2024-2025

STUDENTS **PARKING** **INFORMATION**

All students wishing to drive a vehicle to school and park in the school parking lot will need a parking permit. These permits are \$5.00, which covers the cost of the permit. One parking permit per family will be issued so if you have multiple vehicles you will need to transfer your permit between them. All cars and their plates must be registered on your application form. Application forms will be available in the Main Office. Students must bring their driver's license and vehicle license plate number to fully fill out the form [HERE](#).

Students without parking permits can park on Ashbury Drive where street parking spaces are available. Please pay attention to signs and comply with city restrictions. Student parking spaces are limited and will be reflected in the amount of parking permits we are able to grant.

Having a parking permit is a privilege. Students who are suspended in or out of school may have their permit removed. If a student receives a detention, they must serve their detention in a timely manner as agreed upon by Administration or they may also have their permit removed. Excessive tardiness may result in having this permit removed. It may also be revoked by the School Resource Officer or Administration as deemed appropriate.

Students and staff may only park in designated parking stalls. Illegally parked vehicles will be ticketed. Please remember that a permit does not always guarantee you a spot to park. Unfortunately, there will be times where snow piles, service vehicles and unforeseen circumstances will overtake some of the school parking spots. If you cannot find a space to park, please park on the streets near the school.

school drop-off/pick-up PROCEDURE

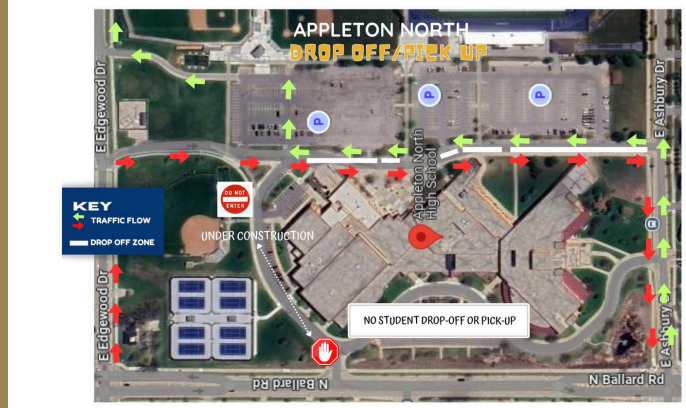

Parents, please remember that the drop off zone for your students (AM and PM) is in the back of the school parking lot, not the front. The entrance is either on Ashbury or Edgewood Dr (JJ). However, exiting the parking lot is only from a specific exit found near the baseball field. This exits onto JJ. Please see the MAP on the right for details.

FRONT STAFF PARKING LOT
ABSOLUTELY NO PARKING/DROP OFF/PICK-UP

NO PARKING/DROP OFF/PICK-UP
7:30 AM TO 8:30 AM / 2:30 PM TO 4:30 PM

The front of the school is reserved for all cabs, Valley Transit and Lamers buses that drop off and pick up our students. Additionally, we have designated buses that provide transportation for students with special needs and the drop off is in designated areas closest to their classroom. This is most preferable and safe. We appreciate your help in providing a clear lane to transport students without traffic congestion. Our Bus Lanes have new fresh markings this year. Please comply as marked.

SENIOR PORTRAIT INFORMATION

It's time to get your senior photo taken! If you are using a photographer, please print this and bring it with you at the time of your appointment. Because there are so many photographers to choose from, and students often take their own photos, here are the guidelines you need to know regarding your yearbook headshot.

- All senior photos must be turned in by **October 31, 2024** due date so that there is time to deal with any issues before the actual pages are due to our publisher. NO EXCEPTIONS! Plan ahead!
- Photos should be submitted to Ms. Michelle Strom via email at: nhsyearbook@asds.k12.wi.us
- Digital copies are required -- the best way to do this is to have your photographer send in your selected photo. If you only have access to a print copy, you must scan it and email it.
- We reserve the rights to reject photos that do not meet the requirements listed below:
 - Photos must be at least a standard wallet size (especially when you are scanning them) and full resolution.
 - The picture must be a standard portrait, head and shoulders ONLY; no hands, raised arms.
 - We do NOT edit or crop photos. Photos should be submitted meeting the requirements.
 - Vertical pose / portrait oriented (we have found that landscape orientated photos often don't work since our photo boxes are portrait)
 - Photos must be in full color, no black and white, sepia, or loud filters.
 - Neutral backgrounds; outdoor shots are acceptable as long as the background is not distracting or bold. Look for greenery, pines, buildings with brick walls, stone walls, columns.
 - Attire must be appropriate - no hats, shirts with alcohol or drug references, etc. If wearing a strapless or thin strapped top - please make sure that enough of the top shows in the frame, keeping in mind that part of the top / bottom of the photo may be cut off.
 - No props allowed: friends, pets, outside poses with cars / weapons / etc, or backgrounds that are distasteful or loudly colored, etc.

