Class Advisors

MISS KAREN DANZIGER

MR. FRANCIS X. MURPHY

MR. ARTHUR HAYES
(Vocational)

Successful class activities require much time and planning for their successful fruition. With enthusiasm and dedication, our class advisors have contributed much time and effort to make these years memorable and enjoyable. They have guided us with ideals; they have motivated us with ideas; they have encouraged us to an active social life; they have allowed us to be self-directive in our attempts to function as a class.

We, the class of 1974, would like to take this opportunity to thank Miss Danziger, Mr. Murphy, and Mr. Hayes for their greatly appreciated efforts on our behalf.

Dedication

For nearly a quarter of a century at Medford High School, Mrs. Kathleen Miett has epitomized the best of ideals of the teaching profession. Dedication, competency, understanding — these and other qualities have been balanced together in her efforts to bring out the very best efforts in her students of English. Mrs. Miett is highly respected by both her students and her teaching colleagues.

Mrs. Miett received her A.B. degree from Regis College in 1945 and her M.A. from Radcliffe College in 1946. She then taught in the Newton Public School system, at Newton High School, from 1946 to 1948. She began her tenure at Medford High School as a member of the English Department on February 28, 1949. Her teaching career includes the voluntary teaching of French on an experimental basis at the elementary grade level. For many years, her class schedules have included the teaching of accelerated and honors groups.

For her outstanding teaching career and her immeasurable contributions to those who have been fortunate enough to come under her tutelage, we, the editors of the 1974 Blue and White, proudly dedicate our yearbook to Mrs. Kathleen Miett.

In Memoriam

Helen V. Ellard

Miss Helen V. Ellard, Senior Teacher in the Physical Education Department, passed away suddenly in mid-December.

