Top American High School

School Mission

Dear Parents and Students:

Although the COVID-19 pandemic continues to impact our lives, we must not allow it to interrupt our dreams. We know that all students are struggling, and some are more successful than others because they have the content knowledge and organizational skills to support them through the adjustments. For ten years, the Clint ISD Early College Academy has prepared students for college rigors by delivering exceptionally aligned courses to college courses while teaching students the organizational skills and PERSONAL RESPONSIBILITY to succeed in both the classroom and the remote instruction environment.

Because we are a college and high school, the entire community must have a mindset to work within both cultures and institutions. By being both, students gain the necessary preparation to become successful when entering the university world. The university's transition is not simple, and this is what we have accomplished: 74% of all of our students have completed the Associate degree before graduating from high school. US News and World Report ranked CECA as one of the best high schools in Texas and the nation

We have a strong personal belief in the preparation the Clint Early College provides. We concentrate on the individual student as a whole person who will need individualized levels and forms of preparation and support. **Regardless if a student has struggled in the elementary or middle school grades, all students are welcomed to apply to the Early College. If any student is willing to commit to our curriculum, methods, and expectations, we are committed to teaching and supporting all students.**

To students thinking of applying to the Clint Early College, we urge you to follow through and commit to an unforgettable experience. With your commitment and hard work blended with our systems and culture, you will be successful and prepared for the university and life. Challenge yourself. Take a unique pathway from the others. Start solving the world's big problems.

Sincerely,
Clint ISD Early College Academy Administration
