District Goals	
The purpose of the School Plan for Student Achievement is to provide a comprehensive document, including details of site planned actions and expenditures as they relate to the goals of Fresno Unified. The plan supports student outcomes and overall performance in connection with the District's Local Control and Accountability Plan and in alignment with the District Goals supporting the expectations that all goals shall have objectives that are measurable, actionable and develop monitoring metrics to assess progress that guides program evaluation and resource allocation.	
Student Goal	Improve academic performance at challenging levels
Student Goal	Expand student-centered and real-world learning experiences
Student Goal	Increase student engagement in their school and community
Staff Goal	Increase recruitment and retention of staff reflecting the diversity of our community
Family Goal	Increase inclusive opportunities for families to engage in their students' education

Centralized Services - No Centralized Services are utilized at this time.

Consolidated Program Assurances

The School Site Council (SSC) develops and revises the School Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.
The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.
The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.
The school's SSC, staff and parents participate in a needs assessment to help guide SPSA development.
The members of the SSC, the school's English Learners' Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant subgroups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.
School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (DAC and DELAC), and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.
Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent and Family Engagement Policy and the Parent-School Compact.
Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.
The School Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.

Fresno High 2023-2024 - SPSA

Goal 1 - STUDENTS: Improve academic performance at challenging levels.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 1 Metrics	Required	Current Target	Actual	As Of	Target
SBAC ELA - Average distance from standard	✓		-96 pts	2021-2022	0 pts
SBAC ELA - percentage of students met/exceeded standard	✓		28.1 %	2021-2022	29.2 %
SBAC Math - Average distance from standard	✓		-163 pts	2021-2022	0 pts
SBAC Math - percentage of students met/exceeded standard	✓		9.44 %	2021-2022	10.54 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1 Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

SBAC ELA - percentage of students met/exceeded standard
SBAC ELA - Average distance from standard

Facing residual effects of online learning, the percentage of our students who met or exceeded standards for SBAC ELA was 28.1% and the average distance from the standard was -96 pts. Fresno High School continues to offer after school tutoring everyday, as well as emphasizing the use of Tutor.com. Fresno High implemented lunchtime "will-a-torials "for students who did not complete specified targeted assignments. Fresno High School also implements RTI with a focus on 9th grade students who are have a skill deficit. Fresno High School continues to develop a school-wide focus on inquiry-driven instruction. This approach focuses on best first instruction through Professional Learning, reinforcement of Professional Learning Communities', effective practices, and classroom supports. Professional learning focuses on effective PLCs and the use of common formative assessments, and assessment aligned to standards and established learning goal as a method to improve student results. In addition, professional learning also emphasizes MYP/IB unit planning based on inquiry-based instruction, authentic assessment, and RTI. Our classroom visitation data shows that lessons are focused on increasing student engagement and aligned

2 Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

SBAC ELA - percentage of students met/exceeded standard
SBAC ELA - Average distance from standard

Compared to 55.6% of white students who met/exceeded standard in ELA, the percentage of African American students who met/exceeded standard in ELA was 11.5%. African American students made up 7.8% of all students met or exceeded standard in 2022. The percentage of Hispanic students who met/exceeded standard in ELA was 27% .Hispanic students made up 20.8% of all students met or exceeded standard in 2022. The percentage of English learners and Reclassified Fluent English Proficient students who met/exceeded standard in ELA was 6.5% and 35.6% respectively compared to 28.1% of all students . Special Education students made up 13.2% of all students who met/exceeded standard in ELA

assessments.

SBAC Math- percentage of students met/exceeded standard
SBAC Math - Average distance from standard

Facing residual effects of online learning, the percentage of our students who met or exceeded standards for SBAC Math was 9.44% and the average distance from the standard was -163pts. Fresno High School continues to implement mathematical supports for all students aligned to the Common Core State Standards with an emphasis on conceptual mathematics that embed the eight mathematical practices through the lens of focus, coherence and rigor. Professional collaboration and professional learning are utilized in support of student learning of grade level standards through enhanced delivery of instruction such as blended learning strategies. Fresno High has a 0.75 FTE Computer Lab Paraprofessional who coordinates student access to online supports for mathematics. Fresno High continues to emphasize the use of Tutor.com for all students and math is the most frequent subject supported. Fresno High continues to emphasize the use of common formative assessments in the PLCs to identify students who need additional support. Students identified through common assessments who need support are referred a formal intervention program facilitated by the Intervention Coordinator. Teaching Fellows and after-school tutoring are available for additional support for students. Our walkthrough data indicates lessons are focused on increasing student engagement and coherence in the lower level math classes and in the high-level math classes, conceptual understanding is the emphasis. PLC's collaborate to plan units, lessons, and share instruction and differentiating strategies.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Differences between intended and actual implementation of actions and budget expenditures were relatively minor. We carried out major plans for professional learning, provided supplemental resources and technology to support instruction and did not shift budget priorities within the school year. We did spend more money on substitutes for teacher release time for planning and professional learning than originally allocated. We will increase that amount for next year. We also spent more for professional learning than previously planned. We will review our plan for professional learning opportunities, prioritize need versus want and allocate funds accordingly.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

We have budgeted to allow us the opportunity to allocate monies for subs to provide planning days and on-site and IB peer class walks, as well as on-site or off-site PL.

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

1 SSC:	2 ELAC:	3 Staff:

We utilized SBAC and iReady instructional data to share with the SSC. They are asked to provide input on current actions and suggestions to shifts in actions. We use SSC meetings to review all SPSA data, actions, and budget and the March SSC to review and approve the final plan/budget and complete current year budget changes. We took SSC input using MS Form for suggested actions.

- Saturday School to offer Academic Tutoring
- Continue to use tutor.com as supports for students.
- Continue support of after school tutorial and online tutorial options
- Create additional electives that students would benefit from literacy practice
- Provide after school activities and for campus to be a safe place to encourage students to feel more welcome
- Higher teachers that will be involved in promoting active student involvement.
- Fresno High should establish standards for regularly soliciting student feedback about curriculum and assignments.
- Gathering student opinions is important to helping students feel they have a voice in their education.

ELAC members are asked to provide input on current actions and suggestions to shifts in actions. Tutorial for English Learners
Additional support for students with Medical Conditions from Teachers

Staff were asked to provide input on current actions and suggestions to shifts in actions. We took staff input using MS Form for suggested actions.

- Mandatory after school and/or during lunch tutorial for students who are missing assignments
- Extra pay contracts for teachers to hold after school tutorials twice a week.
- Defined office hours by specific teachers within departments.
- Utilize FCC, CSUF, and FPU students needing volunteer or student teaching hours to aid in tutoring opportunities.
- Utilize FCC, CSUF, and FPU students needing volunteer or student teaching hours to aid in tutoring opportunities

Action 1

Title: Mathematics

Action Details:

Mathematics: Fresno High School will implement mathematical supports for all students aligned to the Common Core State Standards with an emphasis on conceptual mathematics that embed the eight mathematical practices through the lens of focus, coherence and rigor. Particular attention will be placed on Math Practice 1 ("Make sense of problems and persevere in solving them"). Supports will center on professional learning, with PLCs as the drivers, on MYP/IB unit planning based on inquiry-based instruction, the use of common formative assessments, performance tasks, and RTI.

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Professional collaboration and professional learning will support student learning of grade level standards through enhanced delivery of instruction and through the review of data for the purpose of remediation and acceleration within the instructional sequence.
- 0.75 FTE for Computer Lab Paraprofessional who coordinates student access to online supports for mathematics. This person also coordinates student access, PSAT/SAT on-line preparation workshops.
- Students will receive Tier 1 support from the district adopted curriculum and its supplemental supports which could include digital resources Big Ideas during all math classes.
- Students will receive Tier 2 support through the use small group instruction focused on gaps.
- Students will receive Tier 3 support through math tutorials with emphasis on African-American students with Ds/Fs and special educations students as appropriate..
- Special Education and core English teachers will co-teach classes to provide support and differentiation for students with special needs in mainstream classes.
- Students will receive Interactive Notebooks that will serve as an instructional tool for students to process their learning.
- Teachers encourage and provide opportunities to on-line resources such as Tutor.com for after hours support.
- Students identified through common assessments who need support are referred a formal intervention program facilitated by the Intervention Coordinator.
- Resources to support African-American Advisory Committee mentoring.
- Provide funding for Edgenuity to support credit-recovery options for students
- Provide funding for EdCite to provide access to supplemental standards aligned assessment resources in multiple content areas
- The Afterschool Program will provide academic tutoring through the use of Teaching Fellows, peer tutors, and staff.

Specify enhanced services for EL students:

- Bilingual Instructional Aides will provide primary language support for Beginning EL students.
- EL students will benefit from an added emphasis on math discourse.
- All teachers will utilize best practices in support of academic language acquisition
- Home School Liaisons support the EL program, parents and community members in connecting to school and supporting academic progress throughout the language acquisition process
- Parent Center courses and resources will fluctuate to meet dynamic needs of English Learners and the

Specify enhanced services for low-performing student groups:

Students identified as SPED will have additional academic support provided to them through co-teaching and student access to online supports for mathematics, Tutor.com and After School Program

Monitor the ratio of special-education students enrolled in same regular educations class sections as general-education students.

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

community

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.

Refer suspended African-American students to the Academic Center for Suspended students supported by the A4 office to prevent and address learning during the school suspension.

Continued work of Coordination of Services Team(COS) that meets regularly to work on Tiered supports for all students who were referred and suspended leading to increased missed instructional time. Resources Counseling Assistants will monitor students on their caseload with the goal of preventing repeated behaviors that result in missed class time.

Action 2

Title: Literacy

Action Details:

Fresno High School will continue to develop a school-wide focus on inquiry-driven instruction. This approach will center on best first instruction through Professional Learning, reinforcement of Professional Learning Communities' effective practices, and classroom supports and materials. Supports will center on professional learning, with PLCs as the drivers, on MYP/IB unit planning based on inquiry-based instruction, the use of common formative assessments, performance tasks, and RTI.

Timeline:

2 times per year

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Professional collaboration and professional learning will support student learning of grade level standards through targeted teaching, enhanced delivery of instruction (including targeted technology use) and through the review of data for the purpose of remediation and acceleration within the instructional sequence. Subs for release time and supplemental contracts provided for planning.
- 0.75 FTE for Computer Lab Paraprofessional who coordinates student access to online supports for literacy. This person also coordinates student access, PSAT/SAT on-line preparation workshops.
- We will partially fund a teacher prep time/extra period to support implementation of the academic program.
- Students will receive Tier 1 support from the district adopted curriculum and its supplemental supports which could include digital resources from SpringBoard and use of Khan Academy and/or Tutor.com.
- Students will receive Tier 2 support through the use small group instruction focused on gaps.
- Students will receive Tier 3 support through noon-time tutorials which include an emphasis on African-American students with Ds/Fs and special education students as appropriate...
- Special Education and core English teachers will co-teach classes to provide support and differentiation for students with special needs in mainstream classes.
- Students will receive Interactive Notebooks that will serve as an instructional tool for students to process their learning.
- Students identified through common assessments who need support are referred a formal intervention program facilitated by the Intervention Coordinator.
- Students will utilize grade level appropriate materials such as academic articles as supplementary material
- Insure sufficient technology is available to further provide access to tools such as Tutor.com, digital Springboard and ManageBac.
- Resources to support African-American Advisory Committee mentoring.
- Resources to support Writing Center
- Provide funding for Edgenuity to support credit-recovery options for students
- Provide funding for EdCite to provide access to supplemental standards aligned assessment resources in multiple content areas
- Students and teachers will utilize Turn-It-In.com as a resource to support student learning
- The Afterschool Program will provide academic tutoring through the use of Teaching Fellows, peer tutors, and staff.

Specify enhanced services for EL students:

- Provide Bilingual Instructional Aides (BIAs) to support the comprehension and academic progress of EL students by working directly with students in SDAIE classrooms throughout the day.
- EL students will benefit from an added emphasis on academic discourse. Teachers will work with instructional coach to implement strategies to support EL students.
- All teachers will utilize best practices in support academic language acquisition
- Supplemental Books for EL students.
- Home School Liaisons support the EL program, parents and community members in connecting to school and supporting academic progress throughout the language acquisition process

Specify enhanced services for low-performing student groups:

Students identified as SPED will have additional academic support provided to them through co-teaching and access to Tutor.com and Khan Academy

Monitor the number of special education student enrolled in the regular education class sections

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

- Parent Center courses and resources will fluctuate to meet dynamic needs of English Learners and the community

Further supports will be identified in collaboration with FUSD Department of Special Education and FUSD School Leadership

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.

Refer suspended African-American students to the Academic Center for Suspended students supported by the A4 office to prevent and address learning during the school suspension.

Social Emotional Team (COST) will meet regularly to work on Tiered supports for all students who were referred and suspended leading to increased missed instructional time. Resources Counseling Assistants will monitor students on their caseload with the goal preventing repeated behaviors that result in missed class time.

Action 3

Title: Ds/Fs

Action Details:

Fresno High School will further develop an academic Response to Intervention program as evidenced by on-going tutorials, learning labs, targeted interventions, classroom supports, and enrichment opportunities for students. Focus will be on decreasing the amount of Ds and Fs, and increasing the number of students on track for A-G course completion; thereby, increasing the amount of students who are college and career ready.

Tier 3 students are priority followed by Tier 2 students.• 0.6 FTE for Intervention TSA to coordinate and support intervention efforts with 9th grade RTI, ELD and Diploma Programme internal assessment completion.• Students will receive academic counseling to promote academic success. Counselors will meet with 9th-12th grade students who are credit deficient at the end of the first semester to map out plan for credit recovery or alternative education placement.• Use of Edgenuity to support credit recovery of credit deficient students.• Resources to support the following:<ul style="list-style-type: none">◦ Academic Counseling will coordinate College Signing Day to promote College and Career Readiness.◦ IB Coordinate will facilitate IB Commitment Day for students who are pursuing the full IB Diploma.◦ Academic Counseling and Campus Culture Director will coordinate and facilitate, Honor Roll recognition, Principal's Awards and Academic Awards◦ 9th Grade Students who have made academic progress will receive incentives such as certificate, academic letter and other items.• Re-engagement Center team (including Resource Counseling Assistants) will monitor and counsel case-load students on grades and behavior.• Resources to support African-American Advisory Committee mentoring.• 0.125 FTE to support student success and engagement specifically targeted for students receiving special education services.• 2.0 FTE for Home/School Liaison to communicate directly with parents to support student success.• Supplemental contracts to support interventions/tutoring which includes the after school Writing Center.• Provide funding for EdCite to provide access to supplemental standards aligned assessment resources in multiple content areas• Provide PL and training opportunities to examine and implement standards based grading using Grading From the Inside Out and/or Grading for Equity text• Utilize resources to allow opportunity for subs to provide planning days and on-site and IB peer class walks, as well as on-site or off-site PL.		
<p>Specify enhanced services for EL students:</p> <p>Continued quarterly monitoring of RFEP students.</p> <p>Data chats will be held with EL students prior to ELPAC assessment.</p> <p>Bilingual Instructional Aides will provide primary language support for Beginning EL students in strategic core classes</p>	<p>Specify enhanced services for low-performing student groups:</p> <p>SPED, Foster Youth, and our African-American sub-groups will be monitored and those receiving multiple Ds/Fs will be referred to tutorials and receive additional academic counseling.</p> <p>African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.</p>	

EL students will benefit from an added emphasis on academic discourse. Teachers will work with instructional coach to implement strategies to support EL students.