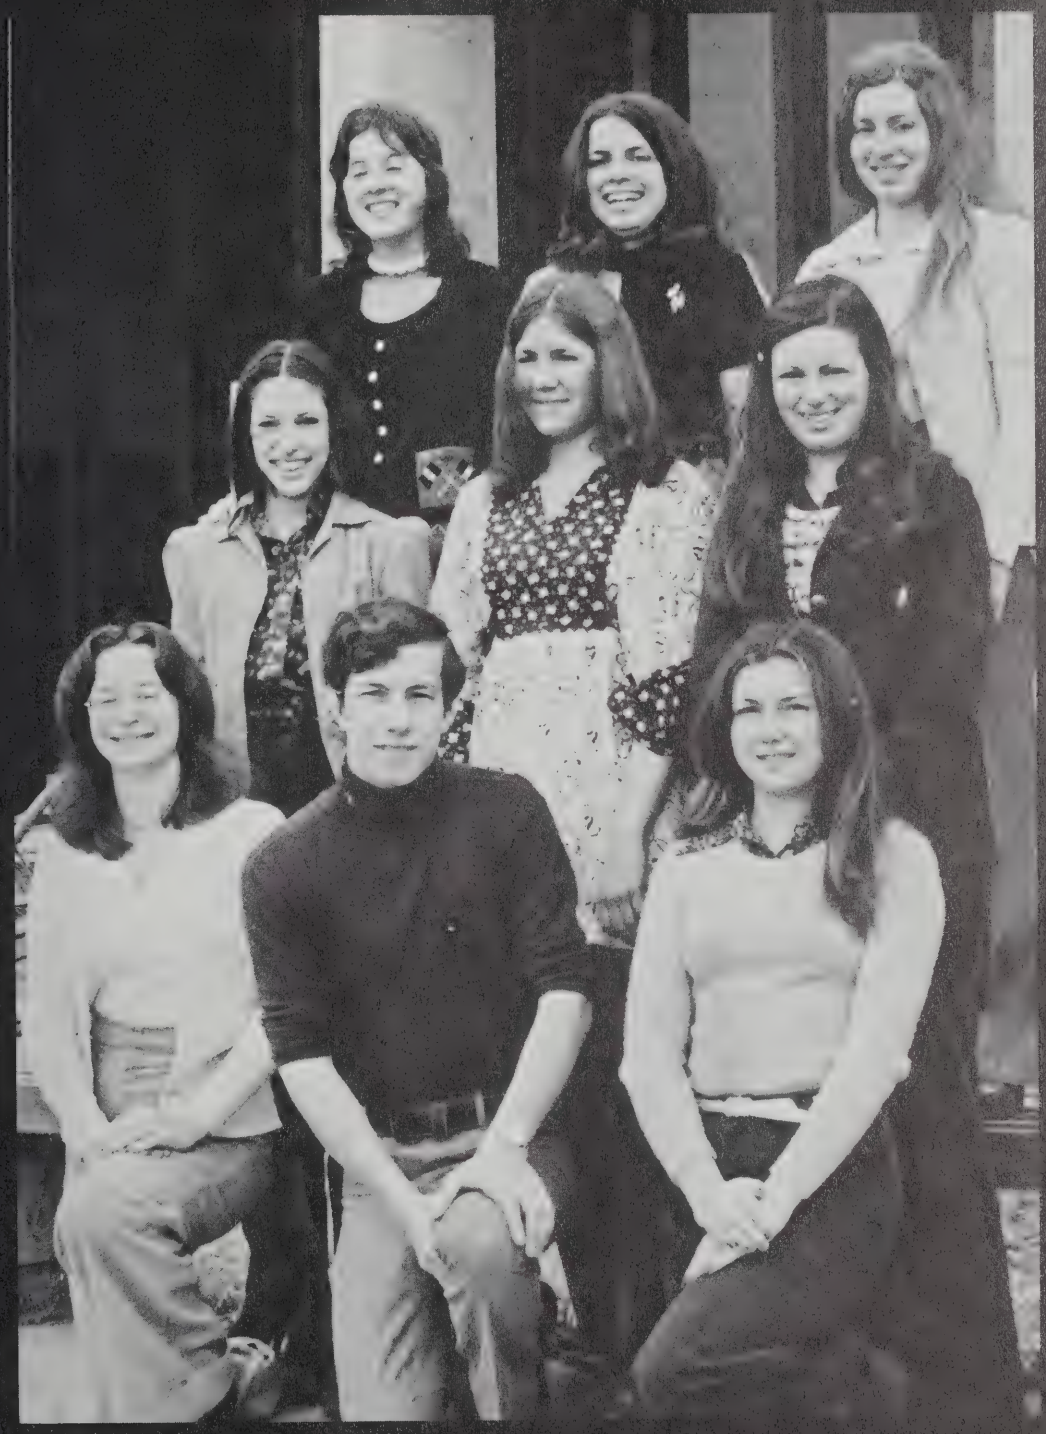

Her educational impact in the Medford Public School System, in the best traditions of the highest standards of professional purpose and personal motivation, have been recognized and recorded indelibly in the minds of those students, staff members, and administrative personnel who were privileged to know her and who were acutely aware of her complete dedication to the health, physical fitness, and wholesome growth of the thousands of MHS girls who came under her direct instruction, guidance, and personal concern throughout her many years of significant service.

Miss Ellard lived constantly for her student charges, and she steadfastly refused to compromise those meaningful educational standards which she herself achieved at great personal sacrifice in her accomplished career.

Medford High will miss her and will somehow be less without her.

"Four Years' Worth"

My dear young Friends of the Class of 1974:

Please accept my sincere congratulations and commendations for your interests, concerns, efforts and achievements during your matriculation at Medford High School.

Your Class marks the first to graduate as enrolled Freshmen in September of 1970. During this period of four years, you have had many worthwhile educational experiences, most of which will stand you in good stead in whatever you elect to do following your Graduation this June.

The total school enrollment has been constant of nearly 4,000 students throughout these past four years, and the Faculty has been represented in excess of 220 staff members during the same period.

You have had ample opportunity as individual members of the Class of 1974 to participate in any one or several of thirty-seven teacher-sponsored extra-curricular activities, and also you have had many, many opportunities to take part in either Inter-Scholastic Athletic and Academic competition or intramural athletic activities.

More importantly you have been a significant part of the growth and expansion of the educational program during this time of your enrollment. This growth has been identified with your course direction in subject selection of a diverse and varied curriculum. You have known first-hand a modified Open Campus program, open classroom instruction, and many other educational innovations established for you in the course of these past four years.

