AVE ATQUE VALE

On August 31, 1960, Bertrand Hooper, Superintendent of Schools in Medford, will retire, thus completing forty-two years of administrative service in Medford.

A graduate of Lynn Classical High School, Burdett Business School, and Boston University, College of Liberal Arts and Graduate School of Education, Mr. Hooper has held several administrative positions in our school system. From Gloucester, where he had been principal of Sawyer School and Evening School, he came to Medford as principal of the Brooks School in 1918 where he remained until 1925. In 1925 Bertrand Hooper began a five-year period as principal of the new Hobbs Junior High School. During his tenure at the Brooks and Hobbs Mr. Hooper also served as principal of the Center School, Evening School, and Summer School and as Superintendent's Assistant from 1922-1928. In the last position he revised the elementary curriculum and course of study and supervised instruction in grades I through XII. In 1927 Mr. Hooper was Acting Superintendent from May 27 to August 27. It was in 1928 that Bertrand Hooper assumed the position of Assistant Superintendent, a post which he held until 1952, when he was appointed Superintendent of Schools in Medford. As Superintendent, Mr. Hooper has made many progressive changes in the Medford School Department and has raised our schools to a position of prominence in the world of education.

The Class of 1960 extends to you, Bertrand Hooper, sincere wishes for health and happiness in your well-deserved retirement.

We, the Class of 1960, as we go from the portals of Medford High School, desire to welcome you and wish you the best of everything in the years to come. Some of us knew you long before this year; most of us did not before you became our headmaster during our senior year. It was then that we learned that you sincerely had our interests at heart. You have been steadfast in placing us and the underclassmen first in your consideration. From your philosophy that the school is primarily for the pupil we have gained much. It is our fervent hope that others who follow us will realize that you are their true friend. With greatest sincerity we salute you and bid you farewell.

DANIEL J. HOBART

Our three years at Medford High School have been memorable for many reasons. Among our most cherished associations has been that with you, our Class Advisors. In many ways you have been more than advisors in social affairs.

From your patience with our vacillations we have learned a great deal. Your considerate treatment of all who dealt with you gave us a true lesson in democracy and forbearance. A sense of humor and optimism on your part showed us the folly of being unduly concerned over problems both great and small. Your quiet efficiency and steadfast attention

to detail have made our tasks easy. Beyond these valuable examples we owe you much more.

You have made our class functions memorable affairs. Our proms have been enjoyable and examples of good taste. Our elections have been efficiently run. In all our class activities you have led us and aided us in our tasks.

For all that you, Mr. Hobart and Miss Walsh, have done for us and the example which you have set we dedicate this book to you as a token af our gratitude.

Our Leaders

During our four years here at Medford High School we have been very fortunate to have officers of the class who have handled the social affairs and the matters of class policy as they affected us in a manner which bespoke their integrity and competence.

Our proms were memorable; the decisions of the council were fair; and the events of Senior Week were highly effective.

To our officers of all three years we express a hearty, "Thank you and well done."

Farewell and Godspeed

MISS IRENE M. HALL

It is with a good deal of nostalgia that we bid goodbye to the halls of Medford High School, but we feel a greater emotion when we tender our wishes for continued happiness to one of the faculty who has been so much a part of the school and our lives.

In leaving these halls with you, we feel a kinship and comraderie which we must express for all to see. Too, we have a great deal of respect for one who has meant so much to this school in her time here.

Versatility, cooperation with pupil and colleague, unselfish devotion to duty, enthusiasm in your work, whole-hearted interest in your pupils, and a professional pride in all that you have done mark you as one of superior merit. These are the qualities which we admire and respect in you as we bid you farewell.

Earnestly we wish you the best of everything in your future work and play. It is characteristic of you that you will devote yourself to the teaching and guidance of more young people before you retire to Florida for a well-earned period of relaxation and play.

Farewell and Godspeed to you, Miss Hall, from an appreciative and sincere class.

The Crossroads of Life

"Do your duty in all things. You cannot do more. You should never wish to do less." These words, spoken almost a century ago by General Robert E. Lee, were directed to the forces of the determined Confederate Army during the Civil War campaign, but they contain such sound advice that they are indeed a valuable message to men of all eras. Although we here at Medford High School are engaged in no armed conflicts such as our ancestors fought, we shall soon become involved in the most difficult struggle of all — the battle of life. Until now our lives have been comparatively sheltered, with a few important decisions and few major disappointments. However, life in the adult world is more demanding, and in order to survive and to triumph, we must arm ourselves with the resolve and determination to accept each new responsibility and task as a stepping stone to success.

Tonight, as we leave these buildings for the last time, we find ourselves at the crossroads of life. For some, their formal education has been completed; for others, new fields of higher learning await them. There are indeed many paths ahead, each with a different destination, and now is the moment of decision. Time is so fleeting that no one can afford to take a wrong turn or change his course halfway down some unfamiliar route, with the possibility of altogether missing his ultimate goal. Before setting out upon this journey, therefore, one must carefully decide which is the right path for him to pursue. How to decide — that is the question! In order to do this most effectively, we must thoughtfully weigh our present situation, our ambitions, and our capabilities.

First, consider the question: "Where am I?" I do not post this query for literary effect, but with sincerity and deep thought concerning responsibilities, achievements, and place in society. The present world is much more advanced than that of our parents' days; therefore, it is a more demanding place in which to live. There is such a great amount of knowledge to be acquired and so many opportunities to be utilized that parents constantly urge their children to be independent and resourceful beings so that they may successfully accept life's challenges and opportunities. Modern young people should not fear responsibility, but, much to the contrary, they should seek out every available chance to learn, to help, and to exhibit their talents wherever and whenever possible. Our high school career has offered just such opportunities. Through its many activities, such as literary organizations, technical groups, sports, and school government, new doors have been opened to many students.

My second question asks, "Where am I going?" I dare say none of us here tonight can answer this question, for God alone knows what the future holds in store, and knowledge of His plans would require prophetic powers denied the human race. We all do have hopes and ambitions for the years ahead, however, and it is toward the attainment of these noble aspirations that we are so diligently striving. Even in the elementary years of childhood one begins to think about the future and to plan for his career.

Then, as one develops and matures, he begins to think with a deeper sincerity and purpose and to formulate motivations and reasons for worthy ideals and constructive actions. Often times impetuous young people rush headlong into undertakings with little or no preparation and planning and later pay the inevitable consequences. It is a serious and important matter to decide what one will do with one's future; this task must be undertaken with a serious attitude.

Education is a prime factor in such a decision. With knowledge as a firm basis, one can more easily attain the three most cherished goals life has to offer — wisdom, success, and happiness.

Finally, let us consider, "How am I going to accomplish my high purpose?" This question presents complex problems, for there is no short cut to wisdom, success, happiness, or any other worthwhile goal. Such precious gifts cannot be bought at any price. The only way of obtaining them is through dedicated purpose, diligent effort, and stalwart determination. The path to success is a series of ups and downs, interspersed with joys, sorrows, and frequent disappointments. When struggling through the pitfalls along the highway of life, we must remember that the hilltop is just beyond the horizon, — that with a little more effort we shall reach our long-awaited goal.

It was thought by all who knew Helen Keller as a child that the little girl would forever remain deaf, dumb, and blind. How could she ever live a useful life with such formidable handicaps? Sheer effort and will power drove the girl steadily onward until she overcame her defects, and today Helen Keller, a skilled writer and a noted authority, is a symbol to the entire world of human determination embodied in mankind.

Franklin Delano Roosevelt, another shining example of one who overcame a handicap to reach success and worldwide renown, left behind an excellent key to achievement when he courageously said, "The only limits to our realization of tomorrow are our doubts of today. Let us always move forward with a strong and active faith in that which we hope to attain."

We have now come to the end of the first great phase of our lives. It is indeed depressing to leave that phase which has provided twelve years of happy memories, but with each ending comes a new and brighter beginning. The entire world lies ahead of us tonight as we stand at the crossroads of life, preparing to make some decision. May we all choose wisely and find the road to happiness that suits us best!

Graduation is a Challenge

On this night, one of great significance for all of us, we leave behind twelve years of growing and learning together and face the problems that come with maturity and responsibility. That we are here tonight is evidence that we have already met and conquered the obligations that were thrust upon us as students. But we are approaching maturity, and maturity brings with it responsibilities of a special kind which most of us have not yet been called upon to face. What are some of these responsibilities? How may we as new graduates undertake to discharge them?

First, we have a responsibility to our country. We should obey its laws, support its good customs, and maintain its high ideals. Our forefathers discovered, pioneered, and settled a vast, unknown new world, overcoming unbelievably high barriers established by nature and by human greed and selfishness. We have lived our lives in a comparatively peaceful era and in a democracy where we can enjoy the freedom purchased for us with the blood, sweat, and tears of our forefathers. This is our inheritance. It was given to us without sacrifice of our own; yet we cannot help being aware that millions of human beings all over this earth are not similarly blessed with the fortune of freedom. Multitudes of young people like ourselves live constantly in terror lest the modicum of freedom they possess be snatched away. This example of freedom and democracy in America shines brightly to those abroad; yet, we must realize that our own nation is not perfect. We must always be mindful of intolerance in our own country. An examination of almost

any daily paper will show clearly that racial and religious prejudice exists here and stands as an ever-present threat to our freedoms. As a plant exposed to light grows better than one kept in the dark, so tolerance and understanding can be nurtured best where thoughts can be freely spoken and written. As future citizens of the United States of America meeting a responsibility to our country, let us dedicate ourselves to the preservation of freedom of expression and thus help to keep for those who follow us this wonderful heritage that we have so far enjoyed.

