

Dyslexia Screener-Next Steps

Clint
Independent
School District

Step 01

Dyslexia Screener

- Kinder Universal Screening (EOY)
- First Grade screened no later than January 31st (MOY)

Step 02

List of Students at Risk

- Meet and review at risk for Dyslexia list as a Campus Admin Team
- Identify students who are receiving Special Education Services, 504 or LPAC
- Students not identified through a special program- the RTI Committee will determine next steps

Step 03

Campus Admin Team Meet and review List

- Collect and review quantitative and qualitative data on the student (Grades, Attendance, Discipline, district assessments etc...)
- Students at risk for Dyslexia that are served through only LPAC, RTI committee will review and determine the support/recommendations

Step 04

Campus Admin Team Refer for Testing

- After reviewing quantitative and qualitative data,
- If student is successful, **NO NEED to Refer for Dyslexia Evaluation (Unless parent request evaluation)**
- **If student is Not successful, Refer for Dyslexia evaluation through IDEA first (Receive Parental Consent)**

Step 05

Campus Admin Team

- If student was referred for Dyslexia evaluation through IDEA (SPED), continue support through RTI or 504
- If student was referred for Dyslexia evaluation through 504, contact Sped Director for further guidance.

Step 06

Monitor and schedule 504 meeting

- If student did not qualify for Dyslexia Services under Special Education or 504;
- Continue support through RTI Tier II
