The Blue and White 1977 Editorial Staff

The editorial staff of the Blue and White has spent much time and effort in the hope that this yearbook will present the humorous, serious and important aspects of our past four years at Medford High School. However, this time and effort would have been futile without the forethought and planning of our advisor. A deep and sincere thank you is extended to Mr. James Sweeney, whose dedication and advice have made the publication of this book possible.

Best wishes to the Class of 1977 from the editors of the Blue and White.

Class Advisers

THOMAS E. CONVERY

FRANCIS H. KELLEY

Mr. Thomas Convery and Mr. Francis "Bud" Kelley have proven to be dedicated and imaginative advisors. Throughout our four years at Medford High School they have given their utmost for the success of the Class of 1977. They many social activities that we have enjoyed along with our fund raisers are examples of their accomplishments.

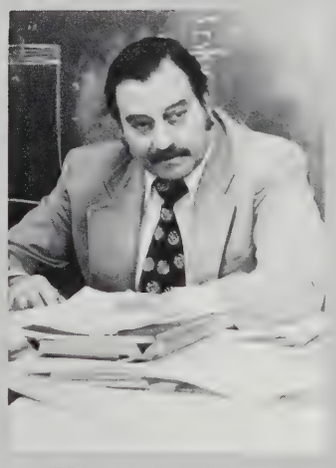

As a result of their ingenuity, the Class of 1977 has been able to distinguish itself from previous classes by incorporating many new aspects into the school traditions. Receiving free yearbooks in exchange for the payment of dues, having Purdy - Vantine come to the high school for the taking of individual senior pictures, and sponsoring a flea market-harvest fair to raise funds for the Senior Class are some of their more prominent innovations.

Our thanks are also extended to Mrs. Denise Pappas (formerly Miss Doherty) for volunteering her services to the Senior Class.

SALVATORE A. TODARO
Submaster

To discipline a class for four years is a difficult and awesome task. It is, however, even more difficult to discipline an individual and have him still consider the submaster a friend. Mr. Todaro and Mr. Pelosi have accomplished this feat. Although they have often been stern and adamant in making us realize our wrongs, they have always left us with the impression that whenever we needed their help or advice we were always free to consult them. Their judgment has created an atmosphere that has been conducive not only to our learning, but also to our becoming mature, responsible adults.

FRANCIS N. PELOSI
Asst. Submaster

Dedication

The Senior Class of Medford High School is proud to dedicate the 1977 Blue and White Yearbook to Miss Elinore Coucouvitis. In the past thirteen years she has distinguished herself as one of the most outstanding teachers at Medford High School.

Miss Coucouvitis received her B.A. from Wheaton College. She furthered her education by receiving her Master's Degree from the University of New Hampshire. Her first teaching assignment was at New Boston High School, New Hampshire, from 1956-1958. She then taught at Manchester High School, New Hampshire, for five years. In September of 1964, she began her career at Medford High School. Her assignments have included senior and junior honors English classes as well as adviser to English Seminar.

Once having met and established a rapport with Miss Coucouvitis, one realizes she is a unique individual. It is rare to meet someone so candid and likable who also possesses a keen intellect. Her success as a teacher can be attributed to the fact that she not only instructs in subject content, but also gives one the incentive to learn. She has an uncanny ability to perceive the true character of a student. In this manner, she is able to take one's qualities into perspective and calculate his capabilities. This is not, however, the extent of her influence. She urges her students to develop their potentials to their fullest.

A good listener, as well as a good speaker, Miss Coucouvitis is always willing to entertain student opinions on any topic. A realist, she does not skirt an issue or a situation; therefore, one can always expect a truly sincere response.

All of the above qualities are characteristic of a person who is the epitome of the word teacher. Accordingly, Elinore Coucouvitis is truly someone who we can always admire.

Headmaster's Message to Class of 1977

To All My Young Friends of the Class of 1977:

You have now completed successfully all academic requirements for diploma eligibility, and you will graduate from Medford High School in June. Whatever plans you have made for post high school education, you may be confident that you can meet your responsibilities successfully.