Your Student Council leadership has been outstanding, and you have been well represented by your elected peers meeting bi-monthly with the Medford School Committee as a Student Advisory Committee. Your social calendar during this time has not been neglected because you have enjoyed football rallies, proms, and a number of other school-connected activities in addition to your subject assignments each year.

There are many other educational and/or social experiences in which you have been involved either directly or indirectly too numerous for me to mention here.

Suffice it to say you have played a major role in the Medford High School community since this eight-building complex was opened in September of 1970. Your contributions have been immeasurable during this time.

Therefore, I extend to each and every one of you my best wishes for a very successful, happy, career in whatever avenues you choose to pursue following your graduation.

Good luck, good health, and Godspeed to each and everyone!

Sincerely yours,
William A. McCormack

Won 9 Lost 5 Tie 2

A consistently good, season-long performance by the Mustang soccermen found them finishing just one win short of state tournament qualification. Provided excellent leadership and on-the-field performances by its co-captains, Roland Reis and Dave Lautman, the booters of Coach Fran Pelosi swept its last three contests to soften the disappointment of just missing its goal of tournament participation.

Strong individual performances were provided by the scoring of Paul Sporaco, Lautman, Reis, and Rhue Reis; the defensive work of goalies Jim DeSimone and Len Osborne (total of five shutouts); and the overall consistency of Scott Mozuch, Harry St. Louis, Mike Tetrault, Franco Parella, and Ed Rocco.

Congratulations to this team for a most representative showing in the Medford tradition of fine soccer performances.

6 wins 1 loss

The Medford harriers just missed giving retiring Coach Joe Orpen a suitable gift: the G.B.L. Cross Country Championship; but it did clinch second spot while amassing 6 wins against a single loss. An added bonus to this year's results were the outstanding performances by underclass runners as well as the undefeated J.V. team; certainly indicative of optimistic views for next year.

Congratulations to Coach Orpen and his squad on a very fine season of accomplishments.

Cheerleaders

A singular accomplishment is to be one of the fourteen girls who represent Medford High School as its cheerleaders. In the spring prior to their senior year they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them next year. Enjoyable, exciting, truly demanding — the senior year for a M.H.S. cheerleader.

"Ups and downs." In retrospect the Mustangs' season resembled a roller coaster ride. An outstanding defensive effort, keyed by Rick Zaccardo's fumble recovery for the opening touchdown, featured the opening game shutout victory over Boston Latin. Two touchdowns by Richie Horne highlighted a romp over Chelsea, 27-6; again two touchdowns by Horne and a rare 24 yard field goal, by Denny Works, coupled with a rock-ribbed defensive effort featured a 17-7 win over Somerville.

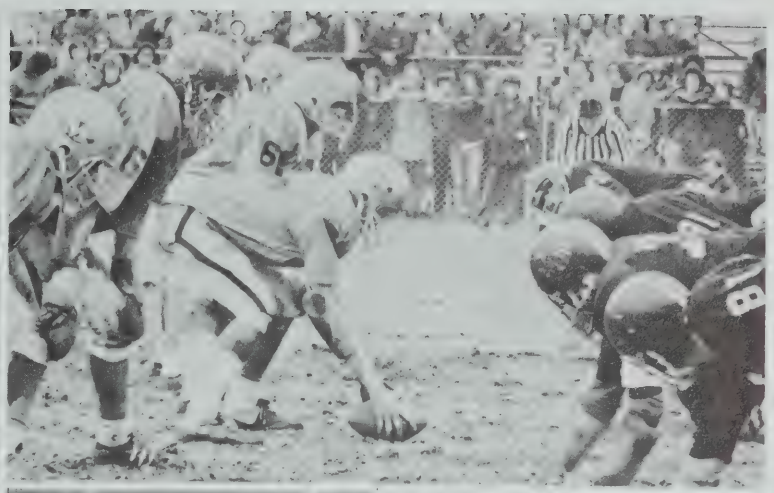

But then the doldrums: Four successive losses against the iron of the schedule. Two of these losses were heartbreaking 1 point losses to North Quincy and Newton. The Mustangs defense was able to hang consistently tough but the extra impetus to place points on the board was the Mustang's nemesis.

