To You We

GUDRUN E. EKMAN

Miss Ekman and Mr. Regan, you have helped us immeasurably in making these last three years the most enjoyable of our lives. When we first arrived at Medford High School, it was you who welcomed us; it was you who made us feel at home. In your welcome that day so early in September you said that this was THE CLASS, and that you would help us to make it one of the finest ever at Medford High School. You have more than kept your promise.

Our elections during these three years have gone smoothly as a result of your untiring work. In working with our officers and aiding with our three proms you have become close friends to us all. Now we are about to leave Medford High School. We are going to miss your sound advice and kind words. In appreciation for your considerate cooperation and guidance we, the class of 1963, would like to dedicate our yearbook to you, Miss Ekman and Mr. Regan.

DAISY E. LANDERS

When Mrs. Landers retires from her position in the Business Education Department of Medford High School in June, she will be remembered by an exceptionally large number of our graduates.

Coming to Medford in 1920 directly from Salem State College (Salem Normal), she has given a full 42 years of service in our school. Her teaching specialty centered around the stenographic arts, and at one time she uncomplainingly carried the very heavy teaching load of thirty periods a week.

In her teaching, two attributes stand out with special preminence: an unhurried, friendly manner, providing a pleasant atmosphere much enjoyed by her students; and originality in devising clever little tricks for class interest and motivation, many of which she has graciously passed on to her colleagues.

Of the old-time virtues to which Mrs. Landers subscribes (and she subscribes to many), punctuality and generosity head the list. She takes understandable pride in an unblemished record of punctuality in her own student days and has continued her habit of always being on time through her long teaching career. While her generosity reveals itself repeatedly, it finds its greatest expression in her eagerness to alleviate distress. Not only does her fellow man benefit, but there couldn't be a better place for an injured or hungry bird, cat, or dog to find itself than in Mrs. Landers's hands where both her sympathy and resources are at its command.

Medford High School is sorry to lose Mrs. Landers and was scarcely prepared for her retirement, for her youthful appearance defies the record. May the years ahead rest as lightly on her shoulders as those which have passed, and may they contribute only pleasantness and contentment.

Medford 2—Watertown 8

In their opener the Mustangs showed great promise against a team which proved to be a spoiler among Class A opponents.

Mike Wyshak and Bruce Dahlgren nailed a Newton back for a safety with a vicious tackle, giving Medford its two points. Frank Sergi ran back a couple of punts in spectacular fashion and played a really heads-up game. Art Burnham sparkled on a couple of runs.

Mike Wyshak was voted most valuable player of the game with a scintillating display on offense and defense.

Medford 14—Chelsea 6

The Blue and White posted its first victory of the 1962 season with a spectacular win over the Red Devils.

Dick DiMare scored Medfords' first T.D. with a one-yard dive over guard. Joe Connolly made the Mustangs' second touchdown on a sensational 20-yard run. The final two points were made on a conversion by Kevin McCarron on a dive into the end zone.

Captain Dave Allen did a remarkable job on offense and defense, while Mike Wyshak was brilliant on defense. Joe Connolly was the running star of the game.

FOOTBALL

Medford 12—Somerville 18

Medford came back sensationally in the second half and all but overcame a 0-18 deficit. The Mustangs completely dominated play in the second half, but errors in the first half had hurt.

Joe Connolly looked like an All-American with open-field running. He scored both Mustang T.D.'s on brilliant runs. Bruce Dahlgren ran back several kickoffs in big league fashion.

Leo Makohen showed great effort and sparked the Blue and White with his determined play.

Medford 0—Everett 38

The Class A Champions of 1961 and 1962 ran roughshod over the Mustangs, but the latter never lost heart in this bruising game.

Kevin McCarron's punting and work on defense were both superb. Leo Makohen played a hard game, tackling and blocking like a pro. Another Mustang who gave an exhibition of real second effort was Jackie Buckley.

Although they lost to a superior foe, the men of Medford played a respectable game.

See Frank Run

Medford 6—Newton 14

Again, the Blue and White suffered a heartbreaking loss to a strong Class A team. After leading for a good part of the game, the Mustangs saw their margin erased in the waning minutes.

In a breath-taking 58-yard run off-tackle, Joe Connolly scored Medford's lone TD. Bill Doyle played a strong game, as did Andy Vardare and Frank Storella.

Great improvement over their losing effort to Everett was apparent in this game.

Medford 6—Haverhill 14

Once more, the Mustangs fell to a Class A leader. In this game they clung tenaciously to a leaad until late in the game. This margin was provided by a sparkling 57-yard run by Joe Connolly, who brought the crowd to its feet.

Leo Makohen and Joe MacDonald starred with strong effort and elusive kickoff returns. Joe Murphy at quarterback did a marvelous job and threw some excellent blocks.

It was obvious to all that the Blue and White was improving weekly.

Medford 16—Quincy 0

Finally realizing upon its weekly improvement, Medford scored its second victory of the year. This was a superb team effort by a squad of eager players.

Joe Connolly, for the fourth time this season, scored all the Medford points with two TD's and two conversions. Throughout the game Joe was the offensive star with his starry running and bucking. Mike Wyshak and Captain Dave Allen were excellent in their pursuit and dogged play. Don Buckley, recovered from a broken hand, made many hard tackles and stopped the opponents' advances.

The Mustangs were ready and eager to meet Malden.

