## Our Trex Recycling Program has begun!

Hello Cambridge Park Families,

**The goal:** Collect 1,000 pounds of acceptable plastic between October 2nd, 2024 and October 2nd, 2025 and Cambridge Park receives a plastic bench made out of this plastic material!

Let's make it happen this year!

### How it works:

- See the fliers below for acceptable and unacceptable plastic items.
- Collect and send in acceptable plastic to your child's teacher. This is also a great way to help your child sort, and to get them excited about helping the Earth and our school!
- At the end of 1 year. If we weigh and submit at least \$1000 pounds of plastic, a brand new bench will be ours!

Thank you for all of your support!

Happy collecting,  
Mrs. Wood

Is the package shiny or does it make a crinkly/crunchy sound in your hand? If yes, do NOT recycle in the NextTrex® bin.
