June 7, 2024

## It's Summertime!

Dear Harding families,

We have one more day of school left before summer vacation! We want to congratulate all seniors who graduated this week on this incredible accomplishment. We hope as they leave high school and transition to something new they don't forget their Harding community. We are always here for our students even after graduation, and we'd love to hear what amazing things our graduates are up to in the coming years.

**All Harding staff will be off for the summer** and they will be back to work the last week of August. We want to send you off with as much information as we can to make sure you have a successful summer. This newsletter will have information on summer school and summer health clinics. We also want to make sure you are prepared for next school year.

We want to thank you all for a great school year and hope you have an amazing summer.

See you soon,  
Harding Staff

## Summer Health Clinic Locations