We also have a responsibility to society. By "society" I do not mean a great amorphous, faceless mass of people but rather the persons whom we have known and will know, with whom we have daily contact. This society has had its part in molding our lives. We have been guided by our parents and taught by our teachers and spiritual advisors both in school and in our houses of worship. We have learned from experiences with our friends and acquaintances. It is up to us to give back to society some of that which society has given to us, enriched by our own personalities. To the members of society, whom we have met and will meet but briefly in our lives, we can discharge our obligation if we do not hestitate, when opportunity arises, to work alone or with the many civic and charitable groups and committees that are forever joining to pool energy and thought for the good of others. To our friends we should be true friends, generous with our interests in their concerns and sharing our belongings and energies when there is need. To our teachers we can give the greatest satisfaction by putting to good use the information and moral principles that they have tried so hard to have us understand and retain. To our family, which has worked and will continue to work for our successful future, we can and shall return in full measure the love and devotion they have shown to us. In short, we can successfully fulfill this new responsibility to society which we assume tonight if we live by the Golden Rule — provided that, when we do so, we put to good use that which society has taught us and will teach us so long as we have contact with others.

Finally, we have a responsibility to ourselves. We owe ourselves a body kept in good, healthy condition, responsive to the demands which we and others will impose upon it. We need a mind that is kept alert and clean. A healthy mind and body will permit us to make the most of our talents, both physical and intellectual, and help us to attain the satisfaction of making some worthy contribution toward a better world. Many an idea worthy of a leader has been lost because it was born to one without courage to shout it against a mocking crowd. We owe to ourselves the decision to be courageous and to stand up for that which we know is right. Even in high school we have already seen how one who does not "go along with the crowd" can be made something of an outcast by a special clique. But we do not have to be lonesome or odd to be courageous. We have the lives of truly successful people to serve as examples. Edison, Einstein, Picasso, and the Wright Brothers all became famous in their own specialized field because they had the ability to produce ideas and the courage to exploit them. We do not each have to become famous to satisfy ourselves that we have discharged this responsibility which we owe ourselves. In our own right by developing our talents and capabilities to the fullest, we shall become successful individuals worthy of society.

These are some of the new responsibilities of our lives that go to make up the challenge of graduation: a duty to our country, a duty to our society, and a duty to ourselves. They can all be met as we live our lives. As proof, we can take for our example a man who lacked the advantages of a graduation from high school but who met all the challenges with which we are faced and more — and discharged his responsibilities to the fullest. This great man, Abraham Lincoln, uttered these words, which may serve as an inspiration to us all, "Let us have the faith that right makes might; and in that faith let us to the end, dare to do our duty as we understand it."

In Memoriam

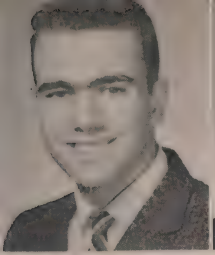

MARY LOU GOTTFREDSON

Our classmate has gone on before us, leaving memories of her with us. The esteem in which she was held is best exemplified by the remarks of her classmates and teachers.

"Mary Lou was an intelligent girl and a joy to have in the classroom. Although she was very quiet, the slightest nod in her direction evoked a responsive smile. Her faithfulness in making up work . . . revealed real depth of character . . . when we knew the odds against which she was working." "I remember Mary Lou Gottfredson as a pleasant, cooperative student at all times and a lady in every respect." "Mary Lou made as much as she could of her strength and of each day's opportunity. . . . quiet and helpful whenever possible and every ready with a little smile for her classmates and teachers."

Words which her classmates used to describe Mary Lou were cooperative, pleasant, ladylike, intelligent, and faithful. Perseverance and industry were among her many fine traits.

It is with heartfelt emotion that we, her classmates, pay tribute to the memory of our beloved classmate.

Winter Wonderland — Senior Prom

Smooth

Winter Wonderland, our Senior Prom, was the exciting and exotic highlight of the winter. The Grand March, Marshard's Music, wonderful dog favors, and all the beautiful gowns and handsome men made the affair one of stellar importance. The decorations were in keeping with the name and made a marvelous setting. The roast beef meal also was something to remember about the best prom of our school years.

Medford 8 **Watertown 38**

Medford High School opened its football season at Watertown. The final score had Medford on the short end, but the complexion of the game was not indicated by the score.

The Medford lads showed bright promise. The lone Medford tally was scored when Tom Donahue blocked a punt and Bob Mastrovita fell on the ball in the end zone.

Offensively, Jim Petroni and Frank Gagliardi played well. Fine line play also showed promise of fine football ahead for the Mustangs.

Medford 0 **Chelsea 0**

A revitalized Mustang eleven took the field at Chelsea Stadium. Medford was a two-touchdown underdog after Chelsea had defeated Lawrence High School, the Class A Champions of 1958, on the previous Saturday and was looking for an easy win over Medford. Great team desire and traditional M. H. S. spirit sparked the Blue and White, captained by Jackie Silverio and Jim O'Neil, to outclass completely the Red Devils.

The Mustangs ran wild over the opponents by bone-crushing tackles and blocks, keeping the game in Chelsea territory all afternoon. However, Lady Luck was not with the travelers. They were stopped on several drives just short of pay dirt by penalties arising from the great desire of the whole team.

Great credit goes to the work-horses of the Mustangs, Pep Petroni and Frankie Gag. It would be hard to single out any one person on defense, because it was a team effort.

Medford 20 **Somerville 6**

An outweighed and underdog Medford eleven fought fiercely and trounced Somerville. This game gave evidence of a tremendous team effort. The blocking and defense were superb. Especially sensational were Skerry, Cassidy, and Covalucci.

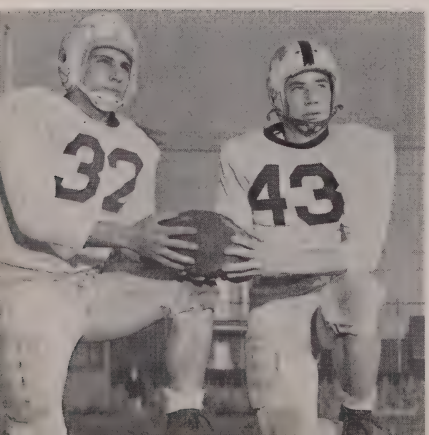

All through the game beautiful faking by quarterback Bob Gullage set up long gains.

The first score came as Frank Gagliardi shot over left tackle for 14 yards and the touchdown. Gullage threw a pass to Jack Silverio for two points, giving the Mustangs an early 8-0 lead.

Pep Petroni scored his first touchdown on a 12-yard run up the middle of the line in the third quarter. In the fourth quarter Pep went 81 yards on a beautiful run for another TD.

The win gave the Blue and White permanent possession of the trophy which is symbolic of supremacy in this rugged series.

Dick Black was lost to the team for an indefinite time with a broken hand.

Head Coach: Paul E. Dorrington

Assistant Coaches: Joseph A. Corleto, Neil D. Moran, John W. Downs, Peter Condos

Co-Captains: James D. Petroni, David P. Skerry

Medford 24 **Weymouth 42**

A strong Weymouth eleven defeated Medford. The Mustangs started slowly but finished fast. With Medford behind by several points, Frank Gagliardi broke the scoring ice in the second quarter with a 15-yard run over the right side for the Blue and White's first touchdown. The extra two points were scored by Ken Maryanski.

A hard fighting and determined Medford eleven scored two more touchdowns in the last quarter while holding Weymouth scoreless. Both touchdowns were scored by quarterback-halfback Bob Gullage. The extra points were tallied by Gullage and Petroni.

In the first four games halfbacks Gag and Pep have gained over 600 yards on the ground.

Medford 12 **Everett 0**

Medford met and conquered arch rival Everett by a score of 12-0. The first half was a fine defensive battle, with neither team's being able to score. Ends Joe Cassidy and Jack Silverio did a fine job of stopping the Everett quarterback from passing.

The Mustang offense blossomed in the second half when Jim Petroni drove over from the five yard line to cap a 70-yard drive. In the fourth period Quarterback Bob Gullage hit Jack Silverio with a jump pass in the end zone for the final tally of the game.

M-M-M-M
Pretty

Medford 0 **Newton 30**

A battle-riddled Mustang team without the services of two starting linemen, O'Neil and Black, took on a healthy Newton eleven, at Newton.

However, the Mustangs not only held their own in the first quarter, but almost scored on a pass play set up by left end Joe Cassidy from quarterback Center, a sophomore. He had taken the place of the starting quarterback Gullage, hurt earlier in that same period.

The Mustang line gave a good account of itself throughout. Never did the team quit.

Medford 6 **Haverhill 20**

Playing a strong Haverhill team on a mud-soaked field, the Mustangs gave a valiant effort but were upended, 20-6. The Mustang touchdown was scored after a 70 yard drive led by "Pep" Petroni. Ken Maryanski finally went over for the score. The attempted rush failed. One main reason for the Mustang defeat was the fact that three of the starting eleven were injured, Rick Black, Bob Gullage, and Jim O'Neil. The line was strong in defeat; two of the three Haverhill T.D.'s resulted from unfavorable breaks.

Medford 24 **Quincy 32**

The Medford Mustangs proved to be their own worst enemies this Saturday as penalty after penalty cost them yardage on big drives.

The Mustangs almost pulled this one out as they came raging back in the second half trailing 26-8. Petroni, as usual, played his fine game, gaining 202 yards and scoring 10 points. Along with Petroni were the usual standouts of Skerry and company. With a little luck the boys from Medford could have taken this one.

Medford 0 **Malden 20**

Winding up the 1959 season, the Mustangs traveled to Malden to do battle with their ancient rivals. Under favorable conditions the Blue and White showed real fight against their opponents, but the Golden Tornado had just too much for our boys. Bob Gullage did a good job with his passing despite a bad leg. Jim Petroni also was scintillating in the losing cause, gaining more than half the yardage made by the Mustangs. Many seniors bowed out in this game, but they can look back upon a season which will mark the beginning of a rebuilding era in Medford football which will put Medford back on top of the football heap.

Good luck to Mr. Dorrington and his staff and a "well done" to the seniors who leave. We hope that our successors will carry on and even the score next year and many to come.

Medford 6 **Watertown 2**

The Medford High School soccer team opened its season at Playstead Park with an impressive 6 to 2 victory over Watertown. Tom Hughes and Tommy Bennett were instrumental in the win with Hughes making 2 goals and Bennett came up with a goal and three assists. Charlie Aston and Ralph Covino shared the goaltending job and kept Watertown's forwards from scoring in the last three quarters. Two of Medford's goals came on penalty kicks that the Watertown goalie could not stop. Russ McKeown, Butch Carbonneau and Ralph Covino were the other Medford booters who scored. Peter Abate and Pat Petrone did a good job as fullbacks and kept a lot of shots away from the goalie. Covino, who switched to halfback, scored on a neat combination pass from Hughes to Mike Rumley, that Covino trapped and cleanly shot past the Watertown goalie.

Medford 0 **M. I. T. Frosh 3**

Medford went down to defeat in its second game of the season to a determined and skilled M. I. T. Frosh team. The Mustang eleven fought hard throughout the grueling contest. Goalie Aston saved Medford several more points by his capable defense of the goal. Special salute also goes to halfbacks Cheshire, Billie Bennett, Hughes and Covino, who played nearly the whole game with unflinching spirit and vigor.

Medford 3 **Belmont 0**

Medford bounced back in the third game of the season to blank Belmont. Displaying extraordinary form, the Mustangs did an excellent job both offensively and defensively. In the first quarter McKeown scored, assisted by Carbonneau.

On a pass from Rumley, Hickman scored a goal in the second period. Period three saw the third and final point placed by Bejian on a pass from Hughes. Several brilliant saves by Goalie Covino kept the Belmont team scoreless.

Medford 2 **Watertown 0**

Playing one of their fastest and best games of the season, the Medford soccer team registered its third win of the campaign by defeating Watertown. Both teams played equally well, until the last period when Medford began to take charge of the game. Scoring for Medford were Henry Bejian and Tom Hughes, while Goalies Ralph Covino, Charlie Aston, and Dick Lynch combined to preserve the shutout. Outstanding on defense were John Yavanian, Bill Bennett and Brad Howes, while Tommy Bennett, Russ McKeown and Henry Bejian starred on offense. The Medford team out-passed and cleanly outplayed their opponents but could not score until the last quarter. It was Medford's second win over Watertown this year.

Two Heads Are Better

Medford 6 **Belmont 1**

Medford's fourth win of the season was over Belmont by a crushing score. Rumley started the Mustangs running with his goal in the first quarter; Hughes's goal, assisted by Yavanian, followed; later in the third quarter Cheshire scored. Later Hughes scored again, assisting Cheshire and Bejian. Then Cheshire again assisted Bejian; Rumley closed the scoring for Medford. Belmont's lone point was scored in the fourth quarter. Outstanding were Howes, Yavanian, Cheshire, Hughes, and Rumley.

Medford 0 **Andover 3**

A strong Andover team brought an end to the Mustangs' three-game winning streak. The Mustang booters passed well all during the game, but they were unable to score a goal. Peter Abate, Sam Cheshire, and Bill Bennett were all standouts on defense with T. Hughes and T. Bennett shining on the offense. Two of the goals were scored on Capt. Ralph Covino, and the third came at the expense of Dick Lynch. Both combined to allow the Andover booters only three goals by making many superb saves.

Medford played very well against stronger foes, but they just could not break into the scoring department in this game. Andover had a big edge in speed and height, while Medford took advantage of its ability to break up continual rushes by the Andover forwards.

Medford 3 **Belmont Hill 2**

Rebounding from the Andover defeat, Medford conquered Belmont Hill School in a high-spirited game. T. Bennett started the rally in the second period when he received a pass from Rumley and booted it in. Then Hughes scored on a pass from Cheshire. Yavanian scored the final point of the game unassisted. Both of the Belmont goals were scored on penalty kicks. Special mention goes to T. Bennett, Abate, and Yavanian.

Medford 5 **New Bedford Voke 0**

The Medford soccer team picked up its sixth win of the season by trouncing New Bedford Voke. Medford outplayed their opponents all through the game. Once again Covino, Lynch, and Aston combined to insure the shutout. Tommy Bennett was high man for the day, as he picked up a goal and three assists. Mike Rumley (2), Tom Hughes and John Doherty were the other scorers for Medford. It was Medford's last home game. The Blue and White was undefeated on its own field for the season. Outstanding on defense were W. Bennett, S. Cheshire, and Pat Petrone.

Medford 0 **Exeter 2**

The weather once again played an important part as Medford lost its third game of the season to a powerful Exeter team. The score does not indicate how hard Medford played while controlling the ball for most of the first three periods. Ralph Covino played an outstanding game in the goal, as did Sam Cheshire and Bill Bennett on defense. Medford passed and broke up plays continually, but they could not score on their more experienced foes.

Medford 3 **Tufts Frosh 1**

Medford gained its sixth win of the season. With McKeown placing the first goal, assisted by T. Bennett and Hughes, the rally was taken up in the second quarter by Bejian, who was assisted by T. Bennett again. Hughes, assisted by Cheshire, scored the final point of the game in the fourth quarter. Outstanding were T. Bennett, Hughes, and Cheshire.

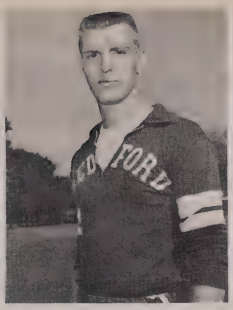

Medford 3 **Gov. Dummer Academy 1**

The Mustang booters brought another winning season to an end by scoring a sparkling 3 to 1 win over Governor Dummer Academy. The Governors scored first on a high shot that slipped through Goalie Covina's hands and into the goal. Minutes later Medford evened the score when Henry Bejian turned Tom Bennett's corner kick in the first period. The next goal came on a low blast by Tom Hughes, assisted by John Downes. The last goal was scored on a breakaway with Downes scoring unassisted. The steady downpour made it difficult to play on the muddy field. Standouts on defense were Pete Abate, Pat Petrone, Brad Howes, and Sam Cheshire, who kept the Governors bottled up in their own half of the field for most of the last half. The game saw Medford end its season with a record of 8 wins and 3 losses for the 1959 campaign. Coach Stillman's players once again came through with an impressive season under his direction.

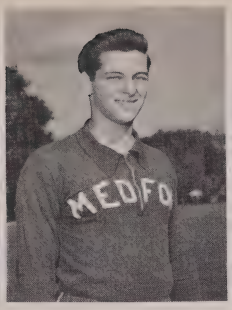

Medford completed the 1959 soccer season with an outstanding total of eight wins and only three losses. It should be noted that only a college team and two preparatory school teams were capable of defeating the Mustangs, indicating the strength and ability of the team. This record, which is par for the team, once again makes it one of the most exceptional local high school teams.

Medford 62 **Revere 61**

The Medford Mustangs started the new season at Revere with two new faces on the coaching lines. John McGrath and Phil Shaw took over as head and assistant coaches of their old boyhood teams.

Their first outing as coaches of the Mustang hoopsters will long be remembered by them and Captain "Tim" Dempsey who sparked his team to an overtime victory over Revere. Tim won the game with a pair of foul shots with only seconds remaining. This was a well-deserved start by the Medford five after many long hours of practice sessions.

Medford 42 **North Quincy 49**

After winning their opening game, the Mustangs experienced a little shooting difficulty and dropped a close game to the South Shore five. Playing a fine game for the Mustangs were Tucker, Moore, Tim Dempsey, and Sam Cheshire.

Medford 44 **Malden 70**

Outscoring Medford High's basketball team in every period but the final one, Malden's Tornadoes gained an easy victory. Leading Medford's scoring was Captain Tim Dempsey with 21 points, Bob Russman followed with six. Although Medford was outmatched by Malden's height, they fought and played a hard game.

Composite Lineup:

RF — Dempsey, Anderson, Padnoian
LF — Petrone, Russman, Bishop, Doherty
C — White, Covalucci, Harris
LG — Rumley, Mandile, Griffin, Myers
RG — Cheshire, DiGiacomo,
R — Covino, Cassidy

Medford 58 **Everett 69**

A fighting Medford five almost pulled this one away from an overrated Everett five. Sparked by Captain "Tim" Dempsey's fine shooting along with big "Tucker" Moore, the Medford five fought all the way to the wire and were only five points down with two minutes remaining in the game. Had the Mustangs had a little luck on their side, they might have beaten their old rivals.

