News from the SPS Nutrition Department about Nutrislice

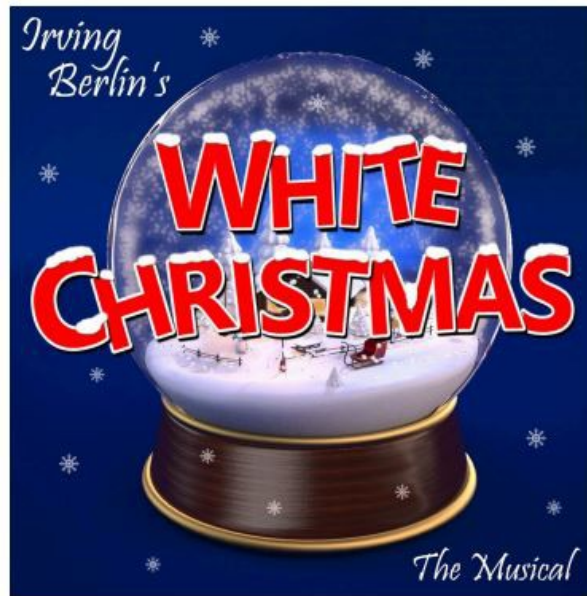

All Kindergarten and new students to the district will have to make a Nutrislice account through the Nutrislice app or through <https://scarboroughschools.nutrislice.com/menu/create-account> before they can order breakfast and lunch. Parents will need the child's ID# before they can start the registration process.

Did you know the Nutrislice technology that provides all of your child/ren's school digital menus, can now be translated into a number of different languages. Ukrainian and French to name a few?

This year's calendar will allow for up to two " traditional snow days" (or any type of unplanned "no school" days). If more than the allotted two days are needed, those days will be **asynchronous** remote learning days, consistent with how the school calendar has looked like for the past few years. Your child's school will be sharing more details about what that will look like as the year unfolds.