All teachers will utilize best practices including the integrated ELD supports and SDAIE/SIOP strategies embedded in instruction to support academic language acquisition.

Adopted curriculum in primary language and primary language support, and interventions and incentives will be offered for the purpose of increasing the percentage of students at Fresno High School that are re-designated as English proficient.

Parent Center courses and resources will fluctuate to meet dynamic needs of English Learners and the community

Refer suspended African-American students to the Academic Center for Suspended students supported by the A4 office to prevent and address learning during the school suspension.

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

.125 Additional for SpEd student engagement

Action 4

Title: EL- Redesignation

Action Details:

Fresno High School will continue to implement teacher professional learning around strategies and supports for teaching English Learners (EL) with a focus on supporting re-designation for all EL students within five years. Professional Learning will include academic language acquisition within an inquiry-based content area classroom, literacy skills, writing development and using EL data indicators to inform instruction. Additionally, classroom supports including Bilingual Instructional Assistants, interventions, and incentives will be offered for the purpose of increasing the percentage of students at Fresno High School that are re-designated as English proficient for the 2023-2024 school year. Extension learning for parents of English Learners will also be offered through Parent University and Fresno High School's Home School Liaisons. By June of 2024, the number of English Learner students making adequate progress towards reclassification will grow by 20% (52% to 72%) using the CASchool Dashboard ELPI (English Learner Progress Indicator).

<div>Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):</div> <div>2.0 FTE for Bilingual Instructional Assistants who will be strategically placed in classes with a significant number of English Learners. They will help explain directions and/or instruction and monitor student progress of classwork and their understanding of the homework. EL VP will work on placing Bilingual Instructional Aides in classes of need at the beginning of the academic school year.</div> <div>ELD language teacher will receive additional supplemental resources which include class sets of books and magazine subscriptions.</div> <div>EL students in need of additional academic supports will participate in tutorials.</div> <div>Teachers will integrate the CAELD standards in all core content areas and engage in professional learning that will provide them with the latest research on effective English language development</div> <div>EL students will receive targeted instruction aligned to the CAELD Standards daily through integrated and designated ELD instruction.?</div> <div>0.6 FTE for EL Intervention TSA to coordinate and support intervention efforts with 9th grade RTI, ELD and Diploma Programme internal assessment completion.</div> <div>Continue intervention model for 9th grade students(including EL) using the biology, ELA, and Global Humanities teachers to create a rotating RTI team. Tier 3 students are priority followed by Tier 2 students.</div> <div>Incentives for improvement or redesignation on the ELAPAC..</div> <div>Data chats will be held with EL students prior to ELPAC assessment.</div> <div>Provide substitutes for ELPAC testing to create optimal testing conditions for students.</div>		

- EL VP and Counselors will monitor Ds/Fs quarterly
- Resources to celebrate student re-designation
- 2.0 FTE for Home/School Liaisons to communicate directly with parents to support student success.
- Technology to support instructions
- Books/Supplies to support language acquisition

Specify enhanced services for EL students:

- ELPAC Assessors
 - EL student progress will be monitored after each assessment period (ELPAC, i-Ready) to ensure that students are making adequate progress towards one ELPI level growth each year and be reclassified on time.
- 2 Bilingual Instructional Assistants will be strategically placed in classes with a significant number of English Learners. They will help explain directions and/or instruction and monitor student progress of classwork and their understanding of the homework.

Specify enhanced services for low-performing student groups:

- To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education
- SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

2023-2024 SPSA Budget Goal Subtotal

Goal 2 - STUDENTS: Expand student centered and real-world learning experiences.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 2 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture student survey - percent favorable in student-centered/real-world experiences domain	✓	67.9 %	69.9 %	2022-2023	71 %
Graduation Rate	✓	88.6 %	87.47 %	2021-2022	88.57 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Student-centered real world learning experience

Work-based learning opportunities for students at Fresno High consist of Career Exploration, Career Readiness, Certification, Job Shadowing, and Offsite Industry visits. 69.9% of students who responded to the survey responded favorably to student-centered real-world experiences. That is an increase of 3.9% from the previous year's survey. Our goal continues to be to expand learning opportunities and engage students with relevant experiences.

Graduation Rate

Fresno High School graduation rate for the class of 2022 was 87.5% compared to FUSD rate of 89.5% and 87.4% statewide. This rate remained the same from the 2021 school year for Fresno High. Our goal continues to be to provide opportunities to recover for students who are credit deficient.

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Student-centered real world learning experience

79.4% of English Learner students responded favorably to the question: My school prepares me for life with real-world experiences compared to 69.9% of all students who responded favorably.. 65.1% African American and 70.4% of Hispanic students had favorable responses compared to 66.4% of White students. Our goal continues to be to expand learning opportunities and engage all students with relevant experiences.

Graduation Rate

Graduation rate for African American students was 71.4% 20/28 graduating in 2022 compared to a rate of 68.6% in 2021 The graduation rate for Hispanic students was 87.7% exceeded the overall rate at 87.5% but was a decrease approximately 2% from 2021. Our English learner graduation rate decreased by 4% to 78.8% compared to 2021. Our goal continues to be to provide opportunities to recover for all students who are credit deficient.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Differences between intended and actual implementation of actions and budget expenditures were relatively minor. We carried out major plans for professional learning, provided supplemental resources and technology to support instruction and did not shift budget priority within the school year. More money was spent on substitutes for teacher release time for planning and professional learning than originally planned and the amount will be adjusted for the following year. More was spent on professional learning as well along the lines of our instructional focus. We will continue to review our plans for professional learning opportunities and prioritize our needs and allocate funds accordingly.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

We have budgeted to allow us to allocate monies for substitutes to provide planning days and on-site and IB peer class walks as well as on-site and off site PL.

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

<div>1 SSC:</div> <div>Support of the contents embedded within the SPSA document for the 2022-23 School year. After review of student data from 22-23 CTE data, solicit input from SSC to identify needed actions to improve student achievement.<ul style="list-style-type: none">Internships could be part of a learning about a job before getting a work permit.Job skill workshops on campus available to studentsTech skills class where students can get certified to help get a job.consider how to incorporate real-world writing experiences within the coursesIncorporate a course in which students are taught critical life skills</div>	<div>2 ELAC:</div> <div><ul style="list-style-type: none">students participating more in the Shadowing Program.opportunity for students to go out to the community and have first hand learning experiences of the different work forces or professional settings.<ul style="list-style-type: none">Example Child care center, construction, offices, Health Clinics,More Job Fairs for students.</div>	<div>3 Staff:</div> <div>Staff were asked to provide input on current actions and suggestions to shifts in actions.<ul style="list-style-type: none">Allow students to opt out of A-G requirements so they can take more CTE options.More field trips that show the sciences, math, art in action.Include some type of community project where students engage in where they must provide serviceMarket and celebrate the CTE programClubs that will support students with real world experiences.Provide resources to increase the presence of the Street SaintsFresno High After School program should implement "how-to" workshops, once or twice quarterly</div>
---	---	--

Action 1

Title: MYP/IB/CP

Action Details:

Fresno High School will further develop its IB Middle Years Programme (MYP) and IB Diploma Programme through the development of a guaranteed curriculum, unit planning, professional learning, vertical articulation and alignment of courses. Fresno High will continue the development of the IB Careers Programme in support of rigorous career-technical education (CTE) coursework. Fresno High will further develop the IB/MYP Personal Projects for all 10th grade students, and increase academic supports for students through inquiry-based, internationally minded, and service-based learning opportunities; thereby offering all Fresno High School students equitable access to a rigorous curriculum so that all students have the greatest number of post-secondary options upon graduation. Additionally, Fresno High School will further support its IB programs by providing support for Internal Assessments, Extended Essays, Theory of Knowledge, Personal and Professional Skills.