Medford 20—Malden 20

In a game which had been postponed once, Medford roared to a 20-0 lead over a frustrated and dismayed Malden. The Mustangs had Malden on the run until Mike Wyshak was forced out of the game. From then on, the Golden Tornado came back to tie. Two spectacular TD plays by Medford were called back because of rule infractions. On both plays, Frank Sergi was superb in his running. On one, DiMare threw a beautiful pass for the nullified touchdown.

He got away!

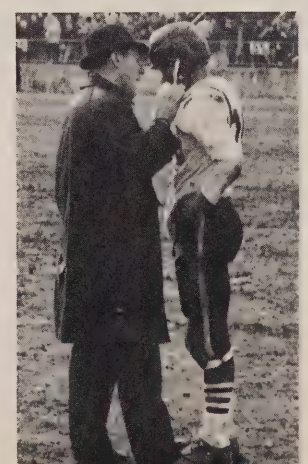

Joe Connolly with one TD and Frank Sergi with two and a conversion were the offensive running stars. DiMare did an effective job of play calling, handing off, and passing.

The entire line ,anchored by Wyshak, Makohen, and Dahlgren, was great. Don Buckley threw several very effective blocks to give the backs extra yardage. McCarron's kicking was excellent.

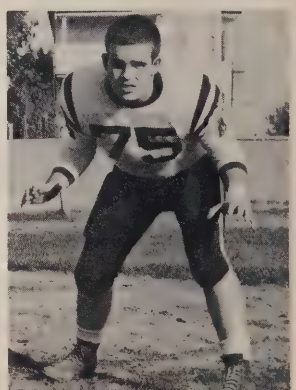

A relieved and grateful Malden coach gave the game ball to the Mustangs' leader.

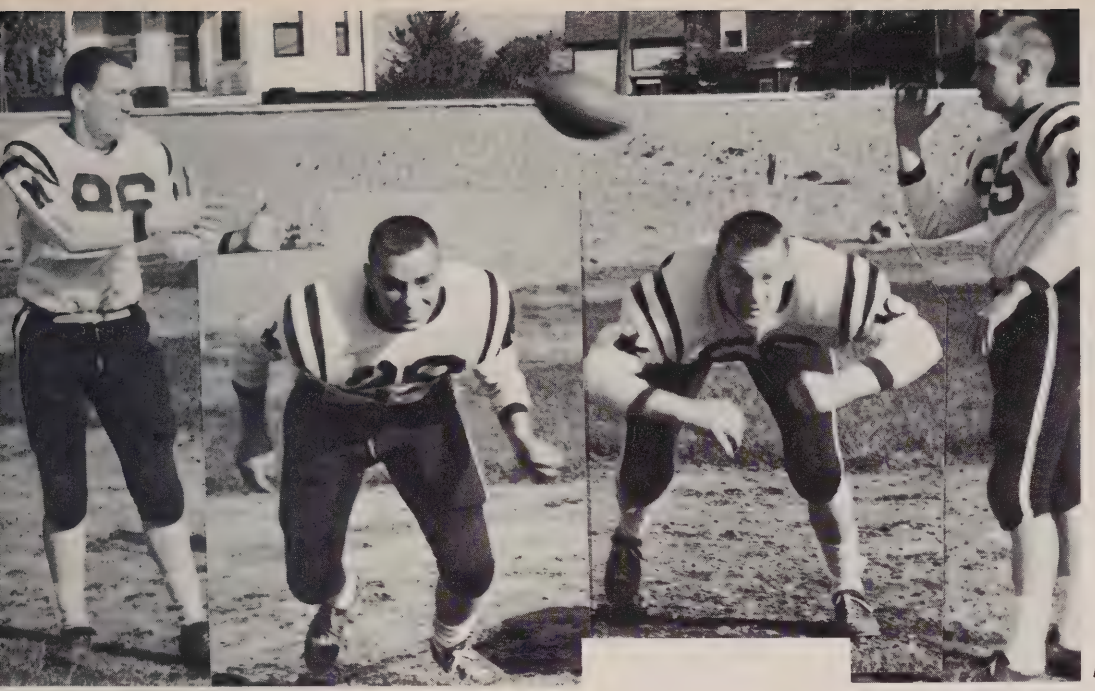

This game saw an improved Medford team with spirit which promises greater things for next year. Congratulations to Coach Giannelli and his staff for a job well done, sticking to their guns.

Now

SOCCER

Medford 2—Belmont 3

Bob Marotta and John Boretti got the two goals in this game. Paul Ferla and Jimmie McKeown assisted on Bob's score, while Gerry Lynch had an assist on John's goal.

Gerry Lynch played an outstanding game at center halfback on defense, breaking up many plays.

This inexperienced team showed real promise for the future.

Medford 4—MIT Frosh 0

The Mustangs came out with fire in their eyes and walloped their opponents in real fashion. A great team effort gave the soccermen their first victory of the season.

Bob Marotta and Jim McKeown shared the scoring with two goals apiece. Dave McKeown (3), Paul Ferla (2), John Boretti, and Bob Marotta all chipped in with assists in this win.

Dennis Pantano played a most outstanding game on defense, blocking shots and breaking up drives. Deehan got his first shutout of the young season.

We want this one!

Medford 4—Lincoln-Sudbury 1

The Blue and White avenged a defeat of the 1961 season by taking their second victory of the young season.

Again, Marotta came through with two goals. Jim McKeown and Riley had one apiece in this game. Boretti (2), Pantano, Riley, and Marotta had assists to account for all the Mustang scoring.

This win was a very important one for this young squad; the opponents are one of the better teams in the State.

Marotta, Lynch, and Pantano were scintillating on defense.