Medford 67 **Alumni 65**

Many famous and familiar names came back to give our Medford five quite a tussle at the yearly Alumni game. It was nip and tuck all the way with the high school group beating the college boys. Pat Petrone got the basket that virtually clinched the victory. High scorers were Leon Appiani for the Alumni, and S. Cheshire for the Mustangs.

Medford 53 **Somerville 71**

A spirited Mustang five took out after the league leaders with everything they had. Unfortunately, it wasn't enough, and the Mustangs lost by a close margin. Stand-outs were Sam Cheshire with 19 points, Tim Dempsey, Ed DiGiacomo, and Pat Petrone.

Front: R. Covino, R. Covalucci, T. Dempsey, S. Cheshire, J. Cassidy; Rear: Mr. McGrath, M. Rumley 61, R. Russman 62, W. Anderson 61, J. White 61, W. Myers 61, E. DiGiacomo 61, P. Petrone 61, Mr. Shaw.

Medford 56 **Quincy 63**

The Mustangs lost the game, and the Blue and White apparently lost a reporter, for he is not back yet with the account. However, rumor has it that the boys did a very good job in piling up those points. Cheshire and Dempsey were battling for high scoring honors this early in the season. A poor third quarter spelled defeat for the Blue and White. This was an exceptionally spirited contest.

Medford 65 **Lowell 50**

The Medford five snapped out of their losing streak by beating Lowell High by a decisive score. Leading the Mustangs were Captain Tim Dempsey and Sam Cheshire who totaled 36 points between them; Cheshire hit for 20 and Dempsey for 16. Other seniors who helped the team to victory were Joe Cassidy, Bob Covalucci, and Ralph Covino

Medford 49 **Chelsea 57**

In a hard-fought battle between Chelsea and Medford at the opponents' home court, our Mustangs, although defeated, played their usual hustling and hard-fought game. In a spirited third quarter our hoopmen nearly turned the tide by outscoring their opponents, 17-13, but even this could not upset the Chelsea five, who held a distinct advantage in playing on their undersized home court. Leading the scoring for Medford was Sam Cheshire with 17 points, followed by Tim Dempsey's 12.

A LA Ca cou z

Medford 39 **Weymouth 55**

A strong Weymouth five defeated the Mustangs who were handicapped by the absence of their captain, Tim Dempsey, a good rebounder and scorer. Medford outscored Weymouth in the last quarter; Sam Cheshire was high scorer with 15 points. Medford's other scoring was taken care of by Mike Rumley, Eddie DiGiacomo, and Pat Petrone.

Medford 50 **Revere 56**

The Medford quintet was out to make it two in a row over Revere, but they could not stop the late drive of the Beach City five. The bright spot of the Medford offense came in the person of Pat Petrone, who scored 22 points. This added another score to the threat of Tim Dempsey and Sam Cheshire who scored 11 and 9 points respectively.

Medford 75 **North Quincy 87**

The Medford High basketball team came up with its highest scoring output of the season yet dropped the decision to the 87 points of North Quincy at the opponents' home court. Leading the spirited Medford five were Captain Tim Dempsey and Sam Cheshire, who accounted for 22 points each, followed by the sparkling 17-point performance of Pat Petrone. The game was by far the best of the season, for the two teams matched each other point for point right down to the final buzzer. During the first half Dempsey and Petrone kept the Mustangs in contention, and the scoring punch of Sam Cheshire in the third quarter kept the Medford drive going, only to see the hosts make up 8 points to clinch the contest. The scoring sprees of Dempsey and Sam Cheshire continued the neck and neck race for the scoring lead. Tim Dempsey now has 156 points, while Sam with 154 is trailing by one basket.

Medford 51 **Malden 78**

A very strong Malden five outclassed Medford as they won easily, 78-51. Sam Cheshire and Pat Petrone paced Medford's scoring with twelve points each. Runnerup was Captain Tim Dempsey with ten points. Eddy DeGiacomo and Mike Rumley helped with the scoring.

Medford 68 **Everett 75**

The Blue and White did everything they could to break their losing streak, but Everett was able to hold the Medford boys in check after Medford got within 5 points of Everett in the final period of this rough-and-tumble game. The outstanding play by Dempsey, Cheshire, and Petrone kept the team in contention all the way.

Medford 66 **Somerville 67**

A tremendous second half spurt by the Mustang quintet brought our team within a whisker of producing the upset of the year against highly rated rival, Somerville High. The game was without doubt the most exciting game played by our team in seasons of league competition. Somerville, the co-leader of the league with Malden, was forced to come from behind in the closing seconds of play to tie the contest. The tie score forced the game into a three-minute overtime period in which our Mustangs, sparked by Tim Dempsey and Sam Cheshire, scored two points to Somerville's three. With eight seconds to be played, Somerville lost the ball out of bounds and Medford signaled for a time out, but the referee allowed the clock to continue ticking off the remaining eight seconds. The clutch performance of the game and probably most important single basket of the night was scored by Mike Rumley, as he hit for two points to tie the score 64 to 64 in the final seconds of regulation play. In the scoring department, Sam Cheshire led both teams with a total of 24 points, followed by Captain Dempsey's 15 points and the 11 points of John White, whose scoring helped the team greatly.

Medford 61 **Quincy 73**

Due to weak first and third periods, our Mustangs lost a hotly contested game to Quincy High at the Gene Mack Gym. Although the scoring was weak in the first period, the second quarter saw the Medford five outscore their opponents 21 to 17. As a result of the fine second quarter showing the Quincy lead was cut to 4 points at halftime. The scoring in the third quarter fell off a bit as the Quincy lead lengthened to 9 points, but the fourth and final frame saw the Mustangs bounce back with a sparkling 18-point performance. Medford's big scoring punch of Captain Tim Dempsey and Sam Cheshire were guarded closely all night as Cheshire hit for 14 points and Tim Dempsey scored 12.

Medford 52 **Chelsea 57**

A tremendous fourth quarter spurt led by Tim Dempsey almost caught a hot-handed Chelsea team. Medford trailed by two at the end of the first quarter. From then on Chelsea opened a 17-point lead.

In the fourth quarter, the completely revitalized Mustang hoopsters came onto the court. Behind the passing of Fran Griffin and the scoring of Tim Dempsey (26 points) and Pat Petrone (15 points) the Mustangs almost pulled off a stunning victory.

Medford 68 **Lowell 76**

Although scoring 68 points in their return game with Lowell, the Mustangs went down to defeat. Tim, Sam and Pat did the high scoring in this fast game. The last quarter was a thriller, but the Blue and White were too far behind to make up the deficit.

Medford 72 **Weymouth 56**

Medford High, playing its last game in league competition, left the home court in a blaze of glory by defeating Weymouth High. Although the overall record was low, our Mustangs in their last few games seemed to come alive and show some real spirit against their stronger opponents, against whom they often scored very heavily, only to see their lead overtaken in the final seconds of play. Captain Tim Dempsey scored 20 points and Sam Cheshire 26 to lead the charge which overwhelmed the Weymouth five by a considerable margin. The last game of the season determined also the scoring champ, Tim Dempsey, who also led in total rebounds, and the M. V. P. award recipient, Sam Cheshire.

Medford 15 **Huntington 62**

Medford High School opened its 1959-60 indoor track season on December 18 when it faced a powerful Huntington team. Although going down to defeat by an overwhelming score, many of the Medford tracksters performed well. It must also be noted that two of the team's leading scorers, Sam Cheshire and Jim O'Neil, were not able to compete in the meet. Burt Kline, who took first place in the high jump and third in the hurdles, and Dick Nicoletti with a second and third, led Medford in scoring.

Medford scoring:

600: 3 — Nicoletti; 300: 2 — Collins, 3 — Williams; Hurdles: 3 — Kline; High Jump: 1 — Kline, 5' 6"; Shot: 2 — Hart, 3 — Nicoletti.

Medford 46½ **Malden 30½**

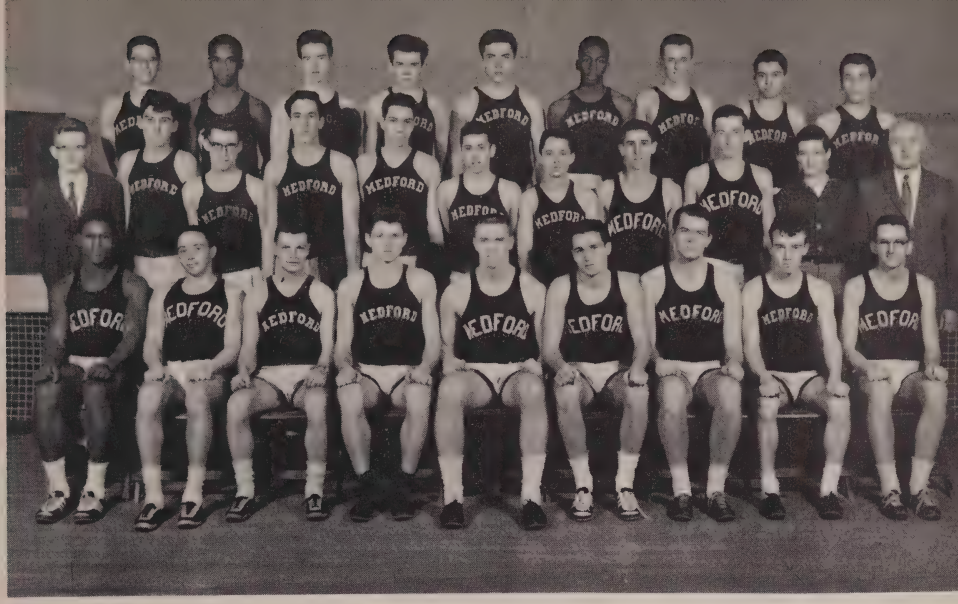

The Mustangs officially opened the 1960 GBI indoor track season against their traditional rival, Malden High School. In nine events, Medford took six first places, including the relay. One of the events, the high jump, ended in a two-way tie for first place between two of the Medford boardmen. Sam Cheshire was outstanding, scoring 11¼ points while winning the shotput and the dash. The speedy senior also figured in the relay. Wes Collins also showed good form, scoring a total of 8¾ points. Wes won the 300, tied for first place in the high jump, and participated in the relay. Burt Kline had to settle for a tie in the high jump with teammate Wes Collins; however, Burt went on to win the hurdles. Considering the decisive margin by which the Mustangs beat Malden and the performance by numerous members of the team, it looks as though Coach Langley and the team can anticipate a winning season.

