IN MEMORIAM

Joanne Santosuosso

The faculty and students of Medford High School were saddened by the death of Miss Joanne Santosuosso, a gifted foreign language teacher, on November 11, 1967.

Miss Santosuosso was graduated from Somerville High School. While a student at Boston University, she was at different times President and Social Chairman of the French, Italian,and Spanish Clubs, and took leading roles in the yearly plays presented by these clubs. As a graduate student at Boston University, where she obtained her Master of Arts degree in French Literature and Composition, Miss Santosuosso was awarded a teaching assistantship in the Romance Language Department. She was the recipient of a Fullbright grant to study in Spain at the University of Madrid, and later she received a grant to participate in the Italian Language and Civilization Seminar held in Florence, Italy, in the summer of 1958.

Prior to coming to Medford, Miss Santosuosso taught foreign languages at the Alvirne High School in Hudson, New Hampshire, and at the Memorial Junior High School in Beverly, Mass. For a period of two years, she served as Assistant Head of the Cultural Division of the American Consulate at Seville, Spain. In 1956, she began teaching French at the Hobbs Junior High School and came to Medford High in 1965. She was also a member of the faculty at Calvin Coolidge College in Boston.

Miss Santosuosso possessed a natural and exceptional fluency in French, Italian, Spanish,and Portugese, and also knew Latin and Russian. We remember her as a teacher with mastery of subject matter and an understanding of young people. Her animated and vivacious personality will also continue to live in our memory.

IN MEMORIAM

William H. DeScenza

A little over a year ago, in 1967, the Medford School Department suffered a tremendous professional loss in the untimely passing of William H. DeScenza.

Mr. DeScenza was well known by thousands of Medford High School former students, and he was highly respected by all, particularly by those who came under direct exposure to his warm personality and quiet but dynamic instruction. He was an outstanding teacher of mathematics at Medford High School,where he began his appointed professional career in 1957. Several years later Mr. DeScenza served as Guidance Counselor and his significant professional contributions in this area led to his being named Acting Director of Guidance in 1963-1964. The following year, Mr. DeScenza became Acting Adjustment Counselor for all the Medford Public Elementary Schools.

His varied and successful experiences in these areas earned him the distinction of becoming the first Administrative Assistant In Charge Of Special Projects for the Office of the Superintendent of Schools.

Mr. DeScenza graduated from Harvard University as an honor student in an accelerated curriculum which terminated with a Bachelor of Arts Degree in less than three years; subsequently he received a Master of Education Degree from Tufts University in Medford.

Mr. DeScenza will be remembered by those who knew him as a fine and brilliant man, as a completely dedicated teacher, as a wise, sympathetic, and understanding guidance counselor, as a pedagogical bulwark of strength against all negative devisive forces, as a schoolman of inexhaustive patience in meeting a myriad of problems in the ever-changing process of modern education, and above all, as a dear and loyal friend to those who were fortunate enough to know him.

His meteoric rise in every area of academic challenges is now, finally, a community monument to his sensitive and competent abilities and to his tireless drive to help his fellowman, with especial emphasis on his personal and selected focus, in total immersion, on behalf of the interests of youth and the very young.

There can be no greater requiem to his memory than the ever-present contributions identified with the progress of the individual students who live now to attest to his tremendous effort in the exceptional discharge of his teaching duties and responsibilities.

May he, William H. DeScenza, rest in the peaceful realms of God's mansions for deserving human beings of His miraculous creation.

DEDICATION

In keeping with the theme of this yearbook, we dedicate our book to Mr. Stillman. For the past forty years Mr. Stillman has served the youth of this city with unreserved enthusiasm and boundless energy. He has never taught by remote mechanics; he has always considered the student and the student's needs of paramount importance. Through this personal and personable approach, he instilled a sense of pride in his pupils, a pride which caused them to extend their efforts. Mr. Stillman transposed this philosophy into his coaching career and its success is obvious; throughout twenty-seven years of coaching soccer,he has suffered a losing season only once, losing seven games while winning six contests. This was the year that soccer was initiated at M.H.S., also Mr. Stillman's first year of coaching. In each successive season his charges have enjoyed winning seasons and several times they have nearly composed undefeated records, despite the toughest schoolboy schedule in Eastern Mass. Twice he has coached Eastern Mass. Championship teams.

He has accomplished all this while at the same time demanding from his team members the utmost in personal behavior and deportment. His teams have earned a reputation for a fast and rough, but always clean game of soccer.

In recent years Mr. Stillman has served the school and the community in the capacity of varsity golf coach and intramural bowling coach. In light of his dedication and accomplishment, it is fitting that we, in token appreciation, dedicate our yearbook to Mr. Stillman.

"Yield not thy neck to fortune's yolk, but let thy dauntless mind still triumph over all mischance."

With the Class of 19[illegible] hopefully to the challenges of a complex society, they simultaneously look back upon those events and situations which seemed almost too difficult to conquer. In retrospect, it seems that [illegible] insurmountable barriers provided the most positive [illegible] most effective [illegible].

As the Class of 1968 "looks into the seeds of time," Stevenson's Duncan recalls the significant words, "Fire burn, and cauldron bubble." Creating, "double, double toil and trouble." The fire imposed inconveniences and scarcities. During the Sophomore year the college group was separated from the non-college group; during the Junior year the non-college group was separated from the college group. Thus we were drawn on to confusion until the Senior year when we were reunited. Had our class been united during all three years, undoubtedly our toil would have been much eas[illegible]

How[illegible] have risen above the "double trouble" created by the holocaust. When sacrifice was necessary, we cooperated in order to maximize our education. When spirit was wanted to achieve athletic fame in football, baseball, soccer, track and hockey. When enthusiasm was important, we conjured almost by magic a beautiful evening at the Junior Prom! When facilities had to be shared, when schedules were difficult, we overcame the obstacles by [illegible] which others may have acquiesced. Our memories convince us that, "Time and the hour run through the roughest day."