Medford 3—Lawrence Academy 1

Pressed into double overtime, the footmen of Medford scored a very impressive victory for their third in a row.

Jim McKeown, with 2 goals and an assist, John Boretti, with a goal and an assist, and Bob Marotta, with an assist, were the outstanding offensive stars.

Gerry Lynch and Frank Howard were excellent on defense, as was Goalie Dehan.

Medford 1—Andover 0

This victory was the peak of a very successful season for a squad of great determination and team effort. Andover is recognized as the soccer power of the eastern preparatory school ranks.

Chuck Deehan deserves great praise for his superlative work in the goal, for he gained his second shutout of the season. Jim McKeown, assisted by Riley and D. McKeown, scored the only goal in the third period.

To single out individuals in this game is impossible, for the entire team produced a team effort of real proportions.

This fifth straight win was the sweetest of them all to date.

Medford 5—Watertown 1

Coach Stillman used 27 men in this game to give his squad valuable experience on the way to a fourth straight victory over a good Watertown team.

The regulars, J. McKeown (2), Riley, Boretti and Ferla scored the goals, Boretti (2), Lynch (2), Marotta, Riley, and D. McKeown provided the assists to account for the score. Pantano and Lynch again were the backbone of the defense.

This was a good team win for a spirited squad.

Medford 3—Belmont Hill 1

The Blue and White trounced another prep school power on its way to the sixth straight victory of the 1962 season.

At center forward for the first time, John Boretti scored 2 goals, while Jerry Lynch got the third. J. McKeown (2), D. McKeown, and Boretti had the assists.

Chuck Deehan was excellent in the goal again, ably assisted by his defense in front of him.

Coach Stillman was able to use 26 men in this game.

Medford 3—Tufts Frosh 1

Bob Marotta led the Mustangs to their seventh straight with a scintillating display of shooting and setting up of plays; he had one goal and two assists. Jim McKeown and Paul Ferla had a goal apiece, with the former's having one assist. Jerry Howe and Dave McKeown came up with an assist apiece.

Gerry Lynch was outstanding on offense and defense, while Chuck Deehan made some spectacular saves of hard shots.

Medford 3—Exeter Academy 0

Jim McKeown, with the first hat trick of the season, sank three goals in leading the Blue and White to its eighth straight win and first double shutout of Andover and Exeter in the same year. Marotta (2), Boretti, and Riley had assists.

Although this game was a team effort throughout, Chuck Deehan and Dennis Pantano must be acclaimed, the former for his flawless work in the goal and the latter for his remarkable defensive plays.

The Mustangs reached their peak in this greatest of team efforts.

Medford 2—Watertown 0

Gerry Lynch and Bill Riley were outstanding in this second win over Watertown. Bob Marotta and Bill scored on assists from Ferla (2) and Boretti (2). Chuck Deehan bailed out his mates with his fourth shutout of the season to date.

Medford 2—Governor Dummer 1

Number ten in the winning streak came the hard way, but Captain Marotta scored the two goals for the winning Mustangs. Jim McKeown and Gerry Lynch assisted on the first, and John Boretti and Billie Riley had assists on the second.

The defense was outstanding. Chuck Deehan scintillated in the goal, while the entire defense broke up charge after charge of the prep school team.

Medford 2—Browne and Nichols 0

Shutout No. 5 featured this win in the lengthening win streak of the Blue and White footmen.

Marotta and J. McKeown scored the goals, as Boretti (2), J. and D. McKeown had the assists.

Many substitutions gave many of the boys valuable experience for next season.

Medford 4—Belmont 1

The Mustangs avenged their opening game defeat by shellacking Belmont handily. Again, the team kept its win streak alive at 12.

For the second time this season Jim McKeown scored the hat trick, three goals in one game. Bob Marotta got the fourth goal. Dave McKeown had 3 assists and Bill Riley 2 in playing their best games of the season.

This game brought the regular season to an end with one loss followed by twelve straight victories over high school, prep school, and college freshmen teams. To Coach Stillman and his team goes a great and loud "Well done!"

Post-Season Tournament

After two double-overtime games, in which no score was registered by either team, Lincoln-Sudbury was declared the winner in the second because of the greater number of corner kicks. This system was agreed upon by officials before the tournament.

It is essentially the same system as declaring a football team the winner because of the larger number of touchbacks after a scoreless tie. No account is taken of minutes of offensive forcing during the game.

Anyway, hail to our conquering Mustangs! What a season!

