Farewell and

CHARLES W. BORDEN

We, the members of the Class of 1961, wish to pay homage to one of our faculty who is about to retire after thirty years of teaching and service to the school and country.

Mr. Borden came to the Melvin Weldon Vocational School and opened the Painting and Decorating Department in 1931. He taught in shop and related subjects until 1956 when he became academic teacher of history, economics and citizenship. In these years he has been teacher and counselor to many hundreds of young men; all have profited from their contacts with Charles W. Borden.

A veteran of World Wars I and II, he achieved the permanent rank of Lieutenant-Colonel; during the second war Mr. Borden wore the star of a Brigadier General as commanding officer of the harbor defenses of Boston. After the war he was in the Army of Occupation in Japan.

A scholar as well as a soldier, Charles W. Borden has his Bachelor of Science and Master's degrees from Tufts University.

It is with enthusiasm that we tender this man of such broad experience and influence upon us the very best wishes for happiness and a well-earned retirement.

God speed

RICHARD E. DEMUZIO

The Class of 1961 pays its respects to one who has been an integral part of the school for thirty years. Richard E. De Muzio, sheet metal teacher in the Melvin Weldon Vocational School, has been a member of the faculty since the founding of the school in 1930.

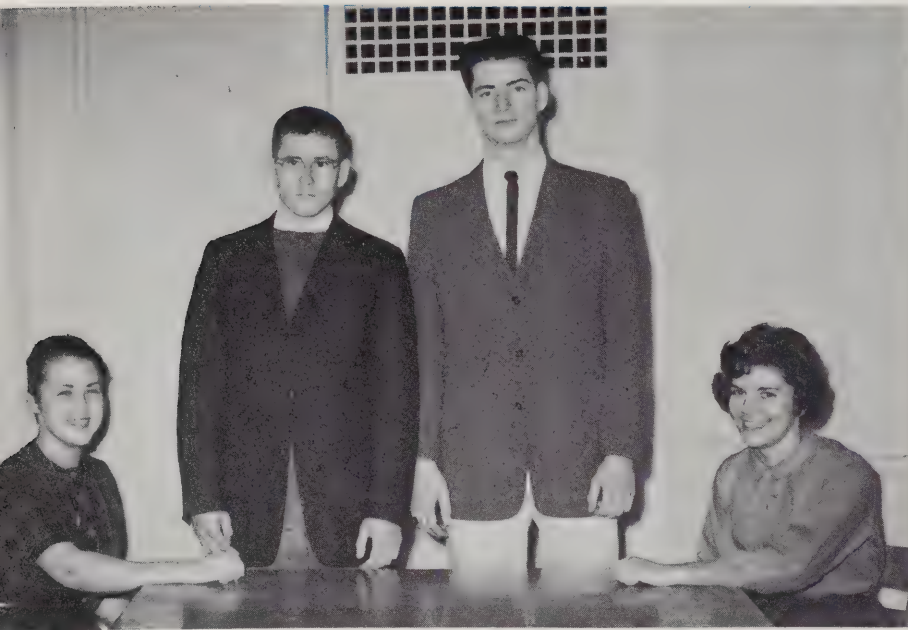

Coming from private industry, where he was a master sheet metal worker, Mr. De Muzio has imparted the knowledge of his trade to many generations of classes in expert fashion. From his teaching, graduates have become adept at their trade. Very few

men are able to count so many as their friends.

Mr. De Muzio is a graduate of Franklin Union. He is also a Purple Heart recipient of World War I. In addition to teaching in Medford, Mr. De Muzio has taught in the Everett Evening School.

To you, Richard E. De Muzio, we extend our heartfelt wishes for the very best of everything and a long and prosperous retirement.

J. NORMAN CRANDALL

The most accurate guage of a man's character is the esteem in which he is held by his fellow workers. Further, the most touching eulogy and most significant indicant of a teacher's capability and success is the remarks of the boys who were in his charge. That J. Norman Crandall was superior in all categories is evident in the following comments of his pupils.

"The best teacher here; he really knew how to get a point across."

"The best man I ever knew."

"If it hadn't been for Mr. Crandall, I never would have come this far; he was tops in his field and had a wonderful teaching method. Even though he was sick, he was wonderful to me."

"Always willing to help others, he was a man to whom we could go with our troubles."

"He was always thinking of other people, instead of himself. He taught me practically everything that I know."

Such a man will be missed.

Memoriam

RICHARD J. PHELAN

The most beloved of our teachers, a man who was kind and considerate of all with whom he dealt, Richard J. Phelan has passed on, leaving in his wake a void that is not to be filled. He was a teacher of tenacious purpose and a friend with unflagging loyalty; he needed no rigid rules of discipline, for all respected his unequivocal fairness and kindness. His sense of humor made his classes interesting and lent to the knowledge which we gained from this superb teacher.

A gruff gentleness typified Mr. Phelan when a word of censure or advice was needed. Pupils who went to him with problems found him an attentive and willing listener; they found the generous kindness which they were seeking. We have lost a dear friend.

His true love of children was the impelling force in his many generous gestures to young people, both within the school and in his private life.

Among his teaching and athletic colleagues, Dick was respected and loved; they, too, have lost a true friend who had never done harm knowingly to anyone.

May the soul of this dear man rest in peace.

JOSEPH EDWARD FRAZER

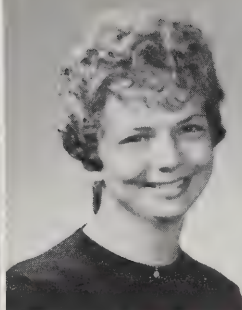

The quiet ways of Edward will never be forgotten. His neatness of dress and politeness of manner always set an example for his classmates. He performed all work with unassuming thoroughness and expertness that made him the envy of the Cabinet Making Department.

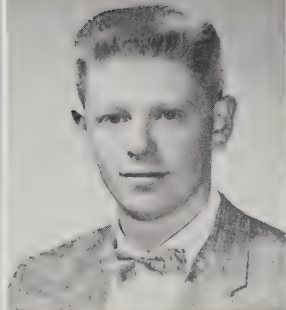

His unfeigned character will always be remembered by the Class of 1961.

The Mustangs suffered a bad defeat in their opening game of the season, but there were many things which gave them heart for the games to come. Their opponent was one of the strongest teams in the State. In spite of that, Paul Sacco and Al Sparling scored touchdowns in the fourth period, the former on a 5-yard end run and the latter on a 3-yard off-tackle slant.

Boys who did well in the losing cause were Larry Center, who completed 5 of 11 passes, Al Sparling, who gained over 100 yards, and Paul Sacco, who averaged over $5\frac{1}{2}$ yards each carry.

Medford 8

Chelsea 0

In the second game of the season the Blue and White won its first victory by putting up a stubborn defense to protect the one touchdown lead gained in the fourth quarter. All through the first three quarters the Mustangs outplayed the opponents but were unable to push across a score.

Paul Socco intercepted a Chelsea pass deep in their territory and went the distance for the winning touchdown. Tom Kelly scored the two-point conversion on a handoff.

Both Sacco and Kelly were outstanding on defense.

The team looked much better.

Medford 8

Medford dropped below the .500 mark in this game, but the boys did a good job against a team that later did credit to itself.

Kelly made the touchdown on a handoff from Larry Center; he crashed over tackle for the score. Jordan completed the 8-point total with a dive over the Somerville for the two points.

On defense Paul Sacco saved the Mustangs on numerous occasions with jarring tackles. In spite of the loss, the team looked better than in earlier games.

Somerville 12

Medford 12

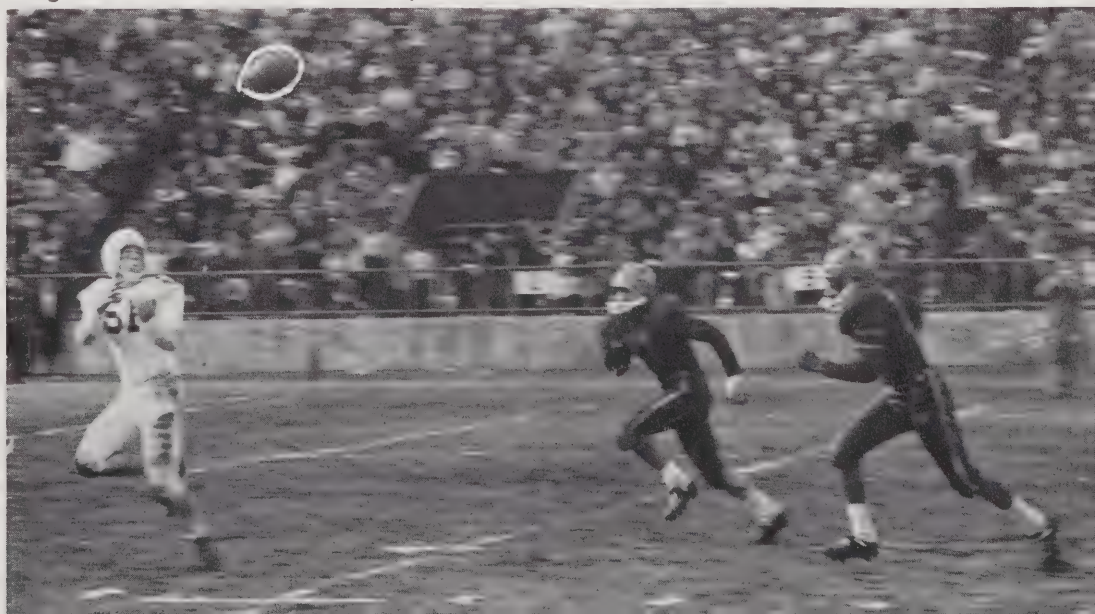

This game proved to be a heart breaker for the Blue and White, for the team was on the way back to an even record, but breaks were not in their favor.

