Welcome to Bellefontaine High School. It is a privilege to host this evening's athletic contest between these two friendly rivals. Each of the two participating schools are members of the Ohio High School Athletic Association and abide by the rules and regulations as set forth by the Association to maintain high standards of conduct for competition and relations with other schools.

Regardless of your school affiliation, you are requested to uphold the ideals of good sportsmanship in your conduct toward the athletes, coaches, and fans from the opposing school and toward the officials who are working tonight's game because of their devotion to high school athletics. It is important to support your team in a positive manner while demonstrating respect and concern for others.

Enjoy tonight's contest and the performance of the cheerleaders and bands who have worked hard also in preparation for tonight's festivities.

Dear Chieftain Fans:

Thank you for attending our events and supporting the competitive efforts of our Bellefontaine High School student athletes. As this program proudly displays, at BHS we have many students who strive to extend themselves through sports and academics. In fact, nearly one of every two BHS students is involved in at least one sport during the school year. Many participate in athletic teams while also being members of the band, choir, or student government. We are especially proud of the number of athletes who consistently maintain a Grade Point Average of 3.0 or above.

This dedication to classwork, athletics, and extracurricular activities helps our students to develop a sense of pride in achievement gained through hard work, a commitment to the betterment of the community through various kinds of public service, and a lifelong understanding of the importance of teamwork and self-discipline in the achievement of goals that would be impossible to attain alone. Student involvement in school activities and sports allows the teachers and coaches to maximize the physical, social, and emotional development of our students. That's why you - as a loyal supporter of our Chieftain events - are so important. Without your cheers and your financial support, we would not be able to continue our wide range of extracurricular programs.

Students who are involved in sports develop to a higher academic level and set higher goals for themselves than do non-participants. Because they understand that participation is a privilege, they generally exhibit better behavior and attendance. They are less likely to become involved in negative or self-defeating behavior such as alcohol or drug abuse. Perhaps most important, they carry the lessons of effort and teamwork into adult life, and are more likely to achieve high levels of personal success and community involvement when they mature.

Extracurricular activities often lead to lifelong passions for music, sports, or other interests. These passions can become the basis for a fulfilled, productive, contributing citizenship. Once again, without your support, none of this would be possible. We ask only that - while you are here - you strive to be a positive role model for our youth. We ask that you remember that all the athletes - both our Chieftains and their opponents - have worked hard to develop their skills. Good sportsmanship demands that we cheer to support our teams, and not to humiliate or belittle our opponents. Good sportsmanship is perhaps one of the greatest of our Chieftain traditions - and one we hope you will carry on as you support our teams!

Once again, thank you for supporting our students. We are glad you are here, and we hope you will return again and again to see the great things our students are doing!

# Coaches *Corner*

Welcome to the Chieftain Football 2007! It is an exciting time in chieftain land as the new season approaches. The football team currently has 78 players in grades 9-12, great numbers for a division 3 school. The Chiefs enter this season with high expectations and standards. The Chiefs return fourteen letter winners and bolster a senior class of nineteen. The team has worked extremely hard in the off-season and the results are evident in the speed and strength gains made by the players.

The Chiefs would like to thank all the families, community members,

Bellefontaine football coaching staff: Front row: Assistants Matt Comstock and Howard Lambert, Head Coach Jason Brown, Assistants Art Caudill, and Rick Reed; Back row: Assistants Jeremiah Vigansky, Luke Varner, Gail Clark, Chris Schmidt, Tim Moran, and Damon Dixon.

and BHS staff who have been so supportive as the season approaches. The team will face a tough non-league battle with Wapakoneta, Sidney, and Marysville before they move into Central Buckeye Conference play. The Chiefs are working each day to reach the benchmarks set by so many great teams in our Chieftain history. The players are

ready to show their Chieftain Pride and we hope you are too!