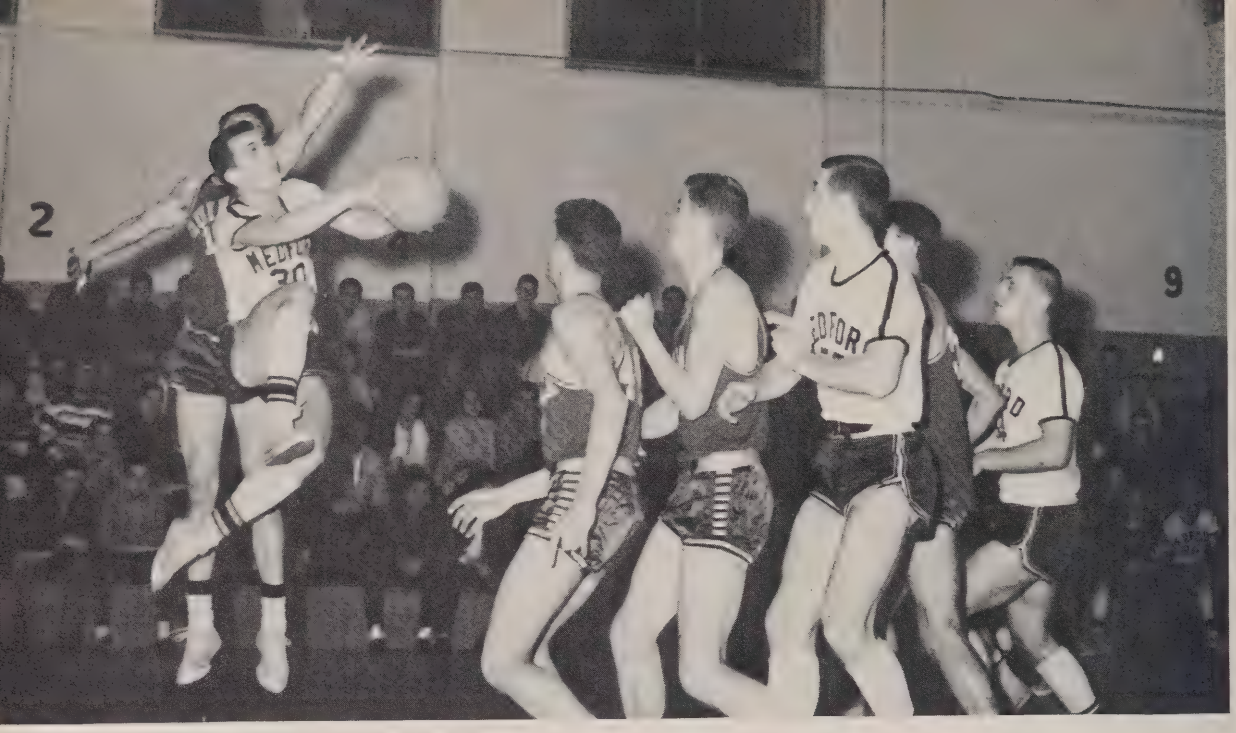

SENIOR FOOTMEN

HIGH BRIDGE

Medford 50 **Natick 64**

In a non-league tilt, which gave Coach McGrath a chance to see some of his untried men in action, the Mustangs outshot their opponents from the floor, 21-20, but were outscored at the foul line, 28-8. A letdown in the fourth period did the damage.

Top Blue and White scorer for the day was Chuck Deehan with 14, while Ralph Brigida and Bob Patterson with 11 were next.

Medford 62 **Malden Catholic 44**

The final pre-league game showed that Medford had overcome some of the first-game weaknesses. The Mustangs did a very capable job in downing their second opponents. Coach McGrath was able to clear the bench in giving the boys invaluable experience.

Patterson and Brigida hit double figures with 20 and 16, respectively. The latter was deadly from the foul line, while the former's push shots from the corner were spectacular. In all, nine men hit the scoring column in this first win.

Medford 47 **Everett 56**

The Blue and White lost its first league game in a real thriller. For three periods the game was either team's, but the winners forged a big third period lead, never to relinquish it.

Brigida, Deehan, and Patterson were in double figures with 16, 13, and 10. Chuck had 7 from the foul line in a good exhibition of foul shooting.

Reid and Makohen broke into the scoring, also, as the team showed real improvement.

Medford 45 **Malden 46**

In the first of four heartbreaking league games, the Mustangs lost by one point to arch rival Malden. A last-second shot sent Medford down to defeat after a real thriller.

Deehan (13) and Patterson were tied for high scoring honors, while Brigida chipped in with 11. Reid, Makohen, and Tavanese had the other points.

For all but the last few seconds of this cliff-hanger the Blue and White was superior. This game gave evidence of a very effective defense by Medford.

Medford 55 **North Quincy 56**

The Mustangs continued to be snake-bitten in this overtime encounter. A couple of bad breaks in regulation time forced the boys to go into overtime to try for the win which they had all but wrapped up before the final buzzer.

A tremendous team effort off both boards and a very effective defense held the opponents at bay.

In this second squeaker, Patterson with 21 and Brigida with 17 were the high scorers; Deehan, Makohen, Tavanese, Reid, and McCarron got the remaining points.

Medford 68 **Alumni 59**

Condition and team play enabled the varsity to show their older opponents the way in this well played game.

Brigida (25), Patterson (16), Thompson (8), McCarron (7), Makohen (5), McDonald (4), and Larson (2) were the high school scorers.

For the Alumni, Casullo (12), Harris (10), DiGiacomo (7), White and Griffin (6), Mandile (5), Dempsey, Myers, John White (3), Scibelli and Russman (2) contributed.

With this game it looked as if the Blue and White had shaken its one-point jinx.

BASKETBALL

Medford 64 **Chelsea 65**

Back in league play, the Blue and White found that the haunting one-point phobia was still plaguing the team. At the Chelsea bandbox, where the visitors are behind the eight ball, the Mustangs had the game wrapped up, but the jinx was still prevalent. A couple of bad breaks in the final minute found the Red Devils on top by a single point.

Brigida (21), Patterson (13), and Deehan (11) were the double-figure men, while DiMare with nine was close on their heels for offensive honors. Makohen, Larson, Reid, and McCarron dropped in the rest.

Medford 45 **Somerville 46**

Perennial champions of the league took advantage of the Mustang jinx and came through in the last four seconds to defeat a very game team.

Leading the Blue and White scoring were Brigida (12), Deehan and Patterson (11), DiMare (7), and Makohen (4).

