

Dear Parents and Guardians,

On Friday, November 1, we will mark the end of the first nine weeks of the fall semester. We will be sending an official progress report out the following week. To view your student's current updated grade, please log on to Canvas (<https://cchs.instructure.com/login/canvas>) and select the gradebook.

Parent-teacher conferences **will be held virtually** on Thursday, November 7, 2024, from 4:00 to 7:30 P.M. and on Friday, November 8, 2024, from 1:30 to 3:00 P.M. You will schedule eight-minute conferences with each of your student's teachers (or the ones you want to conference with) using a scheduling tool. You must schedule an appointment using the system. Please [click here](#) to find your teacher and make an appointment.

We believe that it is highly beneficial for students who are struggling with course content, time management, attendance, and/or their relationship with the teacher to participate in conferences. These conferences provide an opportunity for the student, teacher, and parents/guardians to come together and discuss the challenges and potential solutions to improve the student's academic performance and overall experience in the class.

Conferences also provide an opportunity for parents/guardians and teachers to collaborate and share information that can help students progress in their learning during the next eight weeks of the semester. While student attendance at the conference is optional, we highly encourage them to participate in these eight-minute meetings. The meetings are intended to reinforce areas of growth and encourage active engagement in conversations about learning. If more time is needed, or if you cannot attend parent-teacher conferences, you can schedule an individual meeting with the teacher at a later date to discuss any concerns or questions.