During the 2019 - 2020 school year a small section of 9th graders representing a cross section of students were selected to participate in opportunities around civic engagement and service learning. For the 2023-24 school year, the continued goal is for all students to engage in one service learning project per semester during the school year leading toward students earning the State Seal of Civic Engagement. Students are expected to capture their learning in ManageBac.

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

Student performance on Internal Assessments and reduction of N's

Completion percentage of the Extended Essay and Theory of Knowledge

Planned MYP/DP/CP Units, capture of student work and evidence of common assessments aligned with external assessments and the subject-specific Aims and Objectives

Feedback provided byBQC on IB units submitted.

Number and percentage of students who complete the 10 Grade MYP Personal Project

Number of 9th grade students that complete a service reflection in ManageBac.

Number and Percentage of Students who complete an IB course.

Number and Percentage of students receive a college-qualifying score on the IB exam for each respective subject.

Number of students who are designated as a Diploma candidate.

Number of students who receive an IB Diploma

Owner(s):

All Teachers

Principal

VP's over DP, CP and MYP

MYP/DP Coordinator

CP Coordinator

Timeline:

On-going

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Access for all students to a rigorous curriculum framework and student-centered classrooms
- Access for all students to World Language curriculum and coursework including supplemental textbooks.
- Opportunity for all 10th grade students to engage in real-world inquiry-based projects based on their personal interest. Allotment of resources will be provided for MakerSpace, student materials for Personal Projects and resources to support Personal Project Showcase. 0.125 FTE to coordinate Personal Projects and Makerspace and work with teachers and students. Supplemental pay contracts to facilitate Personal Projects
- Fund a teacher 0.125 FTE to support implementation of service learning in the MYP and assisting DP students with the completion of CAS.
- We will partially fund 2 teachers at 0.125 FTE each to support implementation of the academic program including Theory of Knowledge
- Support of student growth in social-emotional learning through IB Approaches to Learning, Personal and Professional Skills, International Mindedness, and Theory of Knowledge (Metacognition).
- Supplemental pay contracts and sub release days for planning.
- Provide resources including supplemental contracts to support implementation of Internal Assessments, IB Core, Personal and Professional Skills
- IB tutorials and Writing Center
- Resources for Recruitment (DP/CP/MYP)
- Technologyfor students for Internal Assessment Uploads including 5-8 dedicated laptops to be located in the IB Office. Additional supplies to support Internal Assessments.
- Materials and supplies to support IB Summer Bridge Program for incoming 9th graders
- Student access to Turn-it-In.com
- Teacher, student and parent access to Managebac.
- Resources to support student connection between CP and industry partners.
- Resources to support African-American Advisory Committee mentoring.
- Provide funding for Edgenuityto support credit-recovery options for students
- Provide sub release days for collaboration around IB instruction, unit planning, and assessments.
- Provide supplemental contracts for summer planning and professional learning
- Provide opportunities for current 9th grade students that would allow access to higher level IB math classes in the 11th and 12th grade.
- Site based Art gallerywhere IB Art students facilitate a show of their work as part of curriculum.
- Summer 11th grade IB ELAand HSS courses to strengthen skills for IB Year 2 ELAand HSS exams

Specify enhanced services for EL students:

Fresno High’s IB Language Policy supports for EL students: Students are supported in their development of language in the classroom through the use of several instructional strategies, including, but not limited to: the instruction, discussion and use of language registers that are appropriate to activity.

The use of academic sentence frames with varying complexity and freedom depending on the need of the individual student.

The use of groups/collaborative work to insure that every student speaks, writes, reads and listens in each class.

Learning Lab support of EL students with content in their native language.

Specify enhanced services for low-performing student groups:

10th grade SPED students participate in Personal Projects.

Targeted efforts to increase SPED participation in CTE/CP.

Continue inclusion practices through out the educational program and campus culture at FHS.

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.

Continuation of Social Emotional Team (COS) that meets regularly to work on Tiered supports for all students, including Hispanic and African-American students who were referred and suspended leading to increased missed instructional time. Resources Counseling Assistance will monitor students on their caseload with the goal preventing repeated behaviors that result in missed class time.

Action 2

Title: College and Career Readiness

Action Details:

All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student’s four-year academic plan as elective courses. All CTE courses offered are A-G credits for UCs. Fresno High offers programs that promote leadership, develop job -related skills, provide on-the-job experience, and increase interest in school including Career Technical Education Courses such as IB Theater 1, 2 and Technical Theater. There are also Career Program Sequences (Concentrator & Capstone course sequence) including Digital Media – Video Production and Broadcast (IB Film 1&2, Video Production 1&2, Video Production & Broadcasting); Building Construction Trades –(Computer-aided Design and Drafting (CADD), Construction Technology, Interior & Exterior Residential & Commercial Construction, Introduction to HVAC); and Military Sciences (JROTC 1, 2, 3, 4). The Career Program currently has two (2) dual enrollment courses with Fresno City College: Videography (VPB) and HVAC 50 (Intro to HVAC). For the 2023-24 school year, one additional dual enrollment courses will open for enrollment: construction 50 (IERCC). Fresno High offers CTE industry certifications in Multi-craft Core Curriculum (MC3); OSHA 10; CPR/First Aid & Stop the Bleed; EPA Levels 1, 2; Adobe Premiere and Photoshop; Cyber Safety; Employability Skills. Fresno High School also offers 7th period dual enrollment courses in collaboration with Fresno City College.

- FAFSA/Dream Act support
- Fresno Adult School presentations and support
- personal statement workshops
- SAT/ACT registration
- scholarship information and support
- career fairs
- college and industry visits
- College Night
- Career Program Night
- Technical program visits

8th grade students will receive information and presentations to understand the role of the IB Career Program and make selections

Tier 1 All students will receive instruction from a CP teacher that is aligns with expectations of the IB Career Program. Tier 2 Students who are struggling in CP class will be provided after school tutorial assistance. Resource Counseling Assistants will also monitor and council CP students to provide social-emotional support as needed. Tier 3 Students will receive strategic support from CP teacher, counselor, and staff.

Specify enhanced services for EL students:

Monitoring of ELL student enrollment and success in Career Programs.

We will continue to use HSL/Spanish to communicate the benefits of CTE program as part of college and career readiness.

Vertical recruitment starting in 8th grade during IB parent nights.

Specify enhanced services for low-performing student groups:

CP Coordinator collaborates with Special Education staff to identify special needs students who would benefit from participation in Career Programs. CP Coordinator collaborates with Special Education staff to monitor need accomodations and services to allow special needs students to be successful.

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

Action 3

Title: Seal of Biliteracy

Action Details:

Seal of Biliteracy: Fresno High School will continue to develop our students to be graduates who have achieved a high level of literacy and fluency in one or more language(s) in addition to English. This approach will center on best first instruction through Professional Learning and effective practices, in addition to reflective PLC processes. Supports will center on professional learning, on MYP/IB unit planning based on inquiry-based instruction, the use of common formative assessments, performance tasks, and RTI. Fresno High School will continue to implement teacher professional learning around strategies and supports for teaching English Learners (EL) with a focus on supporting students efforts to demonstrate English proficiency on the ELPAC. During the 2022 school year 36 students earned the State Seal of Biliteracy. This was down from 2021 when the requirement of English proficiency was waived whereas in 2022 where it was reinstated. English proficiency is measured with a 3 or better on SBAC ELA as well as showing proficiency in a language other than English. This can be measured by a score of 3 on AP Spanish or score of 4 of IB Spanish HL or SL.

