

## Mrs. Colvin Marvin Supply List - 5th Grade 2024-2025

Students will mostly need their own individual supplies. However, I don't want this to be a burden to any families, so if you have a concern, please reach out to Mrs. Colvin Marvin and we'll work together to get everything your child needs. 😊 If you'd like to donate extras of anything to provide to those who may be in need, that would be lovely. Please make sure your child knows which supplies are theirs personally, and which are being donated. Thanks so much.
