

It's not just
going to school.
It's learning life.

The Patiño School of Entrepreneurship is a new model for secondary education. It's an applied entrepreneurship school that fosters real world skills – critical thinking, problem solving, and collaboration – and as seniors, students launch their own companies.

10 REASONS TO ENROLL

1. The facility is state of the art.
2. Project-based experiences help students gain a context for learning.
3. A focus on entrepreneurial skills develops entrepreneurial thinkers and doers.
4. All students learn coding and online marketing from industry experts.
5. Students network with and intern for local companies.
6. A collaborative environment helps students problem solve and think critically.
7. Industry professionals mentor student business teams.
8. Students develop shark tank style pitches for startup capital.
9. Students make connections with college entrepreneurship and innovation programs.
10. Graduates are prepared for both career and college.