Kelley again was cast in a star's role, for he went 49 yards to set up the first TD by Gullage from the one-yard line. Sacco also did his share in this game by setting up the second touchdown with a long run. Jordan scored from the 12 on a very beautiful run.

Once again the defense did a creditable job.

Medford 0**Everett 32**

Medford suffered its first shutout of the season at the hands of powerful Everett.

Not much can be said of the offense other than to state that young Wyshak was a bundle of drive. Also, the boys never gave up to the vastly superior opponent.

R-R-REACH !!

Medford 18**Newton 8**

Victory No. 2 was entered on the books when the Mustangs put on a brilliant last-quarter show against the Tigers of Newton.

Again Paul Sacco provided the offensive fireworks with his bull-like charges into the line; he scored the first and third touchdowns and gained a great deal of ground throughout the game. Fred Dello Russo made a spectacular catch in the end zone for the second TD. Larry Center at QB was excellent in the passing department; he threw the TD pass and also did some flashy running.

The line was great on defense and opened great holes for the backs. Larry Center also had plenty of time to pass as a result of the line's protection.

Medford 6**Haverhill 26**

The Mustangs came a cropper in their game with Haverhill, outstanding team in the league north of us. Their power and deception proved our undoing.

However, John Miller, playing at defensive center, garnered a fumble in midair and ran 94 yards for a touchdown. This was the longest run of the season for the Blue and White.

Medford 16**Quincy 26**

In a thriller Medford completely outplayed its rival in the first half, leading 16-12 at intermission. At one time the score stood 16-6 in favor of the Mustangs. With only seconds to go in the first half, a long, prayerful pass set up Quincy's second TD.

Paul Sacco again starred for Medford, scoring two touchdowns, one from one yard out and another on a driving 13-yard run. Skippy Jordan bucked for the first PAT; Bob Gullage also crashed over for the second two-pointer.

A rejuvenated opponent dominated the second half. Nevertheless, the Mustangs gave a very hopeful exhibition.

Medford 6**Malden 50**

Defending champions of the Greater Boston League went on to win their second successive title in this game.

The highlight for Medford was the pass from center to Newman for the Medford TD in the third quarter. Also starring in the losing cause were two very fine backs, Paul Sacco and Jordan, both of whom gained sizable yardage for the Mustangs. John Hunt was prominent on defense for the Blue and White.

While the record was not too impressive, the boys put out their best efforts. Another season may bring better things, for there are many underclassmen moving up to replace the seniors.

Watertown 1

Keeping alive its string of victories, the Medford soccer team won its third in a row with a very fine team effort.

Starring for the Mustangs were Downs, Doherty, and Rumley. Downs scored two goals; Doherty and Rumley got the other two scores. Chipping in with assists were Russman (2), Clifford, Doherty, Myers, and Rumley.

The defense did a very good job in keeping their opponents at bay.

Medford 8

Boston Latin 1

In the most prolific scoring game of the season the Mustangs pinned their Boston rivals to run the Medford string to four straight without defeat.

An outstanding team effort was made by the team's co-captain Mike Rumley; he assisted in six of the eight goals. Downs and Doherty each had two goals and one assist for three points in total scoring. Clifford with one goal and one assist had two points; Griffin, Collins, and Feeney had a goal apiece, while Myers, Petrone, and Kane had an assist apiece to complete the offensive credits.

Medford 4

Belmont 1

The Mustangs opened the 1960 soccer season with a resounding win over their first opponent. Goals by Mike Rumley, Hickman, and Doherty (2) gave the Blue and White the scores. Assists by Myers and Rumley aided the cause.

Defensively, Charlie Aston did a superlative job in the goal, turning back all but one of the threats by Belmont. Offensively, John Doherty with his two goals was outstanding.

Medford 2

MIT Frosh 1

A second straight win was registered by the footmen when they went out of their class to engage the freshmen of MIT. The game was hard fought throughout. RHB Gerald Lynch was scintillating on offense.

The goals were registered by Mike Rumley and Sandy Clifford, with Clifford and Doherty assisting in that order. Again, Charlie Aston did a very creditable job in the goal to turn aside the high-scoring college freshman team.

Medford 5

Tufts Freshmen 1

Stepping out of its class for the second time, Medford again kept its unbeaten skein intact. Goals by Downs (2), Doherty, Rumley, and Clifford, combined with assists by Rumley (2), Downs, Doherty and Yavanian, gave the Mustangs their fifth straight victory.

Again, Charlie Aston sparkled in the goal; Rumley came up with two more assists and a goal, and John Downs had a pair of goals and assisted in one. All in all, it was a tremendous team effort.

Medford 4

Browne & Nichols 2

The Blue and White again defeated a team out of its secondary school classification to stretch its winning streak to six. John Doherty was the big gun offensively, while Pat Petrone did a very effective job on defense, especially during the two overtime periods, in turning back the prep school lads.

Doherty had three goals and assisted on the fourth to take scoring laurels. Assists by Cooper and Hickman accounted for all the remaining scores.

Medford 4

Watertown 0

The Mustangs scored their first shutout of the season in the return game with Watertown; it was their seventh straight victory of the 1960 season.

Charlie Aston was outstanding in the goal, frustrating every effort of the opposition to score. Again, Doherty was the leading goal getter with two; Rumley and Downs scored the other two. Clifford led with two assists in that department; Downs, Johnson, Myers, Rumley, and Henry each had one assist.

Medford 1

Andover Academy 2

Andover Academy, one of the strongest prep school teams in the East, finally brought the victory skein of the Mustangs to an abrupt end at seven. Although defeated, Medford was in the game to the very end; the game proved to be a contest between a fighting eleven and an experienced team of advanced soccer men.

In defeat, Charlie Aston was superb in the nets, and John Yavanian was outstanding on defense and maneuvering. The latter broke up many Andover rushes, while the former made numerous excellent stops.

To lose to this team was no disgrace.

Medford 5

Belmont Hill 3

Rebounding from their first defeat of the year, the footmen overwhelmed another prep school adversary by a slashing attack. Downs and Doherty were the big guns on attack, each scoring two goals; Rumley scored the fifth one. Clifford, Hickman, and Rumley had the assists.

In the goal Charlie Aston did a good job. The entire defense had a difficult time with this leading team; it is to our credit that we took this opponent into camp.

Medford 1

Exeter Academy 6

Finally the Mustangs suffered the physical letdown necessary to a team playing such a rugged schedule; the loss to Exeter, top-rated prep school team, was not as one-sided as the score seems to indicate, however.

Rumley, assisted by Myers, booted home the one goal for the Blue and White.

Medford 0

Governor Dummer 0

Rebounding from the letdown, Medford came back to tie the leader in the prep school league. This team defeated Andover, one of our conquerors.

The game was a supreme team effort. In shutting out this opponent, the defense did a superlative job.

Medford 2

Belmont 0

The final game of the season saw Medford score its second consecutive shutout and the third of the season.

Defensive brilliance and sparkling goal-tending were the features of this final contest of a very successful season for the footmen of Medford.

Offensively, the Mustangs scored on goals by Rumley, assisted by Lynch, and Clifford, assisted by Myers.

Coach Stillman and his soccer men have reason to be proud of another season's record which is on the winning side of the ledger. Nine victories, one tie, and two defeats—both by leading prep school teams—make a very commendable slate.

Congratulations to the soccer team of 1960 and to the newly elected captain for 1961, John Yavanian of the Class of 1962.

A second-half surge by the Mustangs foreshadowed better things to come. A slow start by this green team made their task all but insurmountable. In spite of a 27-point deficit at half time, Medford came back strong to close the gap, outscoring their opponents, 45-40, in the second half.

Featuring the rally was an all-count press which held Quincy in check. Charlie Eshbach, with 15, Fran Griffin, with 13, and Tommie Mandile, with 10, were the offensive stars. All were playing their first varsity game.

Medford 63

A slow start left the Mustangs three points down at half time, but a strong finish to this hard fought game put Medford in the van by 13 points. Charlie Eshbach sank ten floor goals for 20 points to lead the Medford scores. Eddie DiGiacomo made double figures with a ten-point effort on three floor goals and four fouls. Fran Griffin came up with nine points.

LAYUP

A second-half press proved effective in stopping the high-scoring Revere team. Tommie Mandile and Griffin aided with their ball-stealing efforts.

Quincy 77

Medford 67

With an effort which far surpassed their play of the first two games, the Mustangs overwhelmed favored Everett league Co-champions of the 1960 season. A fast start and a tight defense gave the Blue and White a 39-13 halftime advantage. Fran Griffin and Eddie DiGiacomo were the offensive stars with 20 and 19 points, respectively.

Pat Petrone and DiGiacomo controlled the boards for Medford with 15 rebounds apiece. The double-team guarding of Eshbach by Everett left many openings for Griffin and DiGiacomo, with Petrone feeding them with shots.

This was a great team effort.

Everett 43

Medford 58

The Blue and White lost a thriller to 1960 co-champion Malden. A flaw in the defense and a slow start caused this nine-point loss. The last quarter saw the Mustangs closing the gap, but time ran out. Ed DiGiacomo scored 15 points with five floor goals and a like number of fouls. Charlie Eshbach and Pat Petrone picked up 12 and 11 points, respectively.

This Mustang team showed great promise in this thrilling loss to last year's league co-champion.

Malden 67

Medford 65

The Mustangs began the New Year on a winning note. Defense and offense were perfectly balanced in this impressive win. Eddie DiGiacomo topped the scorers with 20 points in a scintillating exhibition of floor and foul shooting. Bill Myers and Charlie Eshbach, with 11 and 12 points, were next in scoring for the Blue and White.

Harold Harris and Steve Scibelli were effective off the defensive and offensive boards with Steve picking up eight points.

This third win over a strong opponent gave notice of a powerful Mustang five which needed only to start fast.

Medford 60

The Mustangs won their fourth victory of the young season with a thrilling finish. Only eight seconds remained in the game when Fran Griffin and Tom Mandile completed their sinking of three fouls to break the 57-57 tie.

At half-time, the Mustangs led 32-24, but Weymouth hit a hot streak to tie, 43-43, as the third quarter ended.

Fran Griffin, with six floor baskets and seven fouls, led the scoring with 19 points; Charlie Eshbach and Eddie DiGiacomo came up with 12 apiece. The defense did a good job in holding an improving opponent beneath the 60-point level.

Weymouth 57

Medford 67

The Mustangs snapped their two-game losing streak with a strong win against a very capable team. Another hero, in the person of Steve Scibelli, featured Medford's offense with 20 points on seven floor goals and six fouls. Petrone and DiGiacomo hit double figures, 13 and 10 respectively.

A very strong first half, in which they gained a 33-18 lead, allowed Coach McGrath to give his entire bench needed experience for the rugged schedule ahead.

Lowell 54

Medford 45

A combination of Chelsea height a bandbox gym was too much for Medford in this game. The Mustangs had only 29 rebounds to 43 by the victors. Again, a slow start hampered the Blue and White, for they notched only three points in the first period. From then on, the game was even.

Leading scorers for Medford were Charlie Eshbach and Fran Griffin, with 15 and 10, respectively. Frannie continued to lead all foul shots with 6 free throws.

At this point in the season, the team's slate was a creditable 4 and 3, already an improvement over the previous year's record.

Chelsea 51

Medford 72 Revere 76

A whirlwind finish by the Mustangs fell short of winning this rugged game. Trailing by 17 points going into the last period, the Blue and White put on a garrison finish, only to wind up four points short after two layups in the last two minutes. It was a thrilling finish for which the Medford lads need not apologize.

Ed DiGiacomo was the high with six floor goals and four fouls for 16; Scibelli and Griffin chipped in with identical totals made up of six floor baskets and three fouls. Russman, with 8, just missed double figures.

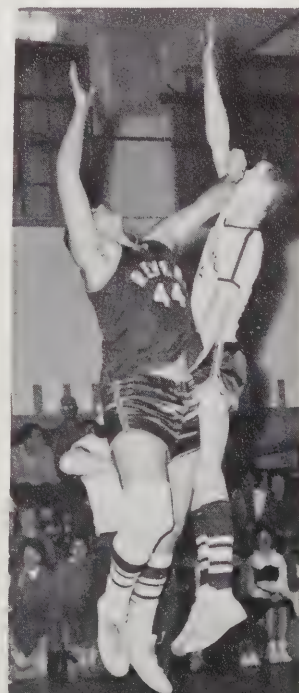

Medford 51

After playing co-champion Somerville to a 27-27 tie in the first half, the Mustangs finally succumbed to the superior manpower and height of their opponent. This spirited game evened Medford's league record at four wins and four losses.

Again, Fran Griffin was top man at the foul line, sinking six free throws to make his game total 14 points. Eshbach and Scibelli each got ten in the losing cause. Petrone barely missed double figures with nine.

Somerville 62

SORRY!!

Medford 58**Everett 55**

Again the Mustangs showed an ability to win the difficult ones with a hard-fought victory over Everett's co-champions.

Enjoying a 31-24 lead at halftime, Medford had to prove its mettle with a great second half stand. Petrone with 16 rebounds and Scibelli with 15 were dominant off the boards. Eshback (12) and DiGiacomo (11) also were prominent in the second half defense.

Fran Griffin with six fouls and five floor goals for 16 points was high scorer; Scibelli and Eshback each got 12, while Petrone picked up 9 and DiGiacomo 7 to contribute mightily to the offensive cause.

An improving Blue and White team gained a great team victory.

Medford 53**North Quincy 47**

Rebounding after a very weak first period production, the Mustangs overpowered their opponents in the second period by 11 points. From then on, the game was a see-saw affair, with the Blue and White's showing a very effective defense to stop the rivals short of tying.

After the first period the game was featured by a team effort on defense. Outstanding offensively were Charlie Eshbach and Eddie DiGiacomo with 12 points each. Just short of double figures were Scibelli and Mandile with eight apiece.

This was a great team effort all the way.

Medford 61**Somerville 85**

For the second game in a row, Medford ran up against a red hot team, fighting its way into the tourney. Again, the third period was the jinx for the Mustangs. Only 4 points down at the half, the Blue and White was outscored by 14 points in the third.

Fran Griffin was high with 19, Steve Scibelli next with 13; White featured at the foul line with 9 straight tosses.

Medford 63**Quincy 78**

The Blue and White played league-leading Quincy to a 38-38 tie for the first half of this torrid game, but the over-powering height and experience of the opposition was too much in the second half.

Outstanding for Medford was Steve Scibelli who again led the Medford scoring with 5 floor goals and 6 fouls for 16 points. Griffin and DiGiacomo made double figures with 10 apiece, followed closely by Petrone and Eshbach with eight.

Medford 50**Weymouth 60**

The Mustangs ran into first and third quarter trouble in their quest for their eighth victory. Held to six and nine points in those two quarters, the Blue and White found the handicap too great to overcome. They took enough shots, but their hands were cold.

Fran Griffin led the Medford scoring with six floor goals and a foul; Bob Russman had 11, including 3 floors and 5 fouls. No one else came close to double figures, so the boys succumbed in spite of a 22-point fourth period.

**TOP
TAP****Medford 56****Malden 77**

A barren third period in which the Mustangs scored only 7 points proved the undoing of the Blue and White in this thriller with the co-champs.

Again Steve Scibelli was the high man for Medford with 5-7-17; Ed DiGiacomo had 10 to make double figures.

Medford 66**Chelsea 79**

The Mustangs met a red hot Chelsea on its way to a tourney berth on the wings of an eleven-game winning streak. The third period again proved to be the Achilles heel of the Blue and White, for they were outscored 17-6 in that stanza.

Fran Griffin and Pat Petrone were the leading Medford scorers with 12 apiece; Fran got 8 from the foul line. Eddie DiGiacomo hit for 11 and Charles Eshbach for 10 in the losing cause.

Medford 72**Lowell 51**

The Mustangs finished the season in a blaze of glory with a smashing victory and the elimination of the third-period jinx. In the third period the Blue and White outscored the opposition, 16-5, to pull away after leading, 33-31, at the half.

