# Coach's Corner

The BHS cheerleaders have worked hard all summer to get ready for the season. The girls attended camp at BGSU and learned some great new cheers and chants that they hope will pump up the crowd. This year's

cheerleaders are very talented and enthusiastic. We hope all of you will come out and help us cheer the Chieftains on to another successful season

## Coach's Corner

The men's soccer team is continuing to rebuild with another youthful squad. Six seniors anchor a team that has 28 underclassmen - 11 of which are on the varsity squad. Our objectives for the season are to come together as a team, learn from every game and practice, and continue to bring respect to ourselves and our school. Also, we will have a new look on our coaching staff. Head Coach Tim Holdridge will be leaving

the area and we will truly miss his leadership and knowledge of the game. But we have some great BHS alumni that are reuniting with our soccer family to help continue where earlier coaches left off. Come on out to Dodd Field to see Bellefontaine's 2008 edition of the most popular sport on the planet!

## Coach's Corner

This season we are a young team. We have 2 seniors, 4 juniors, and 4 sophomores. Four of our players this season were not on the team last season (3 of which never played golf before). We also graduated 6 seniors. Christian Garlock is our only returning letter winner. In fact he is the only one with varsity experience. I have seen some vast improvement in our

team since early August. My goal for the year is growth and improvement with each week. We started the season with one 8th and two 9th place finishes out of 12 in the Ben Logan, Ryan Reynolds, and Russ Hogue Invationals. We are currently 1-1 on the regular season.
