

Destiny: Adding an Additional User to A Student Account

Destiny, the MISD library automation system, has the ability to add one additional user to the student Destiny account. This must be the primary parent/guardian on record.

Step 1

To create an account, the primary guardian should visit this address and enter the email address on file with the district.

<https://destinyverification.follettsoftware.com/willow/district/destiny-D2G5-NKLW>

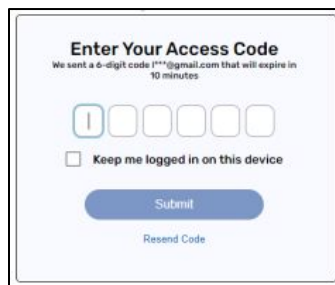

First, enter your email address
Email must be connected to a MILMS student

Email Address

Get Access Code

A verification code will be sent to the email address on file for the primary parent/guardian. Enter and submit the code.

Step 2

Enter Your Access Code
We sent a 6-digit code ****@gmail.com that will expire in 10 minutes