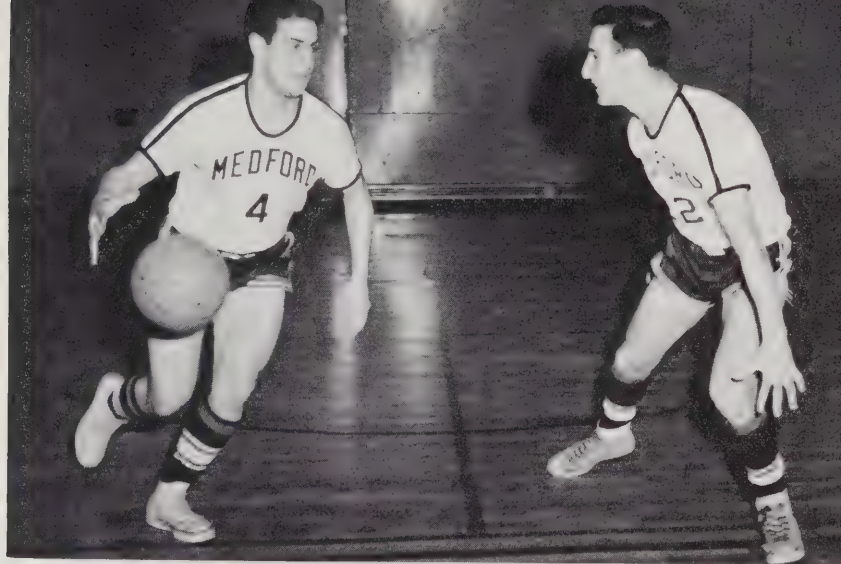

Dave White was the leading scorer for Medford with 14 points. Newly elected Captain Fran Griffin and Steve Scibelli had 13 apiece; Tom Mandile hit for 10 to round out the double-figure Medford scorers. Fran's total gave him the scoring lead for the season with 213.

Since the Bay State Tourney took place after this book went to press, the results do not appear herein. The season record of 8-10 was a great improvement over last year's record.

Congratulations, Mustangs!

The Blue and White inaugurated the 1960-1961 track season with a thrilling meet and a stellar team performance. Winning only two individual events and the 4-lap relay, the Mustangs showed extreme balance by picking up enough second and third places to tie the meet.

Kline and Zaslaw were high scorers with $9\frac{1}{4}$ and $7\frac{1}{4}$ respectively. Birdie won the high jump with a leap of 5' 10"; Steve took the hurdles with a 6.2 timing. Pashoian, Eshbach, Feeney, Hickman, Kline, Cantillon, and Quinlan picked up seconds; Zaslaw, Kane, MacDonald, Collins, and Ricker garnered all-important thirds.

Medford scoring:

Newton 44

The Mustangs, for the second consecutive week, did a spectacular job in their Met League meet with Newton, losing in the final relay by inches. A victory in this event would have meant victory to the Blue and White.

Again Kline and Zaslaw starred in their events, with Co-Captain Burtie's first place in the high jump with a leap of 5' 11" and Steve's 6.2 win in the hurdles. Burtie took a second in the hurdles and Steve a third in the high jump for 8 and 6 points respectively. Dick Pashoian and Charlie Eshbach garnered first places in the shotput and mile, respectively. Feeney, Collins, Hickman, and Kane picked up seconds in the 300, 600, 1000, and mile to swell the point total. Gibson and Quinlan took thirds in the 1000 and 50 to complete the Medford scoring.

Medford scoring:

High jump: 1-Kline, 5' 11". 3-Zaslaw; Shotput: 1-Pashoian, 44' $1\frac{1}{2}$ "; Mile: 1-Eshbach, 5.01:3, 2-Kane 300: 2-Feeney, 600: 2-Collins, 1,000: 2-Hickman, 3-Gibson; Hurdles: 1-Zaslaw, 6.2, 2-Kline; 50: 3-Quinlan.

The Mustangs won all but two first places in this Met League meet. Four seconds and six thirds swelled the point total to provide a comfortable margin.

Continuing undefeated in dual meet competition were Kline, Zaslaw, and Eshbach in their specialties. Again, Burt and Steve took scoring laurels with $9\frac{1}{4}$ points each; Quinlan and Feeney with $7\frac{1}{4}$ and $6\frac{1}{4}$ were close to the leaders. Firsts by Haley, Eshbach, and Pashoian gave each man 5; Collins and Ricker picked up 3 apiece with their seconds. Thirds by MacDonald, Penta, Cantillon, Kane, and Drausche completed the total.

Medford scoring:

300: 1-Haley, 39.3s, 3-MacDonald; 600: 1-Feeney, 1:24.5, 2-Collins; High jump: 1-Kline, 5' 3", 2-Zaslaw, 3-Quinlan; Hurdles: 1-Zaslaw, 6.3s, 2-Kline, 3-Penta; 1000: 3-Cantillon; 50: 1-Quinlan, 5.9s, 2-Ricker, 3-Drausche; Mile: 1-Eshbach, 5:07.9, 3-Kane; Shotput: 1-Pashoian, 40' 11 $\frac{1}{4}$ "; One-lap relay: 1-(Feeney, Kline, Quinlan, Zaslaw).

Medford 41 $\frac{1}{2}$

Andover High 23 $\frac{1}{2}$ Andover Academy JV 23

In the annual triangular meet with Andover High School and Phillips Andover Academy JV, the Mustangs came out on top with a show of power that gave them a total almost as great as the combined total of the two opponents. Kline led the victors with 11 points; Zaslaw with $8\frac{1}{2}$ and Quinlan with 7 were close. Firsts by Collins and Feeney gave each boy 5; Gibson and Cantillon had three and two respectively.

Medford scoring:

High jump: 1-Kline, 5' 7", 3-Quinlan, 4 (tie)-Zaslaw; 300: 1-Feeney, 35.5s, 2-Zaslaw; 1000: 2-Gibson, 3-Cantillon; Hurdles: 1-Zaslaw, 6.2s, 2-Kline; 50: 1-Quinlan, 5.8s, 2-Kline; 600: 1-Collins, 1:23.

State Meet

Medford came up with ten points in the annual State Meet in which members of all teams in all classes competed. Co-Captain Burt Kline got a second in the Class A hurdles and a third in the high jump. Steve Zaslaw took a third in the hurdles final. Burt scored seven and Steve three for the seventh-place team finish.

Medford 41 $\frac{2}{3}$

Malden 40 $\frac{1}{3}$

Alance again proved to be the weapon which defeated arch rival Malden by a mere point and one-third. In this meet a tie for third meant the difference between a tie and a win; a third place meant the difference between victory and defeat. The Mustangs can be proud of pulling this one out of the hat.

Medford gained only three individual firsts; Kline in the high jump, Hickman in the 1000, and Zaslaw in the hurdles. However, the team win in the one-lap relay and six seconds helped the cause. All-important thirds were taken by Kane, Haley, and Ricker; Zaslaw and Quinlan figured in a three-way tie for third in the high jump. Kline, Feeney, Quinlan, and Zaslaw ran in the one-lap relay which sewed up the meet.

Medford scoring:

Mile: 3-Kane; 300: 2-Feeney, 3-Haley; 600: 2-Collins; shotput: 2-Pashoian; 1000: 1-Hickman, 2:38.2, 2-Gibson; high jump: 1-Kline, 5' 8", 3-(tie-Zaslaw and Quinlan); hurdles: 1-Zaslaw, 6.4s, 2-Kline; dash: 2-Quinlan, 3-Ricker; One-lap relay: 1-(Kline, Feeney, Quinlan, Zaslaw), 1:25.2.

Medford 27 $\frac{1}{2}$

Huntington 49 $\frac{1}{2}$

Medford stepped out of its class to duel the prep school powerhouse. Burtie Kline was the leading scorer with a first, a tie for first, and a second; Zaslaw had a first, second, and third for 9 points to Burtie's 12. Quinlan with a second, Feeney with two thirds, Hickman with one third, and Collins with a tie for third were the scorers for the Mustangs.

Medford scoring:

High jump: 1-(tie) Kline, 5' 7", 3-Zaslaw; 300: 2-Zaslaw, 3-Feeney; 600-3 (tie) Collins; 1000: 3-Hickman; hurdles: 1-Zaslaw, 6.1, 2-Kline, 3-Feeney; dash 1-Kline, 5.2, 2-Quinlan.

Medford 25

Rindge 57

Captain Burtie Kline, Steve Zaslaw, and Charlie Eshbach featured Medford's scoring with 8, 6, and 5 points, respectively. Captain Burtie forsook the hurdles for the dash in this one to take a first place in the latter; with his second in the high jump he managed his 8 points. Steve took his specialty along with a third in the high jump. Charlie Eshbach led the milers home for his five. Haley, MacDonald, Gibson, Anderson, and Feeney chipped in with third places to complete the Medford total.

