## Community Schools Connect!

Parent square app: Download to connect!

A little reminder from one of our Gardens scholars. His class set some standards and affirmations at the beginning of the school year. I think it's important to circle back and remind ourselves that we each make the world, our community, and our school a better place.

Community Schools is hoping to build a Resource Closet for our school community by December or January. If you have any donations of clean clothing items, new hygiene products, shoes, books or board games; or if you want to donate any gift cards towards families in need PLEASE reach out so we can connect. We will ensure all donations go to families who can really utilize the resources. If you are in need of some support check out the form below, we are here for you!

Below is the form that will be linked here each week for you or anyone within our school community that needs support or even connection. It is sent directly to the Community Schools Leader here at Cordova Gardens, Alexa Trotter:
