Principal

Dear Parents/ Guardians,

Student safety is our top priority. In order to ensure that our students are able to enter and leave the school safely, our arrival and departure procedures for Cambridge Park will be strictly enforced. Cambridge Park's traffic is **one way** between the hours of 8:30-9:30am and 2:30-3:30 pm.

MORNING ARRIVAL

- Parents are strongly encouraged to use the Kiss'N Go to drop students off in the morning
- The driveway will have two lanes: cars to the right and buses on the left
- Parents should enter the driveway in the right lane and pull along the curb in front of the school building

- Please have students seated in the rear passenger side so staff can easily assist them out of their car seat and out of the car onto the sidewalk.
- Do not exit your car to help your child out of the car.
- Once students are safely out of your vehicle, you should immediately continue down the driveway, turn right and exit the property via the back path leading to the cul- de-sac on Courtland Drive.
- Parking or idling in your car is not permitted

Estimados padres/tutores, La seguridad de los estudiantes es nuestra máxima prioridad. Para garantizar que nuestros estudiantes puedan entrar y salir de la escuela de manera segura, se aplicarán estrictamente nuestros procedimientos de llegada y salida de Cambridge Park. El tráfico de Cambridge Park es unidireccional entre las 8:30 y las 9:030 a. m. y las 2:30 y las 4:30 p. m.

LLEGADA POR LA MAÑANA

Se recomienda encarecidamente a los padres que usen Kiss'N Go para dejar a los estudiantes por la mañana, ya que el estacionamiento solo está disponible en la calle y es extremadamente limitado.

La calzada tendrá dos carriles: automóviles a la izquierda y autobuses a la derecha. Los padres deben ingresar al camino de entrada en el carril izquierdo y avanzar a lo largo de la acera del lado del edificio con la pasarela para ingresar al área de entrega de Kiss'N Go. Por favor, haga que los

estudiantes se sienten en el lado del pasajero trasero para que el personal pueda ayudarlos fácilmente a salir del asiento del automóvil y salir del automóvil a la acera. No salga de su automóvil para ayudar a su hijo a salir del automóvil. Una vez que los estudiantes estén seguros fuera de su vehículo, debe continuar inmediatamente por el camino de entrada y salir de la propiedad por el camino trasero que conduce al callejón sin salida en Courtland Drive.

No se permite estacionarse o permanecer al ralentí en el estacionamiento o entrada de vehículos. Si su hijo tiene dificultades para salir del automóvil o si necesita ayudarlo a entrar al edificio, se le pedirá que se detenga completamente para que la línea Kiss'N Go pueda continuar moviéndose.