Medford scoring:

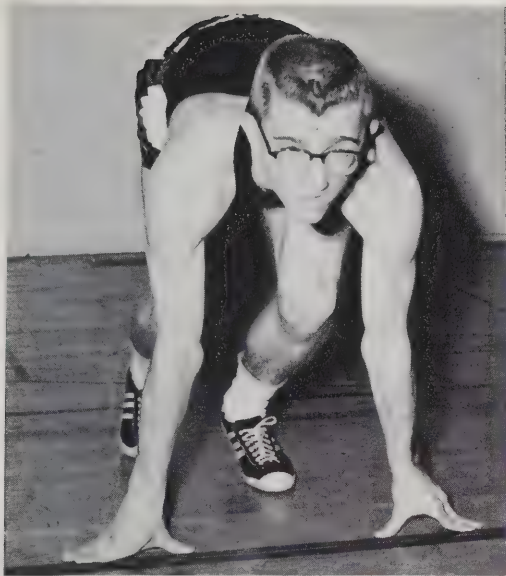

300: 3-Haley; 600: 3-MacDonald; Mile: 1-Eshbach, 5:01.1, 3-Cantillon; 1000: 3-Gibson; Shotput: 3-Anderson; Hurdles: 1-Zaslaw, 6.1 s. 3-Feeney; High jump: 2-Kline, 3-Zaslaw; 50: 1-Kline, 5.8s.

Medford 2

Somerville 2

A fighting Medford Mustang sextet overcame a formidable lead to tie Somerville in the opening hockey game of the 1960-61 season. Ed McCarthy and Jackie Downs scored goals for Medford in their uphill fight. The same two men got assists on the goals.

Clifford, Riley, and Maryanski did a stellar job on defense as Medford was short-handed on several occasions.

Fazio's work in the nets was impressive.

Medford 2

Waltham 4

Fighting back on two occasions, Medford twice scored the tying goals, only to see victory slip from its grasp as favored Waltham scored twice in the last minute of this rugged game.

Chad Aston tied the score at 1-1 in the second period; it was an unassisted goal. Ed McCarthy came up with his second goal of the season to tie at 2-2; this, too, was an unassisted effort.

Fazio had 16 saves in the goal.

Medford 5

Rindge 5

The Mustangs played to their second tie of the young season. At :32 of the second period Medford led, 4-1, but the Blue and White saw its lead melt to a 4-4 tie by 3:53 of the third period. Another Medford goal at

8:30 was followed by a Rindge score at 9:51; the game ended in a 5-5 tie.

Sandy Clifford was high-goal man with two, one unassisted. Downs (unassisted), Bergen, and McDermott each scored a goal. Downs and Riley had two assists apiece.

Medford 2

Cambridge Latin 5

Jackie Downs and Mike Bergen starred in a losing cause as Medford played one of the league leaders.

The first Medford goal came at :54 of the second period. Mike Bergen got an assist when he fired at the CLHS goalie, only to see the shot deflected; however, Jackie Downs sank the rebound for Medford's first goal.

The same combination worked for the Mustangs' second goal at :51 of period three.

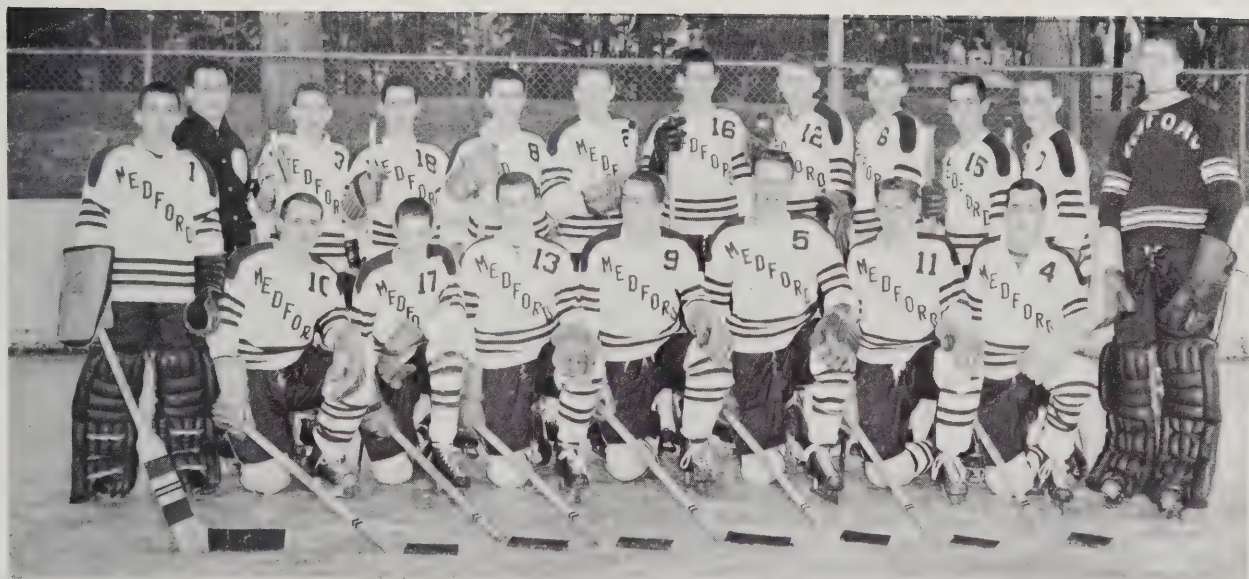

Franceschi had 16 saves in his debut as goalie in a league game.

Medford 1

Newton 4

In spite of carrying the play to their opponents and forcing the goalie to make 21 saves, the Blue and White lost a frustrating game to Newton. Team play of the Mustangs was excellent, but misfortune dogged their steps.

Chad Aston, assisted by McDermott, scored at 8:16 of the second period.

Kneeling: M. Bergen, D. Walsh, L. MacAdams, J. Downs, C. Aston, R. Clifford, K. Maryanski. **Standing:** J. Fazio 63, Mr. Brady, W. Riley 63, J. Ciavardone 62,

S. Cashman 62, D. Buckley 63, J. Ward 62, P. McDermott 62, E. McCarthy 63, A. Coronella 63, J. Boretta 63, D. Haze 63.

Co-Captains: Charles Aston, John Downs. Manager: John Powers. Coach: Peter Brady.

Medford 3

Brookline 1

The first win of the 1960-61 hockey season was particularly impressive. After losing to Newton, the Mustangs rebounded with their best game of the season to that point.

John Fazio in the nets did a very impressive job, limiting the Wealthy Towners to a single score; he had 11 saves. After his Newton goal, Chad Aston became wing for this game; at 4:40 of the first period he scored with Sandy Clifford assisting. McCarthy, assisted by Riley and Aston, scored at 5:42 period three. Jackie Downs, with a pass from McDermott, eluded the entire opposing team to score his eighth point of the season at 9:51 of the final period.

Medford left the cellar with this win.

Medford 1

Arlington 3

A vastly improved Blue and White hockey sextet fought undefeated Arlington almost to a standstill. Our boys forced the opposing goalie to make 22 saves, many of them spectacular. John Fazio had 17 to make in the Mustang nets.

A goal by Jackie Downs, assisted by Bergen and McCarthy, tied the score at 7:40 of the first period. Downs picked up the loose puck after two blasts by Bergen and McCarthy and beat the goalie.

The Arlington goalie saved his team on 10 occasions as Medford kept the pressure on in period three. It was a heartbreaker to lose.

Medford 3

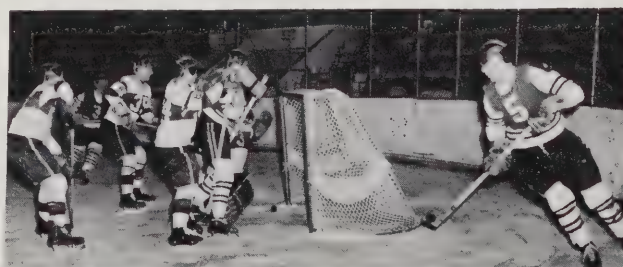

Somerville 3

Medford opened the second half of league competition with another tie with arch rival, Somerville. Clifford's goal at 9:36 of the last period saved the game for the Mustangs.

Jackie Downs opened the scoring for the Blue and White at 2:09 of period one; Sandy Clifford had the assist. At 5:24 of the second period, Clifford and Downs reversed the combination with Sandy getting the goal.

Medford kept the pressure on Somerville throughout, forcing the opposing goalie to make 27 saves. Fazio had 11 stops in the Medford nets.

ONE, TWO, THREE—RED LIGHT!

Medford 3**Waltham 3**

Another tie game for Medford came as the Blue and White battled from a two-goal deficit to go out in front, 3-2, at 8:51 of period two on Downs's goal, assisted by Cashman. Waltham's tying goal at 9:27 of period two was the last of the scoring in a game which Medford dominated by its constant forcing tactics.