Play off the boards was furious as the Mustangs fought hard. The Medford defense was extremely effective.

Medford 100 **Lowell 37**

Finally, the Medford jinx came to an end with a bang. In the greatest offensive show of the league to that date, the Mustangs, led by Bob Patterson, hit the century mark.

Although Bob hit for 52 and a new league record, the entire team did a very spectacular job. Ten men hit the scoring column. Coach McGrath used his subs freely; he allowed Bob to return when the record was in sight. The record was forged with 18 field goals and 16 fouls, a very commendable performance.

Medford 76 **Revere 60**

Continuing on their winning way, the Mustangs, with 13 men playing, did a workmanlike job on their opponents.

Four men hit double figures and one missed by two; Patterson (24), Brigida (14), Reid (11), DiMare (10), and Deehan (8) were the high men. McCarron, Makohen, and Thompson completed the scoring.

In this game, the defense carried the team, with play off both boards being a feature.

Medford 52 **Quincy 47**

Another league victory saw Brigida and Patterson hit double figures with 19 and 11, while Kevin McCarron and Bill Reid just missed with 9 and 8. Leo Makohen chipped in with a very valuable 5 to complete the scoring.

McCarron starred in this game with 7 steals and 11 rebounds. Bill Reid's baskets twice broke ties to give the Mustangs the lead.

Medford 62 **Everett 49**

Displaying a continuing team effort and agressiveness, the Mustangs avenged an earlier defeat and won, going away. On the foreign court Patterson and Brigida again led the scoring with 22 and 15 points. Reid (7), Makohen (6), Deehan and McCarron (5), and DiMare (2) added their points for the total.

Under the boards Makohen and Reid were prominent, as was Brigida. This was a very sweet victory in the new string.

Medford 51 **Malden 53**

Going into the last three minutes, the Blue and White saw a seven-point lead diminish. Two open shots at the basket were missed and things fell apart and the game was lost in the last few seconds on a foul shot with two seconds left.

Right down to the wire the Mustangs fought hard. Reid was devastating under the boards, constantly outjumping the Malden behemoths. Ralph also was spectacular, both in shooting and rebounding, tallying 21 points and snaring many rebounds. Bob Patterson had 14 points, while Deehan, DiMare, Makohen, and Reid did the rest of the scoring. This was a heartbreaker to lose.

Medford 55 **North Quincy 62**

Bob Patterson was the only Mustang in double figures; his scoring was 9-9-27. Deehan, Brigida, McCarron, Reid, and Thompson scored the rest.

A red-hot opponent took this one from the Blue and White with a spectacular floor percentage.

Medford 75 **Chelsea 82**

Patterson, Brigida, and Makohen with 27, 19, 14 hit the double figures for Medford, but the Red Devils were too hot for us. DiMare, Reid, and McCarron hit for the remaining points.

The Mustangs were in contention all the way until the last two minutes when the opponents got hot. Another tough one to swallow.

Medford 59 **Somerville 88**

The league champions had too much fire power for the Mustangs in this one.

Patterson and Brigida led the Blue and White with 19 and 14, while DiMare just missed the double-figure bracket with 8. Thompson, Locke, Deehan, Reid, and McDonald got the rest.

Medford 76 **Lowell 29**

Catching their cousins on an off afternoon, the Mustangs banged out another lop-sided win. Twelve men took part in the win. Brigida and Patterson led the scoring, but play-maker DiMare, the swiftie sophomore, got 14 for his high of the season.

Medford 63 **Quincy 72**

Patterson with 30 and Makohen with 16 could not make up for the ailing Brigida who was having his troubles with the flu. Ralph managed only 5 and could not play the entire game because of his physical troubles. Again, Coach McGrath used almost the entire bench.

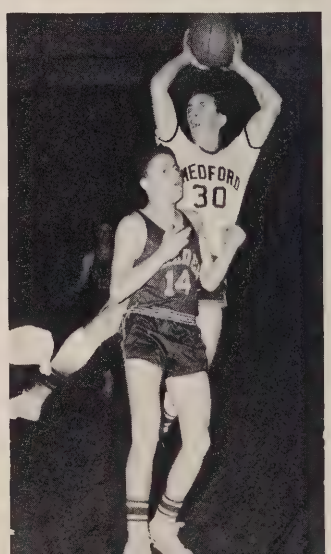

Medford 77 **Revere 44**

In the final game of the season Coach McGrath started many of the J.V. players to give them valuable experience for another year. They did a good job, holding Revere to a close score. When the varsity men, Brigida and Patterson, entered the game, they iced it for the Mustangs.

Soph Rich Chaves was a pleasant discovery for the fans, for he scored 12 points in his debut. Again, Bob Patterson and Ralph Brigida led the scorers with 19 apiece. Of particular pleasure for the fans was Oscar Greene's first point of the season, for which he got a standing ovation.

If the one-point jinx hadn't latched onto the Mustangs in mid-season, the record would have been just reversed. However, the team and coach can be proud of a very presentable record in very fast company. Good luck for the 1963-64 season.

Medford 3 **Waltham 3**

Medford 2 **Arlington 1**

Fazio scintillated in the final period when every stop meant the game. McCarty, assisted by Buckley, and Riley, assisted by Roycroft, sank the two goals which meant the game. Riley's spectacular shot off the rebound of Roycroft came with only nine seconds of play left.

All in all, this was a very fine win over last year's champs.

The feature offensive star was Driscoll with two goals and one assist; McKeown also had one of each. Riley had two assists, Buckley and Cornella one apiece. Mike Gagne came into his own with a goal.

