FOR IMMEDIATE RELEASE

St. James Parish Schools to host *Eat on the Beat* Kick Off Event

On Friday, August 30, 2024, St. James Parish Schools will host the *Eat on the Beat* Kick Off Event at Vacherie Elementary School beginning at 10:45 a.m. This event will be for local emergency response personnel who are invited to enjoy lunch with students.

St. James Parish Sheriff Claude Louis Jr. is scheduled to be in attendance with some of his officers, and local fire departments as well as EMS organizations are invited to attend as well.

This event will provide an opportunity for students to socialize with police, fire, and emergency medical professionals. In past years, students spoke highly of these opportunities and we felt it was important to establish these events throughout our school year once again.

After the kick off event, a schedule will be provided to all participating organizations. Each elementary school will have a scheduled *Eat on the Beat* time and date, and students will be provided with this opportunity once a week.
