

Uniform Purchasing Guide

Please do not feel like you must buy every item listed on the uniform policy. Although every student must wear the required Dress Uniform on special occasions, it is up to your family which Uniform Options items you get. There are also a variety of ways to get uniform items, either by purchasing new items or through the Forest Ridge uniform exchange. Some uniform items must be purchased from Dennis Uniform or Lands' End, but many of the uniform items can be purchased at a variety of stores.

Forest Ridge Uniform Exchange

Forest Ridge has a uniform exchange program, with gently used uniforms available for all families to take. There is a variety of skirts, sweaters, shirts, and more. Families are welcome to take any items they need. We just ask you to be mindful of other families who may need items as well and to return any items in good condition when the student has outgrown them.

You're invited to visit our uniform exchange to find gently used uniform pieces. We offer one uniform exchange day in June and another in August. The uniform exchange will also be open by appointment throughout the summer, as supplies last.