Again, the Mustangs looked good.

Don McKeown was the only goal man in this key game; he got assists from Riley, who had two and Roycroft.

Fuzz Fazio was great in the nets with many stops on clean breakaways. John Boretti stopped many Newton advances during the game.

Beating one of the league standouts placed Medford in a commanding position in the race for the flag.

Medford 5 **Rindge 2**

Andie Cornella back checked very well in this game and came through with two goals and an assist to lead the Mustang scorers. McCarty with a goal and an assist added to his high offensive total. Boretti and Riley had unassisted goals, while Driscoll assisted Andie in one of his.

Medford 5 **Cambridge Latin 1**

Continuing their high-scoring offense, the Mustangs roared ahead of the field on the scoring of Cornella (2), McCarty (1-2), Riley, and McKeown. Driscoll assisted on two goals.

Medford 5 **Exeter 2**

Medford 2 **Waltham 2**

Again, the Mustangs were tied by Waltham in the final seconds after leading all the way.

Fazio was steady and saved the game on more than one occasion in the final period.

Medford 1 **Brookline 1**

In a thrilling game for the second week in a row, the defense featured the work of the Blue and White. Don Buckley and John Boretti were Spartans on defense. Fuzz Fazio made seven spectacular saves in a row in the first period to keep the Mustangs in the game.

McKeown, assisted by Riley, got the sole Medford goal.

Medford 5 **Somerville 1**

A rampaging Blue and White team banged home 5 goals for the fourth time this season. The Mustangs played a blazing offense and were all but impenetrable on defense.

McKeown starred with 2 goals; Cornella had a goal and an assist; Boretti had two assists, while Roycroft and McCarty had single goal and Gagne an assist.

Somerville's first goal enraged the Mustangs to the point where they played brilliant defense to give Fazio an easy afternoon.

Medford 3 **Newton 4**

McKeown, McCarty, and Roycroft scored goals in this spirited, see-saw battle. Riley (2), Buckley, Boretti, and McCarty had assists in the losing cause.

Medford 7 **Rindge 4**

Mike Mobilia (300), Joe MacDonald (600), and Lou DeAngelis (1000) won their events and ran on the winning relay to keep the Blue and White in the meet to the very end. Captain Charlie Saccardo was the other blue ribbon winner in his specialty, the hurdles.

Seconds by Anderson, Alston, and Kenny added to the point total. Vital thirds were gained by Waterfall, Suffredini, Vardaro, and Litchfield. Sharkey joined the blue-ribbon men in the relay to give them a good leadoff leg.

The All-Girl Choir, under the excellent supervision of Miss Gudrun Ekman, has been extremely busy in many activities. During the Christmas season the girls went caroling in the corridors and also participated in the Christmas assembly.

They sang at service clubs in the city and for several other organizations. Also, the girls entertained at the Public Library and competed in the State Music Festival in which they did an excellent job.

The banquet in May brought to a close a very busy and awarding year. Memories of the experiences under the guidance and instruction of Miss Ekman are many and enjoyable.

BAND

Director . . . . . Ralph I. Schoonmaker

Under the great supervision of Mr. Shoonmaker, Medford High School Band has completed another successful year. No one will ever forget their great enthusiasm at the football game and rallies, marching down the streets on memorable holidays, and, of course, our all school assemblies

The Medford High School Band performed well in the three concerts which it played. Great credit must be given to Mr. Shoonmaker for making our band one of the best in the eastern part of this country.

The Business Girls' Club, one of the largest in the school, is made up entirely of senior girls in the business education curriculum. Under the leadership of Miss Meoli, Mrs. Harris, and Mrs. Roy, these girls participated in many worthwhile educational projects.

At Christmas time the girls enjoyed their annual party. Throughout the year they aided various charitable organizations.

Excellent speakers from the business world spoke to the club members to help prepare the girls for their future careers. At the June banquet, which marked the end of a highly successful year, the girls felt that the Business Girls' Club would always be their most treasured high school memory.

The Malden-Medford football game meant the close of this year's football season, but what a way to go! The 20-20 tie score was the answer to everyone's prayers at Medford High. It's just great to cheer for a fighting team!

Right after the close of the football season, the M.H.S. Cheerleaders participated in the WMEX Cheerleading Competition. Six schools competed, and Medford successfully held on to its second place trophy for the second time. Many thanks to the girls who rooted us on to victory.

CHEERLEADERS

With the help of Mr. Romano, Cheerleaders and Pep Club were able to attend the first State Soccer Tournament (Eastern Division). It was really an exciting game, and our boys really did a wonderful job. We want to thank again the many faithful members of the Pep Club who came . . . Remember how cold it was!

With the Basketball and Hockey seasons in full swing, more games, more cheering, more laryngitis, more practicing, and more fun and excitement abounded.

More competitions followed the Spring vacation, but we had gone to press before they took place. It was a wonderful year.

One of the most rewarding activities of Medford High School was the Choraleers which entertained all in such programs as the Christmas sing and the caroling in the corridors in the Yuletide season. During the Spring, special shows were put on, including The Sound of Music and Camelot under the direction of the advisor, Miss Ekman. The choraleers also participated in outside musical engagements at the Women's Club and the Lion's Club. With the hard work of rehearsals was some play which took place at the club banquet.

In the country each Distributive Education student is a member of D E C A, Distributive Education Clubs of America. Class members represented Medford in Chicago at D E C A Conventions. All D E C A students competed in nation-wide contests for awards.