We at Medford High have come to know the realities of life. We know that anything of value is difficult to obtain. The world of today has taught us to [illegible] the world of tom[illegible]

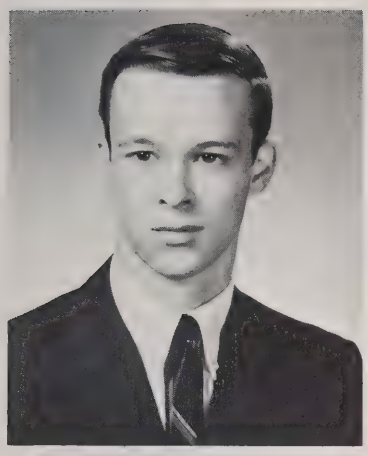

CLASS ADVISORS

Our class advisors, Miss Coucouvitis and Mr. Fusco,have done much to assure our class of an enjoyable three years. Although hampered by a split session school day which for two years divided our class, the class advisors succeeded in creating a feeling of unity among all of us. Through this feeling of unity we were able to enjoy our class functions as friends,rather than acquaintances.

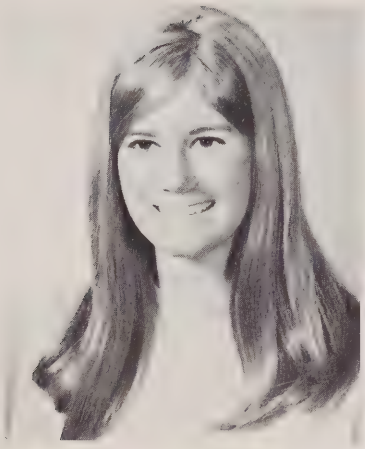

The role of class advisors is a very important one. It is the class advisors who provide the tone of class activities. Fortunately for us, our two class advisors gave unstintingly of themselves, of their time, of their energy. They not only directed and guided us but they also motivated us. It is small return for us to express to Miss Coucouvitis and Mr. Fusco our sincere appreciation of their efforts.

circumstance in the process of local public school secondary education than those you faced with resolution, patience and spirit from your initial enrollment in the fall of 1965 through to this time of ultimate achievement, your graduation in June of 1968.

You have known, first-hand, the multi-session school year. Your individual scholastic and athletic schedules and your social calendars had to be rearranged and readjusted, and the success of this mutual effort between the school and the home is mute testimony of your singleness of purpose, your extraordinary attitude of cooperation, and your strength of individual and collective character.

Your parents have known, too, with the acute awareness every parent instinctively senses, that you became "educationally disadvantaged" as Medford High School students that night of the abortive holocaust on November 1st, 1965. Only the valor of our expertly trained firefighters, beleaguered as they were, contained that raging inferno to spare us some fifty percent of our original facilities and permit us to resume our classes two weeks later in a make-shift routine believed far less than normal for sustained studious application. And our local police force, no less competent in respect to assignment turned out en masse to assist the firemen in their hazardous task throughout that [illegible] flame and smoke-filled night.

That you, upon your return, did return a tribute beyond fleeting expression to our efficient fire and police departments. That your teachers persevered, with renewed dedication, to more than adequate professional education that our Medford High School educational organization is sound and worthy of public support and confidence so evidently displayed during this trying period by you, the class of 1968, has known full cycle.

That you, upon your return, soberly met and conquered seemingly insurmountable odds to realize maximum educational benefits despite minimal educational facilities proves conclusively that initiative can turn disaster into opportunity.

Yes, you who have known only a fire-ravaged high school have shown the way for those who would doubt youth. You excelled when pessimists predicted failure; you were united when critics predicted dissension; and you assumed greater responsibility for student citizenship and leadership when cynics predicted disorder and delinquency.

You took "advantage" of "disadvantage" by taking out the "d" some thought meant "doomed" to use for "determination," by taking out the "i" some thought meant "impossible" to use for "inspiration," and by taking out the "s" some thought meant "sink" to use for "supplication."

Somehow or other, it seems to me, the greatest persons I have known or read about always found *prayer an inspiration for determination.*

Not a bad formula for success!

You found it and used it . . . and this makes you great . . . and those who follow should emulate this exceptional Class of '68!

Good luck to each of you . . . and may God bless all of you.

Sincerely Yours,
William A. McCormack, Headmaster

Medford 22-Watertown 6

In a performance which served as an indication of things to come, the Medford High School Mustangs demonstrated a good offense and a potent defense in beating Watertown High, 22-6, at Hormel Stadium. Offensively, Co-captain Eddie Rideout was brilliant all afternoon, scoring three touchdowns on runs of 55, 4, and 82 yards, and for the afternoon amassing a total of 164 yards in just ten carries. Defensively for Medford Co-captain Rich Etna, tackle Tony Staffier, and end Ed Whitaker were outstanding, each making key tackles and holding Watertown's offense in check throughout the game. Other bright spots for the Mustangs were Jimmy Reid's fine running and pass catching, Rich Jenkin's hard running, and Kevin Feeley's great blocking and tackling.

Medford 40-Chelsea 0

The Medford Mustangs won their second straight game with a lop-sided 40-0 victory over the hapless Chelsea Red Devils. Medford scored the first four times they had the ball, didn't have to punt once all afternoon, and used every one of their 43 players. The Mustangs were also able to score at least once in every period. The long list of Mustang scorers was as follows: Bob Jenkins, on a 4 yard scamper; Jimmy Reid, on a one yard plunge; Ken Rideout, running 56 yards in two carries; Jimmy Reid again, this time on a 64 yard kick-off return; lastly, Frank Leone, on a 3 yard jaunt. "Pancho" Webb converted the point on 4 of Medford's scores. Defensively for Medford Rich Etna, Jimmy Reid, and Bob Jenkins all intercepted Chelsea aerials.

Medford 27 Sommerville 21

End Billy Jensen snared a pass from Ed Rideout and raced 25 yards into the end zone with just 51 seconds remaining in the game to give Medford its third straight victory by a score of 27-21, over previously unbeaten Somerville at Hormel Stadium. The crucial contest was featured by a stunning 96 yard opening kickoff return by Ed Rideout for the initial touchdown of the game.