Reasoning for using this action:

Strong Evidence

Moderate Evidence

Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

Student completion of all English language arts requirements for graduation with an overall grade point average (GPA) of 2.0 in those classes.

Number of students who scored "Standard Met" or higher on the ELASmarter Balanced Summative Assessment.

Number of students demonstrate proficiency in one or more languages, other than English, through one of the following methods:

- Pass a world language International Baccalaureate (IB) examination with a score of 4 or more.
- Completion of a four-years in a world language with an overall GPA of 3.0 or higher and demonstration of oral proficiency in the language comparable to that required to pass the IB examination.

Number of EL students who demonstrate English proficiency on the ELPAC

Owner(s):

Principal
VP over EL
All Counselors

Timeline:

On-going

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Professional learning will support student learning of grade level literacy standards through targeted teaching, enhanced delivery of instruction (including targeted technology use) and through the review of data for the purpose of remediation and acceleration within the instructional sequence.
- Students will receive support from the district adopted curriculum and its supplemental supports which could include digital resources from SpringBoard and IB DP ELA curriculum
- Support of student growth in social-emotional learning through IB Approaches to Learning, Personal and Professional Skills, International Mindedness, and Theory of Knowledge (Metacognition).
- IB tutorials, use of Tutor.com.
- Resources to support African-American Advisory Committee mentoring.
- Provide sub release days for collaboration around IB instruction, unit planning, and assessments.
- Special Education and core English teachers will co-teach classes to provide support and differentiation for students with special needs in mainstream classes.
- Students will utilize grade level appropriate materials such as academic articles as supplementary material
- Data chats will be held with EL students prior to ELPAC assessment
- Incentives for improvement or re-designation on the ELAPAC
- EL students in need of additional academic supports will participate in tutorials.
- Technology to support instructions
- Resources to support Writing Center
- Students and teachers will utilize Turn-It-In.com as a resource to support student learning

Specify enhanced services for EL students:

- EL students will benefit from an added emphasis on academic discourse. Teachers will work with instructional coach to implement strategies to support EL students.
- All teachers will utilize best practices in support academic language acquisition
- Supplemental Books for EL students.
- Home School Liaisons support the EL program, parents and community members in connecting to school and supporting academic progress throughout the language acquisition process
- Students are supported in their development of language in the classroom through the use of several instructional strategies, including, but not limited to: the instruction, discussion and use of language registers that are appropriate to activity.
- The use of academic sentence frames with varying complexity and freedom depending on the need of the individual student.
- The use of groups/collaborative work to insure that every student speaks, writes, reads and listens in each class.
- Learning Lab support of EL students with content in their native language.

Specify enhanced services for low-performing student groups:

- Students identified as SPED will have additional academic support provided to them through co-teaching and access to online resources.
- Monitor the number of special education student enrolled in the regular education class sections
- African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.
- To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

Goal 3 - STUDENTS: Increase student engagement in their school and community.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 3 Metrics	Required	Current Target	Actual	As Of	Target
Chronic Absenteeism - Semester 1	✓	46.28 %	36.29 %	2022-2023	35.69 %
Suspension Rate - Semester 1	✓	9.42 %	9.05 %	2022-2023	8.72 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Chronic Absenteeism

Fresno High had a rate of chronic absenteeism of 36.3% for semester 1 of 22-23. This was an improvement of 5.5% over the same time in the 21-22 school year. Fresno High's improvement is demonstrated in our second full year of regular face-to face learning. .

Suspension Rate - Semester 1

Suspension rate per 100 for semester 1 of 22-23 was 9%. This remained consistent from 21-22 rate of 8.91% in our second full year of face to face instruction.

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Chronic Absenteeism

Fresno High African American students rate of chronic absenteeism for the first semester of 21-22 was 44.9% significant improvement over the 21-22 rate of 58.1% but still greater than the overall students rate of 41.8%. Fresno High Hispanic students rate of chronic absenteeism was 35.7%, and improvement from 21-22 rate of 40.1% and less than the overall students rate of 36.3%. Fresno High rate of chronic absenteeism for students with disabilities was larger at 45.7% when compared overall student rate of 36.3%. Fresno High English Learners chronic absenteeism for semester 1 was less when compared to all students at 32% for EL compared to 36.3% for all students. .

Suspension Rate - Semester 1

African-American students suspension rate for semester 1 of 2022-23 was 23.9%. This is a slight decrease from 2021-22 rate of 24.31%, as this is Fresno High second full year of face-to-face instruction since our return. Hispanic students suspension rate for semester 1 of 2022-23 was 7.8%. Fresno High English Learners suspension rate for semester 1 was 7.5% which is greater than those reclassified fluent English at 4.8% but less than the rate for all students at 9.0%. Fresno High suspension rate of students with disabilities at 11.8% and Foster Youth at 25% where both greater when compared to all students rate of 9%.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Differences between intended and actual implementation of actions and budget expenditures were relatively minor. We carried out major plans for professional learning, provided supplemental resources and technology to support instruction and did not shift budget priority within the school year. We continue to do Warrior shout outs and celebration for student attendance but did not implement Warriors of the Month. We will continue to review our plans for opportunities to improve culture around attendance and engagement and prioritize our needs and allocate funds accordingly.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

We have budgeted to allow us the opportunity to allocate monies for training and planning around strategies to improve tier one instruction with the goal of improved student attendance and aligned feedback through standards based grading in school as well as Incentives for students to promote student connection to school

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

<div>1 SSC:</div> <div><p>We utilized instructional data to share with the SSC. They are asked to provide input on current actions and suggestions to shifts in actions. We use SSC meetings to review SPSA data, actions, and budget. After review of current student engagement data, solicited input from SSC to identify needed actions to improve student engagement.</p><ul style="list-style-type: none">• Having a school wide showcase where the school invites the community to learn about the students' project• Funding dedicated to projects that encourage cross curricular work• Engagement strategies provided to students will include: Lunchtime activities; intramurals; community service days.</div>	<div>2 ELAC:</div> <div><ul style="list-style-type: none">• invest to improve the sports field• Have more sports types of equipment.• Couches could go to middle schools and talk about the sport that they are currently enrolled in• Raise awareness among students to compile their lists and get involved</div>	<div>3 Staff:</div> <div><p>Staff were asked to provide input on current actions and suggestions using MS Form.</p><ul style="list-style-type: none">• I would like to see more resources for incentives for students who participate in school activities• Make students aware of what service F is• Provide resources for incentives to encourage participation in culture and climate activities• Find outlets that interest the students on campus and in the community• Additional assistant CCD and more leadership classes/ create a club.</div>

Action 1

Title: Student Engagement

Action Details:

Fresno High School recognizes the importance of the district's goal to increase student engagement in their school and community. By providing student access and supports to a multitude of programs, students at Fresno High will increase participation throughout the year by engaging in clubs, athletic teams, co-curricular activities and visual and performing arts activities, and class sponsored activities. Additionally, through this action, Fresno High will provide opportunities that promote the transition between 8 grade and 9 grade by supporting FUSD's Transitions/ Move-up initiatives through establishing a transitional PLC that encourages vertical articulation between feeder middle schools and Fresno High. Fresno High will institute closer CTE AC collaboration; We will provide opportunities and resources to support the expectation that all students 9-12 will engage in service learning projects. Vertical recruitment starting in 7th grade via such areas as civic engagement and music and CTE.

