Welcome to Bellefontaine High School. It is a privilege to host this evening's athletic contest between these two friendly rivals. Each of the two participating schools are members of the Ohio High School Athletic Association and abide by the rules and regulations as set forth by the Association to maintain high standards of conduct for competition and relations with other schools.

Regardless of your school affiliation, you are requested to uphold the ideals of good sportsmanship in your conduct toward the athletes, coaches, and fans from the opposing school and toward the officials who are working tonight's game because of their devotion to high school athletics. It is important to support your team in a positive manner while demonstrating respect and concern for others.

Enjoy tonight's contest and the performance of the cheerleaders and bands who have worked hard also in preparation for tonight's festivities.

Bill Patterson  
Athletic Director

Dear Chieftain Fans:

Thank you for attending our events and supporting the competitive efforts of our Bellefontaine High School student athletes. As this program proudly displays, at BHS we have many students who strive to extend themselves through sports and academics. In fact, nearly one of every two BHS students is involved in at least one sport during the school year. Many participate in athletic teams while also being members of the band, choir, or student government. We are especially proud of the number of athletes who consistently maintain a Grade Point Average of 3.0 or above.

This dedication to classwork, athletics, and extracurricular activities helps our students to develop a sense of pride in achievement gained through hard work, a commitment to the betterment of the community through various kinds of public service, and a lifelong understanding of the importance of teamwork and self-discipline in the achievement of goals that would be impossible to attain alone. Student involvement in school activities and sports allows the teachers and coaches to maximize the physical, social, and emotional development of our students. That's why you - as a loyal supporter of our Chieftain events - are so important. Without your cheers and your financial support, we would not be able to continue our wide range of extracurricular programs.

Students who are involved in sports develop to a higher academic level and set higher goals for themselves than do non-participants. Because they understand that participation is a privilege, they generally exhibit better behavior and attendance. They are less likely to become involved in negative or self-defeating behavior such as alcohol or drug abuse. Perhaps most important, they carry the lessons of effort and teamwork into adult life, and are more likely to achieve high levels of personal success and community involvement when they mature.

Extracurricular activities often lead to lifelong passions for music, sports, or other interests. These passions can become the basis for a fulfilled, productive, contributing citizenship. Once again, without your support, none of this would be possible. We ask only that - while you are here - you strive to be a positive role model for our youth. We ask that you remember that all the athletes - both our Chieftains and their opponents - have worked hard to develop their skills. Good sportsmanship demands that we cheer to support our teams, and not to humiliate or belittle our opponents. Good sportsmanship is perhaps one of the greatest of our Chieftain traditions - and one we hope you will carry on as you support our teams!

Once again, thank you for supporting our students. We are glad you are here, and we hope you will return again and again to see the great things our students are doing!

The 2007-08 Chieftain Boys Basketball season promises to be another exciting and high-spirited campaign. The Chiefs are coming off a 2007 Sectional Championship and District Runner-up season graduating six seniors from last year's 17-6 squad. Leading the way for the 2007-08 season, the Chiefs are led by a solid group of seniors which include Jordan Brannon, Sean Egler, Matt Morris, Colin Rockhold, Cody Sigrist, Chris Versele, and Dean Whetsel. The three returning varsity letter winners and Tri-Captains (Egler, Morris, and Rockhold) will provide valuable experience and leadership for the Chiefs.

## **Bellefontaine High School Athletic Boosters**

**Greetings Chieftain Fans!** It is with great expectations that I look forward to our 2007-2008 school year. I hope for many successes in our athletic programs. Last year the Athletic Boosters club contributed over \$50,000 to all BHS sports teams to help the athletic department. We expect to do the same this year. This will be made possible through the generosity and support of Chieftain fans. Each year we raise this money through several methods. Those methods are, Reverse Raffle, concession stands, 50/50 tickets, Chieftain Store, program advertising and sales, and Chieftain Club. Each of these fund raising methods are guided by hard working volunteers. They are; Reverse Raffle chaired by Rick Gildow; Concession Stands by Connie Gamble; 50/50 by Kris Fraim-Yarchak; Chieftain Store by Snook Paige; Program advertising by Debbie Melling; and Chieftain Club by Tammy Gump. I thank them for all that they do. I would encourage you to step forward and become involved. The Athletic Boosters Club meets the second Wednesday of each month at 6:00 in the High School Library. (September through May) Join us and help support our Chieftain athletic teams.

The Lady Chiefs Basketball teams are comprised of 9 freshman, 3 sophomores, 3 juniors, and 5 seniors. The Freshman will play an abbreviated season and will join the 3 sophomores to make up the Junior Varsity team. The Varsity team includes 5 returning letter winners. We look to outwork our opponent through practice and preparation. Our success will be judged in how hard we work on the court, and our ability to come together and work as a team. All the support given to the team is much appreciated. We look forward to representing BHS in a positive and rewarding manner. -Coach Cianciolo

# Coaches Corner

This years teams offer experience on both the boys and girls bowling teams. The boys team lost only one starter from last year, so we are expecting that the returning lettermen know more about the consistency necessary to compete in our league. The girls team lost three starters from last years undefeated squad, but we look for some of the younger girls to step up and hope they can make a run at another league championship.

Go Chiefs!

# Coaches Corner

We lost 12 seniors last year so the team is a little smaller but we still have a lot of strength hopefully it will be enough for the upcoming season. The girls are hoping to not only make a district appearance this year but make it to state. The boys also have their sights set on district (the state level is a little harder for them since there is only one division for the boys). The program has a lot of talent and even the 1st year swimmers are catching on quickly. The kids are working really hard at practice, we are excited to see what everyone does when we begin our meets in December. - Coach Lori Salyer

This year's wrestling squad is the biggest team that I have coached here at BHS, however, we are very young. I look forward to seeing everyone improve as the year goes on. This years squad will be led by Tyler Wisse and Justin Colley as our lone Seniors. Slayde Wilcoxon returns as our only District qualifier from last year's team. I look for this years's squad to surprise a few teams! We welcome everyone one to come and support the 2007-08 wrestling team.

Bellefontaine Al-ma Ma-ter  
We stand to honor thee  
We lift our voice together,  
Our pride for all to see.  
We join our hearts I tribute, our loyalty abounds,  
The city of the fountains on scared Indian grounds.  
The ivy twine doth bind us,  
Our hands we firmly clasp  
The hills send back the echo of voices form the past.  
All hail to our Bellefontaine,  
Our thoughts turn back to thee  
Though life may cause our parting  
And pals must say good-bye,  
We hold in us our memories gleaned from Bellefontaine High.