The Mustangs took an early first period lead of 13-0, but left the half trailing 14-13, as Somerville roared back with two touchdowns and a conversion. Early in the third period Jim Reid came up with one of his patented interceptions and raced to the Somerville 27 before being hauled down. From here the Mustangs began a march that ended with Rideout's scoring from six yards out, giving Medford its second lead of the day. The lead, however, was short lived as Somerville bounced back and scored right after the Mustang kickoff. This evened the score at 21 all and set the stage for Jensen's game winning touchdown. Scoring touchdowns for the Mustangs were Bill Jensen, Ed Rideout (2), and Jim Reid, on an 18 yard pass play from Rideout; conversions went to Bob Jenkins and Pancho Webb.

Medford 14 North Quincy 6

Ed Rideout galloped 18 yards for a touchdown with only 1:34 remaining in the game to give Medford its fourth straight victory by a score of 14-6 over last year's GBL champs, North Quincy. This game was really a thriller. Throughout this contest, however, it was the tough Mustang defense that warmed the hearts of the many Mustang rooters. Tackles Ed Whitaker and Steve Giles led the defenders, along with a cast of Ken Crivello, Kevin Feeley, Bill Griffin, and George Keenan. The week before, North Quincy had rushed for more than 300 yards against Malden, but the mighty Mustangs held them to a mere 77 yards for the afternoon. They also blocked a punt, intercepted a pass, and forced a fumble that eventually led to the winning score. The other Medford touchdown was scored by Kenny Rideout on a 16 yard sprint early in the first period. Credit must also be given to Jimmy Reid and Rick Jenkins who offensively shared the ball carring duties with a great deal of success.

Medford 32 Everett 22

Medford High won its 5th straight game and also gained sole possession at the top of the GBL by tipping its third straight undefeated team, Everett High, by a score of 32-22. The game was featured by two third period touchdowns by hard driving Jim Reid and a spectacular 94 yard kickoff return by Eddie Rideout. But if the Mustang fans had to crown the game's hero, it undoubtedly would be halfback and cornerback Kevin Feeley. During the afternoon Feeley single-handedly halted three Everett scoring drives with timely interceptions, and to the amazement of everybody, picked off his 4th Everett pass and ran it back to Everett's 33 before being stopped. This interception eventually led to one of the Mustang touchdowns. Other players who were outstanding for the Blue and White were Ken Rideout, Ernie Brown, Bob and Rich Jenkins, and especially Tony Staffier, who was immense all afternoon from his tackle position. In the closing seconds of the game the Medford fans began to chant, "We're number one!"

Medford 7-Newton 0

The Mustangs won their 6*th* straight game, edging upset-minded Newton High 7-0, at Medford's Hormel Stadium. Medford's only score came early in the 4th quarter after both teams played 24 minutes of good defensive football. The score actually came on a broken play; Rideout faded back to pass, found his receivers covered, and carried it in himself for the 15 yard score. Rich Etna, Steve Giles, Kevin Feeley, Bill Griffin, and Tony Staffier all played well for the Mustang defensive unit.

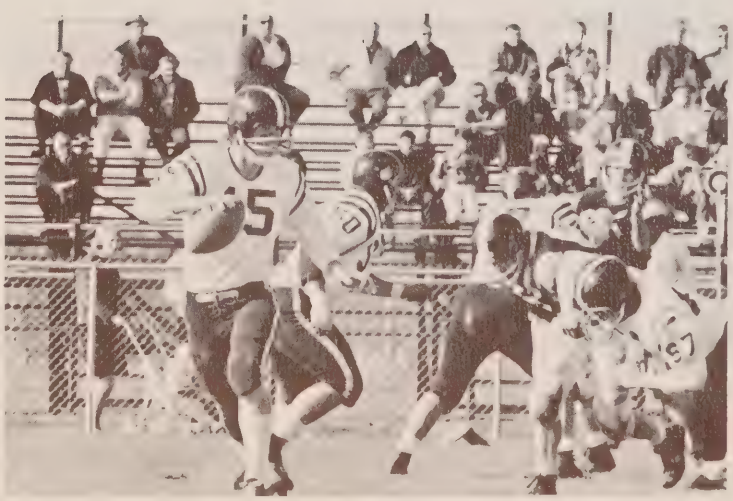

Medford 15-Revere 6

Fabulous Ed Rideout ran for one touchdown and passed for another in leading Medford to its 7th straight victory, beating Revere High 15-6. The Blue and White did all of its scoring in the first half and held on for dear life in the second as Revere scored one touchdown and came within 20 yards of another. Medford's first score came when Rideout followed a herd of blockers into the end zone from 9 yards out, climaxing a drive that began on the Revere 28. Medford's second score was set up by Rich Etna, who recovered a fumble on Revere's 38 yard line. Rideout quickly capitalized on this break by dropping back and hitting Bobby Jenkins for the 6 points. Rideout then ran for the two points conversion. Jimmy Reid, Ed Whitaker, Gary Enos, and Bill Jensen all played well for the Mustangs.

Medford 26-Quincy 14

Medford High needed a strong 15 point third period performance in order to tip a spirited Quincy High eleven and gain its 8th straight win by a score of 26-14. Trailing 14-9 at the half, Medford relied on stingy defense and three 2nd half touchdown passes by Eddie Rideout to keep their hopes alive for the first undefeated Medford High football team in twenty years. Medford's first half scoring was done by Bill Jensen on a pass reception, and Pancho Webb, who added a 27 yard field goal. The big 3rd period saw Rideout hit Reid with a beautiful 76 yard touchdown pass, and Ken Rideout scramble for the 2 point conversion. Later in the quarter Rideout again dropped back to pass, hitting Kevin Feeley from 45 yards out. Webb kicked the conversion to end the scoring. At the end of this one the fans were shouting hopefully, "We're number one."