Your experiences these past four years have been important to each of you personally and will be more important to you as you get older.

You are well equipped educationally for many life electives; those of you who plan to continue school will discover soon that you can meet peer competition, whatever it may be, from other public, private, or parochial schools; those of you who plan to go directly into the business and/or vocational community will soon discover that you have had good training and preparation at Medford High Sch-ol and the Vocational-Technical Division.

All personnel employed at Medford High School wish you well, and you have made some very good friendships while you have been here.

Remember these friendships and what you have realized from them, cherish your memories, and be guided by the good advice and counsel you have received.

Needless to say, I not only wish you well, but, more importantly, I wish for you personal success, personal health and personal happiness!

With every good wish, I am,

Sincerely yours,

William A. McCormack

Congratulations to the M.H.S. Girls' Swim team on a successful season. Faced with some very stiff competition, the swimmers were paced by the strong efforts of Captain Joanne Melanson and Michele Nicholson in the individual medleys, Linda Fogel in the 100 and 200 freestyles, Mary Kelley in the backstroke, and Pam Goulston, Karen Sailor, and Ellen Rawding on the diving board. Highly decisive wins over Fitchburg, Melrose, and Greater Lawrence highlighted Medford's five victories. With a nucleus of underclass talent returning next season, the swimmers' future looks bright.

The cross-country team of Coach Steve Mascoll finished with only 8 wins in 8G.B.L. contests but was undefeated in 7 non-league encounters. The most consistent performers for the x country squad were the outstanding junior Bobby Gay, Tri-Capt. Tom Shields, and Tom Ford. With the largest contingent of runners ever on the complete cross-country programs, including very successful J.V. and freshman levels, M.H.S. cross-country fortunes look very bright in the near future.

Under the tutelage of first year Coach Jim Coughlin the M.H.S. field hockey team, captained by Jeannie McAdam, proved to be a very competitive opponent. With 4 wins and 3 ties in 12 outings, the team displayed great effort and determination in all its contests. Features included the net-minding of Debbie Salipante and Kathy Starr; the scoring of Liz Garvey and Maria Caiani; the defense of Capt. Jeannie McAdam and Susan Coronella; and the versatility of halfbacks Maria Caiani, Gail Fusco, and Gaye Cicalis.

The traditionally strong M.H.S. soccer team, under the guidance of veteran coach Fran Pelosi, rolled right along with a strong second-place G.B.L. finish and another qualifying berth in tournament play. A very aggressive unit, the 76 Mustangs had many impressive games, among them: a last period comeback against a tough Malden team, 2 to 1; a hard-earned tie against eventual G.B.L. champ Somerville, 1 to 1; four shut-outs while never failing to score in any game themselves; and a most satisfying season-ending win over first-time conqueror Arlington, 4 to 2. Impressive contributions and steady leadership were provided by Tri-Capts. Steve Nestor, Mike Murphy, and Dan Pothier. Making vital contributions were seniors Ralph Dente and Jaques Edouard. The team was led in scoring by very talented junior Mike Pagliarulo.

Congratulations to this talented, hard-working group of M.H.S. soccermen. With the proven tutelage of Coach Pelosi and the return of several experienced and talented underclassmen, M.H.S. future soccer hopes look as bright as always.

The major strains of the entire 76 season - hopeful anticipation, stark realization, resulting frustration - were all present in the opener against Boston Latin as the Mustangs bowed 15 to 14. Most symbolic is the memory of the Mustang's valiant but futile efforts to score from the Latin one as time ran out in the final seconds.

Following a second game defeat at the hands of potent Newton, an eventual Super Bowl qualifier, even the elements seemed to conspire against the Mustangs as they opened their G.B.L. season in the mud against Chelsea. The only Mustang score came on a 70 yd. pass interception by John Stabile as Chelsea persevered 22 to 8. In absolutely deplorable playing conditions at Somerville's Dilboy Field, the Mustangs lost 16 to 6, scoring on a late-game run by Ken Curtis. A most frustrating loss in which the team fumbles 8 times followed to Haverhill, 17 to 8; the Mustang bright light was the running of Mike Meli, who ran for over 100 yds. of the Mustang offense. Continuing its inability to hold on to the ball, the Mustangs fell to Revere, 25 to 0, as the overworked Medford defense weakened in the second half.

