Introduction

The 2023-2024 Annual Report from the Personnel Commission of Westminster School District is prepared in compliance with California Education Code Section 45266 and the Personnel Commission Rules and Regulations. This report describes the functions, responsibilities and accomplishments of the Personnel Commission during the 2023-2024 fiscal year. Additionally, this report describes the goals and vision for future years in the aim of continually progressing forward whereby aiding Westminster School District in the effort to supply the most highly qualified classified staff in support of this District's schools and educational programs.

Westminster School District adopted the Merit System on June 15, 1965. The Personnel Commission provides assistance to the Board of Trustees, Superintendent of Schools, District, site Administration and District staff to ensure that the practices and principles of the Merit System are upheld while simultaneously providing quality services to ensure proper support is available to the District's schools. The merit system is based upon these general principles: employment and promotion on the basis of merit, as shown by competitive examination; career service; like pay for like service; impartial hearing of appeals from disciplinary actions; prohibition against discrimination. Legal guidelines for the merit system in California school districts are outlined in Education Codes 45250, 45320 and 88000 to 88180.

The Westminster School District employs more than 690 highly-qualified classified personnel. In administering the Merit Rules and Regulations through consistent and lawful testing and hiring practices, the Personnel Commission ensures efficiency, fairness, and impartiality in the selection, retention and promotion of Westminster School District's excellent classified staff.
