

## **PHILOSOPHY**

The educational program of the district will focus on the individual. In assisting each individual to become a responsible citizen, the district is contributing to the betterment of our nation and society as a whole. While the curriculum must be broad enough to allow each individual to develop their own interests, the district will place emphasis on the achievement of excellence in core curriculum areas such as reading, writing, mathematics and communications. Education is essential to the development of character, physical and mental health, emotional security and provides the foundation for successful living in an ever-changing world.
