CLINT ISD FACILITY USAGE GUIDELINES

Clint ISD public school facilities' purpose and function is to provide quality educational environments conducive to the learning of the students we serve. Clint ISD policy GKD (Local) encourages the District permit non-school use of designated District facilities for educational, recreational, civic, or social activities when these activities do not conflict with school use or with this policy. Approval shall not be granted for any purpose that would damage school property or to any group that has damaged District property. The Superintendent or designee is authorized to approve use of any District facility. Governmental agencies and municipalities will be permitted the use of facilities without charge. All other policies and procedures will be enforced.

Clint ISD is a tax-supported nonprofit organization established to serve the students and youth residing within the boundaries of the District. The District may, therefore, differentiate among various categories of organizations/groups (such as youth groups, adult groups, nonprofit organizations, for-profit organizations and civic groups) in establishing the length of time that a facility may be used or the fee(s) charged. All organizations/groups with the same category shall be offered fair and equal access to District facilities. Any misrepresentations by an organization and/or individual, abuse of any District property, and violation of state, local law or federal and/or any violation of any District policy, rule or regulation may result in: 1) the immediate termination of the contract; 2) the requirement to immediately vacate the premises; and/or 3) the denial of the organization's and/or individual's request for future use of the premises.

District facilities include, but are not limited to, campuses, real property, athletic facilities, buildings, and district indoor and outdoor fields. Charges for facilities are listed by user group designation. Clint ISD has the authority to limit access to facilities. The use of all athletic game fields, gyms, field house, or tennis courts is restricted to after school hours and must be requested through the Clint ISD Application for Use of School Facilities. All facilities are subject to closure to the public for maintenance.

All Facility Usage requests must be submitted in writing, all requests will be considered according to the Clint ISD Facility Usage Guidelines. The administration reserves the right to deviate when necessary to achieve the overall purpose of the guidelines.

See the following policies for other information regarding District facilities use:

- Use by employee professional organizations: DGA

- Use by non-curriculum-related student groups: FNAB
- Use by District affiliated school-support organizations: GE
