**Semester 1 Exams, December 16<sup>th</sup>-19<sup>th</sup>**

**Important Reminders:**

- **No exam may be administered before the scheduled exam day.** An exam may be administered after the scheduled exam day with the Principal’s approval.
- Seniors who have an average of 90 or higher, no unexcused absences per class through Monday, December 11<sup>th</sup>, and have not been suspended, including ISS, are exempt from exams. Any additional points for weighted courses (Honors, DE, AP) will be added to the quarter grades prior to exemption notification.
  - If all components of the PHS Senior Project were completed successfully and on time, seniors are eligible for the Senior Project Path English IV or AP Literature exemption.
- All students are expected to be at school all day during the examination schedule. Students who are not present will be counted as absent; exempt seniors will be recorded as an excused absence.
- The only course without an exam is Study Hall.
- A student who does not take a required exam will not receive credit for the course until the exam is taken. Any student who is not exempt and misses an exam will receive an “I” as their exam grade and semester average. This “I” will be on the grade report until the exam is taken. The grade will not be changed to “O” at any point unless the student physically sits for the exam and does not answer any test item correctly.
- **All students will remain in their classrooms during the entire exam period. No student will be permitted to dismiss early during an exam period.**
- **Students who are failing any class will be required to stay for all afternoon review sessions to work on assignments for the class in jeopardy and prepare for exams.**