The Mustangs scored twice in period one, Clifford at 6:10, assisted by Bergen and Downs, and McCarthy unassisted at 6:23 on a blazing shot from outside.

Medford 4**Rindge 1**

Medford's sophomore goalie with 24 saves, some of them spectacular, featured this second win of the league season. The Medford scoring indicated a team effort; four men scored a goal apiece, with two others getting assists.

Clifford unassisted at 9:48 of period one, McCarthy at 2:18, Downs at 8:17, and Walsh at 8:24 of period two were the lamplighters; Riley (2) and Maryanski had the assists. After the earlier tie game, this was good to win.

Medford 1**Exeter 6**

Stepping out of its class for the annual trip to Phillips Exeter Academy, the Blue and White trailed its power-laden preparatory school rival.

Paul McDermott scored Medford's only goal in period one.

Medford 3**Cambridge Latin 3**

Medford dominated the game throughout, only to have powerful Cambridge Latin tie it up in the waning seconds of the third period. An improved Mustang sextet outplayed its rival all the way.

At 6:14 of the first period Chad Aston, assisted by John Downs, opened the scoring for Medford. Sandy Clifford, with Downs assisting again, shot home another goal at 8:39 of the same period. Medford's last score came at 3:20 of period two; Dave Walsh scored, assists going to Riley and McCarthy.

Cambridge got its tying goal with 27 seconds left in the game.

Medford 2**Brookline 2**

In this game the Mustangs netted their sixth tie of the league season. Leading until 8:12 of the third period, the Blue and White saw another tie placed on the record; this landed them in fourth place in the league at this time. It was a heartbreaker not to win, but the boys did an excellent job in outclassing Brookline most of the way.

For over two periods the Mustangs trailed, 1-0. In the third session Chad Aston and Sandy Clifford hit the twines for a goal apiece to send Medford into the lead. Since changing to forward, Chad has been most effective. Sandy is now among the leading scorers on the club. Young Fazio in the nets did a yeoman job in turning back several shots which seemed labeled as goals.

ATTA BOY, CHAD!

**Medford 0****Arlington 6**

In a game featured by Dick Fazio's goal-tending the Mustangs went down to defeat in a GBI League game to the champs. Fuzz had 27 saves, 13 in the first period; the total was more than twice the number which the opposing goalie had to make.

Medford 2**Newton 3**

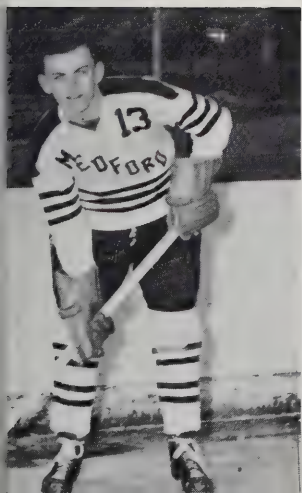

The Mustangs wound up the league season with a record of 2-6-6 and a tie for sixth place.

Clifford and McDermott were the lamplighters in this final game. Sandy and Chad Aston had assists on the two goals.

Although the season did not produce many victories, the Blue and White made a creditable showing in the league. Of the six ties, many might have been victories with a little more favor from Dame Fortune.

This year found the Theory Room humming with activity from early morning rehearsals to afternoon meetings. With capable guidance, the officers planned and organized many activities during the year. The members participated in caroling through the school at Christmas, the frolic, and the annual Music Festival in the Spring. They also displayed their talents to the community by entertaining at the Rotary Club, the library, church organizations, and at the junior high schools in the city. The year ended with a combined banquet for all the music organizations followed by their own entertainment.

Once again the Medford High School Band under the expert guidance of its Director, Mr. Ralph I. Schoonmaker, has completed another successful season. Who among us will ever forget its spirited rendition of the "Mustang" at the opening kick-offs of our football games, its skillful marching down High Street on both Patriots' and Memorial Days, or its excellent displays of musicianship at our all-school assemblies?

The Medford High School Band has also achieved almost unparalleled success in the concert field. In keeping with its fine tradition, the Band got another accolade when it won a high rating at the Northeastern Massachusetts Music Festival, the twenty-fifth year in which it has received such a rating. Great credit and a doff of the hat must go to Mr. Schoonmaker who, ending his twenty-sixth year as the Band's Director, has formed and molded it, through dint of patient administration and intensive training, into one of the finest concert organizations of its type in the eastern half of the country.

Miss Geraci's Distributive Education class is a cooperative business course, composed of specially chosen senior business students. They attend school until eleven o'clock at which time they are dismissed to go to their co-operative jobs at assigned training centers. While in school, the students receive training in selling, displaying, and retailing. At their respective jobs, every student has a chance to put his knowledge, learned in school, to practical use. This course is indeed valuable training for the business world which these seniors will enter after graduation.

The Distributive Education Club held many activities during the 1960-1961 season, including field trips to department stores, supermarkets, and credit bureaus, social functions including a Christmas party and a Valentine party, and community projects, such as, presenting tokens to a children's hospital and a children's home. The members of this group attended the annual Distributive Conference in Boston and also fashion shows and sales promotion exhibits.

The French Club

"Le Cercle Francais", was very successful during the 1960-1961 season. Under the direction of its advisor, Miss Webber, the club experienced a year full of exciting and interesting programs. The club was open to all students taking French III or French IV with a B or better average.

The meetings, which were held on the second Wednesday of each month, provided a variety of interests and were well attended. Our Christmas program included the singing of French Christmas Carols. In November and January a guest speaker gave talks illustrated by films, on France and its customs. A trip to the museum of Fine Arts was enjoyable for all, as was the clubs visit to the opera in April. The annual banquet in May, held at a distinctive French Restaurant, concluded a commendable year.

FUTURE TEACHERS' CLUB

The Future Teachers Club was organized for those interested in becoming teachers. This year they joined the national organization. The seniors were student teachers at the elementary level. The practice teaching was a very interesting and worthwhile project for all who took part. In this endeavor, many found that teaching is more than "book learning."

The club meetings saw interesting speakers' informing the members of the various phases of teaching from wisdom of becoming a teacher to opportunities to broaden one's understanding of the task at hand.

Members of the club completed the year with a banquet.

Thanks to Mr. DeScenza for his patience and understanding guidance.

FUTURE NURSES' CLUB

President	Norma Arbeene
Vice-President	Judy Freedman
Secretary	Christine Citrano
Treasurer	Janet Petrosso
Advisor	Mrs. Margaret C. McGue

The Future Nurses Club is now embarking upon its second year at Medford High School. This club offers an opportunity for training for a career of nursing to those who wish it.

Speakers from hospitals in and around Boston set up conferences to illustrate a nurse's way of life and preparatory training.

This year, to distinguish the club members, pins were obtained for all members who wished them.

In its short two years' existence the club has demonstrated its right to recognition.

To Mrs. McGue we extend sincere thanks for her counsel and instruction.

This club, open to all girls in the Home Economics Department, conducted monthly meetings. At the October meeting the girls saw a make-up demonstration by Mrs. Sarpi. In November a lecture on flower arranging was given by Mr. D'Errico. The club viewed the art of gift wrapping in December, and the girls made up and gave away food baskets for Christmas. In January a colorful movie on meal planning was shown through the courtesy of Mrs. Cheever of the Mystic Valley Gas Company. February brought a festive "Mother and Daughter Tea" with a valentine setting. The March meeting was devoted to the subject of "Hats to Match Your Outfits." Interior Decorating was the theme of the April meeting. The Club held a fashion parade in May. The club wishes to thank its four advisors for the aid in the preparation of a very worthwhile year.

At the beginning of each school year, one student from every homeroom is elected to serve as a member of the House of Delegates. This member is responsible for presenting before the "House" any suggestions from his homeroom classmates. If the matter is agreed upon, it goes to the Student Cabinet to be approved, rejected, or amended; if the matter is approved, it is sent to the headmaster for consideration.

This year, together with their advisor Mr. Higgins, the girls and boys co-operated to the utmost with their fellow board members and tried to perform the duties for which they had been elected. As always, they contributed greatly to the success of the senior class by selling tickets to the Senior Prom, Talent Show, and other activities. During the year they participated by forming committees for Junior Red Cross and collecting for various organizations, among which is the March of Dimes.

ITALIAN CLUB

The main purpose of this club is to broaden the student's knowledge of Italian customs and culture. Some of the activities of the club were "La Festa Del Carnevale," a masquerade party, "I Banchette," a banquet, and a Christmas party. Many of the club members also attended a Metropolitan Opera production. Often at a regular meeting the students heard a speaker such as a foreign exchange student, or else they held a panel discussion.

The Junior Classical League, one of the most popular clubs in the school, has completed another fine year, thus carrying on the tradition of interesting and fun-filled programs. The Medford Chapter of J. C. L. is celebrating its eleventh year and is a chapter of the National Junior Classical League.