Playing its most inspired ball of the season, Medford faced the eventual undefeated G.B.L. champ Peabody and lost by the deceptive score of 18 to 0. Although the score belies it, the Mustangs played consistently good football in this contest; with no breaks at all, the Mustangs proved they belonged on the same field with the mighty Tanners. Mustang spirit and determination were still alive.

Hopes finally reached fruition as the team took out their frustrations on traditional rival Everett, 27 to 0. Mike Meli bolted 59 yds. for an early score. This was followed by a Dana Cresta 18 yd. pass reception; a short plunge by Jeff Cataldo after a blocked punt by Cresta; and a 13 yd. scamper by Curtis. The Mustangs were alive and kicking and, despite a following-game loss to Arlington, 8 to 0, the Mustangs prepared for their Thanksgiving classic against Malden with every confidence that they could redeem their season of FRUSTRATION.

MEDFORD 14 MALDEN 6

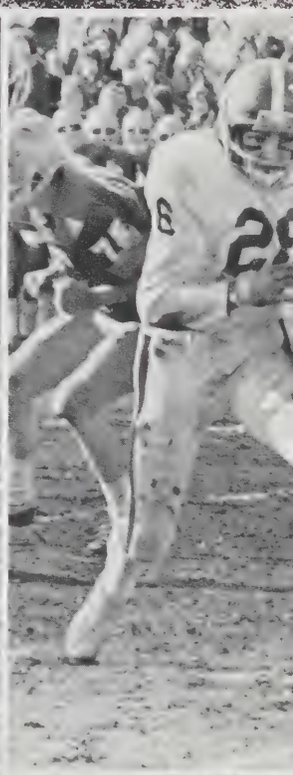

The undaunted Mustangs, disdainful of their previous disappointments, marched into Malden's McDonald Stadium on Thanksgiving morning and dominated the Golden Tornado, 14 to 6. In a first period drive of 64 yards, the Mustang running game, engineered by Ken Curtis and featuring the efforts of Mike Meli, Mike Finigan, and Jeff Cataldo and complemented by an outstanding Curtis to Rick Hudson aerial, scored with Finigan going up and over with 1:34 left in the stanza. Meli followed with a 2 point conversion, and the Mustangs were never to trail in the game. A fourth quarter 8 yd. scamper by Curtis finished the Mustang scoring, and it more than offset a last minute Malden aerial for the Tornado score. Truly outstanding in the Mustang defensive efforts which completely harnessed Malden's offensive thrusts were end Dana Cresta and defensive back Paul Tenaglia.

This was a most satisfying win for Coach Armand Caraviello and his coaching staff, for Tri-Capts. Cataldo, Tenaglia, and Hudson, and for a valiant bunch of Mustang gridders who "hung tough" through a season of disappointment and frustration which must have made this season-ending victory all the more meaningful and enjoyable.

State Tournament
Medford 1 Archbishop
Williams 5

Led by the consistently fine goal-tending of Co-Capt. Paul Carroll and the inspirational steadiness of Co-Capt. Pete Leahy, the Mustangs persevered through a long, arduous G.B.L. campaign to capture a berth in the State Tournament with its record of only 5 losses in its 20 game slate, good for a third place finish in the tough G.B.L. final standings.

Positive contributions were numerous and varied as the team opened its season with 2 wins and a tie - a highlight being Albie Tivnan's 4 goals and 3 assists against Somerville, a league-tying record for most points in one game. Depression followed with 3 consecutive losses. However, led by Rollie Buoncuore's 3 goals, the Mustangs ended their famine against Everett and proceeded to rack up 6 consecutive victories. Highlights included hat tricks by Buoncuore again; Tivnan again, and John Veneziano; Leahy's 4 goals and 2 assists against Somerville; and Rich Jenkins' game-winning score against Malden; and the steady performance of Carroll in goal.