Reasoning for using this action:

Moderate Evidence

Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

Data from Student Engagement Tool in ATLAS shows participation in each opportunity (arts, athletics, activities; one-time vs ongoing), and is used to monitor participation and review as part of a Cycle of Continuous Improvement.

Monitoring of Student Engagement data using the following indicators:

- Number and Percentage of Opportunities Offered to Students
- Number and Percentage of Students Not Involved in school based opportunities.

Number and Percentage of students not engaged in any activities who sub-groups are more than 10% negatively disproportionately represented

Owner(s):

Campus Culture Director
VP liaison for Student Engagement
Athletic Director

Timeline:

Monthly

Details: Explain the data which will specifically monitor progress toward each indicator target

School Climate and Culture Survey Spring Survey Results for indicators students responding they feel a part of the school.

Owner(s):

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

Engagement strategies and recognition of Engagements provided for students will include:

- Regional nights
- Lunchtime activities every week for all students to participate
- Intramurals
- School community services days
- Civic engagement activities

Resources for student rallies such as lighting, music, and spirit accessories.

Resources to support increased activities such as rallies, assemblies, and lunch activities.

Resources/Supplies for 9th Grade Transitional Year (Freshmen dance, Freshmen Fridays, Helium, pom-poms)

Resources/Supplies for SPED dance

Increased options for student clubs based on student surveys

Provide resources for incentives to encourage participation in culture and climate activities

Fund a teacher 0.125 FTE to support implementation of service learning in the MYP and assisting DP students with the completion of CAS.

Provide materials and resources to support advertising and promotion of involvement opportunities, including Message Boards

Resources for VAPA including the Band, Orchestra, Choir, Theatre, and Visual Arts such as art supplies, transportation, entry fees and licensing fees

Incoming 9th graders will visit Fresno High the spring before entry to select electives, learn about student engagement opportunities, and gain a sense of the culture and climate of Fresno High and how to best enter.

- Incorporation of Summer Bridge to increase engagement in School activities
- Coordinators from Summer Bridge work to engage students in opportunities for arts, activities and engagements.
- Direct support for incoming ninth graders including spirit wear and targeted activities.

Provide opportunities for student leadership and develop stronger pathways from feeder schools in the Fresno High region by supporting regional leadership conferences, activities, and community service opportunities.

Monthly student recognition and celebration as well as quarterly teacher choice award celebration all aligned to IB student learner profile.

0.125 FTE to support student success and engagement specifically targeted for students receiving special education services.

The Art Gallery classroom is used by Art Department to increase student participation in the visual arts (showing and viewing.)

- All four classes of students participate in 2 shows per year (have the opportunity to show class projects)
- Multiple themed shows open to all FHS students.

Specify enhanced services for EL students:

Monthly monitoring of ELL student engagement

Home School Liaison will work with families of EL students, who have historically been under-involved in arts, activities and athletics, to engage parents in understanding the role in students' academic success.

Specify enhanced services for low-performing student groups:

Monitoring of SpEd student participation in Unified Sports

Monitoring of SpEd and African-American student participation in clubs, VAPA and athletics

Monitoring of SpEd and African-American student participation in one-time engagements.

Provide targeted leadership opportunities for SpEd students

Action 2

Title: Attendance

Action Details:

Fresno High School recognizes that attendance is a critical component for student success. In the 2023-2024 academic school year, Fresno High will continue to develop a unified multi-tiered system of interventions for attendance. All students will receive messages from teachers and staff regarding the importance of attendance and the correlation to grades and overall success. These messages will be delivered at multiple times during the school year during class meetings. Recorded messages will go to parents of any student absent from class during the day. Through the use of attendance reports, the Home School Liaisons will make personal contact with parents of students through home visits as well as phone calls who have less than 90% attendance. Bi-monthly attendance meetings with the parents of students who have been truant. Incentives will be offered for high attendance percentage. REC teacher, Resource Counseling Assistants and staff will continue to provide social-emotional support as it impacts learning and attendance. Support for attendance will include providing a part-time attendance clerk that will support the needs of all students. Additionally, the school will continue to fund key attendance programs and activities such as the Attendance Matters meetings that provides parents with pivotal information regarding attendance and strategies to support the improvement of attendance.

Reasoning for using this action: ☒ Strong Evidence ☐ Moderate Evidence ☐ Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

For overall monitoring of Chronic Absence rate and ADA:

- The Chronic Absence rate reviewed weekly by VP over Attendance and shared with Attendance Intervention Team, Admin Team, and REC Team.
- Review of daily logs of phone calls to parents Bi-monthly meetings with students and families. ATLAS logs of Counselor meetings to identify barriers to attendance and provide services.

Timeline:

Monthly

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

Tier 1 All students will receive assistance as needed from Resource Counseling Assistants in the form of social-emotional support in an effort to prevent greater attendance issues. Tier 2 and Tier 3 students will receive on-going notification of their attendance and meetings with the VP who oversees attendance and the RCAs.

Students who are identified as Tier 3 will participate in a Check-in/Check-out system and attendance compact.

SATURDAY ACADEMY will be in place at least on a bi-monthly basis to capture and support those students who are chronically absent from the school site.

Incentives for students to promote good attendance at school.

Attendance Matters Meetings will have an added component for student involvement.

1.0 FTE for Resource Counseling Assistants who will utilize Tier 2 data and provide a list of documented interventions to VP over attendance on a weekly basis, follow up on Tier 2 attendance intervention through home visits, coordination with counselors, and case load management. (Additional 1.0 RCA will be funded by District)

.4375 FTE Attendance Records Assistant to support follow up on Tier 2 and Tier 3 students with chronic attendance issues.

Students will be able to attend Saturday Academy, 4 hour enrichment sessions that allow the school to reclaim ADA and the student to reconnect to school.

Resources to support African-American Advisory Committee mentoring

Resources to support celebration of improved attendance

Specify enhanced services for EL students:

A translator provided at all A2A meetings.

Parents of EL students will be given attendance notification in Spanish and Hmong. Attendance meetings will be held in English and Spanish for parents of EL students

Specify enhanced services for low-performing student groups:

RCAs will track and provide additional supports for our SPED, Foster Youth, and African-American sub-groups.

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

Action 3

Title: Social-Emotional and Behavioral Supports

Action Details:

Fresno High School will create a multi-tiered system of escalated behavioral and social-emotional supports for students as a way of developing positive social-emotional skills that align to the school-wide learner outcomes known as FHS' Warrior Way Learner Profile. Tier 1 services will focus on the school-wide development of the Warrior Way and the consistency of communication and implementation of social emotional initiatives developed through FHS' Climate and Culture team along with the curriculum developed for Class Meetings. Through the use of data and teacher input, students in need of Tier 2 and 3 supports will receive escalated, targeted interventions with the emphasis on mediating behavior and the restoration of the learning process and environment. These interventions include the Student Re-Engagement Center, FHS' Re-Engagement TSA, FHS' Restorative Counselor, and two dedicated Resource Counseling Assistants. Fresno High will also continue implementation of a PBIS (Positive Behavior Intervention Supports).

Reasoning for using this action: ☒ Strong Evidence ☐ Moderate Evidence ☐ Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

Tracking of ATLAS misbehavior log entries to inform classroom and individual student needs.

On-going calibration of incidents of suspensions and responses to referrals.

Weekly monitoring of suspension rates and Ed Code violations.

Daily monitoring of Student Re-Engagement Center (REC) data which will include reason for referral.

Reporting of Small Group Counseling by REC TSA, RP Counselor, SSW, etc.

Owner(s):

Principal

VP of REC/VPs

Culture Climate Team

Restorative Practice Counselor

Resource Counseling Assistants.