Medford 22-Malden 0

The mighty Medford Mustangs won their biggest game of 1967 by trouncing their number one rival, Malden, 22-0 at a rain soaked Hormel Stadium. This win, the first in 12 years against Malden, enabled the Mustangs to become the first Medford team in 20 years to go undefeated and also assured them of at least a tie for the Eastern Massachusetts Class A. Championship. The game was featured by two of the finest quarterbacks in Massachusetts who were competing against each other for the third time. The signal callers were, of course, Ed Rideout for Medford and Bill Croken for Malden. To the disappointment of everyone, however, the game was played under a drenching rain. This situation caused poor field conditions and would not permit either quarterback the adequate footing he needed. The continuous downpour also left the ball wet and slippery, making it very difficult to pass. Thus what the weather had created was a day not for speed and maneuverability, but for power and force. For each team the game would be won or lost in the line.

Medford High's line, as it had-been all year, was stupendous. Defensively, the big four interior linemen, consisting of Etna and Griffin at guards and Giles and Staffier at the tackles slots, completely destroyed Malden's offensive efforts. Aiding these four were Whitaker and Jensen at ends, and Feeley and Crivello at the linebacker positions-all four of whom put constant pressure on Croken and all of Malden's back-field. As an example of the Mustang defense, Malden's Croken led the G.B.L. in most all of the major passing departments, but against Medford he completed only three passes for a total of less than 40 yards. Malden's total offense was also a leader in the G.B.L., but against the Mustangs they could not penetrate over Medford's 40 yard line, with one exception early in the first quarter.

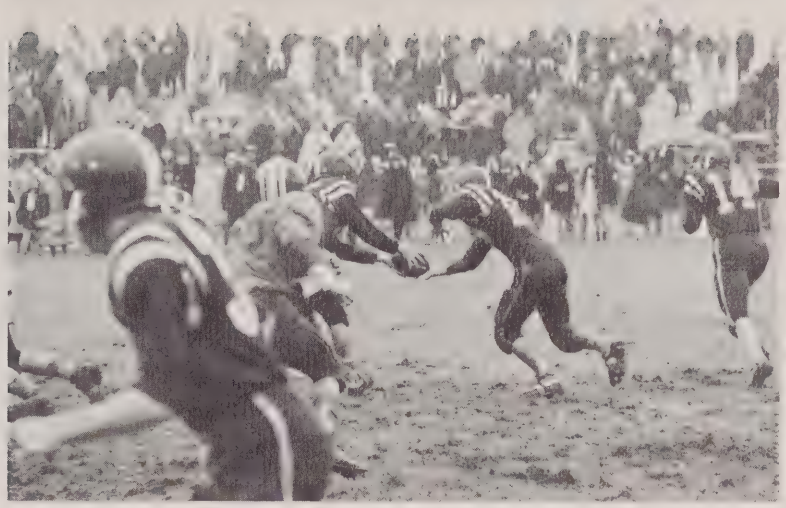

This great effort by Medford's linemen was not only on defense but on offense as well. The men up front opened wide holes for the Mustang backs and kept the Mustangs driving continuously throughout the game. Medford's first score was on a 2 yard plunge by Jimmy Reid which climaxed a long Mustang drive in the first period. Medford scored again in the 2nd quarter on a 4 yard scamper by Ed Rideout. Medford's final score was on another short plunge by Reid. Conversions were made by Webb and by Phil Valdaro, who ran for his two points. Making valuable contributions throughout the day from their running back positions were Rich Jenkens and junior Ken Rideout.

Having achieved an undefeated season, the Medford Mustangs were adjudged tri-champions of Eastern Massachusetts Class A Football, along with the undefeated elevens of Weymouth and Lowell. Postseason honors were bestowed on several of the team members. An appreciative Medford citizenry displayed its feeling for the team effort by sending the whole team, along with its outstanding coaching staff, on a wonderful trip to sunny Bermuda in late January. The refrain that began in the North Quincy encounter, that had grown louder during the remaining four games, and that had reached a fever pitch on Thanksgiving Day was certainly justified: "WE ARE NUMBER ONE."

Throughout twenty-eight seasons of soccer under coach Allyn "Bud" Stillman, the Blue and White booters have suffered a losing season only once. This was during Mr. Stillman's first year of coaching in the year soccer was started at M.H.S. Every year since then the dean of Mass. soccer coaches has enjoyed winning seasons. Mr. Stillman's '67 team did as well as any past team. The booters, who finished their season with an impressive league record of 11 wins against a single setback, won the Suburban League Championship. Overall, the team's record was 14 wins, including victories over several academy teams, and two losses. The booters qualified for the Eastern Mass. Soccer Tournament. Maintaining their regular season momentum, the team swept 3 tournament games and were crowned Eastern Mass. State Champions. In the state championship game, however, the booters lost a heartbreaking decision 2-1, after four overtime periods to perennial powerhouse Ludlow.

At the season's outset, the booters displayed mid-season form, and handily defeated Newton, Brookline, Brockton, and Watertown. The Blue and White then sported a 4-0 record going into their big game against arch-rival and defending champion Lincoln-Sudbury.

The Blue and White, paced by goals by co-captains Sal Marino and Santo Bordanaro and junior Max Abecasis, pulled off a 3-2 upset victory over previously unbeaten Sudbury. To make the victory even sweeter for the Mustangs, it was the first time in 11 years that any team had defeated Sudbury on its home ground. Defensively for Medford, Dave Corrado, Skip Marotta, and goalie Peter Wells, who kept Medford in contention making 20 stops, many of them sensational, were outstanding.

After the Sudbury game, the booters continued their winning ways by downing Newton. Now at mid-season the Blue and White had defeated each league team once. Newton South, Brookline, and Watertown all were victimized for the second time. Once again, however, the Mustangs had to contend with once-beaten and 2nd place Sudbury.

