October 25, 2024

Dear Family Members of the Senior Class:

The Lampeter-Strasburg **Pioneer 2025** yearbook is offering family members a chance to be a part of their senior's yearbook. Our "Ads for Grads" section is an opportunity to congratulate your senior on a job well done. Your message is presented in the form of an ad in which you can include a personal message and picture on a 1/8-page or 1/4-page ad. You may also have a message on a 1/16-page ad. Examples of "Ads for Grads" can be seen in the L-S yearbook since 1992, and included with this letter are two pages of examples of prior ads.

The actual sizes and prices are shown on the enclosed sheet. All pictures (except digital) you submit will be returned to your senior at the end of May when the yearbook is delivered. Please do not cut pictures; they can be cropped, reduced or enlarged to fit the ads. Digital pictures (preferably in .jpeg or .tif format) may also be submitted. Pictures and messages will be kept a surprise until the yearbook is distributed in May.

We would also like to offer you a chance to purchase a yearbook for your family and/or your senior. We encourage you to take advantage of this early sales opportunity to ensure your senior receives a 2025 Pioneer yearbook. Please see enclosed order form if you are interested.

For your convenience, additional copies of Ads for Grads order materials may be obtained on the high school website, at: <https://hs.l-spioneers.org/school-information/clubs-activities/yearbook>

Please note that the deadline for submission of Ads for Grads orders is December 13, 2024.

We hope you will consider placing an "ad" for your special "grad," and help make our Pioneer 2025 yearbook a treasured memory for your senior.

Respectfully,

Ads for Grads Staff
2025 Pioneer
