

RIVERSIDE SOIL STABILIZATION

Nov. 2021

Work Completed Last Month

- Maintained and protected site through inclement weather
- Worked through agency approval of soil stabilization work, which was achieved on November 3rd

Work to be Completed This Month

- Resuming work November 8th
- Completing the pad for the trash enclosure

Project Facts

- **Project Scope:** The primary purpose of this project is to reinforce soil adjacent to Wildcat Creek. Additionally, the project will include repaving the parking lot, building a new trash enclosure, and removing trees along the creek. This project is an investment in our community through the use of taxpayer bond dollars.
- **Architect:** Gouldevans
- **Anticipated Completion:** February 2022
