Welcome back Maidens and Indians!

My ladies and I are excited about getting back and preparing nutritious meals for all of Ganado ISD.

News: TDA will be offering reduced price families free breakfast again this school year.

Adult lunch prices will increase .25 cents. The price now will be \$4.50. We will still be selling ice cream. Elementary days are Kinder-3rd will be on Thursdays and 4th -5th will be on Fridays. It will

remain cash sales only for ice cream. We will not allow charging for ice cream. Our charging policy will remain the same. The negative \$20.00 limit on accounts will remain in place. Extras for entrees will stay at \$1.00 Fruits and vegetables will remain at .50 cents.

We still have the EZ pay app for parents to track and pay on their accounts.

If you received a letter stating you do not need to fill out an application then you do not need to fill out an application.

I encourage families to fill out the lunch application even if their children will not be eating in the cafeteria. Our district as a whole receives more money based on our free and reduced qualifying numbers.

As I stated, we are excited and looking forward to trying new recipes and keeping the favorites.

We are also looking forward to seeing how much each student has grown.

Sincerely,

Tracey Galetti
