A Message from the Tutoring Coordinators: The OWL tutoring program will begin toward the end of October. The tutoring program is an opportunity for our middle school students to get a little additional help from our upper level students (10th -12th grade). Every Thursday during crew time, we do academic support and provide a 40 minute block of time for our tutors to meet and support students requesting a tutor. These relationships are very positive as our younger students really look up to our upper class students. Additionally, our upper class students have navigated the classes in middle school and can provide sage advice on how to turn things in on time and prepare for assessments. There are occasions when our upper class students can even provide some tutoring after school. Please use the link below to indicate your interest in the tutoring program for your child.

- Are you interested in **being tutored** this year? [Sign up here to be tutored.](#)
- If you have any questions please contact Kathryn Totushek and Aanen Kulseth at ktotushek001@stpaul.k12.mn.us and akulseth001@stpaul.k12.mn.us

From our school nurse: We have seen an increase in respiratory illnesses in our SPPS and broader MN community, including flu, COVID-19, and other respiratory illnesses. Here are steps you can take to stay healthy:

- Take time to get your flu and COVID-19 shots. It is fine to get both your flu shot and your COVID-19 shot at the same time.
- Stay home if you have a fever, vomiting, or diarrhea, or if you simply do not feel well enough to go to work or school
- Wash your hands frequently
- Get plenty of sleep and manage your stress levels

Stay hydrated

Family Reminders: If you have not completed the [Back to school forms \(formerly the iUpdate—linked here\)](#) please do this ASAP. Also, do not forget to complete the form at [SchoolCafe \(linked here\)](#)—we need each family to do this. Finally, please pay the fee for [FALL RETREATS \(linked here\)](#) (scholarships available upon request). Please call 651-293-8670 or email tammy.plaman@spps.org if you need any help with the above.

OWL believes that access to menstrual/period products is a right.

If you are able to donate to help us provide free menstrual/period products so that they are always available, please consider donating some by dropping them off with Tammy in the front office. From there we will make sure they get to where they are needed.

The team practices on Tuesdays and Thursdays at Afton Alps. The activity fee is \$250/\$40 for free and reduced lunch. Important Reminder about Attendance:

If your child is going to miss school, please call, email **owlattendance@spps.org** or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s) may be documented accurately. If your child continues to miss school, unexcused, he/she will be referred to the SAM (School Attendance Matters) Program for intervention.

The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district. When a student

misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.