COS Team

Timeline:

Daily/Weekly

Describe Direct Instructional Services to students, including materials and supplies required (curriculum and instruction):

- Students will receive instruction through bi-weekly class meetings with appropriate materials (Tier 1)
- Warriors of the Month will be recognized and celebrated for exhibiting attributes of the Warrior Way.
- Students will receive social-emotional supports in the Student Re-Engagement Center with curriculum that promotes the development of social-emotional skills and positive interactions (Tier 2, Tier 3)
- Students will receive instruction on school-wide behavioral expectations through a variety of formats (Tier 1)

- Students who have been identified based on data, will receive social skills awareness through Restorative Practices (Tier 3)
- Support for Men's and Women's Alliance students through field trips, elementary school mentoring, and service projects.(Tier 2)
- Students participating in small group counseling will receive evidence-based curriculum and strategies. Conflict resolution and restorative circles to facilitate positive student relationships (Tier 2, Tier 3). Services may be provided by 1.0 FTE Resource Counseling Assistants, Re-engagement Center teacher, Restorative Practices Counselor, School Social Worker. (Additional 1.0 FTE for RCA funded by District)
- **Guest speakers for targeted student audiences (Tier 2)**
- Field trips for targeted students to provide enrichment opportunities.
- Vice Principals will provide instruction to 9th grade students targeting positive behavior strategies twice a year (Tier 1)
- Incentives for students to promote student connection to school such for students who demonstrate growth. (Tier 2)
- Students will benefit from resources provided in SSW space.
- Continued compensation of Culture and Climate team and resources to support their work.
- Additional adult supports in Re-Engagement Center: Restorative Counselor, teacher and 2.0 FTE Resource Counseling Assistants (1.0 site funded and 1.0 District funded) to manage students referred to the Re-Engagement Center. The tiered systems of support for students will extend targeted interventions for those who are identified as in need of social-emotional support.
- Increase the number of adults supervising on campus (Volunteer Community Organizations, Noon time Assistants and volunteers)

Specify enhanced services for EL students:

A designated ELAC meeting will address the Warrior Way Learner Profiles and positive behavioral supports.

Parent Center courses and resources will fluctuate to meet dynamic needs of English Learners and the community

Specify enhanced services for low-performing student groups:

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload.

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU.

To address disproportionality in student achievement for identified groups, management team meetings will include data on 1 or more elements of student achievement disaggregated by ethnicity and special education

Goal 4 - STAFF: Increase recruitment and retention of staff reflecting on the diversity of our community.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 4 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture staff survey - percent favorable in organizational culture domain	✓	68.56 %	70.21 %	2022-2023	71.31 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Staff Survey-Percent favorable in organizational culture domain

Fall of 2022, 70% of staff responded favorably to question in the organizational environment domain compared to 62% favorable responses in the Spring 2023. There were 98 staff responses in the Fall compared to 17 in the Spring. Of staff who responded in the Fall, 53% responded favorably to statement of feeling valued at school, down 10% from Fall responses. In the Spring, 69% of staff responded favorably to the question regarding opportunities to be involved in planning and decision making compared to 64% in the Fall

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Staff Survey-Percent favorable in organizational culture domain

63% of staff surveyed on organizational environment/culture identified as white while 73% chose to have their confidentiality protected regarding race. We continue to engage in on-going PL around cultural proficiency as it impacts organizational culture and support for good tier one instruction..

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

As this is the second year of these new district goals, we will continue to review results of actions and budget expenditures aligned to meet this goal. We will continue provided resources in support of cultural proficiency and did not shift budget priorities within the school year.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

We will budget to allow us the opportunity to allocate monies for subs to provide PL aligned to the goal

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

<div>1 SSC:</div> <div>We utilized instructional data to share with the SSC. They are asked to provide input on current actions and suggestions to shifts in actions. We use SSC meetings to review SPSA data, actions, and budget. After review of student and staff survey data, solicit input from SSC to identify needed actions to meet the goal.<ul style="list-style-type: none">Internships could be part of a learning about a job before getting a work permit.DO NOT make Ethnic studies into a freshman course</div>	<div>2 ELAC:</div> <div><ul style="list-style-type: none">INCENTIVESANDRECOGNITIONS example gift cards, thank you cards etc.Continue with the Multicultural Assemblies.Ask teachers for inputs of How Admin will serve better to feel appreciated, respected and supported.</div>	<div>3 Staff:</div> <div>Staff were asked to give their input on current actions and suggestions to shifts in actions.<ul style="list-style-type: none">Have a diversity of administration would be a good place to start.We should consider how to further diversify all adult staff positionsHire an African American administrator.</div>
---	---	--

Action 1

Title: Staff Job Satisfaction

Action Details:

Continued work in Professional Learning Communities through use of data to drive PLCs, instructional decisions and practices that affect student learning. Provide opportunities to increase teacher agency through teachers work in subject area PLCs, where they meet to discuss curriculum and student support, focused on school goals, and develop a plan of action designed to improve collective teacher efficacy. Provide opportunities for staff learning through off-site conferences (IB and others) aligned with professional development focused on the improved academic outcomes of students. Ensure appropriate support for teacher success through technology, planning time, and an Instructional Coach to provide ongoing support to new teachers, as well as any teachers who request assistance with planning, lesson execution, or management. Provide opportunities for teacher led PL on instruction and tier 1 student support strategies.

Reasoning for using this action:

☐ Strong Evidence

☐ Moderate Evidence

☐ Promising Evidence

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

- Teachers work in subject area PLCs focused on instructional goals and building teacher efficacy as monitored through PLC rubrics and surveys.
- Staff participation in professional development during Buyback Days and Staff PL Meetings, focused on district and site-level goals.
- Number of teachers attending off-site learning conferences (IB trainings and other)
- Number of teachers using technology, and technology programs to support student engagement and learning.
- Survey of technology tools being used by teachers
- Teachers supported by Instructional Coach and types of support.
- Student behavior data tied to SEL skills in advisory

Owner(s):

Principal

Vice Principals

IB MYP/DP/CP Coordinators

ILT

Timeline:

On-going

Describe Direct Services to Staff in support of students, including materials and supplies required (curriculum and instruction):

- Recognize teachers nominated by peers and students for demonstrating Warrior Way traits.
- Support staff engagement via staff recognition, team building, activities, and celebrations
- Collaboration with ILT to develop professional learning agendas and offering peer led professional learning.
- PLC's will focus on common formative assessments aligned to identified essential standards and protocol for analysis of student outcomes.
- Differentiated instruction based on results of assessments.
- Continue to support the work done in site Professional Learning Communities, including use of release days for PLC teams, either through the use of substitute teachers or supplemental contracts, as necessary to continue focus on building collective efficacy.
- Funding for conference registrations, travel to conferences, and substitute teachers to cover class lessons.
- Continue to fund technology programs to support effective instruction, including Nearpod, Padlet, TurnItIn, EdCite while also adding more teacher-requested programs.
- Vertical articulation within subjects focused on focus skills needed.
- Aligned curriculum that vertically articulates and assesses progress uniformly
- Cultural literacy illustrated in classrooms which support a student-centered learning experience.
- Tutorials that include technology based learning programs, teaching fellows, after school program, supplemental contracts for content teachers
- Career Program will implement certification and instructional content support for all Career Program students that embed California Career Technical Education Standards.

Specify enhanced services for Staff in support of EL students:

- Professional learning emphasizing access for EL students to the Common Core Literacy standards and build Academic Language.
- Professional learning in response to site data for ELPAC, Site redesignation Goal, iReady, and SBAC data.
- Professional learning on working with English Learners to break down complex sentence structures to increase comprehension of texts.
- Home School Liaisons will continue to provide Spanish support at meetings and through parent communication
- Bilingual Instructional Assistants will be strategically placed in classes with a significant number of English Learners. They will support communication of directions and/or instruction and their understanding of assignments.