Sears Roebuck gave special awards to the outstanding D E C A students.

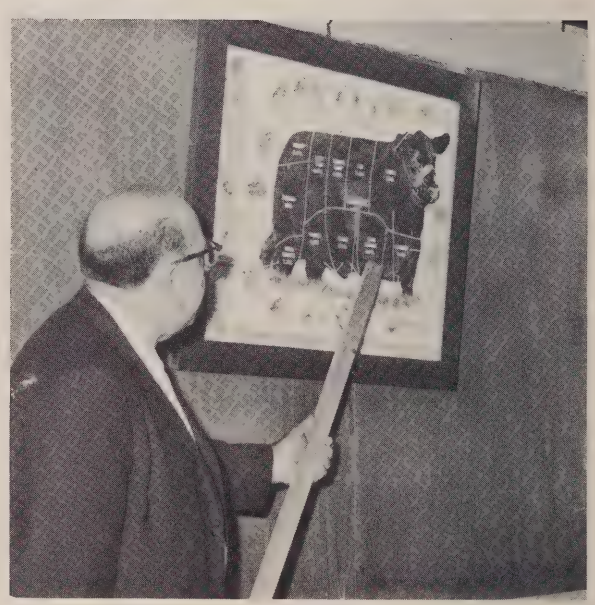

At Thanksgiving the clubs donated complete turkey dinner baskets to needy Medford families.

All class members worked full time from Thanksgiving to New Year's, for store experience is necessary for a diploma.

There were many field trips to First National Warehouse, Jordan's Display Department, Filene's Bargain Basement, super markets, and factories.

The clubs gave Easter baskets to shut-in children.

Parties during the year included an employee-employer banquet and a graduation banquet.

Pins were ordered by the girls. The girls gave a Thanksgiving basket to a needy family. The girls sponsored a Christmas Party, and held a banquet at the end of the school year.

Trips were taken to the Beth Israel, St. Elizabeth's, Peter Bent Brigham, and Massachusetts General, Lawrence Memorial, Malden and Children's Hospitals. Tours were conducted in all of these hospitals.

Medford High School's Future Teachers Club once again completed a successful year. The club's purpose is to give students interested in teaching an opportunity to become acquainted with the many facets of the profession. Under the guidance of Mr. Valeriani, the club officers planned and executed many programs.

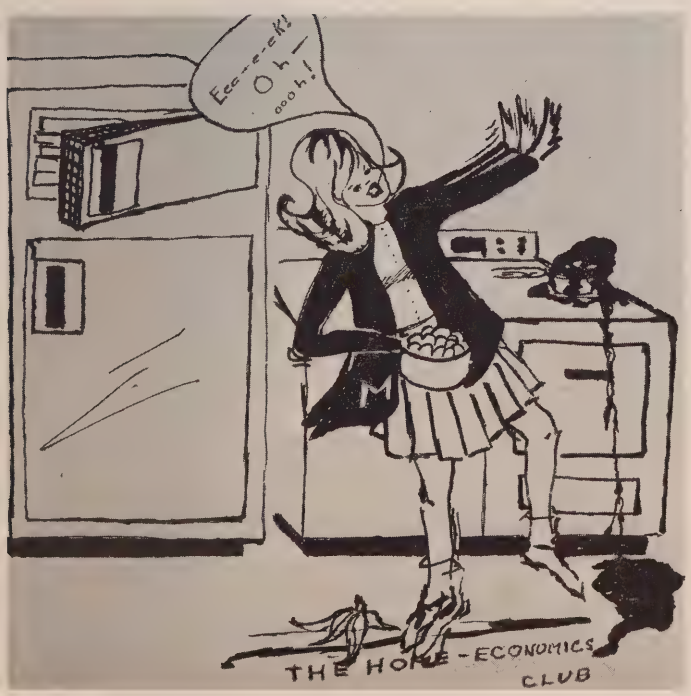

Throughout the year the members served as aids to the teachers by undertaking many of their clerical duties. In addition, the club visited a state teachers college and heard a speaker on education. The year was climaxed with a banquet and the presentation of a scholarship to a graduating senior. The club members, therefore, enjoyed a well-rounded and beneficial year.

The Junior Classical League is one of over 1700 chapters of a national J.C.L. organization. The Medford chapter, one of the largest in Massachusetts, consists of seniors and juniors who are taking Latin and those sophomores who have shown superior work in Latin during the first quarter.

The initiation of these sophomores was a very impressive ceremony, modeled after a Roman slave auction. At the regular meeting skits relating to Latin were presented. The club was very proud this year to have one of its members, Robert Marotta, serving as Treasurer in the state organization. Four official delegates and many members attended the Tenth Annual Convention at Belmont High School in April. A very successful year was brought to a close by a club outing at the beach.

Seven members of the Class of 1963 hold the distinction of being "plank owners" of the Medford High School Key Club. The term "plank owners" is a nautical expression used to describe the members of the first crew of a new ship. The Key Club, a junior service club, the first one of its kind at Medford High School, was launched under the auspices of the Medford Kiwanis Club. For a year the Medford Kiwanis acquainted prospective Key Club members with the functions and ideals of their own club. Then, in the fall of 1962, the Key Club received high school certification. Mr. Michael Antonelli was appointed faculty advisor, and the club began meeting regularly on Thursday afternoons.