B.A.A. SCHOOLBOY MEET

Numerous outstanding members of the Mustang indoor track team participated in the B.A.A. Schoolboy Meet. Sam Cheshire led the Medford scoring, as he posted a time of 5.7 seconds in the 50-yard dash to win the finals in that event. Also in the scoring column for Medford was junior Burt Kline who leaped five feet nine inches in the high jump. Medford scored eight points to finish fifth.

Medford Scoring:

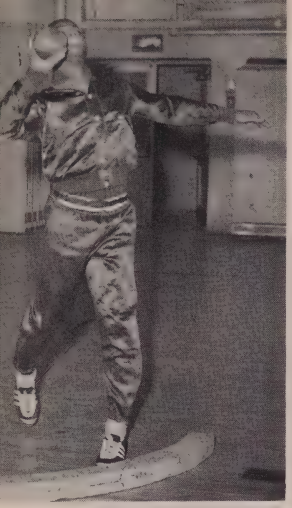

50: 1 — Cheshire, 5.7 sec.; High jump: 3 — Kline.

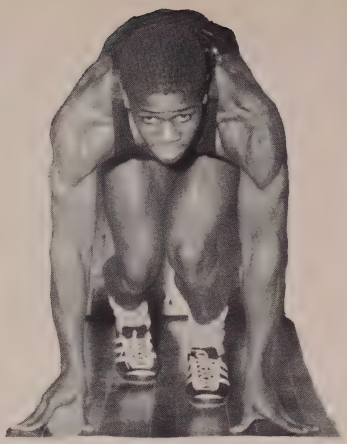

Medford 39½ **Brookline 37½**

In the second round of the Met League competition the Medford High boardmen won an impressive victory over a powerful Brookline team. It was the second win for Medford in as many meets. The win gave them a tie for first place with Newton in the Division 1 standings. It was such a close meet that the very last event, the relay, decided the outcome. The top stars for Medford were Sam Cheshire, who for the second straight meet led the team in scoring with 11¼ points, winning the dash and the shotput and leading the way for the relay team; Burt Kline again with an outstanding performance, tying for first in the high jump and coming in second in the hurdles; Carl Williams, who had 6¼ points, winning the 300 and anchoring the relay team.

The Mustangs were led again by Sam Cheshire, who had victories in the 50-yard dash and the shotput. He also was leadoff man in the relay. Burt Kline came through with his usual brilliant performances in the high jump and 45-yard hurdles. Other fine races were turned in by Wes Collins and Robert Hickman.

Medford Scoring:

STATE MEET

The Medford Mustangs finished in fifth place, scoring a total of nine points in the State Meet. As in the B.A.A. Meet, Sam Cheshire was outstanding, winning the dash; he bettered his best effort of the season before this meet in posting a time of 5.6 seconds. Sam also placed fifth in the shotput, garnering a total of six points. Also representing Medford in the scoring was Burt Kline with a leap of five feet, ten inches in the high jump to tie for first place.

In the relay, Rindge's B.A.A. and State Meet Champions defeated the Medford boys. The loss dropped Medford into third spot in the final Met League standings with a 3-2 slate.

Medford Scoring:

Collision Course

Medford 2 **Cambridge Latin 0**

In its opening game of the '59-'60 season, the Mustangs showed much improvement over last year's team, which finished sixth in the league. The team, on the whole, showed more drive, desire, and just plain spirit than it was thought to have.

The two goals were scored by Charlie "Chad" Aston, a junior defenseman, and John Downs, starting left winger, Downs' goal coming when the Cantabs had a man advantage. Fine defensive play by Chuck Kyle, Charlie Aston, and right winger, Bill Mahoney helped preserve Phil Thorman's shutout. The big redhead also played a great game, coming up with several key saves.

Medford 2 **Somerville 1**

Playing without two of its first-stringers, Medford succeeded in downing Somerville, a new entry in the G.B.I. League, by the score of 2-1. Bob "Sandy" Clifford and Bob "Chuck" Kyle were unable to play. Needless to say, they were sorely missed. The rest of the team, however, rallied to the cause, as John Downs and Walter Hogan pumped goals into Somerville's net. A second goal by Downs was disallowed because a Mustang forward had interfered with one of the Somerville defensemen.

Sparking the team were winger John Downs, defenseman Charlie Aston, and goalie Phil Thorman. In the last minutes of the third period, the big redhead was called upon to make several trying saves to preserve the one-goal lead. This win was a great team effort.

Medford 0 **Brookline 1**

An over-confident Medford team just couldn't formulate an attack and subsequently found themselves on the tail end of a 1-0 score. Brookline scored on an unusual goal, which Phil Thorman seemed to have control of, but which unfortunately squirted through for the lone tally of the afternoon. If the game had been one second longer, it would undoubtedly have ended as a tie. As the buzzer sounded, John Downs was just getting his stick on a loose puck with Brookline goalie John Woolf down and the goal wide open. A tie would have been better than a loss. This loss very well could give the team the extra incentive and desire to beat Arlington next week.

Medford 3 **Arlington 0**

In undoubtedly their best-played game to date, Medford High's barreling Mustangs defeated previously unvanquished Arlington by the score of 3-0. This win moved the Blue-shirts from Medford into a tie for first place with this same Arlington club, each with a record of three wins and one defeat.

Lighting the red lamp for M. H. S. were Ralph Walker, Bill Mahoney, and Sandy Clifford. In each case, it was the player's first goal of the season. Walker and Mahoney's goals, which came at an interval of only six seconds in the first period, seemed to take away some of the fighting drive exhibited by the Spy Ponders. Clifford's goal, a long solo drive, was just icing the cake, as it sewed up the victory for Medford. Turning in another standout performance was senior netminder Red Thorman, who broke the backs and the hearts of the Arlington boys with many of his excellent saves. The boys really worked hard for this one; it was an all-around team effort.

Medford 0 **Newton 1**

In this game the one word which tells the story was "luck." The Mustangs worked hard for the win, but they just didn't get the breaks. Time after time, the Newton goalie was put to the test, and each time he proved equal to the task. Those shots not stopped by the goalie were smothered by the defense. It was really a frustrating day for coach Peter Brady and his blueshirted crew.

Standouts for the Medford team were Co-Captains Chuck Kyle and Bill Mahoney, Center Bob "Sandy" Clifford, and Goalie Red Thorman. Without the exceptional goaltending of the big readhead, the score would undoubtedly have been much higher. The Mustangs played a good game, but luck was against them.

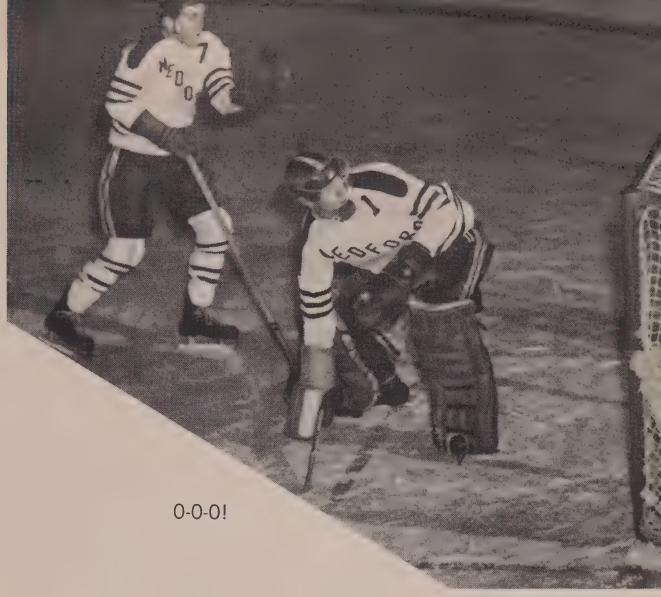

Co-Captains:
Robert D. Kyle — William C. Mahoney
Manager: Michael Stadlen
Coach: Peter Brady

Composite Lineup:

Goal: Thorman, Franceschi; Defense: Kyle, Aston, Maryanski, Stevens; Center: Clifford, Mahoney, Ciavardone, McKeown; Left Wing: Downs, Walker, Cashman, Hogan, Walsh; Right Wing: Dunbar, McDermott, McAdams, Ward.

Medford 4 **Waltham 1**

Eager to wipe out the memories of the 1-0 loss to Newton, the Mustangs came roaring back to score four goals against Waltham, two each in the second and third periods. The four tallies mark the highest scoring output to date. Doing the trick for the Blue and White were Bob Dunbar, Chuck Kyle, Sandy Clifford, and John Downs. For Dunbar and Kyle, this was the first goal of the season; for Clifford, the second; and for Downs, the third. The lone Waltham tally was made in the first period before the Mustangs loosened up and started to fly.