Specify enhanced services for Staff to support low-performing student groups:

- On-going cultural proficiency training as part of scheduled staff meetings designed for PL.
- Lead A4 advisor supporting the work of A4 campus mentors who are supporting identified at-risk African American students.
- Project Access Counselor will monitor Foster/Homeless students data on attendance, grades and behaviors.
- Teacher led after school credit recovery program
- After school program including Teaching Fellows to support struggling students with tutoring
- SPED, Foster Youth, and our African-American sub-groups will be monitored and those receiving multiple Ds/Fs will be referred to tutorials and receive additional academic counseling.

Goal 5 - FAMILIES: Increase inclusive opportunities for families to engage in their students’ education.

Needs Assessment

School Quality Review

School Level Dashboard

Goal 5 Metrics	Required	Current Target	Actual	As Of	Target
Fall Climate & Culture family survey - percent favorable in family engagement domain	✓	82.72 %	79.85 %	2022-2023	82.72 %

Step 1: After selecting metrics and targets, analyze the current local indicators (including relevant site data) and when applicable the 'California School Dashboard', review the current SPSA, and current site budget to conduct a review and analysis and answer the questions below.

1

Review current SPSA and Budget. Describe the overall implementation of each action and explain the effectiveness in achieving the expected outcomes for the metrics in this goal. Include actions that pertain to students, staff, or families as it relates to this goal and the aligned metrics.

Family Survey- Engagement at School

A high level of family engagement in school is important to overall school culture and success. Family survey data regarding level of family engagement showed 80% of families responded favorably in the Fall survey compared to 82% favorable responses in the Fall 2021 survey regarding being engaged in their child's school. Of those that responded, 82% responded favorably in the Fall 2022 to the having input at their child's school, down 5% from the Fall 2021. Fall 2022 survey showed 80% responded favorably to their child's school encouraging family participation up 2% from the Fall 2021 survey results.

2

Identify resource inequities or other key factors that contributed to the disproportionality of low-performing student groups as it relates to this goal.

Family Survey- Engagement at School

In the Fall 2022 survey, 85% of families of Hispanic students responding favorably regarding being engaged in their child's school at Fresno High compared to 66% African American families and. 75% of white families. Of families of English Learner students 86% responded favorably to the being engaged at their child's school compared to 78% of English only families. 88% of families of students with disabilities responded favorably to their child's school encourages family participation compared to 77% without disabilities. 116 more families responded to the Fall 2022 survey compared to Fall 2021. Fall 2021-190 responses; Fall 2022-306 responses.

Step 2: For the current year, briefly describe any major differences between the intended and actual implementation of actions and budget expenditures to meet this goal (Intended actions for the current school year vs. Actual actions that occurred).

Differences between intended and actual implementation of actions and budget expenditures were relatively minor. Fresno High reinstated fact to face coffee talks for parents, parent classes lead by home school liaison. Back to school night was focused on community engagement and opportunities for parent volunteers were provided.

Step 3: As a result of the analysis from Steps 1 and 2, describe any changes that will be made (next school year) in this goal, annual metrics, and actions to achieve this goal. Identify where those changes can be found in the upcoming 2023/24 SPSA.

We have budgeted to allow us the opportunity to allocate monies to support parent involvement and communication

Step 4: Educational Partner Involvement. Share the data and analysis with the School Site Council (SSC), English Learner Advisory Committee (ELAC) and school staff, as required. Record feedback and suggestions from each group below.

<div>1 SSC:</div> <div><p>We utilized family engagement data to share with the SSC. We use SSC meetings to review SPSA data, actions, and budget. After review of parent survey data, solicit input from SSC to identify needed actions to meet the goal.</p><ul style="list-style-type: none">• Use coffee chats so that working parents/guardians can participate• Increase participation of adults who are guardians of students (group homes, foster care).• after school opportunities for family visits• Offer other chat times like evenings.</div>	<div>2 ELAC:</div> <div><ul style="list-style-type: none">• Home School Liaison to provide support for parent communication (e.g. Attendance Meetings in Spanish and English)• Training/support for EL parents on use of ATLAS• Encourage parent involvement by offering specific volunteer opportunities</div>	<div>3 Staff:</div> <div><p>Staff were asked to provide input on current actions and suggestions to shifts in actions.</p><ul style="list-style-type: none">• Recruit for grade level parent leaders to form committees to help with events and tasks• More family events; have family dinner times where families come together to celebrate achievements• Special events celebrate with food, music or carnivals• Support clubs on campus, highlight their work through district media.</div>
---	---	--

Action 1

Title: Parent Involvement

Action Details:

Understanding that parents and guardians are important partners in the education of all children, Fresno High School will further develop its parent engagement model so that there is an increase in the amount of parent involvement at school; thereby, increasing the graduation rate. This model will ensure that parents and guardians are equipped with strategies to better support the academic and social-emotional needs of their students while providing valuable input through feedback loops and decision-making processes for the betterment of all students. Fresno High will also implement a comprehensive parent communication and outreach program to develop greater parent attendance at school sponsored events, resulting in increased parent involvement. Home School Liaisons will facilitate parent outreach and Spanish interpretation for parents.

Reasoning for using this action:	<input checked="" type="checkbox"/> Strong Evidence	<input type="checkbox"/> Moderate Evidence	<input type="checkbox"/> Promising Evidence
----------------------------------	---	--	---

Explain the Progress Monitoring and data used for this Action

Details: Explain the data which will specifically monitor progress toward each indicator target

Attendance Monitoring of Each of the following Parent Initiatives:

- School Site Council
- Coffee Chat
- FHS Parent Classes
- Parent/Teacher Club Meetings
- ELAC Meetings
- International Baccalaureate (IB)/Diploma Program(DP) Parent Meetings
- Parent University Workshops
- COE sponsored Parent Workshops
- Responses on the Parent Survey in the Spring of 2022 will be used as interim evidence.
- Back to School Night and Open House with emphasis on family and community engagement.

Owner(s):

Principal
Admin
Counselors
Home School Liaisons
Parent University Liaison

Timeline:

Principal will monitor Coffee Chat Meetings Monthly

HSL VP will monitor Parent attendance of Parent Classes on a bi-weekly basis.

Parent/Teacher Club VP will monitor attendance of monthly meetings.

ELAC VP will monitor quarterly meetings.

IB/DP VP will collect attendance data after each IB meeting.

HSL VP will measure HSL parent outreach data on a weekly basis.

Describe Direct Services to Families in support of students, including materials and supplies required (curriculum and instruction):

- 2.0 FTE for Home/School Liaisons to communicate directly with parents to support student success.
- Supplies/materials to support site needs to host/supervise events and parent involvement
- Extra-pay/overtime for classified employees to support events and parent involvement
- Back to School Night
- Open House

Specify enhanced services for Families of EL students:

- Continue on-going support of ELAC (EL Parents Advisory Group)
- Continue to provide English classes for parents
- Home School Liaisons will continue to provide Spanish support at meetings and through parent communication

Specify enhanced services for Families of low-performing student groups:

SPED, Foster Youth, and our African-American sub-groups will be monitored and those receiving multiple Ds/Fs will be referred to tutorials and receive additional academic counseling and communication with parent.

African-American students will be connected to through District A4 mentoring project, FHS 3AC mentoring project and BSU. Parents will be informed of services offered through the Academic Center for Suspended students supported by the A4 office to prevent and address learning during the school suspension.

SpEd teachers have an IEP/Case Management period to monitor and support students on their caseload and communicate with parents. When appropriate, we will continue to offer IEP meetings via digital platform to make it easier for parents to attend.