Expanding under the able tutelage of Mr. Antonelli and the club officers, the Key Club inducted eighteen new members, raising the total to twenty-five. Late in December it officially received its charter at a Charter Night Banquet sponsored by the Medford Kiwanis and attended by Key Club members and their parents. Among the first activities of the club were a cake sale, a "slave auction," and a car wash. These and other activities were designed to help the club raise money for worthwhile causes. As the years pass, the Medford High School Key Club will grow stronger and better; the class of 1963 may well be proud of its part in the foundation of such a worthy organization.

The Library Staff, under the direction of Miss Hardy, was composed of about twenty girls who volunteered their time before school, during study periods and after school to make our library run smoothly and efficiently. The girls' duties were many. They included arranging books, making out library permit slips, filing, and returning books to the shelves.

Our appreciation and thanks are extended to these fine people, for it was because of them that we enjoyed the facilities of the Medford High School library.

Medford High School's award-winning school magazine has put out once again a periodical of high quality. The articles in the **Little Giant** this year were informative, thought-provoking, and entertaining. Under the practiced guidance of Messers Donovan and McConnell, the members of the staff have been given the opportunity to develop and refine their talents for writing and to share their verbal creations with their fellow students. It is expedient, also, to give credit to the zealous and conscientious members of the Advertising Solicitation Department and to those students in the Distributing Department, who delivered the finished product to the other eager students.

Advisors: Mr. Peter F. Brady
Mr. John F. McGrath

The M-Club is made up of Medford High School boys who have earned their letter in one or more varsity sports. In 1962-1963 the club enjoyed one of its most active and profitable years. Special credit for the successful season goes to the club's advisors, Coaches Brady and McGrath. As in previous years the M-Club began its activities by sponsoring the ever-popular Varsity-Faculty Basketball Game where many of younger male members of the Medford faculty swallowed their pride and played with the varsity basketball squad in an exciting tilt.

Late in the spring the M-Club held their annual record hop which was once again a smashing success.

Members of the M-Club concluded the year by raising money for the traditional Richard J. Phelan Memorial Banquet at which new lettermen were presented with their sweaters and outstanding athletes, their trophies. Medford High School can well be proud of the boys of the M-Club.

JUNIOR MARSHALS AND USHERS

Advisors: Michael Antonelli, Helen C. Walsh

According to the long-standing custom at Medford High School, Junior Marshals and Ushers, under the direction of Mr. Antonelli and Miss Helen Walsh, were elected to aid the class of 1962 at graduation. Dressed in pink and blue, the girls, seated on the stage at Class Day Exercises, held the laurel while the boys ushered the parents to their seats; they led the march through the lawn. During the Senior Reception at the Totem Pole the girls formed a double line for the grand march.

Then came the big night—graduation. Carrying their laurel, the girls led the class into Chevalier Auditorium and again took their position of honor on the stage. As the graduation exercises proceeded, one thought passed through both the Marshals and Ushers' minds—"What will it be like for us next year?"

For the first time in the history of Medford High School, the students had a periodic publication in the same format as a professional newspaper under the capable direction of Mr. Selvitella, journalism teacher and former advisor to the Lincoln Junior High School's national award winning publication **The Lincoln Log Cabin.** The old, drab-looking storage area in Room 321 has taken on new character as a busy newspaper press room. The members of Mr. Selvitella's journalism classes and the members of the Sophomore Press Club pasted a newspaper plan in the back of the room and have pinned up photographs and newspaper clippings on the other walls.

A spirit of determination pervaded the atmosphere of Room 321, determination to publish an excellent, well-organized high school newspaper. Each afternoon Bill and his editors worked diligently to make the **Mustang News** the best newspaper published by only high school students.

The National Honor Society is a group of students who have attained the highest academic standing at Medford High School. As juniors those students who have made five consecutive honor rolls are nominated to the society. Seniors with five honor rolls are also considered at this time. A committee of teachers then selects those who are to be members.

The activities of the National Honor Society include a bowling party, a senior banquet, and an induction ceremony. The banquet this year was held at the Kernwood Restaurant, Malden, on Wednesday, May 1, followed on Friday, May 3, by the induction of new members.

The Pep Club has completed its sixth year of organization. All interested sophomore, junior, and senior girls make up its membership. Meetings were held weekly to discuss the plans for the many athletic teams. The members were present at all sport functions and spurred the enthusiasm of the teams taking part.

Among the functions greatly supported by the Pep Club were the Eastern Massachusetts Soccer Tournament and the Annual Medford-Malden football game. Also, a great deal of time and care was spent making signs for the girls to hold up. The spirit and loyalty of the club, moreover, have greatly aided the school's cheering section.

Members of the Club were treated to guided tours through the Avco Corporation, Esso Refinery, and other laboratories throughout the Massachusetts area. Meetings of special interest to the Science Club were those in which experiments were performed. Several members at a time were appointed to conduct these experiments. Many experiments were successful, while others failed.

Nevertheless, we all found that we had very good group participation, and each one of us enjoyed conducting the experiments. Thus, a year of interesting tours and experiments was enjoyed by all members of the Science Club of Medford High School.

Under the supervision of Miss Verdoni, the officers and members of the Spanish Club have planned and carried out a number of worthwhile meetings this year.

For their Christmas meeting, they went to the South End and gave a party for the poor Puerto Rican children, which was most appreciated by the orphans.

Another meeting was a combination of the French, Italian, and Spanish Clubs. This type of combined meeting had never before been attempted at M. H. S. A few students from each club put on a performance, which was a great success.

The banquet at the end of the year was held at Carroll's Diner at Medford Square and was highlighted with entertainment. This banquet marked the end of a very successful year for the Spanish Club.
