

UNIVERSITY SCHOOLS

STRATEGIC PLAN

2024 - 2029

UNIVERSITY SCHOOLS

HOME OF THE BULLDOGS

MISSION

University Schools will prepare students emotionally and educationally for learning, leading, and caring citizenship in their academic, social, and civic communities.

VISION

University Schools envision a caring and supportive environment where students become self-directed through personalized experiences. Students, teachers and parents cooperate to develop autonomous learning in a learner-centered school.

WE BELIEVE

- 1** Effective communication is a reciprocal, key component to the success of our community.
- 2** Quality planning and evidence-based instruction positively impact student growth and achievement.
- 3** The vitality of our community is built on personal investment, developing strong relationships and quality service.
- 4** Understanding our students and how they learn develops relationships that support students' emotional and academic well-being.
- 5** Knowledgeable, skillful professionals ignite curiosity and foster self-directed learners.
- 6** In creating a safe environment where students engage in learning and positive social interactions.
- 7** The collaboration of all stakeholders supports University Schools' mission, vision and philosophy.

PORTRAIT OF A BULLDOG

LEADING

through...
Engagement,
Confidence,
and Collaboration

LEARNING

through...
Curiosity,
Risk-Taking,
and Perseverance

CARING

with...
Empathy,
Authenticity,
and Connection

FOCUS AREA

POSITIVELY IMPACT STUDENT GROWTH AND ACHIEVEMENT SO THAT ALL STUDENTS GRADUATE FUTURE READY.

Objectives:

1. Build capacity to apply the science of learning and evidence-based practices
2. Provide opportunities for authentic and experiential learning

Action Steps:

- ✔ Establish measures of impact and effectiveness for professional learning and growth
- ✔ Create learning pathways including a defined set of life skills and experiences for each level
- ✔ Provide resources that prioritize student choice and address classroom needs
- ✔ Implement a K-12 MTSS (multi-tiered system of supports) framework including academic, behavior, mental health

FOCUS AREA

CHAMPION UNIVERSITY SCHOOLS THROUGH ENGAGEMENT, CONTRIBUTION, AND COLLABORATION

Objectives:

1. Enhance safety and belonging in our bulldog community by knowing our students and staff
2. Maximize clear, consistent and effective two way communication
3. Implement evidence-based School, Family and Community Partnerships

Action Steps:

- ✔ Build consistency in our advisor/homeroom program by refining the scope and sequence (handbook) and professional development
- ✔ Implement evidence-based School, Family and Community partnership practices
- ✔ Foster connections through expanding activities centered around staff and student interests and passions
- ✔ Celebrate success within the school and among our wider community
- ✔ Increase opportunities for student voice and leadership
- ✔ Implement consistent communication guidelines and platforms
- ✔ Collect a variety of stakeholder feedback
