

Saraland Early Ed

Lil' Spartan Ambassadors Program

Lil' Spartan Ambassadors of Saraland Early Education Center are a select group of students, chosen by the principal and counselor, who help welcome new students to our little Spartan family where their adventure will begin at the "Happiest Place in the Land." Lil' Spartan Ambassadors take pride in giving campus tours to new students and their family members, ensuring they are as comfortable as possible when beginning their new journey at Saraland Early Education Center.
