

INTRODUCTION

The Piedmont Public Schools operates according to policies developed and established by the board of education. The board, which represents the local community, develops policies after careful study and deliberation. The board will regularly assess the effects of its policies and make revisions as necessary.

This manual contains the policies that govern the Piedmont Public Schools. Policy development in a modern, progressive school system is a dynamic, on-going process. New problems, issues and needs create a continuing need to develop new policies and revise existing ones.

Each person or office should update his or her copy of this manual as new policies are distributed.
