From the Principal's Desk

With this Tuesday marking the beginning of 2nd Qtr., I would like to thank you all for the time that is given back to teachers this last Friday, 10/18 and Monday, 10/21 for professional development. PD days are always an important opportunity for our staff to learn and grow in their respective fields.

With your student(s), take the time this weekend to review Q1 grades and establish some new goals for Q2. Please let our staff know if there is any way we can help provide assistance and/or support to ensure your student's success 2nd quarter.