Meetings were held on the third Wednesday of each month. These included the annual slave auction for the induction of new members and many amusing and informative skits related to Roman and Latin subjects. Many of the approximately 110 members taking part in these activities contributed a great deal to the success of the club.

The year ended with the Junior Classical League State Convention in May which culminated an enjoyable year made possible by Miss Lynch's efforts and the cooperation of the members.

The Library Staff under the supervision of Miss Hardy was composed of about twenty-five girls who volunteered their time before school, during study periods, and after school to make our library run smoothly and efficiently. The girls' duties included arranging books, making out library permit slips, keep-

ing records of overdue books, and giving information to the students seeking books.

Our sincere appreciation and thanks to these fine people, for without them it would have been impossible for the students to enjoy the facilities of the Medford High School Library.

Under the assiduous guidance of Miss Ekman the Male Chorus did many programs through the year and had a most enjoyable season.

Singing at the various service clubs in the city and entertaining at hospitals and homes for the aged and infirm comprised the greatest part of their activities for the year.

The music of this group was both entertaining and accomplished. We seniors join with others whom this group entertained in saying thanks for a good year.

The **M.H.S. Journal** was the school newspaper which kept the school up to date on all current events. The Journal came out once a month with articles concerning our athletic teams, local jokes, editorials, complaints, and a variety of other material. The **M.H.S. Journal** Staff worked hard each month in their newly acquired office to have the Journal out on time. Without the help of Mr. Langley and the Journalism classes, the Journal would not have been as successful.

Once again the Mixed Chorus did a fine job during the year in carrying out the music productions. They participated in the Christmas program, during the Christmas assembly by caroling through the high school corridors and at the Women's Clubhouse. This group, along with the Choraleers and the Medford High School Band, also took part in the Frolics. In helping to make the 1961 Music Banquet a huge success, the Mixed Chorus took a part in the entertainment.

The National Honor Society, a nationwide organization for students who excel in scholastic ability, carried out a program of diverse activities throughout the year of 1960-61. During Open House Day at Medford High School, November 7, Honor Society members escorted visiting parents and interested citizens to classrooms to observe the teachers and students at work. On November 16, Parent's Night, volunteer members again guided visitors to classrooms for parent-teacher discussions on the progress of the student. Society members held a Christmas Party, December 13, in the high school cafeteria for elementary school children. The youngsters were delighted with Santa Claus's presence and with the gifts from the members. Through the remaining months the Honor Society had guest speakers and held a splash party and a theater party. A beach party concluded the active program of the 1960-61 National Honor Society.

PEP CLUB

The Pep Club was organized for girl students at Medford High School to help give spirit to the athletic events at the games. The members, attired in identifying sweatshirts and beanies, sat in a body and cheered with the cheerleaders.

There is no doubt that the Pep Club has been responsible for a resurgence of spirit at Medford High School, providing a nucleus of enthusiastic spectators at every sport contest.

The Projector Club, under Mr. Mockler's supervision, held their meetings once a month and learned all about the running of movie projectors, tape recorders, and public address system equipment. The boys put this knowledge to good use when they showed movies to the classes of all departments, helped with equipment used for the Talent Show, and ran the lights and microphones for assemblies. We are grateful to Mr. Mockler and the boys of the Projector Club for the services they have contributed to the school.

PROTECTIVE DEPARTMENT

Advisor Henry D. Hormel

Under the leadership of Mr. Hormel, the members of the Protective Department worked earnestly to help students to locate rooms and to keep them from entering buildings where classes were being held. In this respect the Protective Department has acted as a guide and did a great deal to help keep the order in our corridors.

The Senior Advisory Council is composed of the members of the Class of 1961 who have been either sophomore or junior class officers. Also senior class officers and runners-up are members of this group. Then one member from each homeroom is elected to the council. These students representing the Senior Class decide on such issues as the details of the Senior Prom, the activities of Senior Week which consists of the Senior Reception, the Class Banquet, and the program of Class Day. Under the direction of the advisor, Mr. Ricker, the council satisfactorily accomplished the duties of the year.

The primary objective of the Slide Rule Club, which has just completed its third year under the able direction of Mr. Appiani, is to teach the many varied principles and uses of the slide rule to those students who have had a solid preparatory background in basic algebra and geometry courses. This completely voluntary instruction may have saved

hours of unnecessary work in the future, since freshmen entering colleges of engineering are expected to have an adequate knowledge of the operation and uses of the slide-rule.

This year, membership was open to any student taking solid geometry and trigonometry and to anyone else who planned to attend a school of engineering. The club's intention for the near future consists of a membership drive and an exploring of the fields and occupations for which a knowledge of slide-rule is necessary and helpful.

The upper house of the Medford High School Student Council resembles the U. S. Senate. It is composed of the presidents of all recognized school clubs, Senior Class officers, Junior and Sophomore Class officers, president and secretary of the Vocational School Student Council, president and secretary of the House of Delegates, and heads of school publications. The Cabinet, which met during class periods, because the clubs held meetings during assembly periods, was under the direction of Mr. Higgins for the first time. With his guidance, the Student Cabinet dealt with many urgent school problems and made important decisions for the benefit of the school.

Building on the foundation laid in the past two years, the Student Service Club has become one of the outstanding groups in the school. They participated in many drives, among which were Muscular Dystrophy, United Fund, UNICEF, and Retarded Children.

One of the main features of this group was its junior volunteer aide program at the Lawrence Memorial Hospital where club members interested in nursing became acquainted with the basic facts of hospital environment. The girls also operated the auxiliary cart there.

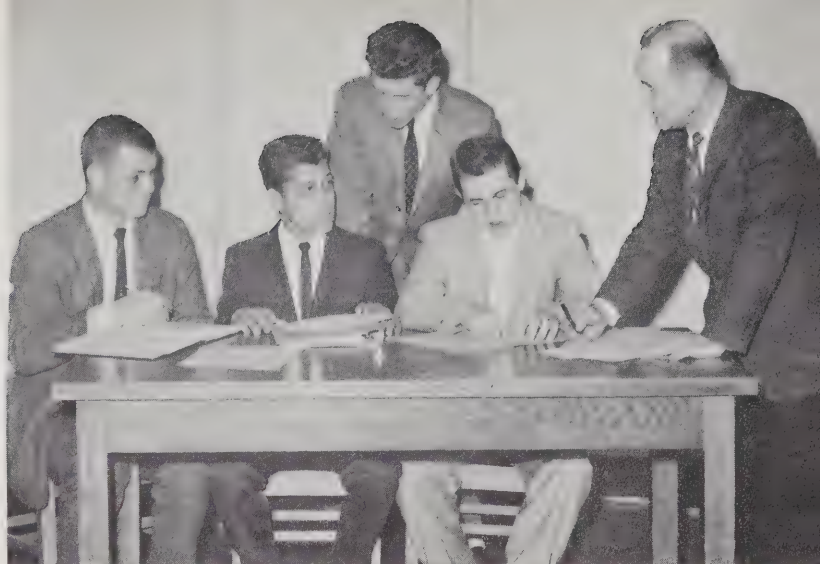

At Thanksgiving, Student Service members donated a food basket to a needy family and at Christmas they held traditional parties for underprivileged children.

VOCATIONAL STUDENT COUNCIL

President William Murray, Jr.
 Vice-President Anthony Scola
 Secretary Arthur D'Entremont
 Treasurer Frank Filamond
 Advisor Pasquale Tramontozzi

The Melvin V. Weldon Vocational High School Student Council is composed of one member from each section, elected on the first Tuesday of April, 1960. In order to be eligible, a student had to be in good standing with all teachers and the administration of the school, and he had to have a scholastic grade of C plus. The officers were elected by and from the members of the council at its first meeting after the election. There could be only one officer from each department. Meetings were held once a week during the school year.

The Student Council has become one of the most important organizations at the Vocational School. The council promotes unity and co-operation between the pupils and the faculty in all extra-classroom activities of the school. It develops spirit and ideals and practices good citizenship in the school. It provides a means of adequate government and management of extra-curricular activities. The council members take care of the order in the lunchroom when the Vocational School eats. The Council promotes the general welfare of the Melvin V. Weldon Vocational School, its good name and reputation, and its possibilities to achieve its purposes.

THE PUSH-BUTTON MIND

In this age of tranquilizers, hula hoops, and striped toothpaste, one image stands out above all others as a symbol of our way of life — the push button. This mechanical contrivance has infiltrated almost every phase of modern life. To start your car, push a button; to cook a meal, push a button; to kill cancer cells, push a button; to destroy a country, push a button!