Following an outstanding effort against Arlington, a 1-1 tie, featuring Leahy's last minute goal in a most aggressive Mustang third period effort, the team lost but once in its last outings to qualify for tournament participation.

For a most rewarding season congratulations to Co-Capts. Carroll and Leahy, to a most determined and proud group of Mustang skaters, and to Coach Ron Giudice. Obvious best wishes for continued success in the forthcoming State Tournament.

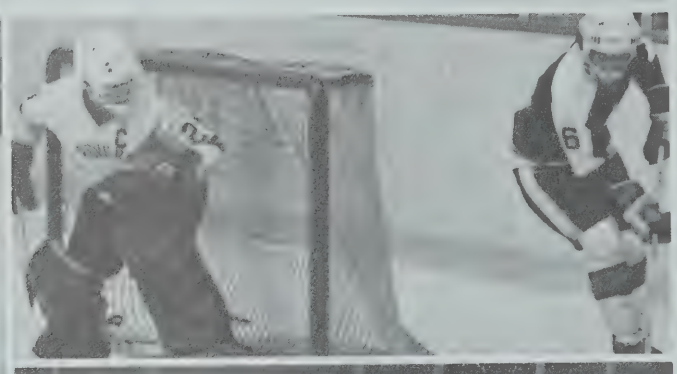

Indoor Track

The indoor track forces of Coach Lou DeAngelis finished in sixth place in the final G.B.L. standings. The team started well with 2 consecutive wins but then the doldrums set in until the finale with Somerville. Medford did display some very prominent individual performers: John Kelley - 600 yd. and Charlie Mueller, both undefeated in league competition; John Kellegrew - 300 yd.; Co-Capt. Mike Works - 45 high hurdles; Pete Wilson - high jump; and relayers Kelley, Kellegrew, Mueller, Ed Sweeney, and Derrick Alleyne.

With such proven talent the trackmen are eagerly awaiting the start of the spring season.

In a season in which the Mustangs never seemed to reach their true potential, the inconsistent hoopsters managed a sixth place finish in the G.B.L. Two elements emerged as constants in just about every Mustang contest: even in defeat, they would "be in" every contest; they would outscore most opponents from the floor, only to lose at the foul line. Certainly it was a season to meditate on the theme of "What would have happened if only . . ."?

Led by the board work and defensive strengths of Capt. Dana Cresta and the scoring of Mike Murphy, the Mustangs were a formidable opponent with which to contend. A large contingent of underclassmen, led by freshman Chris Walker, gained valuable varsity experience which should bode well for Mustang future hopes.

The boys' swim team managed a third place league finish with a fine record of 8 wins and only 2 losses. Co-Capts. Matt Papagno and Rob Reed provided very impressive leadership. Outstanding performers were Andy Pallotta and Matt Papagno - divers who placed one and two in every meet; Rob Reed - 200 yd. record setter; and sprinters Steve Nutile and Tony Antonuccio. Outstanding depth was provided the squad by young swimmers such as John Mills - butterfly; Greg Schleer - breaststroke and medley; Carl Eberth - freestyle; and versatile Steve Melanson, Paul Mulcahy, and Mike Cronin.

Congratulations to Coach Dick Lennon and his swimmers on a fine season.

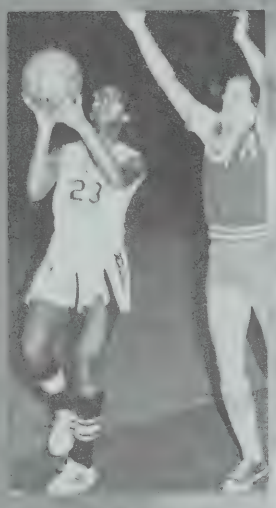

Girls' Basketball

Capt. Kathy Williams
Coach Julie Doherty

The luckless M.H.S. girl hoopsters concluded their season with only 6 wins, but the season was beset with injuries to key personnel and a frustrating lack of any "breaks" at all. Nevertheless, Coaches Julie and Jamie Doherty presented a highly competitive unit which earned the respect of all of its G.B.L. opponents. Its competitiveness can be clearly seen in its game scores - 8 losses by no more than 6 points, including 2 one point and 2 two point decisions. The team was led by the scoring of Capt. Kathy Williams and outstanding freshman Cheryl O'Connor. Its perseverance and pluckiness, in the face of adversity and the lack of even minimal good fortune, stamped it as a most worthy representative of M.H.S. varsity athletics