Alas, the turnaround! Against the strong Quincy club, the Mustangs turned in a very impressive 8-0 win with a fine team effort. Prospects for a winning season seemed bright as the team headed into its annual Turkey Day classic against a Malden team that had won but once during the season.

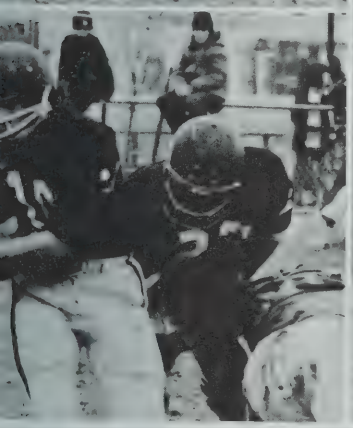

Thanksgiving 1973

This season of contrasts for Mustang football fortunes was to maintain its unvarying theme in this annual classic. The first half was brightened by the bull-like rushes of Terry Lee, the complete containment of the Tornado offense, and a 6-0 halftime lead.

What could have been more auspicious than an 85 yard touchdown return of the second half kickoff by Junior John Flynn and a two touchdown advantage? And then it happened . . . again. A third quarter Tornado touchdown pass was followed by two more fourth quarter Malden scores. Medford fans blinked in dismay at a final scoreboard reading of

Malden 22
Medford 12

As octogenarian Jesse E. Gray, former Mustang participant in the classic and honored Mustang guest of honor at this year's contest, so aptly put it, "Sometimes the football bounces most unpredictably." And that aptly sums up Mustang fortunes during this consistently unpredictable season.

Hampered by injuries to outstanding performers Ed Conway and Gary Lofgren, and dependent upon the performance of inexperienced personnel, the Mustang matmen suffered through the throes of a losing season. Outstanding performances were registered by juniors Mike Rubenstein and Keith Smith who combined for 9 wins against only 2 losses. Very competitive results were achieved by Co-Capt. Steve Forcucci, John Gentuso, Dan Cronin, and Ralph Dente. With most of the squad destined to return next year, Coach Myers is optimistic regarding future hopes.

Despite the promise inherent in winning its first two meets, the Mustang swimmers could garner only one more victory, thus concluding a somewhat disappointing league showing. Nevertheless, the team did receive some outstanding individual performances: Co-Capt. Frank Nackel (injured much of season) — 200 freestyle; Bob Mulcahy — 200 individual medley; Co-Capt. Tom Burge — 100 butterfly; Marty Fraser — 100 backstroke; Mark Warrener — 100 breaststroke; and the medley relay and 400 freestyle relay groups. With the presence of some sound underclass talent, Coach Lennon is optimistic about future successes.

The female swimmers, under the capable coaching of Julie Doherty, managed to break even in its efforts this season. Led by Captain Lise Hembrough, who excelled in both the 50 and 100 yard freestyles, the team received consistently good performances from its freestyle relay team of Mary Judge, Gail Blanchard, Theresa Syzmanski, and Lise Hembrough, as well as the undefeated diving of junior Deanna Fitzpatrick. Congratulations to the team as a fine representative of M.H.S. athletics.

4 Wins — 4 Losses

Despite losing its first two matches, the M.H.S. gymnasts managed to win four of its last 6 matches to break even on the season. The gymnasts, ably coached by Joyce Pinkston, were a poised and capable group of competitors. Paced by the performance of Donna O'Neill in the all-around, the Mustangs also received very representative performances from Lala Anderson, floor exercise; Marylou Sampson, vaulting; Linda Small, balance beam; Gail Blanchard and Denise Cullen, parallel bars. Congratulations to this year's squad for a very creditable accomplishment.

Needing a win in its season-closing meet with Malden to give Coach Lou DeAngelis his first G.B.L. Indoor Championship, the Mustang runners, keyed by Fred Marotta's record-setting 2-mile performance, blazed to victory to accomplish its objective. The Palazzo-led trackmen thus went undefeated following an opening tie with Quincy.

