Sports: The MG girls cross country team is heading back to the WIAA State Championship Meet! During the Division 1 Sectional Meet this past Saturday at Lake Farm Park, the team clinched a second place finish to punch their ticket to the State Championship. Leading the way for the girls was the Sectional champion Mackenzie Babcock, winning the race with a time of 18:40. Next up was Allie Hrodey with an amazing 10th place finish. After Hrodey, Natalia Campbell and Toni Kozich were able to keep climbing throughout the race to secure finishes within the top 20. Just behind Kozich and also scoring pivotal points for the Silver Eagles was Logan Babock with a 22nd place finish. Closing out the field for the team were Allison Spangenberg and Greta Dietsche, both having strong finishes while pushing the rest of the field forward. Don't miss them in action as they run at the State Meet on Saturday, November 2 at the Ridges Golf Course in Wisconsin Rapids.

Congrats to MG Football on their victory Friday night. They move on to Level 2 of the WIAA playoffs with a game this Friday at Rice Lake.
