APPROVAL OF AGENDA/MINUTES

C. Thornton and Dr. Walker

ACTION ITEMS/DISCUSSION & NOTES

- Information was shared from the cross-council meeting by Ms. L. Jackson and Dr. Walker. They were able to collaborate with other SGC members to gain insight on how specific councils operated. The website continues to be a point of concern. There are no carry-overs from the previous year. Everything will start fresh.
- Principal Walker asked for suggestions on how to use SGC funds. We noticed that other schools involved PTA to help offset the items that aren't allowed to be purchased with SGC money.
- Things that were discussed during the meeting, as it relates to funds (fieldtrip sponsorships, journals, yoga mats for zen room, technology fair funds, swag for council members, muffins for moms, doughnuts for dads, teacher mini grant conference, school club guest support, massage chair)
- Things that were approved with SGC funds (paint, sponsor a 5th grade activity, sgc sponsoring one end of year activity for each grade level, umbrellas for pavilion, bouncy house, 10 big rolling carts, paint, sponsorship for teacher appreciation week, mood lights, soccer goal, corn hole, 2 new adjustable basketball goals)
- Things that need more research for approval (couch, die cut machine, cleaning wipes, banner, treats for trunk or treat)
- Ms. Jackson requested sponsorship for 5th grade pearls. Dr. Lisa Sistrunk will charge $125 instead of $269 per girl. There are currently 6 girls and 4 more will possibly be recruited.
- Ms. Johnson has requested that the SGC help to sponsor pep squad with uniforms/$600 toward Jr. Beta trading pins-both of these were approved)
- Mr. Selmon requested SGC pay for new electronic marquee sign in front of the school. It will enhance school appearance.
- Superintendent meeting information-school staff meeting on 10-24-2024 at Sandy Springs City Center. There will be a presentation on family matters-community engagement and activity (video). The Academic division is expanding literature into middle schools (ilit). CTAE offer will expand as well to include new pathways. Virtual learning has grown by 6% and we now have 60 adjunct teachers. Gained insight on cell phone use (website and code). State release CCRPI scores for students and schools (ELA/Science). Our school increased 9 points in content mastery with the state. Fulton community email. Should have received an email from Fulton community about state of the school address for families.
- Student ambassadors were hand selected by Dr. Looney at the state of school address. Westlake chorus will be in attendance. Asa was the only elementary school there.

- Discussed rezoning-Parklane and Spaulding- school will close and those students will possibly go to the new conley hill ES
- Next meeting is January 29, 2025.
- Principal Walker will start ordering/purchasing soon
- Please send shirt size to principal walker
- Motion to close meeting at 6:00 PM
- Dates for meetings- 1/29/25, 2/26/25, 4/30/25) Meetings will start at 5PM.
