wide decisions.
- Increase staff attendance at student events and build staff culture by creating a system of staff competitions (e.g., staff team that gets most staff attending student events wins).
- Provide materials and resources to support advertising and promotion of involvement opportunities, including Message Boards for cafeteria and quad.
- Provide substitute release time for band directors, Tournament of Tech Coach, Battle of the Books, etc. to attend planning meetings, work side-by-side with regional colleagues offsite.
- Provide additional resources for VAPA performance programs to increase student pride and ownership in performances, as funds available.
- Provide opportunities for student leadership and develop stronger pathways from feeder schools in the Fresno High region by supporting regional leadership conferences, activities, and community service opportunities.

Specify enhanced services for EL students:

- GLA and Home School Liaison will work with families of EL students, who have historically been under-involved in Goal 2, to engage parents in understanding the role of Goal 2 in students' academic success.
- Monthly monitoring of Goal 2/Student Engagement data for the following sub-groups: SPED, Foster Youth, African-American, EL Students

Specify enhanced services for low-performing student groups:

- VP, GLA, Counselor will work with families of Tier 2 and 3 students, who have historically been under-involved in Goal 2, to engage parents in understanding the role of Goal 2 in students' academic success.
- Monthly monitoring of Goal 2/Student Engagement data for the following low-performing groups: SPED, Foster Youth, African-American, EL Students

Action 2

Title: Attendance

Action Details:

Cooper Academy will support attendance of students by providing a comprehensive, tiered program of attendance monitoring and intervention. We will target our low-performing group, African American. Cooper will monitor and analyze attendance data in order to identify root causes behind attendance issues; link families with resources to improve attendance and ensure students are back on track. Students will be re-integrated into the learning following an absence.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Intense support for AA students with ADA less than 94%
- Attendance Clerk will monitor attendance patterns; communicate with homes of those with excessive absences; and schedule conferences with Home School Liaison, counselors or GLA to assess root causes behind poor attendance and connect with services.
- Mini-lessons taught by all teachers at beginning of each semester will include lessons focused on the importance of regular attendance.
- Incentives will be given to promote regular attendance.
- Provide resources to discourage students being tardy to class, including: Supplemental Contracts for staff (lunch and after school detention for tardies) Materials and supplies (graphics, curriculum for students with chronic tardies)
- Provide transportation (bus tokens) for students in unstable situations who need assistance with transportation.
- Quarterly onsite Attendance Meetings for students below 90% ADA to: 1) collect student input for causes of truancy, 2) review attendance expectations, and 3) to set goals with students. GLA, attendance clerks, and home school liaison and member of SARB team will help run the meetings.
- Students will be able to attend Saturday Academy, 4-hour enrichment sessions that allow the school to reclaim ADA and the student to reconnect to school.

Specify enhanced services for EL students:

- Home School Liaison, School Readiness facilitator and GLA will coordinate and run small group sessions to educate EL parents about attendance monitoring and intervention, subs as needed.

- Bus tokens provided to targeted groups, African American experiencing transportation challenges or other hardships.

Action 3

Title: Suspension

Action Details:

Suspension per 100 students was 6.4% in 2022-2023. As part of a Multi-Tiered System of Supports (MTSS), Cooper Academy will provide a tiered approach to positive behavior using the Safe and Civil Schools Framework for PBIS (Positive Behavior Intervention and Supports). Cooper will focus on our low performing group, African American (16.2 %). Cooper staff will engage in a cycle of continuous improvement , collecting and analyzing data, identifying priorities for improvement, and revising and implementing new policies and procedures to support our goals. Tier 1 services focus on common areas and school-wide policies, consistent agreements across the staff about response to misbehavior through an instructional approach; addressing safety, conflict, and bullying. Tier 2 supports include includes opportunities for reflection, an emphasis on restoration and learning from mistakes; and Tier 3 includes connection to services to meet underlying needs and an expansion of efforts to involve and support families.

