About Us

Barrett Ranch Elementary School, home of the Broncos, opened in 2006 and is a multiple award-winning Title 1 and CEP-certified school.

At Barrett Ranch, we strive to do what is best for all kids at all times. Our constant focus is that students learn to be little leaders who grow into big leaders. This can be seen in how we teach and address individual student needs- academically, socially, and emotionally. We believe that all students have special talents and skills that should be celebrated, and a part of our job is to discover those assets in kids. Our highly qualified and caring staff explicitly model and teach our four school-wide expectations: Show Respect, Make Good Decisions, Solve Problems, & Always Choose Kind.

Barrett Ranch is a remarkably special learning community due in large part because of Principal Cheri Coulter leadership. She works hard to offer every student the opportunity to be successful and is committed to ensuring all students are respected, cared for, and nurtured academically and socially every day.