The M.H.S. wrestling squad, under first-year coach Steve McDonald and captained by Ralph Dente, Paul Bonsignore, and Lou Rocco, managed to break even in its 14 matches. Very impressive wins were fashioned over such foes as Catholic Memorial, Winchester, Haverhill, and Brookline. The team was led by some consistently fine performances of Lou Rocco - 169 class, Serge Clivio - 187 class, Marc Anderson - 114 class, and Tom Aliberti - 108 class. With rapidly developing underclass talent, the Mustang wrestling picture looks to be on the upswing.

Outstanding! This is a most fitting term to describe the M.H.S. Girls' Gymnastics team, captained by Lois Carew and coached by Joyce Pinkston and her assistant Marie Doto. In its second consecutive year of unparalleled success, the gymnasts have gone undefeated, captured the G.B.L. championship, and qualified for participation in these tournaments - District I North, State Individuals, and State teams.

The time and effort necessary to develop and perfect their routines have paid off handsomely for this squad. Outstanding performances have been turned out by the following individuals: Camille Arena, Roxanne Phillips, Josie Lemmi, and Joanne Jensen - all around competition; Capt. Lois Carew - uneven bars and floor exercises; Laurene Glynn - balance beam and floor exercises; Carla Vara - vaulting, floor exercises, and balance beam; Cheryl Dixon - vaulting and balance beam; Ann Barry - vaulting; and Michele McGreal - balance beam.

Congratulations to this outstanding M.H.S. athletic representative and best wishes for continued success in the forthcoming tournaments.

A singular achievement is to be one of the 14 girls who represent M.H.S. as its cheerleaders. In the spring prior to their senior year they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them next year. Enjoyable, exciting, truly demanding - the senior year for a M.H.S. cheerleader.

Pom-Pom Girls

The Pom-Pom girls are a second cheering squad who lend the spirit and enthusiasm in the stands at football and hockey games as well as at Cross Country meets. They practice at least three days per week, plus all Saturday mornings during football season to perfect their half-time performances. It is certainly an accomplishment and a demanding task to be one of these fourteen girls.

Student Council

PRESIDENT: SUSAN DiFRONZO
VICE-PRESIDENT: THOMAS SHIELDS
SECRETARY: TRISHA GIORDANO
TREASURER: DEBBIE FORTI

The Student Council is the "voice" of the student body and acts as a liaison between the students, administration and city government. It is specifically concerned with school policy and problems. We try to promote student awareness and involvement in all related matters.

The Student Council attempts to provide students with their deserved academic freedom, while at the same time trying to impress upon them the importance of consideration for others, while exercising these rights. Ultimately our aim has been to attend school, and to provide a greater sense of participation in the adminstration.

National Honor Society Pledge

"I pledge myself to uphold
the high purpose of
The National Honor Society
to which I have been elected
Striving in every way
by work and deed
To make its ideals
the ideals of my school
And my life"

Membership in the N.H.S. is one of the highest honors attainable for students at Medford High. Student selection is based on the four ideals of the N.H.S. character, leadership, scholarship, and service. The N.H.S. serves not only to recognize a student's academic achievements and community service, but also seeks to enhance a member's social responsibilities.

The members have formed one of the most active chapters in recent years. During the year the N.H.S. has established a tutoring program, formed a college representative committee, held their second annual Blood Drive and presented the 2nd annual Teacher of the Year Award.

Although the overabundance of snow this past winter has caused cancellations, the Ski Club has benefited from it, and was able to enjoy many trips.

During the winter months we went night skiing several times to Nashoba Valley in the Westford, Mass. The highlight of the year was our fantastic weekend trip to Boulton Valley Vermont on March 4, 5, and 6.