Towards the end of the game, Coach Brady was able to send in all his younger, inexperienced players for a shift or two. Looking particularly impressive were Joe Ciavardone and goalie Dave Franceschi, both sophomores. Watch for big things from these two in the future.

Medford 3 **Rindge Tech 1**

Junior wing John Downs was the hero of the day for the Mustangs as he netted all three Medford goals for his first varsity "hat-trick." Assists went to Bill Mahoney, Sandy Clifford, and Chuck Kyle, respectively. Although the Blue and White attackers got bogged down in the second period, they really were flying in the first and third stages. If not for the superb goal-tending of Rindge goalie Paul White, the score would undoubtedly have been much higher.

Sparkplugs of the team were John Downs, with three goals, Bob Dunbar, with some fine defensive play, and Phil Thorman, with another stand-out and stand-up performance in the nets. To date, in seven games, Medford's opponents have beaten "Red" only five times. This is the best record in the league at present.

Front: D. Walsh 61, R. Clifford 61, W. Mahoney, R. Kyle, C. Aston 61, J. Ciarvadone 62; Rear: P. Thorman, Mr. Brady, S. Cashman 62, R. McKeown, R. Walker, R. Stevens 62, P. McDermott 62, L. McAdams 61, K. Maryanski 61, M. Stadlen, D. Franceschi 62.

Medford 1 **Cambridge Latin 1**

The first game of the second half of the season saw Medford High wearing their new white uniforms for the first time. Excellent goal-tending by both goalies, Medford's Phil Thorman and Latin's Bob St. George, kept the score from being much higher, as time after time they were both put to the test. Senior center Bob Dunbar, netted the only Mustang tally, with assists going to his linemates, Ralph Walker and Paul McDermott. Once again Red Thorman turned in an outstanding game in the nets, proving himself invincible to all but one shot, a solo rush by the Cantab's high scorer, Jim Whalen.

Medford 2 **Somerville 3**

For only the third time in nine games, the M. H. S. sextet was beaten, being edged by nearby Somerville High 3-2. For the Blue and Red of Somerville, it was only the second win of the season; for the Blue and White of Medford, it was a bitter disappointment.

The Mustangs scored first, early in the opening period, and last, late in the final stanza, but between these two tallies, the Somerville men drilled three into the Medford goal. The goals were scored by John Downs and Sandy Clifford, the latter's with eight seconds to go in the game.

Coach Peter Brady removed Medford goalie Red Thorman from the ice to give the team an extra skater, and the move paid off with Clifford scoring on a pass from Dunbar. For Thorman, incidentally, this game marked the first time this year that any team had scored more than one goal on him in one game.

Medford 2 **Exeter Academy 2**

The Medford Mustangs and the Exeter Academy team battled to a 2-2 deadlock. The Blue and White handled themselves admirably. For three full fifteen-minute periods plus an eight-minute overtime stanza each team threw attack after attack at its opponent, and each goalie turned aside all but two enemy shots. The big men for Medford were Phil Thorman, who made more than thirty saves, Sandy Clifford, who scored both goals, and Chuck Kyle, who assisted Sandy on each.

At the same time, over at the small rink, Walter Hogan scored three goals for the J.V.'s, who were defeated by the Exeter J.V.'s 6-3. Junior Larry McAdams looked very good for the Mustangs, as did Dave Franceschi.

Medford 1 **Brookline 4**

The lone Medford tally was rifled in by Sandy Clifford, climaxing a slick passing play with his linemates, Downs and Kyle. The only other bright spot in the game was the appearance of several of the sophomores. These younger fellows showed that they will be ready to take over for the departing seniors.

Medford 1 **Arlington 3**

For three periods Medford outplayed, outhustled, and outshot the league-leading Arlington sextet, whom they had beaten earlier.

For the Mustangs, the only goal was scored by junior John Downs with assists from Clifford and Kyle.

Medford's goaltender, Phil Thorman, turned in an excellent performance, kicking out many Arlington drives.

Medford 0 **Newton 2**

The Newton Tigers out-hustled the Medford Mustangs to win 2-0 in a game whose outcome would decide second place in the league. The important factor in this game was desire.

Certainly no one could blame the Medford goalie, Red Thorman, for either of the two Newton goals. One sneaked by out of a pile-up, while the other came on a solo breakway.

Medford 5 **Waltham 5**

The Waltham High sextet fought back from a 3-0 first period deficit to overtake and tie the M. H. S. team 5-5. A few poor plays, and a freak bouncing goal by Waltham kept the Mustangs from notching their sixth victory. Lighting the lamp for the Medford team were Paul McDermott with two goals, his first two of the season, John Downs with his ninth, Bill Mahoney with his second, and Charlie Aston with his second. Also entering the scoring was Bob Dunbar with three assists.

Medford 1 **Andover Academy 5**

In a non-league game played at the spacious outdoor rink at Phillips Academy in Andover, the Mustangs, unable to get a potent attack rolling, were snowed under by the Academy men 5-1. The only breakthrough for Medford came mid-way through the second period as John Downs sprinted out of a pile-up and slammed the puck past the startled Andover goalie. At the time, Medford was short-handed.

Coach Brady took advantage of this non-league game to give some valuable experience for future years. Looking particularly impressive were Joe Ciavadone and Steve Cashman, both sophomores.

Medford 1 **Ringe Tech 5**

After receiving the announcement that only Arlington would represent the G. B. I. league at the State Tourney, Coach Brady decided to use some of his younger players as regulars in the Rindge game. Since the outcome of the game was unimportant, he figured he had everything to gain and nothing to lose. Although the Mustangs lost 5-1, the experience gained by the subs could prove invaluable next year.

Sophomore Dave Franceschi turned in his first starting role as the varsity goalie, replacing senior Red Thorman, who had done an excellent job in the nets all season. Also seeing action were sophomores Ciavardone, Ward, and Cashman, juniors McAdams and Maryanski, and seniors Hogan and McKeown. The lone Medford tally was made by Sandy Clifford off a neat pass combination with Russ McKeown and Charlie Aston.

Medford 4 **Newton 4**

The Medford High School baseball team opened its 1960 season with a tie ball game with Newton, the perennial champion.

Medford led twice in the game but was forced to come from behind to tie the Tigers in the 7th inning. Cold weather halted the contest at the end of the 8th.

The Mustangs scored their first run in the initial inning on singles by Sandy Clifford and Jack Silverio and an error by the Newton left fielder. The Blue and White got two runs in the 6th on a walk to Clifford, a single by Aston, and a single by Tim Dempsey.

Medford's tying tally came in the 7th on a Doherty walk, a Pat Petrone single, and Aston's second single of the game.

Mandile and Porras did a fine job on the mound, shutting out the Tigers during their scheduled tenure.

Medford 0 **Malden Catholic 2**

The Mustangs could do little with the Malden pitcher in a tense seven-inning game. Sandy Clifford made the only hit for Medford, a single as leadoff batter in the game.

There were many bright stops for the Blue and White in spite of the loss. Jerry Looney did two excellent innings in the mound, striking out three of the Blue Sox. Porras and Mandile also did an acceptable job on the hill during their tenure.

Since the material for these pages has to go to the printer before the season is finished, it is necessary for us to put in only a few games. The records on these pages include only the games which are chronicled here.

With a mixture of seniors and juniors and very few sophomores Coach Terrill is looking forward to an interesting season.

So far, the pitching has been adequate; the hitting will come, for some of the boys show promise. Defensively, the team is fine.

Medford 7 **Exeter 14**

In a game which Coach Terrill used to find a pitcher to replace his injured member the Mustangs showed power at bat which bespoke well of the prospects for late games. The Blue and White made ten hits, including two doubles and a long triple.

Nine walks with six hits and two errors gave the academy team a 12-2 lead in the first two innings. Medford whittled at this lead and made a game of it the rest of the way.

Dick Black with three hits and Ralph Walker with a double and triple were the big stickers for the Mustangs. Chuck Kyle chipped in with a long double.

Looney and Mandile did a good job on the mound during the last six innings.

The Medford High School Advertising Club is made up of Distributive Education students who meet to further their knowledge of sales' procedure. This year members of the Advertising Club sold ads for the **Little Giant** and the **Blue and White.** The purpose of the club is to learn the art of selling and to appreciate the part that advertising plays in business. At club meetings members discussed such questions as, "Why advertise?" "Does advertising bring profits?" and "How much of profits are devoted to advertising?" The Advertising Club proved very profitable to its members.

Members of the Art Club also enjoyed their annual Christmas party and a trip to an art museum.

The 150 girls who joined the Business Girls' Club in September, 1959, comprised the largest membership in the club's history. In December the B. G. C. held a Christmas party at which the members participated in entertainment and enjoyed refreshments. At that time the girls gave a ten-dollar donation to the Children's Ward of the Lawrence Memorial Hospital. At another meeting the telephone company representative exhibited a demonstration on "You and Your Voice." At another meeting an insurance company representative addressed the girls. The Business Girls' Club of 1959-60 strove to prepare the girls for purposeful, industrious careers in business.

CAMERA CLUB

This year was one of great success for the Camera Club. During the regular monthly meetings the members enjoyed the guest speakers and developed a multitude of fine prints in the darkroom. Many pictures of school activities, taken and developed by the club, were turned over to the **Little Giant** for publication in the school magazine. The main subjects of interest were the Kodak and Ansco Contests, the winning photographs of which were displayed in the library by the club. Also on this year's agenda was a trip to the Polaroid Corporation and a Christmas Party. Needless to say, without the able leadership of Mr. Marchant, this year's activities would not have been a success.