School ID photos may be used. If a photo is not submitted by the **October 31, 2024** deadline, and a school ID photo is available, the ID photo will be used.

ABSENCES & ILLNESS

HOW TO REPORT STUDENT ABSENCES & APPOINTMENTS

ABSENCE PROCEDURES:

To report an absence, a parent or legal guardian:

- Must call North Student Services office line at (920) 852-5405 (press 1 for illness and absences) as early as possible each day the student is absent.
- If leaving a message, please provide the student's name, grade, and reason for the absence. Please speak slowly and clearly-- Please spell out the Last Name. This will ensure we have the correct information.
- You have the option to reach a Spanish or Hmong interpreter.
- Messages are checked continually throughout the day.

EXCUSED ABSENCE WITH PRIOR PARENT REQUEST:

- A parent/guardian may request that a student be excused from school attendance prior to an absence occurring.
- The request can be made via phone contact with the school.
- The student may be excused by the parent/guardian under this provision for not more than 10 days in the school year.

PLEASE NOTE: After a student's 10th absence, documentation will be required for an excused absence.

HEALTH ROOM

& ILLNESS

If your student falls ill during school hours, it is important that they come to the nurse's office. Once they are in the Health Room, under our nurse's care, they are free to call a parent/guardian to consult with them as to what the next best step should be. When this step is skipped, it creates confusion and is time-consuming for the parent and Student Services staff.

We appreciate your assistance in this process.

DURING SCHOOL HOURS STUDENT DROP-OFF & PICK-UP

PROCEDURES

ONCE THE SCHOOL DAY BEGINS:

- All students arriving/departing school during the school day **MUST** stop at the Main Office to sign-in/sign-out.
- Parents can park in front of the Main Entrance to wait for students leaving for appointments or leaving due to illness until 2:30 PM.
- Parents **DO NOT** need to stop in and sign out their students in the Main Office if the office has been notified of their student leaving. The student will sign out and wait for their parents by the doors.
- If parents need to drop off items (lunches/money/clothing, etc.) for students during school day, please use the Main Office also. All items (labelled accordingly) can be placed on the shelves between the outside door and main office door.

APPOINTMENTS

All student appointments (such as medical, dental, court) must be called in advance to the Student Services office by a parent or legal guardian at (920) 852-5405. Press 1 for Student Services menu and follow the prompts.

Note: Due to the high volume of appointments, if your student is planning on leaving school within 30 minutes on the appointed day, when you call in, please follow the prompt to speak to a Student Services secretary directly.

1. Once the parental call has been made to excuse the student, he/she can notify the teacher of the appointment.
2. The student **MUST** sign-out in the Main Office upon leaving the building.
3. Upon returning to school, the student **MUST** sign back into Main Office. Parents **DO NOT** need to come in when picking up or dropping off your student after an appointment.
4. Freshman leaving school for Lunch Hour must have a parent come in the Main Office for pick up to be excused.

TARDY PROCEDURES

School starts at 7:55 AM daily.

1. A warning bell will ring at 7:50 AM daily notifying students that they have 5 minutes to get to their class.
2. If a student arrives to school after the 7:55 AM bell rings (whether having an excused absence or is tardy), they **MUST** always sign-in with the Attendance Secretary through the Commons entrance. Once the Commons entrance door is locked, all late check-in must be done in the Main Office.
3. Once a student has been tardy for 5 times during a semester (not a quarter), they will receive a detention.

ABSENT REQUEST

Parents/guardians can use the Absence Request found on **Infinite Campus/Parent Portal** tool to submit a request that informs the office in advance when their student is not going to be in school.

This new feature can be used as an alternative to the traditional phone calls to the school office. Read more on how to submit an Absence Request via the Campus Portal.

STUDENT ATTENDANCE

EMBRACE THE EVERY DAY!

DID YOU KNOW?

By 9th grade, attendance is a better predictor of graduation rates than 8th-grade test scores.

Frequent absences can be a sign that a student is:

- Losing interest in school
- Struggling with school-work
- Dealing with a bully
- Facing some other difficulty

Attendance is an important life skill that will help your teen keep a job and graduate from college.

WHAT CAN YOU DO?

- ▶ Make school attendance a priority. Help your child to be on time to school.
- ▶ Help your teen maintain daily routines, such as finishing homework and getting a good night's sleep.
- ▶ Encourage your teen to join meaningful after-school activities
- ▶ Monitor your teen's academic progress and seek help from teachers when necessary.

HOW DOES LATE ARRIVAL AFFECT STUDENTS?