The participation and enthusiasm from the officers and members has been excellent throughout the season, and has resulted in an active and enjoyable year for all members.

WMHS Radio

W.M.H.S., the school radio station, is an activity run by students for the benefit of students. The overall operation is supervised by the media technicians of the A.D.V. Dept. while day to day procedures are handled by the student manager and his assistant. Disc jockeys are taught how to put a radio program together: selecting a program and theme, making station identification commercials, and developing a "radio voice." They are also instructed in the technical aspects of operation: operating the sound board, and cleaning and maintaining the equipment of the station.

Audio-Visual Club

The Audio-Visual technicians are an integral part of the school program. They learn by doing. They are trained by a factory specialist in the know-how of media maintenance. They are taught in the production of T.V. programming and engineering by the Channel 2 staff. The technicians are instructed how to run projectors in our local theatres by the theatre personnel. We who know them know their worth.

HEINSOHN In Goal? CHEEVERS Shooting Baskets?

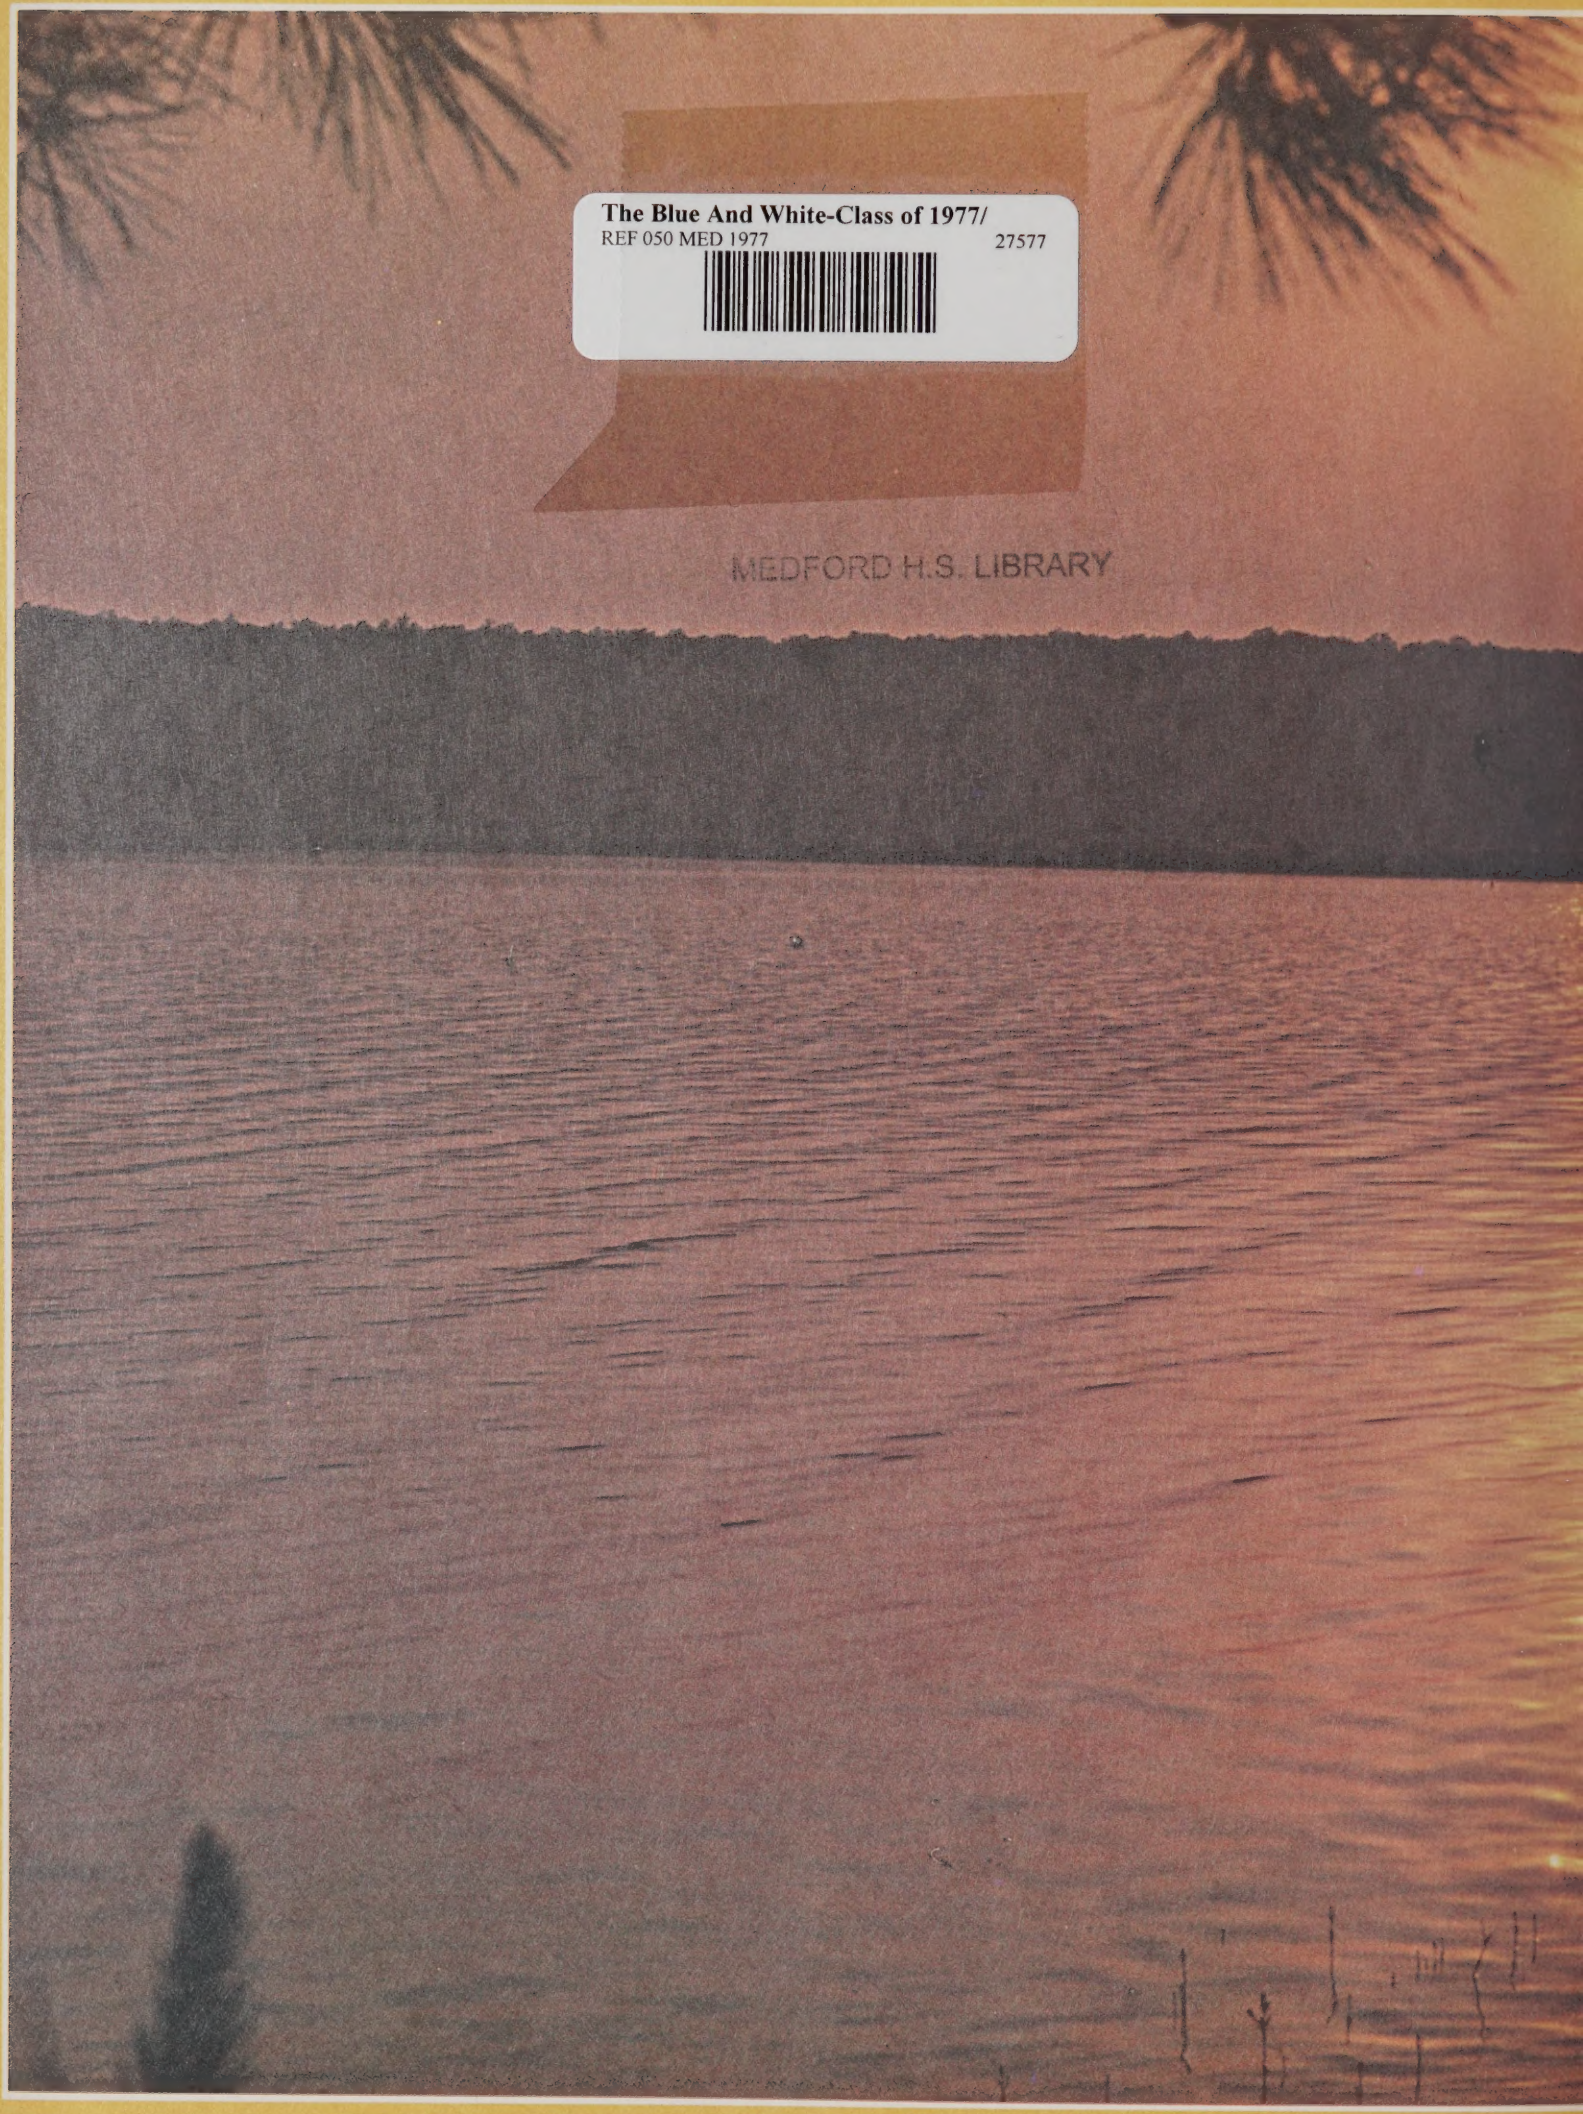

RIDICULOUS

Professionals should do what they do best. John Hosmer knows Pontiacs... how to sell them, service them and how to save you money while he does it. People who do their jobs well respect others who do the same... maybe that's why Tom Heinsohn, Gerry Cheevers and many other pros drive Hosmer Pontiacs.