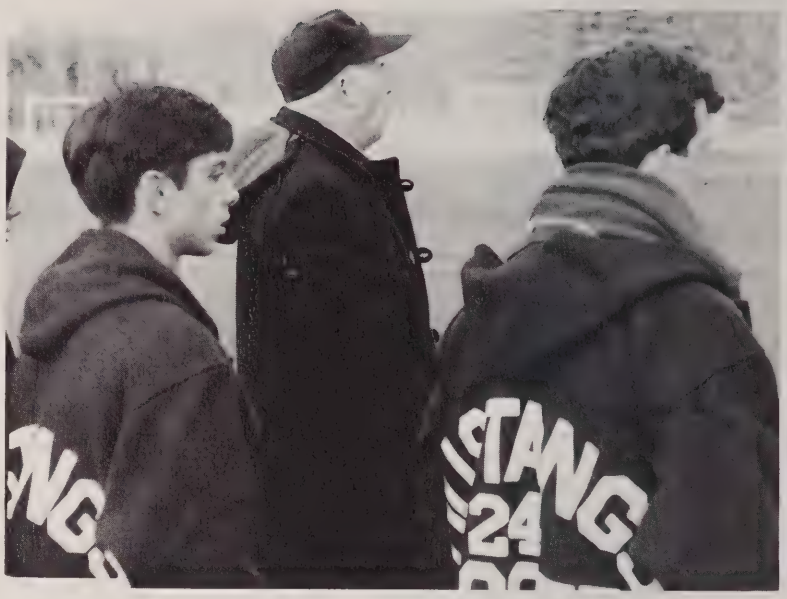

Again led by a sturdy defense and goals by Marino and Abecassis, the Medford soccermen defeated Sudbury for the second time, 2-0, and thereby clinched the Suburban League Championship. Paced by fullbacks Paul Jay, Dave Corrado, and Mario Carnevale; halfbacks Paul Raycroft, Chris Healey, and Skip Marotta; and a forward line that kept pressure on the Sudbury goalie throughout the afternoon; the booters exhibited tournament-style play.

With a snappy 10-0 record against league competition and the league championship already clinched, the booters entered their season's final game heavy favorite over upset-minded Newton. In what proved to be a case of over-confidence though,Newton High stunned Medford 2-1, the Mustang's only league loss of the year. Ed Cirigliano scored Medford's only goal of the long dismal afternoon. The loss was difficult for the Mustangs, especially coach Stillman who was seeking his first undefeated season in 28 years of coaching. Medford was eager to begin tournament play and both Mr. Stillman and the team felt optimistic.

Medford 2-Xavrian 1

In Medford's first tournament game, the Blue and White were matched against Xavrian High. The game was played under a constant rain, hampering the play of both teams. In the 4th quarter Xavrian seemed destined to upset the Mustangs, but with a scarce 6 seconds remaining, Sal Marino scored and sent the game into overtime. At the end of two scoreless overtime periods, however, the game was still deadlocked at two all. Darkness prevented further play and the game was postponed until the next afternoon. When play was resumed neither team had lost the previous day's momentum and the struggle continued for three more scoreless overtime periods. In the sixth overtime period, junior Rich Shannon took a pass from Paul Jay and Santo Bordanaro and ripped it through the goalie's hands for the deciding goal. This game was a thrilling and well deserved victory for Medford, and gave them the opportunity to advance in tourney play.

Medford 2-Nauset 0

The Medford Booters advanced into the Eastern Massachusetts Championship by blanking Nauset Regional High 2-0. This game was easily the best game by Medford to this time. Passing, kicking, and heading accurately, the outcome of this contest was never in doubt despite the close score; Medford completely dominated play. After a scoreless first half Bordonaro broke the ice with eight minutes gone in the 3rd period, when he took a pass from Chris Healey and boomed it by the helpless Nauset goalie. In the 4th quarter Marino added a little breathing room when he connected on a pass from Bordanaro. Medford goalie Pete Wells had to make only 7 saves throughout the afternoon. Outstanding for Medford were linemen Rick Shannon, Max Abecassis and Mark McCormack.

Medford 4-New Bedford 2

The Mustang Booters, displaying true championship form, won the Eastern Mass. crown by defeating the defending champs, New Bedford, by a score of 4-2. The first half ended deadlocked with Medford's only goal coming off the head of Skip Marrotta, assisted by a corner kick from Sal Marino. In the 3rd quarter the Mustangs went ahead to stay when junior Max Abecassis took a pass from Santo Bordonaro and bulletted it past the New Bedford goalie. In the fourth quarter Medford added 2 more goals; the first by Marino from in close and the second by Abecassis converting a cross by Rick Shannon. Pete Wells and Paul Deehan shared the Mustang goaltending. Defensively the Mustangs received stalwart play from Dave Corrado, Paul Roycroft, and Mario Carnevale, all of whom broke up many of New Bedford's scoring opportunities. The Mustangs were now eager to advance into the state finals held in Western Mass.

Ludlow 2-Medford 1

The state championship game, played in Springfield under very adverse weather conditions, found the Mustangs extending the defending state champions, Ludlow Regional High School, through a fourth and final overtime period before bowing by a score of 2 to 1. Both teams evidenced a most tenacious defense and regulation time expired with neither team being able to score.

In a second overtime period, Ludlow finally scored what seemed to be the winning goal; but with one minute left to play, Mario Carnevale headed the ball into the goal, thus enabling this epic struggle to continue. With less than 2 minutes left in the fourth overtime, a penalty call on Medford enabled Ludlow to score, thus ending Medford's valiant and most praiseworthy attempts to bring home a state championship.

This year's soccer team endeared itself to everyone by its determination and character. Its individual abilities were very evident, and its team spirit and cohesiveness were ample testimony to the effectiveness of its coaching. Its success was most deserved; we are very proud of it.

CROSS COUNTRY

Now in its third year of existence, the cross country team, under head coach J. Walter Langley, enjoyed a victorious season, finishing third in the league standings. Led by Captain Warren Hurley and seniors Danny Amero, Tom Waterfall, Pete Rizzo, and Wally LeFave, the team earned a 5-2 record. Of course, it would be impossible to disregard the importance of the juniors and sophomores,including Marty Murphy, Bob Landry, Bryan Bartsch, Bruce Kurth, Joe Fortunato, Jay Hartnett, and Vinnie Toscaro. All the boys made a great effort to attain a winning season and their success was a fine contribution to M.H.S.