The Mustangs received some great performances all season long: Vin Palazzo, 50 dash and 300; 2 miler Marotta; Rich Rogers in the dash; Kevin Mucci in the 1000; Dave McCourt in the shotput; and Walt Washington in the high jump. But this was a total team accomplishment, so congratulations to Coach DeAngelis and his assistants and to each member of the 1974 GBL Champion Mustangs.

Finishing with a near perfect record of 13 wins out of 14 contests, the MHS Girls' hoopsters, under the capable tutelage of Coach Julie Doherty, captured the GBL championship. By doing so, the team has established itself as a strong contender for state tournament honors.

Strong leadership, along with superior rebounding and scoring, was supplied by both co-captains, Carol Williams and Patricia Murphy. Strong scoring efforts were blended together in the play of Diana Furey, Laura Tucci, and Cherry McPherson. Lending considerably were the consistently dependable efforts of Joan Gondolfo and Debbie Pomponi.

Congratulations to this outstanding representative of Medford High School and best of luck in its efforts in the forthcoming state tournament.

Basketball

Two in a row! Despite a rather slow start, the 1974 hoopsters of Coach Don Trembley successfully defended its GBL title crown by finishing in a first place tie with North Quincy. By sweeping six of its last seven league games, including a must win over Somerville at the latter's site in the last game of the season, the Mustangs displayed poise and maturity which surprised even some of its most ardent supporters. Truly this was a season to relish on.

The Mustangs were led by the all-round generalship and direction of Co-Capt. Steve Krasker and the rebounding, hustle, and scoring of Co-Capt. Terry Lee; the scoring and rebounding of Bob Serio; the defensive skills and hustle of Rick Scavongelli; and the scoring emergence of Junior Jack O'Brien. With some strong support from its bench, the Mustangs were able to sustain a strong team effort in achieving most gratifying results.

Congratulations to Coach Don Trembley and Bill Cotter and to all the members of the squad with special good wishes for continued success in the team's second appearance in the upcoming state tournament.

When does a team lose only 35% of its games and still finish 14% below the .500 mark? Answer — when it plays in 9 tie games. Yes, these improbable statistics belong to the 74 Mustang skaters who refused to give in to adversity and who went to the next to the last game before being eliminated from state tournament consideration.

The pucksters were led by the steady consistently good play of Co-Capts. Jack Marrano, John Howard and goalie Jim DeSimone. Making measureable contributions, as well as picking up valuable experience were such underclassmen as R. Campbell, M. Hammond, L. White, M. Tringale, D. Cronin, and P. Brennan. With so many of this year's squad returning next year, it is hoped that the dogged perseverance that so exemplified this year's team will be an integral part of next year's attributes.

The primary induction of Seniors took place in May of '73 and was followed in June by the banquet and the election of the present officers. As members of the National Honor Society, a civic and community duty is required. We chose, this year, to provide funds toward the efforts of the Beautification Committee, headed by Mrs. Muriel Morrisey. Three hemlock trees will be purchased and planted on the western slope of the high school grounds. A night of tobogganing was successful and a volleyball game and beach party are planned for the future. The Induction of Seniors and Juniors will be held on April 3, and the banquet will be held in May.

The emphasis of the Student Council, this year, has been placed on the Student's Right and their related responsibilities. The Council has been attempting to provide students with their deserved academic freedom, while trying at the same time to impress upon them the importance of consideration for others, when exercising these important rights.

We have tried to promote student awareness and involvement in matters directly and indirectly concerning the students.

Ultimately, the aim of the Student Council has been to create a better place for kids to go to school.

Science Club

ADVISOR: Mark Ryan

The purpose of the Science Club is to support science activities which will provide the motivation and inspiration for future goals in many science vocations. The club also gives interested students a chance to explore scientific concepts through discussion and actual experimentation.

The science newspaper provides, in a few compact pages, an outlet for its writers and for its readers a source of current events, crossword puzzles, science club activities, editorials, humor, and do-it-yourself science projects.

"New Dimensions" is a publication by and for the administration, faculty, and students of the Vocational Technical School. The paper seeks to provide both a vehicle for inter-school communication and a means of personal expression for all. The format is flexible. The topics are diversified. The range is unlimited.

"New Dimensions" has its "office" in Room V-114. Here under the advisorship of Mr. T. Flanagan, students write their own articles, collect submitted material, compile, compose and create what — with the equally meritorious effort of our Printing Dept. — proves to be a much needed and much desired service.

