

## **Title 1 Parent and Family Engagement Plan 2024-25**

Paxon Hollow Middle School recognizes that meaningful parent and family engagement contributes to the achievement of state academic standards by participating in Title 1 programs.

An annual meeting of parents and family members will be held at a convenient time. The goal of the meeting will be to explain the purposes of Title 1 programs and to inform families of their right to be involved. Parents and family members shall be given the opportunity to participate in the design, development, operation and evaluation of the program. Parents and family members shall be encouraged to participate in planning activities, to offer suggestions, and to ask questions regarding policies and programs.

The program shall involve parents and family members in an organized, ongoing and timely way, in the planning, review and improvement of Title 1 programs, the Title 1 Parent and Family Engagement Policy and the joint development of the Title 1 Plan.

We believe that home, school, and community involvement is a shared responsibility among school staff, parents, students, and community members. The parent is recognized as the child's first educator. Parents are encouraged to participate at Paxon Hollow Middle School in the following ways:
