### Professional Educator Fund (PEF)

### 2024-25 Information

---

#### I. GENERAL

##### 1. WHAT IS THE PROFESSIONAL EDUCATOR FUND (PEF)?

The objective of the Professional Educator Fund (PEF) is to provide members money to individually allocate towards professional development, instructional supplies or school-related expenses, or personal business leave. (Art. 7, D)

##### 2. WHO GETS PEF AND HOW MUCH?

Licensed staff members that are 0.5 FTE and greater receive PEF. This includes temporary employees, but not long-term substitutes. An allocation of 4 sub days (including FICA) has been made available to each full-time licensed staff member (\$912.52). Less than full-time employees (0.5 FTE or greater) will receive a prorated amount according to their assigned FTE. PEF money must be spent for specific allowable PEF use by June 30, 2025. \*Please note that PEF funds are allocated for your licensed FTE assignment only and cannot be used for items outside your contracted position (*ex: an employee whose licensed position is a classroom teacher, but they also coach track cannot use their PEF for items pertaining to track*).

##### 3. WHAT IS COVERED UNDER PEF?

- Professional development such as conferences, workshops or seminars.
- Travel costs (lodging, airfare, meals) associated with professional development.
  - Please note that travel arrangements (includes registration, hotel, airfare & transportation) *need to be processed through the District office ahead of time*, rather than submitted for reimbursement. Please see section “III. Travel” below.
- Sub costs for absences while you attend the professional development. Please see “Substitutes” section below regarding “PEF Professional Development” absence.
- Fees for professional training and purchases of related materials.
- Professional membership not necessary for performance of job, but which enhances professional development and purchase of professional publications.
- Instructional supplies and school-related expenses that support of instruction or your professional development.
  - Please include a brief explanation of purchase on PEF application and/or receipt. (Ex: hands-on geometry project, reading incentives, flexible student seating, etc...)
- Cost of tuition only after exhaustion of District tuition reimbursement allowance (per the Collective Bargaining Agreement). Please see “Tuition Reimbursement” section below.

##### 4. CAN I USE PEF TO PAY FOR AFTER-SCHOOL ACTIVITIES, COACHING EXPENSES & CLUB SUPPLIES?

NO. PEF funds are allocated for FTE assignment only; therefore, after-school activities, coaching expenses & club supplies/costs do not qualify and should come out of a different account.

##### 5. CAN I USE PEF TO PAY FOR GIFT CARDS?

Possibly. District Administrative Rule DJ-AR must be followed.

- Gift cards may be purchased for students or volunteers as incentives/rewards, but are strictly prohibited for employee use or prizes for school sponsored competitions or drawings.

NO. Refer to the Collective Bargaining Agreement.

**8. CAN I USE PEF FOR CLASS AND/OR HOLIDAY DECORATIONS?**

**9. CAN I USE PEF TO PURCHASE CLASS FURNITURE?**

PEF can be used for items that enhance instruction or make instruction easier such as rolling desks to teach in different parts of the room, special seating for students, art carts, etc. Furniture purchases must be preapproved by the business office in order to adhere to the district purchasing standards. Please send an email to [gl@ttsd.k12.or.us](mailto:gl@ttsd.k12.or.us) that includes the item and purchase details associated with the request. If the furniture is a staple that should be provided in the classroom, such as bookcases or a standard teacher's desk chair, check with your administrator about using building funds; if building funds are not available then PEF can be used. Additionally, if a specific item is needed due to a medical reason (such as a standing desk) the item can be ordered through HR via an **ADA request** rather than using your PEF.

**10. WHAT ABOUT ELECTRONICS AND TECHNOLOGY?**

You are welcome to purchase accessories for your classroom (adaptors, speakers, cords, etc...) through any of the methods listed below in #11. For compatibility and security reasons, check with the District IT department before purchasing any device that connects to District network and cannot be found on the TTSD Technology Purchasing Standards site (<https://docs.google.com/document/d/1DF7lhjZKtzwbe4zSbS3tqL8D7jmexgQALakHBXonv8/edit>). *PEF technology purchases can only be made outside of the District Technology Department after you have checked with IT concerning compatibility/security and checked for availability with iVisions Warehouse and District Vendors. **17. WHAT HAPPENS IF I OVERSPEND MY PEF?**

Individuals are responsible for managing their PEF balance. Should you overspend, you will have the following options to reconcile your PEF account:

1. Reimburse the district through payment (cash or check) or payroll deduction.
2. Request the amount be deducted from your following year's PEF allocation.

**18. IF I USE PEF MONEY TO PURCHASE CLASSROOM MATERIALS, MAY I TAKE THEM WITH ME IF I RELOCATE TO ANOTHER DISTRICT? WHAT ABOUT ANOTHER SCHOOL WITHIN THE DISTRICT?**

Purchases made through PEF are the property of the Tigard-Tualatin School District. You cannot take them with you to another school district, but you can take them to another school in this District. This includes digital cameras. Purchases of equipment must be pre-approved and cannot be made with part District, part personal money as this clouds the ownership question. If equipment was purchased with part PEF money and part building money, then the equipment stays at the building unless released by the principal.

## 19. WHO MONITORS AND KEEPS TRACK OF PEF?

Licensed employees are responsible for tracking their available balance and expenses throughout the year. PEF is a part of the employee's benefits package. Individuals who spend in excess of their yearly allocation must reimburse the district for their overage (see #17 above). PEF will be approved by building administrators through the requisition system, who will review all applications against the established criteria and recommend approval or denial of requests. Balances will be tracked through Infinite Visions. Contact building bookkeeper for questions & balances.

## II. TUITION REIMBURSEMENT

### 1. REQUEST FOR TUITION REIMBURSEMENT (RTR) USING PEF FUNDS.

If you are taking a class and have exhausted your tuition reimbursement credits, you may use PEF funds to help pay for the course. Simply mark the box on the [Tuition Reimbursement Form](#) that you want to use your PEF funds and send the form to Michelle Clayton in Human Resources. Do not enter into iVisions. For questions contact Michelle Clayton at [mclayton@ttsd.k12.or.us](mailto:mclayton@ttsd.k12.or.us) or ext. 4010. PEF payment date rules of July 1, 2024 – June 30, 2025 still apply.

## III. TRAVEL

### 1. CAN PEF BE USED FOR TRAVEL?

- PEF may be used to cover costs for conferences, workshops or seminars, to include registration and associated travel costs such as lodging, flight, mileage & meals. **Work with your bookkeeper to make arrangements.** Please note that travel arrangements (includes registration, hotel, airfare & transportation) *need to be processed through the District office ahead of time*, rather than submitted for reimbursement. If you turn in your request *after* the event reimbursement is the only option and you will need to turn in the original receipts. Remember, the receipts **must be dated, itemized, include payment method and be turned in within 60 days, per the IRS.** Per District Administrative Rule DLC-AR, meals include amounts spent for food, beverage, taxes and related gratuities; alcoholic beverages will *not* be reimbursed by the District. ## 3. IF I DO NOT HAVE ENOUGH MONEY IN MY PEF ACCOUNT TO COVER THE COST OF A SUB, CAN I MAKE UP THE DIFFERENCE SOME OTHER WAY?

Once approved, email all documents to [GL@ttsd.k12.or.us](mailto:GL@ttsd.k12.or.us) for HR review & approval.