The Key Club is an international high school male organization, affiliated with Kiwanis International, and devoted in serving the school and community. Key Club's prime function at M.H.S. is helping children with various handicaps. Key Club has sponsored a weekly three hour gym and swim program for mentally retarded children for three years. It has actively participated in a swim program for the three years with physically handicapped children and sponsored a one hundred dollar scholarship to send some deserving youngster to summer camp. It has assisted with Medford Kiwanis Club annual "Jail Day" project and has raised over five hundred dollars with its own Christmas Tree selling program. Other activities which the Key Club engaged in were promoting the newly formed student union, helping with the school evaluation, working with the American Cancer Society, Easter Seal Society, Fernald School, Veterans' Association, and others.

Co-Key Club

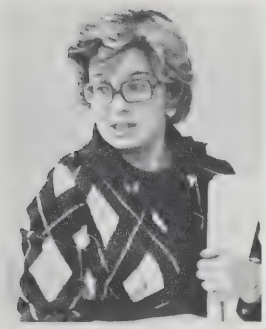

The all-girl club works jointly with the Key Club on a Saturday program for Medford's mentally retarded and handicapped children. The club also provides field trips for these children as a supplement to the program. The club enjoyed a very successful trip to the Walter E. Fernald School, where it gave a party for over one hundred residents. Later the Co-Keys returned to the school to aid in a soccer game. The Co-Keys contributed to the raising of funds for the Medford Kiwanis Jail Day. They helped with a bicycle ride to raise money for the Mass. Assoc. for Retarded Children. They also aided the Boston Cancer Society during its surveys in the area.
This club is strictly voluntary; the only requirement is that a member actively participate in the program.

The Pre-Med Club has as its major objective — to provide knowledge and stimulate an interest in the medical, nursing and para-medical professions.

Membership in the Pre-Med Club is available only to seniors who have a background in Biology, Chemistry, and Physiology.

Activities of the Pre-Med Club include: volunteer work with the American Cross Bloodmobile, field trip to the New England Memorial Hospital for a detailed study of Hematology, Physical Therapy, and Occupational Therapy, Science Fair project on the Effects of Nicotine on the Respiratory System, and sponsoring various medical lectures.

Two of the major and successful projects sponsored by the Pre-Med Club were raising funds for the: (1) Plastic and Reconstructive Surgery in Saigon, and (2) American Red Cross — 50th Anniversary of the Medford Chapter.

Afro-American Society

President: Terry Lee
Vice President: George White
Secretary: Andre Clinton
Treasurer: Crystal Carter

The Afro-American is a newly formed group in our school. Originally, its principal objective was a social one. As it progressed the club became more politically involved — not only in the interests of the Afro-American Society itself but also in the welfare of the school. Its constitution emphasizes its goal: "To create a harmonious atmosphere between the students of Medford High School." Some of the activities in the Afro-American Society are: a newspaper, a recruiting program for black teachers, a black studies program, and working hand and hand with the community.

Spanish Club

President: Bruce Bernstein
Vice Pres.: Kathy Muldoon
Secretary: Cheryl Ferullo
Treasurer: Mary Terrio

The Spanish Club is a club for all those interested in the Spanish and Latin American cultures. It promotes the involvement of the Medford High students with the Latin American Community in Boston. It also makes students aware of the Latin activities nearby. The club included among its activities, the annual Christmas party in Boston for the Spanish children, a field trip to see Jose Greco and the Ballets of Madrid, a Spanish Festival held in school, and the annual banquet at a Spanish restaurant.

Through these activities the club hopes to enlarge the students' perspectives and make them aware of the Spanish thought.

You're about to take a giant step forward into your future.
We think we can make it the bright one you want it
to be at New England Telephone. With a job that's every
bit as big as your ambition. You see, we need people.
With all kinds of talents. And especially, people who
really want to get going with their future. And want to
be rewarded with automatic raises. If you want
a job and a future that's tailored to your talent...
along with unusually generous fringe benefits, stop
in and see your guidance counselor. Ask when and
where you can apply for an interview with the people
who want to make your future as happy as you want
it to be.