Thanks and **GO CHIEFS!**

## SPORTSMANSHIP

### FANS Fair Play Code

1. I will remember that young people play sports for THEIR enjoyment, not to entertain me.
2. I will not have unrealistic expectations and will understand that doing one's best is as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
3. I will respect the official's decisions and will encourage all participants to do the same.
4. I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
5. I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.
6. I will show respect for my team's opponents because I realize there would be no game without them.
7. I will not use bad language and will not harass athletes, coaches, officials or other spectators.
8. I will always show good sportsmanship since young people learn best by example.

## **Bellefontaine High School Athletic Boosters**

**Greetings Chieftain Fans!** It is with great expectations that I look forward to our 2007-2008 school year. I hope for many successes in our athletic programs. Last year the Athletic Boosters club contributed over \$50,000 to all BHS sports teams to help the athletic department. We expect to do the same this year. This will be made possible through the generosity and support of Chieftain fans. Each year we raise this money through several methods. Those methods are, Reverse Raffle, concession stands, 50/50 tickets, Chieftain Store, program advertising and sales, and Chieftain Club. Each of these fund raising methods are guided by hard working volunteers. They are; Reverse Raffle chaired by Rick Gildow; Concession Stands by Connie Gamble; 50/50 by Kris Fraim-Yarchak; Chieftain Store by Snook Paige; Program advertising by Debbie Melling; and Chieftain Club by Tammy Gump. I thank them for all that they do. I would encourage you to step forward and become involved. The Athletic Boosters Club meets the second Wednesday of each month at 6:00 in the High School Library. (September through May) Join us and help support our Chieftain athletic teams.

The mens soccer team is coming off an emotional 2006 rollercoaster season. For the 1st time in the program's history, we are district champs - an accomplishment that we are very proud of. But in March, we suffered a tremendous loss when one of our family, Billy Jervis, lost his life in a automobile accident. This years team is trying to move forward from that tragedy, while continuing to build on the success of years past. Our goals for the season are to be the local champs, compete for the CBC title, and (as Billy put it) to "Play Beautiful soccer!". We have a great group of seniors - 7 total - that are eager to take the lead and have a great season.

- Coach Henry

# Coaches Corner

Hopes are high on the girls's soccer team this year. With nine seniors to lead the way and a strong freshmen class, a winning season is in the air. The girls have been working through the month of July a couple of times a week to get an early start on the season. At the end of July two practice sessions were set up with the keeper for the Kent State University's women's soccer team to work on defense and keeper skills. August 6th started a week of three-a-days with a focus on ball skills and game strategies. Two pre-season scrimmage wins bodes well for a successful season. The new coaching staff is pleased with the work the girls have put in so far, and are excited to see the girls get started on regular season games. We invite our fans to come to our games and help us to speak with courtesy, act with dignity, and play with pride. Respect the Game!

Go Lady Chiefs! - Coach Smith

The Chieftain volleyball team is set for another competitive and successful season. We are returning seven letter winners and that should be a big advantage for us this season. The players are committed to working hard and improving with each practice and match. There is good team chemistry and the players are very supportive of one another. They are passionate about the game and are motivated to succeed. We would like to welcome and thank all our Chieftain fans for their support.

# Coaches Corner

There are 23 boys on the Cross Country team this year. An eight member junior class provides the leadership this season. After having their streak of eighteen consecutive regional berths snapped a couple of years ago, the team has set a return to the regionals as a goal this year. Optimism is high for this 2007 season. Eleven runners will be on the girls Cross Country team. Three time First Team All CBC honoree, Alyssa Elliott, will lead the team to try to compete within the conference and district.

## FAN SPORTSMAN SHIP

Please don't curse that player down there:  
He's my son, you see  
He's only just a boy you know.  
He means the world to me.

I did not raise my son, dear fan.  
For you to call him names.  
He may not be a superstar.  
But these are just high school games

Please don't knock th players down there  
They do the best they can.  
They've never tried to lose a game.  
They're boys, and your're a man.

This game belongs to them, you see,  
You're really just a guest.  
They don not need a fan that gripes.  
They need your very best.

So, If you have nothing nice to say.  
Please leave that players alone.  
And if you forgot your manners.  
Please just stay at home.

Remember, as you watch those players down there  
Each one's his parent's son.  
Andwin or lose or tie, you see.  
To us they're NUMBER ONE.
