Daleville Middle School

School Improvement Plan

Well Rounded. Achieve Excellence. Relationships. Honesty. Accountability. Winning Attitude. Kindness. Service.

At Daleville Middle School we believe in empowering the next generation. We are committed to the educational and personal growth of all students.

MISSION

The mission of Daleville City Schools is to educate and graduate prepared and productive citizens.

BELIEFS

Daleville Middle School believes that every child can learn. We strive to provide a safe environment that focuses on student achievement and personal growth. We feel that honest collaboration between parents, students, and teachers is crucial for the growth of our school and community.