The season opened at Waltham, always a strong team, and the Mustangs were defeated. The harriers stormed back beating Arlington the next week at Playstead Park. Medford proved the better team once again, defeating traditional rival Malden in a key meet of the year. Everett was next to fall to the Blue and White, and this meet was Medford's 3rd consecutive victory. The Revere Patriots visited Playstead Park, and became Medford's 4th victim. The harriers now faced Newton South. Although Newton South proved to be a tough opponent with its two top men finishing 1st and 2nd, the next eight men passing the line were from Medford, which earned for the Mustangs their 5th victory.

With five consecutive wins against a single loss, Medford met Newton to decide the second place standing at Playstead Park. Newton's first two runners broke the course record of 12min. 49sec. set by former Mustang Greg Battles, with a 12min. 42sec. clocking for the 2-1/2 mile course. The closest Medford runner was Tom Waterfall, with a time of 12min. 53sec., which earned 4th place. On the basis of this contest Newton obtained the second place standing with Medford 3rd.

In the state meet held at White Stadium in Boston, in a field of 175 entries Tom Waterfall finished 23rd, Pete Rizzo 56th, and Marty Murphy 74th, all creditable performances. The team then went to Mount Ida Junior College for the league championship meet. In the top twenty with impressive showings were Marty Murphy 17th, Pete Rizzo 14th and Tom Waterfall 5th. In the junior varsity race Bryan Bartsch of Medford was first and Bob Landry was 5th.

Overall the season was a success and both Coach J. Walter Langley and his team members deserve congratulations for their hustling efforts.

HOCKEY

Ken Steeves, Paul Roycroft, Head Coach George Boudreau

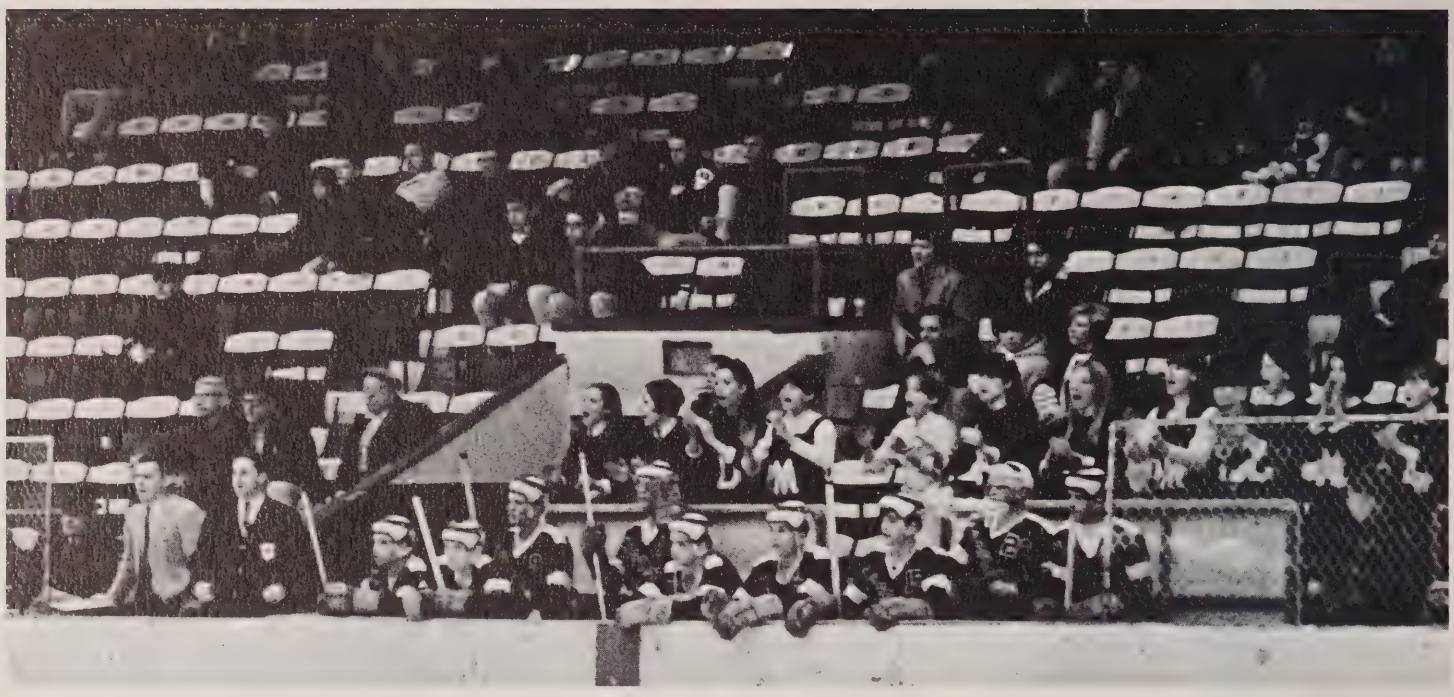

Led by co-captains Ken Steeves and Paul Roycroft and directed by new coach George Boudreau, the Medford High School hockey team moved into serious contention for the Greater Boston Interscholastic Hockey League championship. After squeezing by Cambridge Latin 1-0, in the first game of the season, the Medford Sextet made its presence known by battling a strong Newton team to a 0-0 tie. The superb goaltending performance by junior Bob Henry and the fine defensive play of Paul Roycroft and Gary Vienneau helped preserve the tie for Medford.

The following week, an undefeated Arlington High team put its unbeaten string of 45 consecutive games on the line. In a thrilling game played at the Boston Arena, junior Doug Steeves scored the winning goal for Medford on a fine individual effort. The spirited offensive play of Medford's first line, composed of Willie Catino, Jim Foley, and Doug Steeves, and the strong defensive game turned in by co-captains Paul Roycroft and Ken Steeves led to the upset victory.

Medford continued its winning streak the following week by defeating Waltham, another strong team of the Greater Boston Interscholastic League, by a score of 5-1. The Mustangs were led by the forechecking of Jim Foley and Brian Bailey, in another defensive game. The following week, after trailing early in the game, Medford stormed back to defeat an improving Somerville team by the score of 7-3.

