

Clear View High School
Campus Comprehensive School Counseling Program
2024-2025

Our Mission Statement

The mission of Clear View High School, the premier learning community of choice for transformative education in CCISD, is to ensure each student develops self-confidence, sets and achieves goals for academic and social success, and becomes a positive contributor to the global society, realized by meaningful relationships, personalized instruction, community involvement, and an unwavering community to each student—because we are a family where every individual can **Begin, Belong, and Become.**

Guidance and Counseling Services

Our objective at Clear View High School is to develop a program that will provide an academic, emotional, and positive developmental guidance environment for all students with the assistance/teamwork from teachers, staff, and the community by demonstrating care and seeking to understand all.

PEOPLE

PURPOSE

PROMISE

The goal of the counseling team is to know every story and show that we care for each student at Clear View Highschool by being visible to the students and staff as often as possible. This will be accomplished by establishing a shared responsibility among the team with an open-door policy for those students in need of emotional assistance. The counselors will be present as students arrive at school, during meals, in halls, classrooms and as they leave school.

INDIVIDUAL COUNSELING & STUDENT SUPPORT GROUPS

Here at Clear View High School, we prioritized the individual needs of students academically but also socially and emotionally. Our two counselors are available to assist students in any personal way. Students can request to see a counselor at any time. We have QR codes located in different places of the building including each classroom, hallways, cafeteria, and restrooms. Students can fill out the form and one of the counselors will call them as soon as possible.

Some of the issues we can address when we are working individually with a student are grief, stress/anxiety, anger, relationship problems, problem-solving, study habits, etc. We will also meet with students to help in the academic plans for high school as well as post-secondary planning. If a parent is concerned about their child's mental or emotional health, please speak with a school counselor as we will be able to provide support (when possible) and will provide a list of resources in our community.

As part of our counseling program, we also offer group counseling. Group counseling is a vital service that has a positive effect on the academic, career, and social/emotional development of students. These groups can focus on a specific theme or just general concerns. The groups will take place during WIN (What I Need) time and will last for about 30 minutes so students will not be missing instruction during that time. If a student would like to participate in group counseling, they can just let us know when we start promoting them. Notification of the student's participation in a support group will be provided to the parent; however, as a parent, if you do not want your student to participate in a support group, written documentation of denial of services will need to be provided to the school counselor.

Clear View—A Place to Begin, Belong, and Become

TIGER VALUES

At Clear View High School, we promote and encourage students to demonstrate and practice the CCISD Core Values as we also build their leadership skills through the Leader in Me program with a focus on the 7 Habits of Highly Effective Teens.

CCISD Core Values

Trustworthiness—Act with honesty in all that you do

Respect—Value yourself and others

Responsibility—Own your choices

Fairness—Play by the rules and consider the needs of others

Caring—Be kind to others

Citizenship—Work to improve your school, community, and country

Leader In Me Habits

- 1. Be Proactive**—Have the courage to take risks, accept new challenges and proactively move things forwards in a positive and purposeful way.
- 2. Begin with the End in Mind**—Set realistic goals and bring projects to completion, inspire yourself and others with a shared vision.
- 3. Put Firsts Things First**—Focus on getting the most important things done first.
- 4. Think Win-Win**—Encourage conflict resolution, seek mutual benefits and increase group momentum for mutual problem solving.
- 5. Seek First to Understand...Then to Be Understood**—Actively listen, put yourself in the shoes of others, promote better communications leading to successful problem-solving.
- 6. Synergize**—Ensure greater 'buy-in' from others and leverage the diversity and strengths of individuals to produce even higher levels of group and individual success.
- 7. Sharpen the Saw**—Promote continuous self-improvement and development of your capability, safeguard against 'burn-out' and preserve future personal productivity.

Getting Connected with Naviance

CCISD is pleased to provide *Naviance Student*, a web-based service designed especially for students and parents. *Naviance* offers a comprehensive website that you and your student can use to help in making decisions about courses, colleges, and careers.

Use your **Naviance** account to:

- View and manage your high school course planning.
- Prepare for the ACT/SAT test with free test preparation provided by Method Test Prep.
- Research colleges and universities, and explore scholarship opportunities.
- Investigate career interests and options using Personality Inventory and Career Interest Profiler.
- Update your profile, including your parents' email address so parents/guardians can have their own account.