Goal 4 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture staff survey- percent favorable in organizational culture domain	✓	98.32 %	95.1 %	2022-2023	96.2 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Teachers will receive professional learning determined by site data: ELPAC, EL Redesignation Goal setting Report, Common Formative Assessments, iReady, and SBAC.
 In addition, data collected from the Instructional Practice Guide and Fresno Unified Initiatives will drive the learning that specifically supports English Learners. Topics include: speaking and listening standards, small group instruction, and extended learning opportunities for students.
 All teachers receive professional learning on strategies to support student comprehension of grade level text. Proficiency-based Learning (tasks, assessments) Common formative and summative assessments (formal and informal)
 Staff Professional Learning regarding PLC's, common grading practices, common assignments/assessments, proficiencybased learning.
 Supplemental Contracts and/or sub release time for Accountable Community teams.
 PL will utilize the research from "Learning by Doing" to support the development and continuation of high quality Professional Learning Communities.
 Teachers will receive PL on how to utilize ELD standards to support access for ELs to the Common Core Literacy standards and build Academic Language.
 Continue professional learning on appropriate scaffolds and strategies to support complex text, talk, and tasks in all classrooms, such as Socratic seminar, sentence frames and sentence starters.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Cooper focus is on building an environment that is perceived inclusive to all students, staff, and community. CA aims for all educational partners to feel safe and comfortable. Students feel supported and know that what they are learning is important and show ownership for their learning. CA teachers will meet weekly in their Professional Learning Communities to analyze current data, monitor student progress and share best practices and evidence-based strategies to improve instruction and increase student achievement. Lesson plans will be developed that include Best Practice Strategies and are equitable for students at risk of not meeting standards. Teachers will focus on instructional strategies for: English Learners, SPED, African American students, Foster Youth, At-risk students identified through data analysis. Data that will be monitored includes: CAASPP, iReady- 3x a year, Reclassification- trimester or quarterly, and D/F rate quarterly or quarterly.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Focus of PL was SEL supports and setting conditions for learning. The focus was not on improving PLC's and grading like it was originally intended.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

Professional Learning will focus on high performing PLC's and equity of grading and assessing work through PLC's.

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:
SSC acknowledges that staff PL and incentives are a must

2 ELAC:
Continue to include parents on interview panels and as volunteers in school activities and trips.

3 Staff:

Action 1

Title: Workplace Diversity

[Action Details:](#)

As new team members are added to our Cooper Academy Staff, we will hire through a lens of diversity. Diversity and inclusion has been a priority for our site, in regards to students, therefore it must apply to the adults in our system as well. We view diversity and inclusion as understanding, accepting, and valuing differences between people of different races, ethnicities, genders, ages, religions, disabilities, and sexual orientations, as well as differences in personalities, skill sets, experiences, and knowledge bases

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Goals and actions from the 2023-24 SPSA will be fully implemented to support family collaboration and engagement.

Opportunities will include: Translation provided by HSL, as needed.
 Counselor will provide a review of the EDUTEXT daily district grade update during Back to School Night and fall Parent Conferences.
 Cooper families will be provided a Student/Parent Handbook at the beginning of the year.
 Parents will be provided information related to the ATLAS parent portal on Back to School Night, The first ELAC meeting, and the first SSC meeting of the school year.
 Title I Parent Meeting and Back to School Night will be scheduled in August with notifications going home prior to the end of the first quarter.
 ELA and Math teachers will specifically review each student's iREADY Diagnostic reading and Math level. The Team will review academic progress with the families during fall parent conferences.
 Upcoming school events/activities communicated to families through a variety of methods (Cooper website, marquee, flyers, monthly calendar, School Messenger).
 A minimum of four SSC/ELAC meetings will be scheduled throughout the school year. Meeting information will be communicated at least 72 hours in advance.
 Parents will also be invited to student celebration/recognition assemblies, programs throughout the year.
 Parent University will work in conjunction with Cooper Academy to offer on-going parent education provided by the district office.

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Opportunities for family interactions on campus are improving. We are working to get back to pre-pandemic family interactions. This year our Family Connection Hour was provided in person and virtual. We will continue to encourage family to come to campus and interact with our community.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

The family connection goal is fairly new. We will continue to work with families and provided opportunities for families to engage with our staff and community. We will continue to provide opportunities for parents to volunteer and be a part of our every day work.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

Goals, metrics, and actions will continue to be fully implemented to support family collaboration and engagement.

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:

Suggestion from SSC is to continue PL focused on IB and PLC.
