About Us

Award-winning Antelope Meadows Elementary School, home of the Wildcats, opened in 1992 as part of the Dry Creek Joint Elementary School District. Antelope Meadows is classified as a Title 1 school.

At Antelope Meadows, we value supporting all students' academic, social, and emotional growth. We appreciate students for who they are and strive to ensure everyone reaches their full potential. The Antelope Meadows community operates as a true family. Teachers, office staff, custodians, campus supervisors, instructional assistants, and administration all take ownership of student success. As a school community, we understand and embrace that no one person or group can do this work alone.

Principal Megan Devine has been an integral member of Dry Creek since 2003. She supports students and staff with exceptional programs and services. Mrs. Devine specializes in forming strong relationships, believes in meaningful professional development, and works collaboratively with teams to ensure successful student outcomes.
