

Lenox Elementary School Clubs

4th and 5th grade Drum Ensemble

The Lenox Drum Ensemble is a team of 4th and 5th drummers striving to make a difference in our school through music. Our group is a family that celebrates each member's unique voice through percussion improvisation and ensemble teamwork. We compose our original songs together and focus on building character as well as advancing our musicality. Our booming rhythms and infectious school spirit can be heard throughout the halls of Lenox School. Join in the fun at our next concert!

Lenox Student Council – “Leading Students - Connecting to the Community”.

Fifth Grade students who join Student Council create and conduct events that allow all Lenox students to serve, support and celebrate our community.