Minutes late per day	Equal days work of teaching lost in a year
5 mins	3.4 days
10 Mins	6.9 days
15 Mins	10.3 days
20 Mins	13.8 days
30 Mins	20.7 days

Absenteeism in the first month of school can predict poor attendance throughout the school year. Half of students who miss 2-4 days in September go on to miss nearly a month of school.

HOW TO CREATE A GOOD ROUTINE:

- ✔ Set a daily schedule with the same wake-up times and bedtimes for each school day complete with study time -- and stick to them.
- ✔ Include your teen's deadlines for school assignments and exams on your calendar or planner so they can see what is coming up.

MEDICATIONS @ SCHOOL

Medications should be administered at home whenever possible. Parents/guardians are urged to consult with the prescribing practitioner to determine if medications can be scheduled outside school hours. In the event that this is not possible, designated district staff will administer medication according to district policy.

All medications administered by AASD staff are only available to students during school hours (7:30 a.m. - 4:00 p.m.). ***Per the AASD medication policy, non-FDA-approved medications cannot be administered.

PRESCRIPTION MEDICATION

1. The current Medication Consent form, signed by parents/guardians and the prescribing practitioner must be on file at the school.
2. The prescription medication must be supplied in the original pharmacy-labeled package indicating the correct dosage and frequency of administration. This information must be the same as provided on the above-noted form. Only the amount of medication needed at school shall be contained in the package.
3. If changes in the dosage take place, an updated Administration of Medication Consent form, and an updated pharmacy-labeled package will be required.

NON-PRESCRIPTION MEDICATION (over-the-counter)

- The parent/guardian must complete a Medication Consent form.
- Medication must be supplied in the original manufacturer's package with the student's name affixed on the package. Other packages, such as a baggie filled with pills, will not be accepted.

SELF-MEDICATION

Although it is permitted and sometimes necessary, students are discouraged to carry and administer their own medications, If a parent/guardian wishes their child to possess and self-administer medication, please notify the school office to discuss this and to complete the required form.

ADDITIONAL INFORMATION

1. Your pharmacist can provide a second empty labeled container so that you will have containers for home and school. Medication will not be given if in an unmarked container (i.e., baggie, envelope).
2. All controlled substances must be delivered to the school by a parent/guardian or another adult. Parents /guardians are encouraged to deliver the package of medication to the school office to prevent tampering by the child and other students.
3. For controlled substances, school staff will verify the amount of the medication delivered by counting individual units of medication in the presence of either the adult who delivers it or another school staff.
4. Unused portions of medication after the completion of the school year or when discontinued will be disposed of after 7 days if not picked up by the parent/guardian.

Medication forms may be obtained from the school office or from the AASD website: [AASD MEDICATION FORMS](#)

If you have any questions please reach out to your School Counselor.

PFM/ECON REALITY CHECK-FINANCIAL SIMULATION

Reality check sponsored by CFCU provides an opportunity for students to connect with community business representatives in an authentic situation. It is an interactive, hands-on financial simulation that helps make a connection between the Personal Financial Management/Intro to Economics classroom learning and real life experiences. It's designed to demonstrate the importance of sound money management skills. Students choose careers and research salaries, breaking them down into a monthly income. Students then travel through 16 stations on a journey that simulates real life financial situations for one month.

Students needed to be able to budget their money while writing checks, using debit cards, balancing their checkbook, keeping track of finances, learning how to use credit wisely and understanding how easy it is to get into debt and the horrors of bankruptcy. This simulation helps students learn to be wise consumers while living within their means.

This eye-opening experience for young people isn't possible without the generous assistance of community members like you. Can we count on you to help our area students?

Dates, times and locations are as follows:

- Appleton East - Wednesday, October 30 from 7:30 – 12:00 p.m.
 - Appleton West- Tuesday, November 5 from 7:30 – 12:30 p.m.
 - Appleton North - Thursday, November 7 from 7:30 – 1:30 p.m.
- Please consider joining us as a table host volunteer to assist students for one or more of the dates.

personal electronics procedure R E M I N D E R

Student use of personal electronics is not permitted during class time. Personal electronics are generally cell phones, earbuds, and headphones but this can include others at instructor/administrative discretion. Class time includes study hall and privilege. Personal electronics will not be utilized in the LMC as the LMC is a classroom area. Personal electronics can be appropriately used during school hours when class is not in session.

Personal Electronics will not be on a student's person during class time. It will be expected that electronic devices be placed in a locker, in a backpack, or specific area of the classroom as designated by the instructor.

A student in violation of the Personal Electronics Policy will submit the device to staff as requested and be held in the Student Services office until a student/guardian picks it up at the end of the school day.

Violation of this policy by students will result in disciplinary action which may include:

- Application of school disciplinary practices and procedures;
- Notification of parents/guardians or legal custodians;
- Notification of the activities director and/or co-curricular coaches/advisors;
- Notification of law enforcement officials;
- Notification of the District Superintendent or designee;
- Suspension from school;
- Recommendation for expulsion.

Refusal to surrender the personal electronics device will result in immediate contact home and possible ISS/OSS with length of time determined at the time of offense.

1st Offense

Instructor obtains personal electronics device, delivers to Student Services. Student obtains personal electronics device at end of instructional day

2nd Offense

Instructor obtains personal electronics device, delivers to Student Services. Student turns in personal electronics device to Student Services for that day and turns it in for the duration of the next instructional day

3rd Offense

Instructor obtains personal electronics device, delivers to Student Services. Student turns in personal electronics device to Student Services for the duration of the next three instructional days

4th Offense

Instructor obtains personal electronics device, delivers to Student Services. Students turn in personal electronics devices to Student Services for the duration of the next five instructional days. Parent phone contact about the past four incidents

5th Offense

Instructor obtains personal electronics device, delivers to Student Services. Student turns in personal electronics device to Student Services for the duration of the next five instructional days. Mandatory parent meeting with principal, parents, student about past five incidents/future plan

Refusal to surrender the personal electronics device will result in immediate contact home and possible ISS/OSS with length of time determined at the time of offense.

NEWSLETTER

WHAT IS THE BOOSTER CLUB?

The Appleton North Sports Booster Club exists to support and advance the athletic program and related activities of Appleton North High School, thereby increasing the skill levels of student-athletes and cultivating clean, wholesome school spirit, promoting good sportsmanship, and developing high ideals of character. The club supports projects to improve facilities and equipment to provide an adequate athletic program for the school.

HOW DOES THE BOOSTER CLUB RAISE MONEY?

- Donations
- Fundraising Activities
 - The Annual Summer Golf Outing
 - Concession Sales

We have 10 active Board member volunteers with several opportunities for you to be involved! The opportunity for YOU to volunteer, and serve on our Board, is vital to the future of our sons and daughters' athletic experiences at Appleton North High School. We need YOU! Our athletes thank you!!!

Contact via email: ahnsboosterclubpresident@gmail.com and through social media pages.

Concessions Volunteers Needed

Concessions not only enhance the experience of taking in a North sporting event, but they also serve as a major fundraiser for the Booster Club.

As concessions are staffed solely by volunteers, we are asking all of the North community to volunteer time for at least one event. A myth is that you must volunteer for an event your student athlete is participating in, and this couldn't be further from the truth! Have a baseball player? Then volunteer for a football game. Have a girls tennis player? Then volunteer for a basketball game.

Click the button below for Fall volunteer opportunities, and thank you for your time!

President's Letter

For years, Jesse Funk has penned a President's Letter, sharing his observations as the leader of the Appleton North Booster Club. Highlighting the spirit and energy of our student-athletes, coaches, administrators, and volunteers, his words encapsulated the mission of this organization. As his term ends, I speak for our board and express our gratitude for his leadership, commitment, and ability to balance the demands of the Booster Club with the rest of life.

I'm Mike Maddaloni, and I am honored to serve as your new Booster Club president. My journey with the Booster Club began a couple of years ago when my daughter Margo, a Junior on the Girls Swim and Dive Team, inspired my wife Tracy and me to attend our first meeting. When Jesse asked for help with the website, I raised my hand and thus began my involvement, being elected to the board soon after. Fast forwarding to today, I begin my term as the next Appleton North Booster Club President.

When asked why I wanted to take on this responsibility, I sum it up in one word: impact. The Booster Club makes a tangible impact, from running concessions at sporting events to funding necessary equipment and services for Appleton North. As a volunteer-run organization, my time invested alongside other outstanding and dedicated board members is rewarding and impacts me personally. It's a win-win that goes beyond any scoreboard.

We're thrilled to welcome Jeremy Van Groll as our new Treasurer! Jeremy is a proud North Alum from the Class of '98 and the owner of a nonprofit bookkeeping firm specializing in, you guessed it, nonprofits. Before launching his business in 2016, Jeremy held many roles in financial management at a Fortune 500 company. His son Everett is a freshman and goalie for the boys' soccer team, while his other son, Allen, is active in club gymnastics. Jeremy and his wife Katie enjoy quiet weekends camping and traveling in the bit of downtime they can find.

I know I have big shoes to fill after Jesse, but I also know that we can't do this alone. We need the time, talents, and energy of the Appleton North community to continue building on our strong foundation and ensure the Booster Club thrives for years. Please join us at our next meeting on October 9, or contact me directly at president@appletonnorthboosterclub.com.

Let's make an impact together!
- Mike Maddaloni
