

CONSTRUCTION NEWS

OVERVIEW

Welcome to our monthly newsletter issued to inform neighbors and the campus community about construction activities and updates to the **Wilson Elementary School Reconstruction project**.

We understand that a construction project does not make the best neighbor. While we strive to make the experience as pleasant as possible, we are working hard to reach the long-term goal of providing a new 21st century Elementary School for our community here in Richmond.

Please don't hesitate to email us at facilitiesplanning@wccusd.net to request to be removed or added to this newsletter mailing list.