Many push buttons, however, play beneficial and even essential roles in the modern world. It was the push button that triggered all early attempts to reach outer space via rockets and satellites, and it will be yet another push button that will inaugurate man's further journeys to the realm of the moon, the planets, and even the stars. While this cosmic role of the push button may be awe-inspiring, most of us are involved in its more earthly functions. It has revolutionized industry and domestic life. It is responsible for many of our comforts and conveniences, but it also brings with it the danger of a standardization that could threaten the creativity and vitality of the American society. For the push button, whether on a computer or on an assembly line, can reduce the spirit of individualism so necessary for human progress. Such a lack of initiative leads to submissive conformity, which, in turn, generates more push buttons. A vicious circle is thus established, the final result of which will stifle creativity and freedom of thought. We will then have the end product of all this electronic gadgetry — the push-button mind.

Physical exertion, too, has been slowed to a minimum by time-saving devices. We spare our bodies constantly; and, although we pride ourselves on being sports minded, we are essentially a nation of spectators rather than a nation of participants. We ride, rather than walk; we exercise our finger muscles more often than the muscles of our arms. But we must not allow this physical lethargy to go a step further, to that of mental apathy. Our creature comforts have made us physically soft; our push buttons are doing the same to our minds. Once we relax our thought processes and allow others to do our thinking for us, we are lost. We become helpless robots for those who want to manipulate our minds and our loves.

We live in a time of comparative plenty during which we are easily lulled into a state of mental inertia. The old slogan of "A chicken in every pot" now becomes "Food in every freezer." "A car in every garage" is now "Two or three cars in every driveway." What were formerly considered luxuries are not deemed necessities, many of them with a built-in obsolescence designed to keep us constantly buying the new models.

And with all this there is the push-button mentality, nourished by the sensationalist reporting of the news and a steady stream of mediocrity from the mass media. For example, we seem more concerned with the tantrums of a Jack Paar than with those of a Nikita Krushchev. The listless indifference engendered in a push-button society can easily develop into a complete reliance upon the omnipresent button. We have already developed so-called electronic brains. But a computer cannot think independently. Once independent thinking has ceased, progress also will come to a halt, and society will be doomed to decay. Beware of the ultimate dependence upon a button!

We of the graduating class are of the generation of war babies, during whose lifetime there has never been a day without fighting and conflict somewhere in the world. We have been spawned on television and time-saving devices. We are now coming of age, and we are faced with the threat of a rival ideology whose proponents are masters of pushing buttons to control the mind. Their sworn purpose is to bury us. We must reexamine the complacency and indifference of twentieth century American life in order to reestablish the values of hard work, self-sacrifice, and creative and independent thinking that have made our country great. We must question whether we want Americanism to be represented to the new and developing nations as nothing more than T.V. sets, dollar bills, and uninformed tourists. We must prove to the world and even more important, to ourselves—that democracy, rather than push-button mentality, is chief hope for peace.

As we leave Medford High School and scatter in all directions and to all fields of endeavor, we of the Class of 1962 will soon have the responsibility of leadership placed upon our shoulders. We must pledge ourselves to be aware of what is going on around us in our own communities, as well as in other parts of America, and all over the world. We must have the courage of our convictions to stand up and be counted against what we do not think is right. Upon our vigilance may depend our very existence. We must not shrug off wrong-doing without protest, and we must not condone political corruption in any form. We are indeed fortunate, in this great country of ours, that we are free to question, to criticize and to change. We must use that most precious of American possessions, the vote, to root out the soothsayers who push the button full of promises in order to be elected and then, having lulled our minds, ignore their pledges. It is for the free participation in this process of democracy that our education, past and future, prepares us.

We must not be influenced by the push buttons and be swept along by the tide of conformity. We must keep in mind the famous words of Emerson in his essay entitled "Self-Reliance," when he said "Whoso would be a man must be a non-conformist." We must not be afraid to think independently or to do what we believe is right. America was reared on individualism, and its future status as a nation relies heavily upon the maintenance of this credo. We must avoid the pitfalls of push-button thinking which stunt the development of both our minds and our bodies. Walk at times when you could ride. Read a book rather than watch T.V. Look into the candidates for public office and vote for them because of their stand on the basic issues and not because of their personalities.

Progress is impossible in any democratic society if intellectual creativity and freedom of thought are stifled. Automation, with its push-button equipment is not inherently harmful. We must beware only of its overuse. The push button is a double-edged sword. We must treat it with respect, appreciating its benefits but acknowledging its dangers, and therefore employing the push button with moderation so that it will not become a crutch for future civilizations.

I can envisage dangerous yet more exciting times for our generation in the remaining decades of this century, and we must be mentally and physically alert to meet the ever present challenge to our society.

Good luck to you all.

Excerpts from

THE MYRIAD PHASES OF SCIENCE

This generation is indeed fortunate to be living in the space age, an era of astounding scientific and technological advancements, particularly in medicine, synthetic products, electronics, rockets and satellites, and atomic energy. The accomplishments of scientists in the past twenty-five years have far surpassed the entire progress of civilization over the thousands of years leading to the wonders of recent times. In view of the tremendous discoveries of recent years, it is almost unbelievable that in 1838 the Clerk of the Patent Office resigned in despair, complaining that all worthwhile inventions had been promulgated. . . . The future of science today is unlimited; unrealized horizons exist in the laboratory and in human welfare; in the brain, in the heart, and in the soul.

In today's science-shrunken world the situation is critical: Communism is a serious threat to the existence of democracy, and its unquestioned leader, the United States. The struggle for world supremacy today, however, is chiefly a battle of brains, not barbaric physical combat, since each side fears the destructive retaliatory forces of the other. This struggle, keen, intense, frightening, will be won instead by the nation whose people make the greatest scientific advances. . . The fate of the United States depends chiefly on the education of its scientists, capable and dedicated men who must aid their nation in the great intellectual battles of the scientific war. The relation of science to man's major fields of endeavor is shown by the statement of the Dean of Science at MIT: "To a considerable degree, our form of government is

determined by our economics, our economics by our industry, our industry by our technology, and our technology by our science." . . . In generations past the remarkable American people, tough, energetic, inventive, resourceful, and efficient, resolutely faced and overcame menaces as dangerous as those of today in relation to existing strength. To be an American is not only a rare privilege but, especially in these troubled times, a tremendous responsibility.

Many scientific advances of this century have been of immediate and direct benefit to the people, contributing to a longer, fuller, richer life. Today everyone considers these wonders of automation, unimaginable one hundred years ago, indispensable, even essentials of daily living. . . .

Unlike the aforementioned scientific advances extensive basic research is also done in fields such as atomic energy and space exploration in which discoveries are not yet of immediate value to individuals but of deep potential value for the future of mankind. The complacent United States received a shocking awakening in 1957 when Russia demonstrated its scientific intents and capabilities by launching the first Sputnik satellite upon the unsuspecting world. The race for space following is tense and close. . . . Scientists are also trying to produce the controlled fusion of hydrogen atoms, a process which would place the limitless thermonuclear power contained in the vast quantities of hydrogen in the oceans at the service of mankind, the true purpose of science.

. . . . This generation must accept its grave responsibilities as the first generation in history which can destroy our entire civilization; most grim is the possibility of doing so merely by the accidental or unintelligent push of a button. It is a grim challenge to the world to preserve peace and to use science not as an instrument of destruction but as an instrument of immense benefit to man. . . .

One of the most important decisions of a young man is the selection of a career, and a scientific career is both satisfying and rewarding. A distinction should be made between science and technology or engineering: science is basically the interrogation of nature while technology is the practical application of science to benefit man. . . . The true scientific spirit is not new; in the words of Democritus, the Greek philosopher who 2300 years ago perceived the concept of the atom, "I would rather find the true cause of one fact than become king of the Persians." Science is a rewarding career, not just financially, but in the satisfaction that only such challenging work brings. Those intangible rewards include the satisfaction of "finding the true cause" of Democritus, the spirit of adventure of an unprecedented undertaking, open-mindedness, and a respect for truth. . . . His aim must be to improve the life of his fellow man.

In today's world everyone must know some science to be more fully aware and appreciative of his natural surroundings; an educated man must be versatile and comprehensive: a scientist must have a fundamental knowledge of the humanities and a non-scientist must know the basic principles of science. Free science, the free following of curiosity, has never been trivial, selfish, or purposeless. The sober record of experience shows that the trained human mind, given free play and a congenial climate, turns to deep and significant enterprises. . . The idea that science is coldly logical and faultlessly relentless in its forward march is not true. Science is a natural and integral part of man's whole life, an activity which is basically a blend of logic, intuition, art, and belief. Science has been refined into an instrument of great beauty and precision by a few geniuses, but as a natural social activity science belongs to all men. This proposition will assure that the citizens of the free democracy of the United States, understanding and prizing the work of science, will advance the cause of science, making it flourish with beauty, power, and benefits for all mankind.

FOR
ANY GIRL

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