Bruce Vienneau, Doug Steeves, and seniors Willie Catino and Jim Foley turned in impressive performances, extending Medford's winning streak defeating Rindge Tech 6-3 in the next game. Then Medford met Brookline in a showdown for first place. This time, however, the Mustangs were defeated 5-2 in a very rugged contest. After, leading 1-0 at the end of the first period, Medford lost its momentum and lead in the second period and couldn't regain either. The Mustangs were plagued by penalties throughout the contest. Defenseman Paul Roycroft and forward Rick Shannon scored the two Medford goals.

Medford thus has ended the first half of the season with a 5-1-1 record, good enough for third place in the league and only one point behind Arlington and Brookline, which were tied for first place. This fine first half season performance has lifted the hearts of Medford hockey followers and has given indication that Medford will certainly have to be reckoned with, not only in the second half of the league season but hopefully in the forthcoming state tournament as well.

The Medford Mustangs displayed an abundance of hustle, spirit, and determination on the court but, hampered by a lack of experience, were unable to achieve a winning season. The team, led by its very able captain Jack Fiumara, did provide many thrilling and tense moments for Medford hoop fans. Capably directed by new hoop mentor Donald Tremblay and his assistant Fred Knox, the Mustang quintet proved troublesome adversaries for many of the league's stronger teams.

Medford started off the season by losing to Somerville and New Bedford—the two strongest teams in the league. Then followed two victories over Quincy and Revere, by scores of 71 to 60 and 76 to 69. The anticipated momentum fizzled, however, as losses followed to Malden, Everett, and North Quincy. The North Quincy game, played at the Boston Garden, provided one of the highlights of the season. Led by the spectacular play of Jack Fiumara, the Mustangs stormed back in the fourth period from a 17 point deficit to tie the score, only to lose in the final seconds by a score of 73 to 69. Fiumara thrilled the Garden audience by scoring 38 points in this encounter.

The first half of the season ended with a victory over Chelsea, 95 to 73 and non-league loss to Stoneham, 65 to 64. With a record of 3 wins and 6 losses, Medford's hopes of achieving success during the second half of the year were quite optimistic.

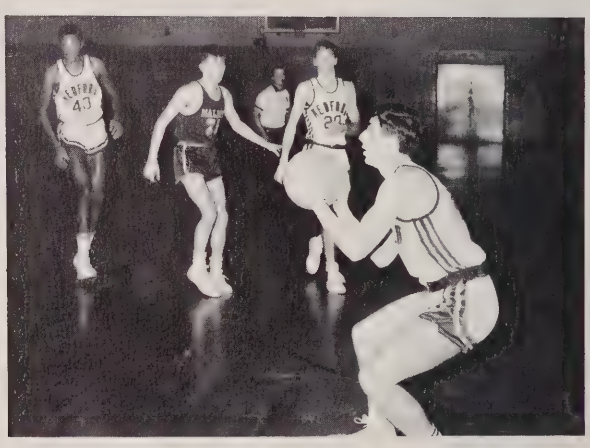

Shining through this somewhat bleak first half season were: the steady leadership and scoring of Captain Jack Fiumara; the shooting of Bob Farese, sub-par because of injury, and Joe McCarthy; the hustle and defense of Paul Jay; and the steady relief work of Paul Deehan, Dave Corrado, Jerry Warren, and Dennis Hannon. Coming on strong in mid-season were such underclassmen as Reggie Graham, Bill Jay, Chris Brennan, and Ernie Brown. These are the boys to whom coaches Tremblay and Knox will be looking in hopes of improving Medford's hoop status during the last half season and in future seasons.

INDOOR TRACK

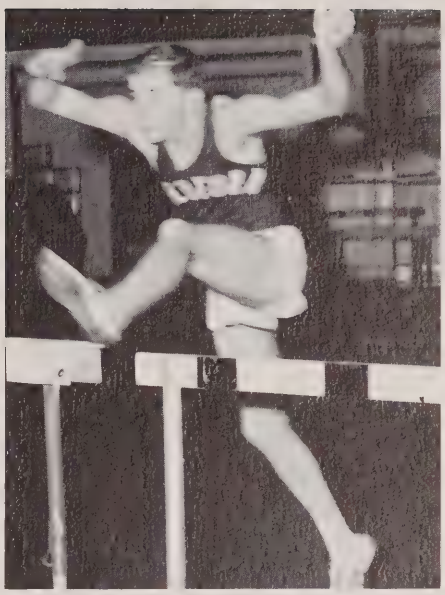

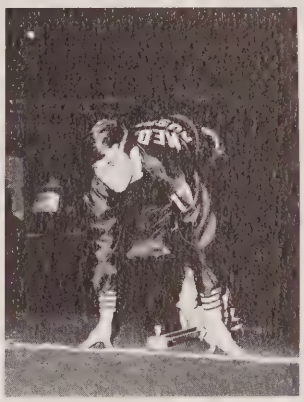

Co-captain Peter Rizzo
Coach Langley
Co-captain Richard Jenkins

The indoor track team, unsuccessful in its defense of the league championship, nevertheless proved to be one of the stronger teams in the North Shore Indoor Track League, finishing in a tie for third place with a record of four wins and three losses. With wins against Haverhill, Salem and Lowell balanced by losses against Andover, Lawrence, and St. John's, the Mustangs needed a win in the final meet of the year to insure a winning season. This they achieved in as close a margin as possible, 39 to 38, over Keith Academy.

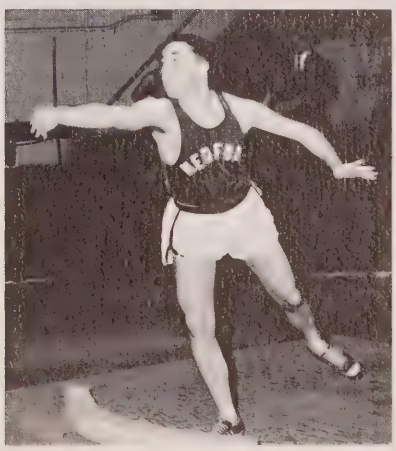

Captained by steady Pete Rizzo and versatile Rich Jenkins, the team provided formidable competition all season. Outstanding individual performances were accomplished by dashmen Bill Jensen and Robert Puopolo, 300 yarder Bob Jenkins, miler Tom Waterfall, and high scorer Rich Jenkins, who competed in the high hurdles, high jump and relay competitions, and who also earned the distinction of best in his specialty, the 45 yard high hurdles, in the all-star meet.