Many activities were held during 1959-1960, including field trips to department stores, supermarkets, and credit bureaus; social functions, including a Christmas party, Valentine party, and a Graduation party; community projects, such as, presenting tokens to a children's hospital, a children's home, and entries for exhibition at open house and national D. E. C. A. contest. The members of this group attended the annual Distributive Conference held in Boston each year and also attended fashion shows and sales promotion exhibits held by large department stores.

The Future Nurses Club was formed in January of this year. The purpose of this organization was to acquaint high school girls with various schools of nursing. In this way, we benefited our members by familiarizing them with enough schools so that they will be able to choose the school which will be most beneficial to them. Students from various schools came and talked to us about schools of nursing. Also, we made tours of hospitals where we inspected facilities and learned the routine of the nursing program.

The Circolo Italiano of 1959-1960 strove to instill a deeper understanding of Italian culture in its members. This year the members held their annual Italian installation in which all new members took part. At Christmas time Santa Claus honored the Italian Club with his visit to their party; students sang carols and ate delicious Italian pastries. In April, members of the club convened at an opera and finally a grand **"Banchetto"** terminated the year's events. Each student was presented a scroll with a witty saying about his character to commemorate his years in the Italian Club.

THE JUNIOR CLASSICAL LEAGUE

Under the excellent direction of Miss Edith M. Lynch, the Junior Classical League again proved to be one of the most popular and active clubs at Medford High School. Its outstanding meetings were the initiation of its new members in December, entertaining skits about the gods and the future, the outing in June, and the State Convention. With its 120 members actively planning and participating in the programs, each meeting was interesting and well-attended.

As it does every year, the J. C. L. has left many wonderful experiences and impressions on the hearts and minds of its outgoing senior members.

The Phi Alpha Epsilon chapter of the National Honor Society is composed of seniors chosen on the basis of scholarship, service to the school and community, and high character. Each year, in addition, twenty high-ranking juniors are inducted into the group. The group planned and participated in many outstanding programs and activities throughout the year, among which was a Christmas party for some of the grammar school children. The members of the society also acted as guides on Parent-Teachers' Night. The monthly meetings were often attended by various speakers who spoke to the group of affairs concerning the youth of today. One such speaker was a foreign exchange student. The induction of new members, which was a very impressive ceremony, took place in May. The profitable and memorable year was brought to a close with a recognition banquet and an outing for the senior members.

The Pep Club consists of Sophomore, Junior, and Senior girls who attend both the football and basketball games during the year to cheer the team on to victory. At the football rallies the Pep Club, wearing blue and white, under the direction of the cheerleaders, created great school spirit which made the rallies successful and let the football team know how proud Medford High School is of them. Without the hard work of the President, Carol Dello Russo, the Pep Club would not have been able to fulfill its duty of creating loads of pep and building a high school spirit.

SCIENCE CLUB

This year the Science Club achieved new success. With a select membership of 50 members, there were greater chances of individual participation. The club met once a month and aroused interest in various fields of science and made the students more aware of the importance of science. Programs for the year included lectures, movies, and field trips, and support of the Medford High School Science Fair.

SLIDE RULE CLUB

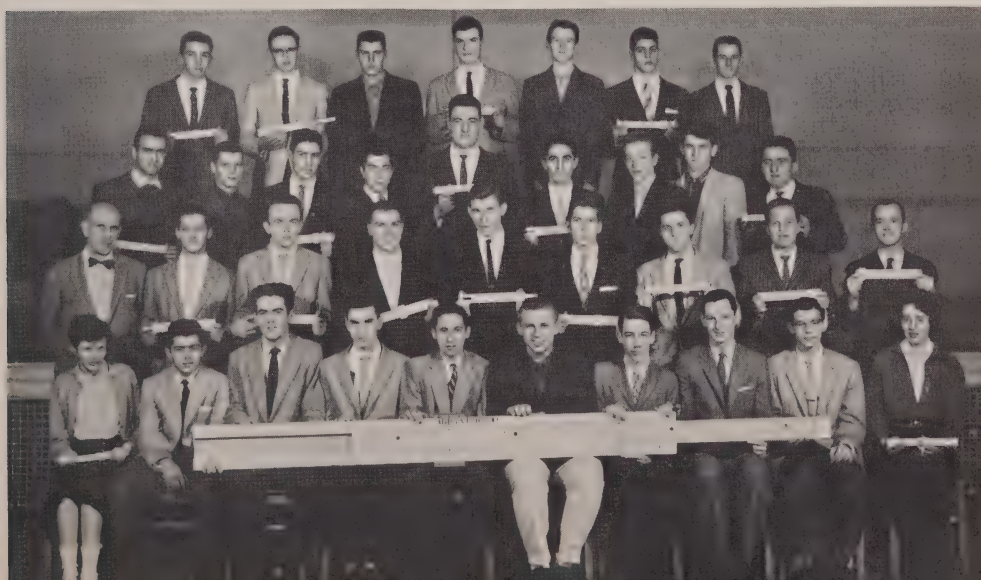

President: Carmen Comite
Vice-President: Frank Days
Secretary: Gregory Kizic
Treasurer: John Leydon
Advisor: Leo A. Appiani

Under the tutelage of Mr. Appiani, a group of students, studying higher mathematics, have been learning the proper use of the slide rule. This has been accomplished by the distribution of papers which contain directions, examples, and problems.

Being a member of this organization has enabled past students to use this device proficiently both in college and in occupations requiring its services. Engineers, physicists, and mathematicians use it extensively; therefore, the extra practice received by these students is a great aid to the many who plan to enter these professions.

The Student Service Club in its second year, guided by Miss Rowan, their able advisor, volunteered at hospitals, nursing homes, and community centers in the surrounding area. Many girls interested in nursing worked at the Lawrence Memorial Hospital, delivering trays and assisting in the gift shop at the Chelsea Hospital and at the Malden Home for the Aged.

In the fall, the entire membership participated in the United Drive and in the preparation of a Thanksgiving basket which was presented to a needy family. The major events of the year were the two annual Christmas parties held at the West Medford Community Center. After such a busy year, the tireless members are looking forward to their summer volunteer jobs.

The All-Girl Choir began the fall season promptly with election of officers and rehearsals for its first public performance, singing at the dedication ceremony of the new wing of the Lawrence Memorial Hospital in Medford. Christmas music was then learned, and during this festive time all All-Girl Choir caroled in the corridors of the high school, took part in the Christmas assembly, sang at the Roberts Junior High School, and entertained the members of the Rotary Club. The Choir sang several pieces in the spring concert sponsored by the Music Department of Medford High School and also participated in the annual music festival, together with other high school musical groups from the Greater Boston area. The spirit and co-operation of every girl was outstanding and helped to make this the most successful year in the history of the All-Girl Choir.

From the opening march played at our first football game to the last note at graduation the band has had an outstanding year. Under the able direction of Mr. Schoonmaker our band has participated in many fine concerts, rallies, football games, the talent show, and the graduation exercises. This year was highlighted by the Washington and mid-winter trips, and the Mass. State Music Festival, in which the band again attained a high rating. There is probably no other organization in the high school which has worked as hard or as long as the band in order to accomplish its aims. The band and Mr. Schoonmaker certainly deserve a great deal of credit in this respect and for the wonderful music which they have presented to our school.

With the aid of the English Department, the Guidance Department, and Class Advisors, Mr. Ricker organized the staff of the **Blue and White** Class of 1960.

Under the guidance of their advisor, the members of the staff cooperated with the Staff Heads to put out this yearbook. Many hours of hard work and fun are herein represented. In order to assemble the hundred of glossies, candids, group pictures, writeups, art cuts, faculty pictures, and sports pictures with their subsequent identification took many hours of painstaking work by the very loyal and capable staff.

Every member of the senior class is indebted to the staff members of this yearbook. The workers hope that their efforts will please.

BIOGRAPHY STAFF

Advisors: Marion R. Daggett, John A. Ricker, Jr.

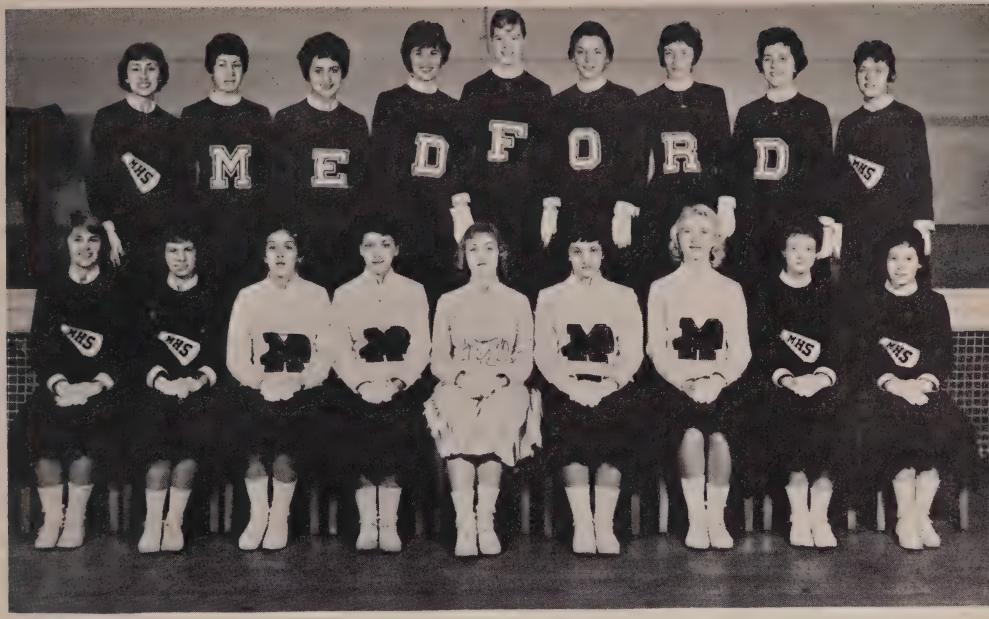

Because of a siege of virus our perennially efficient advisor Miss Marion R. Daggett had to have help. After organizing the staff, Miss Daggett received aid from Mr. John A. Ricker, Jr., who served as her understudy. The staff was selected from students who had earned honor grades in English and had applied for the position of member of the Biography Staff. With help from class advisors and counselors our advisors appointed their staff, and work was underway.

