CRS Cross Country vs

On Friday the Council Rock South Boys Cross Country team accomplished one of its biggest goals of the season by qualifying for the PIAA State Championship to be held on the famed Parkview Cross Country course in Hershey, PA.

The South Harriers placed 4th out of the 80 total District 1 teams to punch their ticket to states. Lead by medalists Cain Lawler and Jude Olsen, the boys had 4 runners that would have qualified as individuals has the team not qualified.   This is only the 4th team in the history of CR South to qualify for states and this team did so with the fastest combined time of any CR South team racing on the district 1 Lehigh course.   Cain Lawler, running 15:20, clocked the fastest time ever run by a CR South athlete on the course.