Commendations are extended to Coach Langley and his squad for their successful season. With a nucleus of proven performers bolstered by an improving group of underclassmen, Medford's hopes of defending its indoor championship this coming spring look promising.

The cheerleading squad has energetically cheered our boys to victories in football, basketball, hockey, soccer, and track. Attending as many games as possible, these girls have successfully aroused enthusiasm and spirit throughout the year. These girls in vying for a victory always displayed good sportsmanship and fair play. The pep rally before the annual Thanksgiving tilt with Malden proved highly successful due to the vivacity of the Cheerleaders. Best of all they do not give up when defeat is evident, but are led on just that much more-a great inspiration and pride to any team.

POM-POM GIRLS

The Pom-Pom Girls devised all their own routines for half-time entertainment at the football games. Marching out with the band at the beginning of the games, they gave an appearance of uniformity and co-ordination to all those watching. Contributing to this effect were their similar uniforms of white sweaters, navy skirts, and navy berets. The Pom-Pom Girls spent many hours practicing and working with the band, and the results were encouraging. Their performance served to increase the spirit of all the fans, as well as that of the team.

One of the most active clubs of M.H.S. is the Italian Club. Open only to those pupils taking Italian, the club seeks to instill a deeper understanding of the language and culture of Italy. Among the many activities this year, the club especially enjoyed an illustrated talk by one of its fellow Italian students, Barbara Keel, who had traveled in Italy during the summer; a visit to the Institute of Contemporary Art where they saw an exhibition of some of Italy's very modern young artists; the production of Verdi's opera "La Forza del Destino" by the Metropolitan Opera Co. of New York; and the grand "banchetto" in May. And so the year drew its close with sad farewells and fond memories.

Under the direction of Mrs. Leonore Pappas, the programs were all highly successful due to careful planning by the officers. The highlight of the year was the Christmas party held for 125 needy Puerto Rican children. Members brought in gifts, filled a pinata, baked pastries, and entertained the children at the party, which turned out to be a big success. The club also went to see Spanish plays and a ballet. They also tutored the Puerto Rican children of Boston in both English and reading one day a week. The club concluded the year with the annual banquet held at a Spanish restaurant.

Slides are shown and experiences with the country of France are shared. A diversification of facts, figures, games, songs, plays, and even pastries lend to our atmosphere. Programs this year will include learning to cook French food, seeing French movies, and discussing French plays. The year's activities will conclude with the entire club's banqueting at a French restaurant.

THE MUSTANG NEWS

News Editor: David Cohen
Business Editor: Richard Swanson
Graphic Arts Editor: Kathy Smith

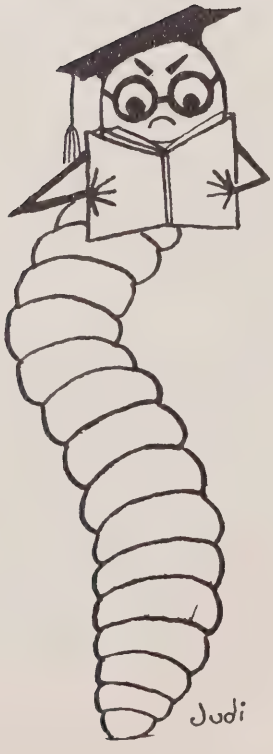

The Mustang News, a Medford High School student publication, has been in operation for only five years. Already it has been given outstanding awards praising both the students and the advisor, Mr. Selvitella. The awards include 1st. place rating New England Press Association and special award for Coverage of the Fire.

More honorable than the award is the enthusiasm all staff members possess to work daily for a good publication. One such example is the November Football Edition featuring the Mustang gridiron players and the accounts of the games. Such editions as this and others attribute to the newspaper's success.

BLUE AND WHITE

CO-EDITOR: Mark McCormack
CO-EDITOR: Ralph Marotta
ART EDITOR: Judi Averbook
SPORTS EDITOR: Paul Jay

The primary function of the Blue and White is to compile and edit a lasting record of the activities of the students of Medford High School. Through the year the staff is busy assimilating the humorous and serious aspects which make the life of a high school student something to be remembered. The staff has spent many hours both in and out of school preparing the book of memories which you read now.

We are deeply indebted to Mr. James Sweeney, our newly appointed advisor, and Mark McCormack and Ralph Marotta, our editors, who deserve unlimited credit. Without their relentless efforts, the yearbook of 1968 would not be such an outstanding memory of our high school years.

Mrs. Mangion, director of the All Girl Choir, has done an excellent job in interweaving the many parts of the musical programs here at Medford High School. Participating in the Christmas assembly, this group added much to its success. The All Girl Choir is a strong part of the choraleers. These girls have classes once or twice a week and also attend choraleer rehearsals.

Diane Zarella

Most members of our senior class will remember the Medford High School Band for its fine performances at the football games and the Thanksgiving rally. The Band continually inspired the student body and rallied the Mustangs on to numerous victories. However, the Band's musical season does not end at the close of the football season, for the winter and spring seasons are filled with concerts and parades. The Band brings its season to a close as it performs during Class Day and Graduation Exercises.

ADVISOR: Mr. Stephen Russo

HOUSE OF DELEGATES

The House of Delegates is the lower branch of the Student Council. The membership is comprised of a representative from each homeroom. An alternate delegate is also selected. The delegate's job is to go to the meetings of the Student Council and represent his or her homeroom to the Student Government. Thus each member of the student body has a voice in the Student Government through his delegate.

Due to the fire, the laws and constitution of the Student Government were lost, and at present the House of Delegates is involved in rewriting them under the leadership of the senior homeroom members and the officers of the Senior Class. When they finish, this senior class will be able to leave the school a strong, viable Student Government that should guide the student body for many years to come.

A FRIEND

Before you accept that first job . . .

Look over your employer as carefully as he does you

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.