Detailed biographies from all members of the senior class had to be assembled. The staff then set about proofreading and correcting the Biography Data Slips. Agents were constantly tracking down absent seniors who had failed to make out their slips. Finally, all slips were in readiness for numbering and placing in the dummy. After two months of arduous labor the Biography Staff had finished its appointed task.

To them we are grateful for accomplishing a job which makes our book so informative.

After many months of hard practice our eighteen cheerleaders were chosen. They have cheered our team on to football, basketball, hockey, and baseball victories, and have led all of the school rallies. One of their accomplishments was the winning of a trophy presented to them by Arnie Ginzberg of WMEX, on November 13, 1959, at the Surf Ballroom in Nantasket. A competition was held to choose the best cheerleaders from the surrounding vicinities. Medford's cheerleaders came in first place and received a trophy and a toy poodle. They also participated in the Oscapades of 1959.

The Choraleers, a new group among the music organizations here at Medford High School, is a selected body of Junior and Senior students who already belong to either the All-Girl Choir or to the Male Chorus, and the Mixed Chorus. Under the capable direction of Miss Gudrun Ekman, the Choraleers immediately began preparations for such Christmas activities as the School Assemblies, Caroling, and entertaining the Rotary Club, the Fortnightly Club, and a group at the First Baptist Church. Later in the year the Choraleers performed at a reception held in honor of Mr. Bertrand Hooper, Superintendent of Schools in Medford; and in May this group also participated in the Northeastern Massachusetts State Musical Festival in Woburn, singing individually and as part of the two hundred-voice mass chorus. A banquet was held at the end of the school year as a final tribute to a truly busy and successful season of singing.

HOUSE OF DELEGATES

Advisor: Timothy C. Higgins

The House of Delegates consisted of one student from every homeroom. Each member acted as a representative from his homeroom, and it was his duty to place before the House any suggestions that were given to him by his classmates.

This year the House of Delegates, which formed the Lower House in the Student Council, worked in collaboration with the Student Cabinet in order to prepare a Constitution for Medford High School student government. The members of the House also sold tickets for the talent show and for the proms.

This year the **Little Giant** came out in two editions. The students who comprised the staff wrote the articles, drew the cartoons, sold advertisements and the magazine issues, took pictures, read copy, proof-read finished copy, edited the articles, laid out the finished copy, dug up features, searched the files for facts and figures, and did all manner of work to make the editions interesting, controversial, and the voice of the school.

Under the direction of Mr. Ricker the staff did a commendable job. Thanks again.

MALE CHORUS

Thirty-eight Medford High School boys made up the Male Chorus. They comprised the male section of the Choraleers and participated in the activities of both choruses. During the Christmas season the Male Chorus carolled throughout the high school; many entertained at community activities and sang at the Christmas Assembly. In April the Chorus displayed their talent at Medford High's Spring Concert. To finish the activities for the year the Male Chorus sang at the Annual Musical Festival and received a rating of "excellent." The Male Chorus has also sung at various organizations outside of school upon special request.

One event that will long be remembered by a certain few in the class of 1960 was their participation in the ceremonies of the 1959 Senior Week. During their junior year one boy and one girl were elected from each homeroom to serve as a marshal and usher. The marshals in either blue or beige organdy dresses, escorted by the ushers in white dinner jackets, added spark and pep to the graduation, Class Day, and Senior Reception.

Our deepest appreciation extended to Miss Baker, Miss Walsh, and Mr. Hobart who advised us and made our participation as marshals and ushers a complete success.

The Protective Department is the most important student action department in the school. Only the most reliable students are chosen to participate in this activity. These students are stationed at various places throughout the buildings. Their duties include preventing students from entering closed buildings while classes are in session, maintaining orderly conduct in the corridors at recess, and directing visitors to classrooms and offices.

THE SENIOR ADVISORY COUNCIL

Prom Time? When? Where? What's on the menu? Who is to decorate? These are the questions that are decided upon by the Senior Advisory Council. This group is composed of a representative from each senior homeroom, of the senior class offices, and of the class advisors. The members act as the spokesman for their classmates, reflecting their ideas and their wishes. In this way the group votes on those prom wishes, plans the Senior Reception, and decides upon our graduation activities.

The Student Cabinet is that phase of Medford High School government which resembles the U. S. Senate. It is made up of club presidents, senior class officers, junior and sophomore class presidents, and heads of publications. With the House of Delegates it composes what is known as the Student Council. This year, as always, under the guidance of its advisor, Mr. Hormel, the Cabinet has made many decisions and served the school to the best of its ability. It has organized new corridor passing procedure, drawn up legislation for Student Government Day, and dealt with prominent school problems.

The Vocational School Male Chorus is made up of twenty members.

Rehearsals are held on Monday and Wednesday from 1:30 to 2:30 under the direction of our advisor in the theory room.

The group has participated in the Northeastern Massachusetts Music Festival, have sung for the St. James Women's Club, the First Baptist Church, and also taken part in the Christmas Assembly and caroling. It sang traditional Christmas carols throughout the vocational school and high school. On December 23 school assemblies were held for all pupils. At this time the Vocational Male Chorus, along with the High School Male Chorus, song "Christmas Awake," "Go Tell It On The Mountain," and "Hark! What Mean Those Holy Voices?"

This group sang with the Choraleers for the Medford Rotary Club at their December meeting on December 17; later, on the same day, they sang for the Fortnightly Club.

VOCATIONAL STUDENT COUNCIL

President: William A. Mahoney
Vice-President: Anthony R. Carrillo
Secretary: Richard Domenico
Treasurer: Thomas G. Tassi
Advisor: Mr. P. Joseph Corrigan

During the past year the Vocational Student Council, which was comprised of representatives from the trade school, has successfully managed and directed the school's cafeteria. They were responsible for the proper dress of the student body. If, for example, a boy was discovered wearing such apparel as dungarees, he was immediately brought and tried before the Council and a punishment was immediately levied. At Christmas time and on many other occasions the chorus sponsored by the Council offered their splendid singing to the student body of Medford High School. As a thrilling climax, this student government body sponsored the memorable senior banquet which met with everybody's approval.

Washington – New York Trip

A party of seniors began their tour when they left Medford High School by Greyhound Motor Coach at 8 A. M. on Monday, April 18. They arrived in Washington at 8 P. M. where rooms had been reserved at Hotel Burlington, located on Vermont Avenue and Thomas Circle.

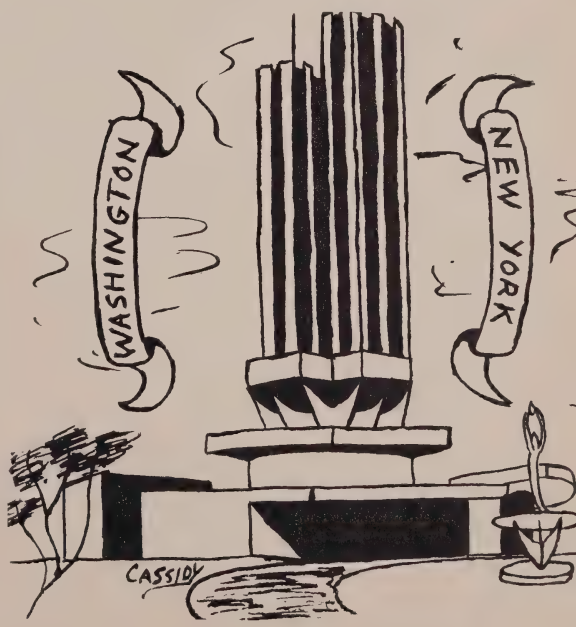

At 8 A. M. on Tuesday the party went to the Bureau of Printing and Engraving where they saw the actual printing of paper money in many denominations and the making of various stamps and publications for the government. The Washington Monument and White House, home of the President, with a guided tour of the palatial mansion, were next points of interest. In the afternoon the group saw the Lincoln Memorial. They then rode around the basin and along the Haines Point Drive which is lined with Japanese cherry trees. The Jefferson Memorial was next on the agenda. Crossing the Potomac into Virginia, the group visited the Arlington Tomb of the Unknown Soldier.

The most interesting public buildings seen on Wednesday were the U. S. Capitol, Congressional Library, Supreme Court, Smithsonian Institution, and the Federal Bureau of Investigation.

The group saw the United States Naval Academy at Annapolis en route to New York City.

After a tour of Statue of Liberty, United Nations, and NBC, the tired, but happy seniors set out for Medford.

The group was deeply grateful to Mr. Appiani, our faculty advisor.
